Hello, CNH Bees!

Happy New Year CNH Bees! I hope you all have a wonderful 2017 and accomplish your new years’ resolution. With the new year starting this means we are approaching the end of the third quarter of our term! Time sure is flying by very quickly.

With the new year chiming in, this is a great time to set your goals for the year. Set goals that you know you will be able to achieve. Since it is a new year, it is also a great time to try something new. Try learning, meeting or going somewhere new!

January is also when club elections and conclave start, I wish you all the best of luck with that. If you are debating if you should run for a position, I say go for it, you never know what is going to happen! I believe in you all to do great things in life!

May everyone have an amazing 2017, live healthy and prosperous!

Shining with Service,

Teryn Ngo
District News Editor
Governor

Happy New Year, Bees!

I hope you had a joyous holiday season relaxing and enjoying time with family and friends. 2016 was a year full of service, new accomplishments, and further progress toward our district goals. When making your resolutions for the new year, strive to implement SMART goals and quarterly check ups to ensure you’re on track to reach your aspirations. But don’t forget Key Club; go talk to your officers and LTG about setting up a new project, a new fundraiser or even a new tradition – leave a legacy.

With convention just four months away, don’t forget to continue assisting in our drive to achieve our District Goals. 1.3 million service hours, $185,000 for Pediatric Trauma Program, and 3 new members beyond retention per club. As a district, we are just $3,000 away from achieving our fundraising goal ($182,000 raised so far!), but what have you done to help your club achieve the rest? Make it one of your priorities to continue your outreach within your school and spread the joy of service to all. Afterwards, join the rest of the California-Nevada-Hawai‘i District at Convention with your dues-paid club by registering on-time before February 22nd! Also, be sure to check out the various contests on the CyberKey so you can get recognized for all the wonderful service you’ve done.

We have come along way since the beginning of our term, but now is not the time to burn out and halt service. Instead, strive to finish this term strong and leave a legacy for those to follow! Now, let’s gear up for the next couple of months as we kickstart another year full of service and leadership. Keep on shining, Bees!

Kevin Myron
District Governor

Secretary

Hey CNH!

Do you hear the buzzing? Yeah, that’s the buzzing about how close we are to our fundraising goal of $185,000!

Happy 2017 CNH! May this year bring you happiness and your wishes come true! I am so excited that this new year brings us very close to our district goal for fundraising, and I hope that this continued effort can also be shown through our service hours! Remember our district goal of 1.3 million service hours? Is your New Year’s Resolution related to serving your home, school, and community? Well it should be! What is better than to start the year off by helping others and making an impact in the community you live in? Little things go a long way!

As it is the beginning of January, this is a great time to start getting District Convention logistics squared away. Make sure clubs are keeping track of who is going and meeting all the deadlines for attendance. Look for chaperones and think about transportation before it is too late!

Secretaries, it is very crucial for you to complete the Member Recognition Tab accurately and precisely so that your respective Lieutenant Governor can be able to send in this data to the district to reward those individuals with the recognition they deserve. As always, accurately report hours and recognition levels. Be organized and ask questions if you are unclear! I am always here should you need any assistance, and Member Recognition Chair Michelle Ng can be contacted at cnhkc.mr@gmail.com if you have any specific questions about recognition.

I hope you all had a fantastic winter break, and for the seniors, hearing back from colleges. A rejection does not define who you are, and I know that all of your potential can be flourished at any institution as long as you put in the effort.

I wish you all the best this year, and a great beginning to semester 2!

In Dedicated Service,

Angel Lau
District Secretary
Hello CNH Bees!

Happy New Year and Happy Holidays everyone! With a new year, we all get to embark on a new journey together and create so many more memories! Let’s make 2017 count! Not only is this new year important for us personally, but also Key Club wise! The new year finally marks the point in which officers finally begin to transition to take the reins for the following term.

All throughout the CNH District, elections are taking place! Whether it be for a club officer position or a conclave, new officers are officially being elected into place! I encourage everyone throughout the district to run for something! Just the experience of running in an election helps you, as you can develop your public speaking, caucus question answering, and of course, getting over the nerves that an election can bring! Remember that no matter the outcome, we are still leaders, it is a Key Club core value after all! Leadership is defined by your actions, not a position! Even if an election does not work out in your favor, your journey through Key Club continues.

I encourage all clubs to hold elections as soon as possible so that we can bolster District Convention attendance. Remember, each club should have at least two members attend on behalf of the club! This is a perfect opportunity for newly elected officers to learn more about their position and assist in the election of our future CNH District leaders.

With the new year finally here, do not forget to set up that new calendar and begin planning out the days until convention! I highly recommend ensuring that the club you serve sets up a budget and works out finances as soon as possible, if you have any questions regarding this, do not hesitate to ask me.

And as always, if you have not paid your dues, please do so as soon as possible. Around 70% of our district is paid! Be proud of yourselves!

Shahrukh Shaihk
District Treasurer

Happy New Year, bees!

I hope that you have all enjoyed your holidays, have taken time to relax, or been super productive, or have travelled, hung out with friends; that you’ve had a great break from school. Some say that 2016 was like a “bad movie with a great soundtrack”, but no matter what we thought of this past year, we are entering a new one.

The start of 2017 is a time to review commitments, set goals, and plan for a prosperous year to come. For seniors, this is the final push. However, I think it is great that we are at the beginning of the year, so that we may set resolutions that we can strive to stick to. Another year also brings opportunities: be on the lookout for your division’s LTG conclaves. There are many elections occurring in the New Year, and to be elected is an amazing honour and opportunity, providing valuable experience and unforgettable memories. Despite outcomes, the process of election itself is already invaluable. Following that, there will District Convention! I absolutely love meeting people that have a passion for Key Club, helping others, and having fun. There is no better place to be, and as this will be my first (and last) CNH DCON, please join me there!

Internationally, I have travelled to Indianapolis for the November International Board Meeting, and have visited West Virginia for their Winter Board Meeting. I look forward to the February International Board Meeting in San Antonio, Texas—the city that ICON 2017 will be held! If you have any questions concerning International Convention, or the business of the International Board, please don’t hesitate to ask!

With hope,

William Zhang
International Trustee

DOES YOUR CLUB HAVE CHAPERONES FOR DCON?

IF NOT, IT’S TIME TO START ASKING!

Remember:
In order to attend DCON 2017 in Anaheim from April 6th-9th, you must bring enough chaperones to meet the CNH District member-chaperone ratio. Find out what you and your chaperones need to prepare for DCON!

Chaperone Dos:
• 1 chaperone for every 10 Key Club members, gender-specific (i.e. 6 girls & 2 boys with 1 male & 1 female chaperone)
• Reach out to your sponsoring Kiwanis Club for possible chaperones
• Chaperones must be at least 25 and have a background check from your school and Key Club International
• Make sure that they plan transportation, know the agenda for each day, and when to take the club to and back the hotel from the convention center

Chaperone Don’ts:
• Wait until the last minute to find chaperones
• Have less chaperones than the required member-chaperone (i.e. 12 girls & 5 boys with 2 male chaperones)
• Leave your chaperone without any information on your general whereabouts
• Let your members leave unless they have your contact information and you have theirs
• Forget to appreciate your chaperones for letting you enjoy this once-in-a-year experience!

REMEMBER TO THANK YOUR CHAPERONES!

Compiled by the Kiwanis Family and Foundation Committee
**WHY?** Well, without elections, Key Club International would lose its meaning because it really reflects on everything we find important. It opens up great opportunities to emphasize our core values. As long as a member has paid their dues, they may run for a position or be eligible to vote. For those who are interested in building character, they may find the first step to be running for an office. Each person becomes more involved in the future of Key Club and more knowledgeable of the offices when being elected. Elections give a fair chance to anyone who strives to be a leader.

### The Benefits of Running

**Noope! This isn’t a flyer about why you should excercise. Want to learn how to do more for the club you serve? Consider running for an executive position.**

**This can include President, Vice President, Secretary, and Treasurer!**

- **Stepping out of your comfort zone:** Running for office may be a completely new experience, but it can allow you to go beyond your comfort zone and discover your potential.

- **Confidence in yourself:** From the days of preparing to your speech to the final moment of delivering it, you can become more confident.

- **Chance for reflection on strengths:** You have the opportunity to reflect on your abilities when deciding which position you are most suited for and when presenting yourself to the members during the election.

- **Communication with others:** While preparing, you learn to communicate and ask for advice from current officers, Kiwanis and Faculty Advisors, and your principal.

- **Improvisation skills:** You’ll learn how to react quickly and think on the spot through answering caucus questions.

- **Improvement on public speaking:** Writing and rehearsing a speech for the election is good practice to improve public speaking.

- **Gaining knowledge about Key Club:** In preparation, you develop a better understand of the organization and the duties of the officers.

- **Experience in running for office:** Running for a Key Club position gives you experience in preparing for future elections for Key Club or other organizations.

New Year, New Bees!

CNH Member, Officer, and Advisor of the Month: January 2017

D37S | Erin Figueroa
Member of the Month

Erin has really been a positive force in her home club and division. She regularly attends division functions in addition to service events, and is even willing to stay past her volunteer shift to help finish a clean up job. She has also shown initiative in leadership by joining our division spirit committee, always displaying integrity and punctuality in her role. She never lets mere titles define her, as she’s living proof of the great contributions and potential a general member has to offer and grow from.

D46N | Hilip Gergis
Officer of the Month

This officer has been doing a terrific job leading his club. From trying to rebuild the club’s active participation at the beginning of the term to coming up with numerous fundraising events to help the club and other charities, this officer has never failed to stay positive and spirited about Key Club. He attends virtually every single service event in his club and amazingly exceeds expectations of an officer. He has gone above and beyond, which shows his true passion for Key Club.

D21 | Valerie Crawford
Advisor of the Month

One of the most amazing faculty and Kiwanis advisors that I ever met and had the pleasure to work with. She is always so passionate about working and mentoring students to become the best leaders possible. Mrs. Crawford is always someone I could depend on when I need support and advice with any of my endeavors. Always willing to go the extra mile, she works with both Patrick Henry Key Club while supporting the division as one of our main chaperones.
Salvation Army Red Kettles

Division: 22H  |  Club: Maryknoll

Our club volunteered for the Salvation Army Red Kettle event at Walgreen Beretania from 9 am to noon. At the event, we were given a kettle, organization aprons, and bells. Representing the Salvation Army has impacted our club greatly. We had a chance to start off the holidays in a cheerful way. With our Kiwanis Advisors, we spread holiday cheer by singing Christmas songs in front of the store and wishing a happy holiday to donors. The service project was very successful. Our club felt very grateful to have been a part of this and raise money for a good cause. This event was memorable for us because we got the chance to connect with our Kiwanis Family.

Jessica Revilla Hernandez

American Diabetes Association
Tour De Cure Set Up

Division: 22H  |  Club: Farrington

Farrington High School Key Club participated in the annual Oahu's American Diabetes Association Tour De Cure Set Up Service at Kapiolani Community College. This year, in honor of our Kiwanis Family, we invited one of our Kiwanis advisors, Mr. Gary Hayakawa. For this event, we helped unload all of the materials needed for the set-up. Then, we worked on different tasks such as setting up tents, putting up event banners and signs, and loading event materials back in the cargo vans.

A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
