Leaders look at the Environment
they are thrust into

There is no substantial difference
between Television and Music
So Take lessons from both Mediums

Be Humble, Caring, Servants of People

Leadership with a Music Twist

How can you Lead Anyone
without a solid relationship?

How should you relate to your folks you lead?

“Why Can’t We Be Friends?” By War

- Ask and answer Questions, be Approachable
- Take the time to introduce yourself.
- Let others get to know you, your likes and dislikes.
- Your Mission, Your Goals, Don’t you want to be President?
- Your Morals and Beliefs come out when you talk of yourself

Music

Profile yourself for a little of RESPECT

“Respect” by Aretha Franklin

- If you want me to understand and follow you then Look at how you are presenting your information to your audience
- Are you being condescending or do you belittle?
- Do unto others as you would have done unto you...The Golden Rule.

Music

Don't be a wondering generality be something meaningfully powerful!

What about being a "FIREWORK" by Katy Perry

- Ignite the Spark within you
- Develop a message with some GUSTO!
- Show them your Worth
- Be that Original that cannot be replaced
- Open the door that leads you to the perfect road

Music

Your Style can make or break you
“I am so Excited” by Pointer Sisters

- Need to be Contagious
- Need to have Enthusiasm
- Your execution has everything to do with your message
- Put Life into your projects revitalize the old

Leadership with a Music Twist

Do not Let Doubt take over
your Leadership!

Do you know that your are truly BEAUTIFUL?

“Who Says?” By Selena Gomez

- You are just YOU
- You are Beautiful, a Diamond in the Rough
- Would not want to be anybody else
- You are Presidential. You are the Best Leader there is!!

Leadership with a Music Twist

Enjoy your accomplishments Have a party when success arrives?

“Celebration” by the Kool and the Gang

- Accomplish great things and celebrate their completion
- Take time to recognize that your troops deserve feedback
- Bring on the Good Times and your laughter .
- Make note of the things done right and those to improve
- Be open to Criticism
- But Celebrate Things done well
