CNH District Newsletter

Please BEE Green! Do not print this newsletter!
Hello, CNH Bees!

Happy November busy bees! It's already the third month of school! It is crazy how time flies. I hope everyone is doing well in school and life in general. If things are getting tough and stressful don’t forget, you have your friends and family there for you, don’t keep things to yourself. We are all human beings that sometimes need help from others. I am always here as well!

This month is also college apps season, hopefully all the seniors are working hard on their apps and essays! I wish you all the best of luck with all your application, plan out your schedule and work accordingly.

This past month was Fall Rally North! I hope those that went to that had a blast and fundraised a lot for PTP! Fall Rally South will be coming up really soon, and I hope to see lots of your beautiful faces there.

Keep on recruiting members and having service events, the holiday season is coming up very soon, but that doesn’t mean the service and spirit should stop. The holiday is perfect for having service events and giving back to the community. Some service opportunities everyone could do are, food banks, care packages, sandwich making, or soup kitchens. All of those are a great way to give back to people in your community.

Hope you all had a great October, and November is even better! Happy Holidays and Keep Shining bees!

Shining with Service,

Teryn Ngo
District News Editor
Happy November Bees,

The month of giving is upon us, so get ready to take full advantage of the opportunities coming your way this month! With the holiday season beginning to take off, that means a lot of service projects will be taking place. This is YOUR opportunity to team up alongside your Kiwanis family for these projects and make a huge difference in your company (not to mention it’s also Kiwanis Family Month)!

Last month, we successfully celebrated our second annual Pediatric Trauma Program across all three CNH Service Leadership Programs (Circle K, KIWIN’S, and Key Club). I would like to extend a momentous thank you for all members, clubs, and divisions who promoted this week via posts on social media and more specifically by completing service projects/fundraisers. In addition we recently completed our Fall Rally in the north that fundraised thousands of dollars for PTP. It made a considerable dent into helping achieve our district goals of fundraising $185,000. With Fall Rally South approaching very soon, take this opportunity to hold a few more fundraisers, and even after the rally we encourage clubs to continue fundraising and spreading awareness about this awesome, impactful and worthwhile district project as we still have quite a ways to go.

Thank you to each and every one of you for your continual hard work, service, and resilience in your efforts to help bring this district to new heights. The District Board, ProsperiBEEs, have worked immensely these past months to benefit the district so be sure to thank your LTG/any board member should you have the chance. If you’re interested in being apart of the board, Candidate Training Conference is right around the corner! Check with you LTG for more details. Thanks again, feel free to reach out to me should you have any questions, I am here to help!

Kevin Myron
District Governor

Hello, CNH Bees!

Happy November! It is well half way into the term, and I am SO proud of everything that you all have accomplished already. Do you remember our district goals that we have all challenged you all to contribute to? 3 new members beyond retention. $185,000 to the Pediatric Trauma Program. 1.3 million service hours. These are the goals that we encourage all of you to work towards, with the purpose to reinforce the idea of service, activeness in a Key Club, and raising funds to our preferred charities. These all embrace the idea of the Key Club core values and I challenge you personally to step out of your comfort zone: to do something you haven’t done before and aim high! “Reach for the stars, and even if you miss, you’ll land among the stars.”

It is already Quarter 3! After the fall rush ends, some may fall into a “slump”, but don’t let that be you! Remember goals that you have set for yourself whether you are a Club President/Vice President that aimed for membership growth, or a Club Secretary and aimed for all on time submissions, or a Club Treasurer that aimed for on time dues submissions.

Whatsoever it may be, continue to stay motivated and remember that everyday you are changing your life, and more, someone else’s life too.

Secretaries, great job with your MRF work! I hope you all continue to send in your MRFs on time and record hours accurately. If you are not in the Secretaries Google Reflector yet, please visit the CyberKey and the Secretaries tab to join the reflector for reminders/resources.

Stay buzzin’, CNH Bees!

In Dedicated Service,

Angel Lau
District Secretary
Hello CNH Bees!

Happy November! For those of you I got to interact with at Fall Rally North, I had an absolute blast and I miss you all! Seeing so many Key Clubbers working together to raise money for the Pediatric Trauma Program was breathtaking. Now that November is finally here, clubs only have one month to turn in their dues, as dues are to be received by December 1st. If the dues process is giving you a rough time, be sure to consult the CNH Key Club Dues Manual or contact either your Lieutenant Governor, Region Advisor, or myself as soon as possible.

With Fall Rally South within these next few weeks, I would like to remind everyone to continue to put in all your effort in fundraising for the Pediatric Trauma Program. The Pediatric Trauma Program is an amazing program that serves in preventing 100% preventable injuries to children. Get creative with fundraisers! Whether it be a bake sale, pieing, or restaurant night, every single dollar counts and helps us get closer to our goal of raising $185,000 for this program.

As this year comes close to the end, now is a great time for reflection on the Key Club year so far! Recount on all the lives you have impacted and all the great bonds you have made throughout Key Club. If it your first year in Key Club, or even last year in Key Club, be sure to continue your service throughout the rest of our term to finish strong.

I am absolutely ecstatic to meet so many of you at our upcoming Fall Rally South! It is always an honor to reunite with parts of the CNH family. And as always, do not forget to pay your dues!

Shahrukh Shaihk
District Treasurer

Message from the Trustee

Hello CNH Bees,

This past month, you have all been able to serve through PTP Week and Trick Or Treat for UNICEF. More than anything else, I hope you had fun. Whether it was at one of the amazing Region Training Conferences held, Fall Rally North, or relaxing at home, I hope that there has been a good amount of celebration to match your outstanding passion for service. Keep up the great work!

November is Kiwanis Family Month. This month, take the time to reach out to the Kiwanians, who, with their support and efforts, are always willing to lend us a hand. Kiwanis International is celebrating the invaluable help of advisors during Kiwanis Family Month, on Friday, November 4th! Faculty/Kiwanis advisors are the sometimes hidden but always-present forces that help clubs succeed. Their work isn’t always easy, but the sense of achievement and reward is real! My home club couldn’t do what we do without our amazing advisors, so let’s take the time to celebrate their commitment and service!

When you think back on it, Key Club was created in 1925; we have come so far. Key Club Week (November 7th – 11th) is about showing our pride, thanking our supporters, supporting caring causes, spontaneously spreading happiness, and celebrating as a family; one focus for each day!

October was amazing. Let’s make November another one to remember!

Service with a smile,
William Zhang
Trustee

District Convention

Candidate Training Conference
KIWIN'S is a district of Key Club International. It shares the same geographical boundaries as Cal-Nev-Ha Key Club.

Adopted into Key Club International as the Cal-Nev-Ha KIWIN'S 32nd District of Key Club International in 2001.

KIWIN’S was originally created as an all-female service club in 1974.

KIWIN’S has around 2,200 members with 43 chartered clubs. Core Values include, Character Building, Leadership, Service, and Family.

KIWIN’s also holds an annual Fall Rally and District Convention (DCON)!

Is a part of the K-Family alongside Kiwanis, Circle K, Key Club, KIWIN’S, Builders Club, K-Kids, Kiwanis Junior and Aktion Club.

KIWIN'S is the first district to share boundaries with another district (CNH).

Cal-Nev-Ha KIWIN’S includes nine active division that are named after different types of gemstones.

KIWIN’S comes from the Otchipew language and translates to "people, men and women, working together in service."

Past CNH-Kiwanis Governor, Sid Smith, created KIWIN’S because his daughters wanted to serve the community and Key Club was previously an all-male club.
I joined KIWINS because everyone in the club seemed very friendly and although it was just a small club, we were more like a family. I wanted to help my community in some way.

“KIWIN’S is important in the community because it provides high school students with a way to give back to the community through service. With innovative services and fundraisers KIWINS is able to give back in ways unimaginable.”

“It is an honor to serve as a president under KIWINS not because of the title but because of the chance I am given to educate individuals on what service and leadership is really about. Many adults underestimate a student’s ability to make a change but I can already tell that we are making a changing this world into a better and brighter place. This is why I am proud to be a president in a strong and positive organization, KIWIN’S!”

ONE FAMILY, ONE MISSION, ONE WORD: KIWIN’S

REGION TRAINING CONFERENCE

Last month, the Member Relations Committee asked the members of Cali-Nev-Ha (CNH) to share their experiences with “Region Training Conference.” Read to see what these busy bees have been learning throughout the past couple of months.

Ryan Hardmeyer | Region 16 | Division 44 North | Woodcreek

Region Sixteen Training Conference was a little over two weeks ago and I already miss it so much. It was an amazing time filled with meeting so many kind, funny, and caring Key Club members from all around the greater Sacramento area, TONS of spirit, and many fun & informational workshops. My favorite memory was definitely presenting the VP workshop with JDeni! RTC 2016 was such an unforgettable event and it made me even prouder to be a part of this fantastic organization. If you missed RTC 2016, I highly recommend that you attend RTC 2017!

Jessica Lee | Region 8 | Division 13 North | Cerritos

The Spotlight on Education helped me a lot! I loved participating in Region 8’s RTC, because it was a great way for me to connect and meet new people from other divisions in our region. It helped me feel more engaged with Key Club and it was overall one of the best experiences I have ever had. I learned that at the end of the day, no matter how stressed, just think about the positive side of life. My favorite moments were definitely during the opening and closing sessions where we all got together to sing and dance. This was definitely an experience everyone should be apart of, and I cannot wait for something bigger to happen, Fall Rally South!!

**Spotlight On Education**

**Member Retention**

Maintaining a club’s activity and membership can be difficult during the fall season. On behalf of the Member Relations Committee, we have compiled a list of ideas you can implement to help you sustain members, increase activity, and even make the club you serve more interactive!

---

**TRY THESE IDEAS:**

- **RECOGNIZE** the members you serve for the efforts they put into Key Club. Express your appreciation to members and advisors with certificates, leis, and/or food.

- Keep members **INTERESTED** by having consistent service events, effective club meetings (play icebreakers, include educational topics, or guest speakers), and making sure that everything is well organized! Make meetings more fascinating by trying something out of the ordinary like doing cheers or having themed meetings!

- Create service projects with **SOCIAL** aspects for members to get to know other members well. Try to break cliques and be **INCLUSIVE**.

- Stay in **CONTACT** with members with social media, email, school announcements, and Remind App 101. How else will they know what’s going on within the club?

- Encourage members to **RENEW** their membership annually. Let members know that the money goes straight back to them through scholarships, Division Budget, and events.

---

**WHY IS MEMBER RETENTION IMPORTANT?**

- It keeps our wonderful club active!

- Maintaining your club activity will make the members’ Key Club experience more memorable.

- We want to spread the love for Key Club throughout the entire year, not just for several months.

- It will help you improve the club you serve.

---

Advisor
Mrs. Dueltgen can be found at most, if not all, club and division meetings. Always available to help both board and general members, she's one of the most approachable and involved advisors I've met. Positive, motivating, encouraging, realistic, and ever-ready to help with our Key Club crises, Mrs. Dueltgen can't be described as anything less than the ideal advisor. She's inspiring, helpful, funny, and basically another mom to all of us - we're so lucky to have her. L-O-V-E, we love MRS. D!
Policy of the Month

Each Key Club is required to pay $4.50 per year for District dues for each of its members. International Dues shall be paid as required by Key Club International. Dues are effective on the date that the member is inducted, or, in the case of a continuing member, on October 1. A membership list must accompany the dues payment. Each person who registers to attend the District Convention must be a dues paying member of a club in this District unless specifically invited by the Governor. The District Office shall not allow a person to register for the convention if their name does not appear on a club roster.

Questions? Please contact Policy, International Business, and Elections Chair Sehyeon Park at cnhkc.pie@gmail.com.

Policy 151 Member Dues

Every Key Clubber must pay dues every term. Currently, dues are a total of $4.50 to the District and $7 to International.

Dues help us run this organization by being allocated to such resources as scholarships, division budgets, membership materials. Without dues, Key Club would not be able to function!

PTP Teddy Bears

Division: 22H Club: Punahou

The PTP Teddy Bears Project was planned by the RTC team to involve the whole division. This project was successful because we were able to make many teddy bears together. Many of our members thought that it was cool to see how such a small, quick project could bring happiness to others. Afterwards, we wrote cute, little notes to attach to the bears.

Overall, it was a really good project, and we were able to make a lot of teddy bears to support the Pediatric Trauma Program. Our club enjoyed this project and our members had fun!

Cassidy Yoshida

Tangled Together

Division: D12S Club: Leland

Our September DCM, Tangled Together, was not only a great way to bond with one another from our division, but it was also a spectacular way to raise money for the Pediatric Trauma Program. By forcing members to bond with one another by making Key Club skits, serving our community by building bikes for kids who can't afford it, educating members by hosting the DCM, and raising money by selling food, we were able to further inform the division about Pediatric Trauma Program and add to our division fundraising goal.

Hey CNH! My name is Cody Pinzon and I serve the Opihis of Division 22 Makai. Hawaii Convention is similar to DCON, in the sense that all Key Clubbers that attend learn, bond and serve. It is also the time when we recognize the achievements everyone has accomplished throughout the year.

**ADVISORS MAKE GREAT THINGS POSSIBLE**
A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
