Hello, CNH Bees!

Happy October busy bees! Have you drank your first pumpkin spice latte of the season yet? How about planning out what you are going to be for Halloween? I certainly haven’t because time has gone by so quickly I didn’t even realize! I hope that everyone’s first month of school went well, and you passed all your tests. Good Luck to those that have some these upcoming weeks and to those taking any of the SATs or ACTs.

Speaking of school, I am sure most of you had a successful club rush and first club meeting. Don’t forget to find events for the members to attend and mention membership dues as well as Fall Rally! That leads me to the next question. Have you started practicing your cheers and prepping your spirit attire, because Fall Rally is just around the corner! It’ll be here sooner than you will expect it. Many of you all have had your RTC or are about to this month, I hope you all learn something valuable and have a fun RTC!

Don’t forget to keep on serving, and I’ll see some of you at RTC or Fall Rally South!

Shining with Service,

Greetings CNH Bees!

Autumn is upon us! Not only does this time mean changing of colors on leaves but also a multitude of opportunities to captivate membership and renew our ever-growing spirit for this organization. With RTC and Fall Rally just around the corner, this season is the perfect chance to grow our Ohana. Reach out to that one student who you notice during the school day or lunch that could enjoy being included into an Ohana like ours. Keep in mind our District Goals for the month ahead.

I am so thrilled to meet members across the entire CNH District in our upcoming Fall Rallies. Take this next couple of weeks and really focus onto striving to achieve new levels of fundraising. Remember our district goal? We need to reach our goal of $185,000 for the Pediatric Trauma Program without your help. Your efforts in fundraising and serve truly do make a difference in your respective communities.

Most importantly, utilize the opportunities offered to you this fall season. Participate in Trick-or-Treat for UNICEF to support the Eliminate Project, apply for a PTP Grant, and don’t forget to apply for the Youth Opportunities Fund (application due Oct. 15). 100% of all funds raised through Trick-or-Treat boxes will go to The Eliminate Project, so now is our chance to make considerable progress towards meeting our $500,000 commitment, which we are only $60,000 away from achieving!

Thank you for all the fantastic service and fundraising continually put forth. I appreciate your hard work and effort, keep on shining bees!

Kevin Myron
District Governor

Secretary

Hello, CNH Bees!

Happy October! I hope the beginning of school has been going well for you! For new Key Club members, welcome to an organization that will open not only doors to opportunities, but your eyes to how much of an impact Key Club members can leave on their homes, schools, and communities. Take advantage of all the opportunities you get because they are nothing to waste. Everything comes to your life for a reason, and I believe that Key Club is now a part of your life for a reason – one that you will not regret!

I remember when I first joined Key Club, I was extremely welcomed at a general meeting and though my first service event did not end up going well, I continued to attend events, and each of them proved to not disappoint. It was all because of the inclusiveness I felt from not only people I met, but also the officers. The moral of the story can be applied to both new and old Key Club members, as well as officers: it is that being genuine and reaching out to others is the KEY to helping someone feel welcomed. After all, one of our core values is inclusiveness!

I hope that the Club Rush season will go well, and I am so excited for this journey ahead! Though the fall can get busy with both college apps for seniors, or balancing out rigorous classes for any of us, remember that there is a vast support system out there for you to reach out to and utilize. I’m wishing you all the best, and please don’t hesitate to contact me if you ever need anything at all.

In Dedicated Service,

Angel Lau

Hello CNH Bees!

Happy October! This month will definitely be one to remember, as we finally embark into Fall Rally season! Get ready to prepare for a month full of fundraising, cheers and spirit. I am so excited to be meeting so many of you at Fall Rally North on October 22nd! On the other hand, Fall Rally South will be next month on the 12th. Remember our district goal of raising $185,000 for the Pediatric Trauma Program? Now is the perfect time to go all out in fundraising! BEE creative, fun, and set a goal of one fundraiser per month! Although $185,000 seems like a very large amount, with 42,000 members in our district, that is only about $5 per member! If you catch me at Fall Rally North, say hi! I would love to meet some of you!

Club treasurers! Dues season has finally begun! Be sure to proactively work to register members and mail out your dues on time. The early-bird deadline will be on November 1st, while the regular deadline will be December 1st. Do NOT procrastinate on this and strive to submit dues by the early-bird deadline! Keep in mind that these are received by dates. If your dues are not received by December 2nd, the club you serve will become delinquent, and ultimately, a suspended club. Also, if you ever have any questions regarding dues, do not hesitate to contact me at cnhkc.trs1617@gmail.com.

Continue to work hard in school and keep reaching above and beyond! Although the fall season can get stressful, I have full faith in all of you! Remember to take breaks, treat yourself, and set goals! Stay shining, CNH!

Message from the Trustee

Hey CNH Bees!

School is definitely now in full swing, and I hope that you are all balancing everything that comes at you! Despite homework, extracurriculars, and college apps, I hope that you might find the time to relax, listen to music, and get some good sleep. It’s so easy to get too caught up in everything!

The coming of the fall season marks many Key Club dates as well! Congratulations to Regions 11, 12, and 18 for holding their Region Training Conferences. They were great successes, and lots of fun! Chances are, your region has yet to have held their RTC, so be on the lookout for updates from your LTGs. Also, I encourage you to consider applying for a Youth Opportunities Grant; financial assistance can really help take service in your community to the next level! Of course, the best way to be ‘on the know’ about dates like these is to read the newsletters published the LTG and DLT that serves your division. Take advantage of upcoming opportunities, and make the most of the moments you have- you won’t regret it.

As for International, the International Board’s July meeting minutes have been posted under the “Resources” then “Governance” tabs on the Key Club Int. website. Also, I have spoken to Governor Kevin, as well as the Governors of the West Virginia and Jamaica districts about establishing inter-district pen pals. We believe that connecting you to another Key Clubber would be a great experience to see how service is performed in other cities, and even nations! Perhaps the way their Key Clubs operate will even give you project ideas or strategies.

With this, I leave you with my best wishes for the coming of both the dues and fall season! If there is anything I can help you with, don’t hesitate to contact me.

Yours in friendship and service,

William Zhang
International Trustee
SUCCESSFUL STUDENT

FOUR tips for you to become a BETTER student!

Why should I be a successful student?

Be-ing a successful student can unlock many keys into YOUR future, whether it is a new internship, job, or school. Although there are some people that breeze through school like it is nothing, most of us are not like them. Here are some tips on how you can be a successful student!

01 MAKE INCREMENTAL PROGRESS

Focus on the process and the details along the way, not the end product. Although it is possible to go from a "C" to an "A", chances are, you might be disappointed if you fail to reach your target. Working in small increments is a practical approach to reaching your goals and you won't be as disappointed if you fail to reach them.

02 ORGANIZE AND PLAN

Organizing your workspace and planning your study time(s) is one of the keys to becoming a successful student. Organizing allows you to perform your tasks more efficiently, while planning your study time(s) allows you to perform better on exams and tests (than those who study sporadically).

Utilize materials such as planners (they help we promise) to help organize your tasks and events/study times more efficiently!
DO NOT PROCRASTINATE/CRAM

Admit it. We all do this to some extent. Although it happens from time to time, when it occurs on a regular basis, it is not good since students perform better when they do tasks over a period of time. In addition, students that study over a period of time tend to do better than those that cram the night before.

A tip to overcome this? Manage your time well, regardless of whether it is writing the tasks on a planner or creating a to-do list. It helps!

PAY ATTENTION

Although this is a no-brainer, paying attention in class allows you to become a SMARTER and a more successful student. Not only does it help students learn and process the information, it allows them to ask questions/clarifications when needed. Also, paying attention in class can allow you to think critically to further your knowledge on the information!

Have any questions? Want more tips? Feel free to message the College Expo Team!

Marketing Tools Checklist

- design a flyer to give out
- order brochures off of the kiwanis store
- print out pamphlets off of cnhkeyclub.org
- put up posters around school
- promote key club at school events
- respect fully promote key club in public spaces
- spread the word verbally

Checklist

- Send out text messages
- Create a video to promote
- Use social media to advertise
- Organize a Google Reflector
- Put it in a newsletter
Promote Key Club at school functions like Club Fair and Freshman Orientation, especially to prospective underclassmen members, since they are the future of Key Club. Be sure to also invite your friends who aren’t already in Key Club as well as siblings.

Make the first club meetings extra appealing by having music playing before as well as ice breakers and snacks during the meeting. Don’t forget about the meeting details! Teach members about what Key Club is so that they would want to come back.

Host a Parent Info Night! Most people don’t realize it, but having parent support in an extracurricular activity makes it so much easier on both parent and member. Getting the parents’ attention is extremely beneficial.

Talk about your own experiences in Key Club. No matter how great the club is, there would not be members if there weren’t testimonies to come with it.

Make members feel welcome by acknowledging their birthdays and accomplishments outside of Key Club. Befriend them so that they have a friend and have a reason to stay. Host club socials for members to make friends outside of service and meetings.

Provide leadership opportunities for members who don’t serve on the board. Let them chair events, speak at club meetings— the possibilities are endless!

Recognize them for their dedication! Have members gone to every single event that month? Have people really shown their spirit of service? Appreciate them with certificates and awards on the club or division level.

Provide MEANINGFUL service opportunities. It really makes a difference when members are able to directly see the impact that they are making. Volunteer at nursing homes, work with park beautification, participate at Relay for Life!
Region Training Conference is put on every year by the current Lt. Governor(s) in your Region or combined Regions. At the Region Training Conference you will meet Key Club members from other clubs in your Region, attend informative workshops on various topics that will help you and the other members of your club, and participate in some icebreakers! You will leave this conference knowing so much more about Key Club and how to be a more effective officer, leader, and member.

OUTSTANDING PLANTERS OF SERVICE
District Member, Officer, and Advisor of the Month

HANNA MAE IMPERIAL
Sophomore at Southwest CTA
Hannamae has been involved in ALL of the events offered to D28W including DCMs, freshman orientation, and Hip Hop International. She is always involved with updates about the club and with all the board members as well. Her enthusiasm, dedication, and sacrifices make differences in her community. She is so dedicated, in fact, that the coordinator of HHI sent out appreciation bags for the helpful volunteers.

DANIEL PAJULAS
President at Lawndale
Daniel is an amazing president who always finds something new to implement in the club he serves, and truly cares for the members. With division work, he always checks up with the Lieutenant Governor to ensure that all the club’s submissions were received. With Daniel’s leadership, the club’s membership has grown drastically and are increasing the amount of funds raised for charities.

MARK ROSS
Region 8 Advisor
Mr. Ross is always pushing those he advises to the best he could be. With all the different ways he may guide Key Clubbers, he gives them advice, and helps in every way possible to help all of those reach their fullest potential.

Mr. Ross has been serving as a Region Advisor for both Key Club and Kiwanis and puts tremendous time and effort into not only the Lieutenant Governors he works with, but also the students at the high school he administrates. Mr. Ross was back stage and helping to coordinate the DCON stage practices for most of that weekend in Sacramento. Mr. Ross is truly going above and beyond the typical Region Advisor criteria.

He is extremely supportive of Region 8 and has served the Kiwanis family for quite a while. I believe that this work sometimes goes unrecognized and underappreciated, and he should be recognized for all that he does.

Mr. Ross is always making time for the region even with the amount of time his job and family takes up. He always ensures that we are planning and executing events and paperwork properly, and lets us know what we need to do to improve. Managing a life like his is definitely tough, but he always saves time to help us with our duties.

Mr. Ross is an amazing individual who never fails to give his LTGs concise, constructive feedback. Personally, he has helped me tremendously on my journey to become a better leader. He is always open to assist whenever possible and assesses the situation with an unbiased mindset. His willingness to help and serve our region is shown through his efforts in attending our division events as well as asking us for event reflections after each of our events. Furthermore, his attentiveness already shows how much he cares for our divisions.
What is Fall Rally?

Spotlight on Education

Fall Rally is an annual event in which Key Clubbers from all over the California-Nevada-Hawaii District gather together to celebrate Key Club and fundraise for the Pediatric Trauma Program! The Pediatric Trauma Program raises awareness and develops local projects to reduce the number of children injured and killed by pediatric trauma. Auctions are held during the rallies to spend time with the district board officers in the amusement park. You can meet tons of friendly Key Clubbers in CNH ohana! Due to the district's large size, Fall Rally is split into a Fall Rally North and Fall Rally South. Save the date!

Brought to you by the Member Relations Committee
Youth Opportunities Fund (YOF)

**What it is:** The YOF is an opportunity for you to request monetary grants from Key Club International. This allows you to do service projects beyond a club budget.

**What a grant can do for you:** YOF grants can help you take action on large-scale service ideas! Many current projects are of minimal cost: car washes, food packaging, no-sew blankets... But big project such as providing books and supplies for underprivileged students, or community gardens, may need support!

**What you need to know:**

- YOF grants are given only to Key Clubs and/or club members
- Funding assistance can range anywhere from US$100 to US$2,000
- Successful applications often:
  - Request a portion of the total project cost encouraged
  - Work with other organizations to make an impact
- Applications are processed by the Key Club International YOF committee in November, and funding notifications are sent January 1st
- **Application deadline:** October 15 at 11:59 PM EST.

**The YOF application**

Is being handled a little differently this year; they will be accepted digitally through a site called Reviewr. Applications are filled out through the Reviewr account you create. [Click here for more info!]

On August 13, 2016, members of the Montgomery Key Club gathered with other Key Clubbers from Division 32 at a local park. Together, with members of the Visual Aids Workshop of Oakmont and several Kiwanians, we made pages for tactile books for visually impaired students and children with autism. Members cut out shapes from felt to add to the handmade books. Braille dots and handwritten words were added to the book pages to describe the shapes. Other members attached typed letters to teach the braille alphabet. The Visual Aids Workshop showed us how books were shipped to children at no cost to encourage reading. Attendees seemed captivated with the opportunity to create these book pages, and everyone worked diligently.

Ma'ema'e Elementary School Painting

Division: 22 Hikina | Club: Iolani

‘Lolani Key Club, along with the rest of the Hikina Key Clubs, helped Ma’ema’e Elementary School brighten up by repainting various areas of the school. Everyone arrived around 8 am and immediately got began painting. ‘Lolani was assigned to repaint the “fairy circle”, which consisted of a ring of classrooms around a large tree. We painted a border around the planter around the tree and on the edges of a sidewalk, as well as some doors, benches, and poles. We also worked with some Ma’ema’e students to paint a rainbow on a sidewalk ramp. We continued to paint until nearly every surface sparkled with the gleam of a new coat of color. We hope that our efforts brighten some kids’ scholarly days as they start another school year.

A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
