Hello, CNH Bees!

Happy September busy bees! School, sadly, has started and the sleepless nights has began. Not because of late night conversations or movie marathons, but because of homework and studying. Set your alarms, and go to sleep early, if possible. Don’t forget to eat a healthy breakfast every morning, its the most important meal of the day. Even if you are in a rush, grab a fruit or a granola bar. You need that energy for class!

School starting means, club rush and key club meetings. Hope you have all planned for club rush, and are ready to recruit new members! Start planning for your first club meeting as well, that is the most important and biggest one. Have a little snack or some ice breakers to engage with the members. Don’t forget to promote and mark your calendars for Region Training Conference, and Fall Rally because that is right around the corner! It will be here sooner than you’ll know it!

Hope you all had or will have an amazing first day of school! Study hard, pay attention, and have an amazing school year CNH Bees! Keep Shining!

Governor

Greetings CNH Bees!

Are you happy to be back in school? Have you attended a Key Club meeting? Better yet, did you convince some of your friends to join too? Even better yet, did you pay your dues? I sincerely hope the answer to be a “YES!” to the majority of these questions.

Balance is essential as our lives will begin to become busier and busier into the school year. Remember to keep a commitment to Key Club still on your priority list. As weekends become valuable days to rest, sleep-in and lounge around, remember to make time for Key Club.

Have no fear if you’re looking for exciting event; all you need to do is look ahead! Soon enough Region Training Conference (RTC), Fall Rally, and other various holidays will be upon us. It’s critical to look out for info from your respective Lt. Governor, the CyberKey (cnhkeyclub.org), and from your respective club officers on these upcoming events. At RTC, you’ll get to meet Key Clubbers across the region for a day of training, fellowship and attainment of new skills for you to utilize. Quickly following that will be Fall Rally where Key Clubbers attend rallies to raise awareness for Pediatric Trauma Program through fundraising, showcase impressive spirit, and create a memorable day of fun. These events are only a part of your journey through Key Club as the real impact comes from you serving your community. These events will further propel and inspire you to do just that.

The first step in all of this, is make sure you are dues paid! Help your club achieve on-time submission of dues by ensuring they’re submitted to International before November 1st.

Thank you Bees. I appreciate your hard work, diligence and continual service. Keep on shining!

Secretary

Hello, CNH Bees!

School is now in session for many of us, so that means that school work will begin to pile up. That being said, it is really important for you to time manage so that we can have enough time for both our extracurriculars and school work. Above all, make sure that you are saving time for yourself and for your family. It is sometimes easy to get lost in the work we have to do and lose the focus on ourselves and our family, so make sure that even during the most stressful of times during school, have some space for yourself and spend time with those that you love.

Seeing that is the beginning of the school year, start preparing for club rush by making posters and creating sign up sheets. A great resource is to have those sign up sheets be digital (on someone’s laptop) so that it is easier to read new members’ contact information. It is never too early to begin, so start posting flyers up and spreading the word so that recruitment can be well on its way!

For seniors, I completely relate to many of you that have busy schedules especially with the added weight of college applications. However, make sure that the stress doesn’t overwhelm you so get started with the personal statements and application process! Deadlines are approaching, so make sure that you are not only doing work on your part for yourself, but so that the rest of the club officers or members that look up to you can see you as a role model.

As always, feel free to contact me with any questions or just to chat!

In Dedicated Service,

Angel Lau

Hello CNH Bees!

School is back in session! For most of us, this means going back to spending days in the library and getting back into the flow of balancing school with other activities. One thing I would love for everyone to focus on for this new school year is growth!

The CNH District of Key Club is truly astounding in size; however, this does not mean we can not get even bigger! Remember, more members mean that more people will have a chance to make our homes, schools, and communities better places. One of our district goals is to gain three new members per club beyond retention. With the school year underway, strive to gain not just three new members, but even more! Go crazy, recruit the whole school! This can be done by being creative and creating a positive atmosphere about Key Club around school. Effective publication and communication is the key to successful growth!

But remember, growth is not just confined to Key Club. But consider this year as yours to grow as a person, friend, and a servant leader. Set goals and aim to achieve them! I BEElieve in all of you!

Club officers! With September finally here, the Membership Update Center will finally be open on September 6th to start recording new members for the 2016-17 term. Be sure to see if you have access to the MUC as soon as possible in case there are issues. Also, be sure to emphasize dues payment throughout your first meetings! You can all start paying dues once October 1st comes around. Remember, if you pay before November 1st, your club will be recognized as an Early Bird club by Key Club International!

I wish you all a great school and rest of Key Club year!

Message from the Trustee

Hello CNH Bees!

My name is William Zhang, your international trustee! I hail from the snowy Eastern Canada District, where I served as a club co-president and lieutenant governor. A little about me: I am a senior in the IB Program, I love to read, create art, and have boba with my friends to cool down (not that the snow doesn’t make it cold enough).

What a phenomenal experience it is to be able to see you, a member of the largest Key Club district, performing golden service! It is an absolute honor to serve the West Virginia, California-Nevada-Hawaii, and Jamaica Districts of Key Club International. Throughout the year, I work closely with the CNH District Board, and represent the district at International Board meetings.

A great way to be connected is through lieutenant governors! They will be able to share with you my international newsletters. That said, bee on the lookout for Region Training Conference notices! RTCs are a great opportunity to communicate with the district board, meet Key Clubbers within the region, and show off your spirit.

As you start of yet another school year, I wish you the best of luck, and not to stress too much! Make time for the things you love, a golden year lies just ahead.

William Zhang
International Trustee
When applying for college, most colleges require the submission of at least 1 personal statement. A personal statement should always include a reflection on who **YOU** are as a person, and the experiences **YOU** have had. The personal statement is one of the many factors that colleges take into consideration when reviewing applications, so be sure to "sell yourself," and inform them of why you are the best applicant!

**5 SHARP Tips for your Personal Statements!**
Find out how many essays are required - Some private schools require additional supplementary writing along with the mandatory essay found on the Common App. Luckily, those universities tend to have similar additional supplementary writing so feel free to edit and revise an essay you wrote for one school to fit the requirements for another!

Tell a story - Don’t be afraid to think outside the box when it comes to personal statements! Admissions officers would love to hear a story about a time in your life that has developed you into the person that you are today.

Be concise and follow the directions - Be aware of any word limits. Don’t bore the admission officer with every single detail; be concise and get to the point. Some essays may not have a word limit but remember to not stray off the topic. A good essay should just have enough detail to spark interest in the reader without it being several pages long.

A good personal statement can help weak test scores or GPA - Not the best test taker? Don’t stress too much! Admissions officers know that you’re more than a bunch of numbers. Use the personal statement to your advantage and sell yourself. Universities want to get to know you so a strong essay can definitely boost your chances of getting accepted.

BEE yourself - Don’t exaggerate on your essay, most admissions officers can see right through it. Schools aren’t looking for the perfect, straight A, varsity athlete. Admitted students come from diverse backgrounds so don’t be afraid to showcase who you are.

BEEing a Leader without Titles

Lead by Example
BEE a leader by LEADING a friend of yours to a Key Club meeting. Influence their attitudes by making sure yours is always positive and welcoming! BEE understanding and open to different ideas!

Take Initiative
Little things such as advertising for your club or inviting a friend to an event demonstrates a drive that is exhibited by many leaders. Don’t wait to be told to do something, but rather take the initiative and just do it.

Make a Difference
By attending your local service events, you are making a BEE-utiful difference in your home, school, and community, one step at a time.

Strength in Numbers
There are over 45,000 leaders in the CNH District. We are all CNH Bees, working together to develop our hive and family. And since there are so many of us, we are never alone --someone is always willing to help!
Importance of Membership

Members are at the top of the membership pyramid because they are the most important part!

Key Club is only able to function and exist with them. It is the dedication of the members that allows us to successfully give back to our communities and fundraise for the preferred charities. Members are also the ones who inspire the other levels of the pyramid to work even harder!

This is why effective membership recruitment is so important! If new members do not join, the membership pyramid and Key Club itself would fall apart. We would not be able to raise awareness about Pediatric Trauma or eliminate maternal neonatal tetanus.

3 new members beyond Retention!

Without members, Key Club International wouldn’t even exist!
Membership Recruitment

Increase club membership this school year by planting some important seeds of service...

SERVICE Community service is KEY to our mission as Cali-Nev-Ha Key Clubbers. While recruiting members, keep in mind the importance of stressing that Key Club is first and foremost a volunteer-leadership club, with spirited events like Fall Rally as fun extras. As the year progresses, maintain a dedication to community service and encourage members to retain their passion for serving their homes, schools and communities.

ENERGY The number one most effective technique in increasing membership is to show that you personally are invested in Key Club and that you have a genuine passion for the organization. Keep a smile on your face and some spring in your step, and prospective members are sure to follow. Adding an extra “How Do You Feel?” cheer every now and then won’t hurt either!

EDUCATE Future Key Club members would never get the chance to experience all that our incredible Divisions have to offer if they don’t know what Key Club is in the first place; make sure to explain what the core values and practices of Key Club are, as well as clear up the common question of “Do you guys make keys or something?” with the proper response: “No we do not make keys. Rather, we open the doors to your future.”

DIRECTION As the school year begins, work to ensure that the entire club board is aware of the goals for the year. Always work to improve the experience of the members you serve and keep in mind the end goal, whether it may be increasing membership, service hours, division participation, etc.

This Month's Exceling
“Planters of Service”

**Member of the Month:**
Alyssa McClain
Charter Oak Key Club

While some members usually sit out or take a break from a service project, I always see Alyssa doing work non-stop. When she has finished her task, she always asks if there's anything else that she can do with the time left. Though she was a little shy when I first saw her at DCMs and other Division events, she has now branched out, and is beginning to reach out to other members within the Division outside her home Club. I am always amazed to see how much work she accomplishes within a mere 2-3 hours of service, and proud of her growth as an individual. She is very reliable, and carries a lot of potential. I would not be surprised to discover her election as a Club Officer or DLT member next term.

**Advisor of the Month:**
Mahmood Bashir
Division 35 Kiwanis

Mahmood Bashir never fails to put a smile on my face. Always holding a cup of Starbucks coffee, he's always physically and mentally there for Division 35 East. I had just got off the phone with him about the Division Carnival that I'll be hosting this weekend, and he updated me on the progress of getting the park permit settled. Though I've made a countless mistakes already throughout my term and even before my term when I knew him, he still encourages and motivates me to work harder and learn, even during my most down moments. This does not only apply to me, but everyone else in Division 35 East. He is a charismatic, approachable adult who can take a few jokes here and there. I regard him as not my mentor or advisor, but as my friend who I can rely upon and who can lift me up when I need it. He was recently awarded a Distinguished Lt. Governor award at Kiwanis Convention this past weekend, and I couldn't be more proud of him and all that he has done for Key Club and Kiwins. He really is a hero to me and the rest of the community I serve.

**Officer of the Month:**
Valerie Manzano
Division 35 West

Valerie Manzano, Even with Valerie just being a historian, she always puts the upmost effort into attending events. She always wants to do service and even attends other clubs events! Everything she does is her and I'm glad to have her in Division 35 West.
Creating and Revising Club Policy and Bylaws

**STEP 1:**
Set up a club board meeting with an advisor to discuss club policy and bylaws.

**STEP 2:**
Check with your school and district policy regarding creating club Policies and Bylaws.

**STEP 3:**
Refer to the CNH District Bylaws and Policy Manual (can be found on the CNH Cyber Key).

**STEP 4:**
As a team, utilize school breaks and summer time when there is more free time to create/revise club Bylaws and Policies.

**STEP 5:**
Keep scheduling board meetings to make sure everyone is on the same page.

**STEP 6:**
Help each other because we are better together.

**WHEN REVISING POLICY AND BYLAWS, REMEMBER TO . . .**

- Make sure to edit with a different color, still keeping the original document.
- Gain approval of the revisions through Kiwanis Advisor, faculty advisor, and fellow club officers before making final draft.
- Only recognize revised policy and bylaws once approved.

**Questions? Comments? Concerns?**

Please contact Policy, International Business and Elections Chair Sehyeon Park at CNHKC.PIE@gmail.com.
Amendment I: Passed
All pronouns throughout the Key Club International Bylaws that refer to specific genders (e.g. he, she, him, her, his, hers, etc.) have been changed to gender-neutral pronouns (e.g. they, their, theirs, etc.) to eliminate gender reference.

Amendment II: Rescinded
Section 9 was proposed.
Section 9: A school or community based organization may not sponsor more than one Key Club.

Amendment III: Rescinded
Key Club members must be enrolled in high school. Members cannot be in more than one Key Club. Members should be interested in service and scholastically qualified by their school District for extracurriculars and good character. One cannot be denied membership based on previous service experience.

Amendment IV: Defeated
Key Club Districts should correspond with Kiwanis International Districts and be divided into Divisions approved by the sponsoring Kiwanis District. Two Key Club districts borders cannot overlap in any way. If you would like to change the Key Club International District structure, it must be approved by the Key Club International Board before being reviewed by the Kiwanis Youth Program Board. Key Club Districts will be divided into Divisions, and have a Key Club Administrator appointed by the Kiwanis District. A change in the boundaries of a Kiwanis International District will automatically change the corresponding Key Club District.
Club Policies and Bylaws

What is the difference between a Bylaw and a Policy?

- A **Bylaw** defines the structure of the club's governance
- A **Policy** describes how to manage operations within a club.

Why are Bylaws and Policy Important for a Successful Club?

- Policies and Bylaws form the structure and foundation of a club that is necessary for it to grow
- The club you serve will **bee** professional
- No ambiguity among officers or members about club rules
- The club you serve will have no, if not very minimal, challenges among the officers and members because the Policies and Bylaws will be in writing

How do I create Policies and Bylaws for the club I serve?

- Check with your school and district policy regarding creating club Policies and Bylaws
- Refer to the **CNH District Bylaws and Policy Manual** (can be found on the CNH Cyber Key) when writing a club Bylaws and Policy Manual
- Utilize school breaks and summer time when there is more free time to create club Bylaws and Policies
Hey CNH Bees!

My name is William, and I’m honored to introduce myself as the International Trustee for the West Virginia, California-Nevada-Hawaii, and Jamaica districts. I hail from the snowy Eastern Canada District, and I have served as a co-president and Lieutenant Governor. As your International Trustee, I will extend resources to you, and be your voice on the International Board. That said; please don’t hesitate to reach out to me! I am so excited to serve you, and I can’t wait to hear about all your amazing stories and accomplishments.

Q: What’s your favorite food to eat?
A: Sushi, Poutine, Samosas

Q: What TV shows do you watch?
A: Suits, House of Cards, Scandal, Downtown Abbey, and Greys Anatomy. Kevin wants me to start OITNB. I also watch anime when I’m bored of TV shows.

Q: Have you ever tried boba?
A: In Canada, we call boba “Bubble Tea!”

Q: Have you ever done your eyebrows?
A: I’ve never done my eyebrows. I comb my eyebrows with finger and water, only when it’s out of place.

Q: How often does it snow in Canada?
A: It begins to snow around October – November. There is usually about 30cm of snow when it snows, and takes about an hour and a half to shovel all the snow.
Go Outdoors | Beach Day

Since I currently serve as the Lt. Governor for both Divisions 20 and 32, I wanted to emphasize the District Spotlight on Service Program for all division events. For the month of July, I planned with the division leadership team to go to Goat Rock Beach to do a Beach Clean Up. We promoted this event in order to increase enthusiasm and interest in the project. This project has made me and others realize how much the trash at the beaches can severely impact the homes of living organisms and the water. The amount of time spent at the beach was perfect because members felt that their time was well spent.

Ho‘oulu Aina Growing Farmers Program

Farrington High School Key Club was given the opportunity to work with Ho‘oulu Aina and participate in their weekly Growing Farmers Program. Ho‘oulu Aina is an organization dedicated to sustaining the connections between the health of the land and the people. During the service event, we worked with gardening tools, such as clippers and hand saws, to cut the bamboo into smaller pieces. Afterwards, they were placed in a neat and organized stack. We pushed hard to get the job done accordingly and had a great time. After all, this service will be benefiting everyone who lives in Kalihi.

PTP, Pediatric Trauma Program, was first established in 1994 after the realization of the need for education and training in pediatric trauma and injury prevention. Their goal is to educate people of children’s safety to decrease the number of children who are severely injured or killed due to traumatic unintentional injuries. PTP has supported the growth of partner hospitals in cities all around CNH: Oakland, San Diego, Loma Linda, Madera, Honolulu, and Reno. The money that is raised goes to train pediatric doctors and first responders, the purchase of pediatric medical equipment, and continual development of community outreach. PTP is heavily supported by the donations from the members of the Kiwanis Family; members like YOU!

90% of unintentional injuries are absolutely preventable! Donations designated for the Pediatric Trauma Program are spent in three major areas: grants to our partner hospitals; grants to Kiwanis and Service Leadership Program clubs; and PTP safety items which are available for purchase by the Kiwanis Family at a subsidized cost.

Compiled by KFF Committee
Hi fellow Key Clubbers! As you all know, the school year is about to start. Many of us are excited to see the people we haven’t seen all summer. This may be upsetting for some, but it doesn’t have to be. Let’s make the most of it. My goal is to study hard and set up a time every day to work on Key Club matters. I hope everybody’s school year starts off well.

What’s Buzzing CNH Busy Bees? With school back into action, we can have a lot to do! Please use this school year to plan and prioritize so you can efficiently get your work done on time and efficiently. Remember to keep up with Key Club, attend service events, and try to recruit new members do this year can be one to remember!

Salutations CNH Bees! I swear summer break was just a few weeks ago but who knew that time flies by so fast and we’re already BACK-TO-SCHOOL! As you get back on track with your studies, you may feel it going by slow but before you know it, summer will be back again soon.

Hello CNH Bees! I hope you are all having a successful start to the school year and are continuing to serve the community! Don’t forget to start off the year right by paying your membership dues and attending Key Club events! Key Club provides many opportunities to give back, meet new people, and learn more about your passions.

Hello CNH! School has begun, Key Club continues and the majority of us may feel overwhelmed, but we have to push through another school year and make this a year of success! Bring friends to Key Club meetings and events and give them the chance to experience new opportunities like never before!

Greetings CNH! As we are getting used to our school schedule, I hope that you are continuously serving your home, school, and community! What better ways to celebrate a fresh new school year? Join Key Club, attend meetings, and bring your friends to Division/Region event!

Welcome back to school, CNH! Has your sleep schedule evened out yet? As you tackle the new school year, take a load off by joining Key Club! You’ll experience service and leadership like never before - what looks like hard work feels like a good time with friends.

Salutations CNH Bees! It’s that time again; Back to School! I hope everyone has had a wonderful summer vacation filled with not only fun but with service as well! As it is back to school time I would like to remind you that this is the perfect time for us all to recruit new members into our home clubs.

I know school isn’t something everyone wakes up to with a smile on their face but start off with a positive attitude and keep that attitude throughout the year! It’s helpful to your friends and teachers. Also, you’ll become more efficient and the year will seem to fly by. Plus, positivity will also help with getting all your work done and by the end of the day
Come join Region 9 at Region 9 & Region 17

A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
