## Caucus

- Caucus Session is a time where members get to listen to each candidate's speech and of course question said candidate.
  - NO ONE IS ALLOWED IN OR OUT WHILE CANDIDATE IS IN THE ROOM
  - Each candidate will only be asked a limited amount of spirit questions
  - Each candidate will have limited time to deliver their speech
  - There are certain questions not allowed which include: race, gender, political views, sexual orientation, etc. If asked the question will be called inappropriate and the candidate doesn't have to answer it.

## Nominating Conference

- A nominating conference takes place when there are more than 2 candidates running for a certain position. This is put in place to minimize the number of candidates running for the certain position.
  - Remember no one is allowed to leave or enter while the Nominating Conference is going on unless you forfeit your vote.
