ROCK PAPER SCISSOR CHEER

Individuals will go around playing rock paper scissors with each other. The individual that wins will continue on to the next person. The loser will cheer on the person who defeated them from behind. This continues until there is an ultimate showdown.

SONG CIRCLE

Everyone is in a circle. A volunteer or a group of volunteers jump into the middle of the circle and sing a popular song. Those in the circle sing a long. Once the song starts to go awry because the volunteer/s forget/s the words, more volunteers will jump in the circle to save them and restart with a fresh song.

Encouragement

- DO NOT YUCK SOMEONE'S YUM
- When asked, "Who is going?", say, "*Everyone is going.*"
- Encourage your members one double zero percent.

Ambiance

Dull to chill to cool to loud, club meetings always have a certain mood to them. Do not brush the atmosphere aside, because it is important to keeping your members. Jazz them up from time to time. Make a meeting chillaxing and the next week, exciting!
