What’s the buzz, CNH?

After a long holiday season, hopefully things have settled down. Spring has sprung and the weather’s finally warming up! Take a walk for a change of scenery and a breath of fresh air. We always say this, but remember to take care of yourself! Taking a break from the computer or homework to appreciate nature is refreshing and good for the soul.

Remember to keep your New Year’s Resolutions in mind! Write them down somewhere as a daily reminder to accomplish your goals. Now is as good a time as any to focus on personal growth and personal care. Best of luck on everything you wish to achieve!

Another thing to note -- District Convention registration has opened! DCON 2018 will be taking place in Reno, Nevada from April 13-15. Officers, start looking for chaperones, fill out the necessary forms, and fundraise as much as possible! Please communicate with your Lt.

Governor about attending DCON. Hope to see you there, come say hi!

As the end of the term nears, please remember to stay motivated. I know how bittersweet the idea of retirement is, but above all, keep in mind that you’re still serving for the 2017-2018 term. Avoid slacking off or forgetting our core values. Let’s end this year on a high note so we can celebrate your success and accomplishments at DCON! If you have any questions, comments, or concerns, contact DCON chair Sam Voong at: cnhkc.dcon@gmail.com!

It has been the greatest honor serving as your District News Editor. Watching CNH grow and prosper these past few months has brought joy into my life. It’s been a wonderful term, and I can’t wait to see what’s in store for the future.

Thank YOU for all of your hard work and service, I really mean it. See you in next month’s issue of THE BUZZ!

District Convention at a glance

- **District Convention** is an annual event where Key Club members and advisors come together for education, elections, service, recognition, and networking! This year, the 73rd annual District Convention will be taking place at the Grand Sierra Resort in Reno, Nevada, with special guest, Aj Rafael. Come join our Service Safari on April 13-15, 2018!

- **Reno, Nevada**

- **$174 on time** due 2/28/18
- **$214 late** due 3/14/18
- **$170 OR $194** hotel costs per room
Happy New Year, Key Clubbers!

I hope you all have continued to serve your home, school, and community.

This month, the District Board has shifted its focus to District Convention and the planning of the event. This year, District Convention is in Reno, Nevada from April 13-15. Join the entire CNH District as we embark on a Service Safari filled with an entertaining guest speaker, engaging workshops, and the energy of your fellow bees!

With AJ Rafael as the guest speaker, you’ll surely find the spirit to stop saying “We Could Happen,” to “We CAN Happen” (through service)!!! Additionally, one workshop you’ll get to attend features AJ Rafael! And finally, being surrounded by members from across the District is in-and-of-itself its own reward.

Be sure to ask your club president or Lt. Governor for more details. This is a life-changing event that we know you’ll enjoy attending.

Hope to see you at DCON 2018!

Happy February Bees!

Can you smell the chocolates and roses? As it is the month of love, BEE sure to show your love for the community and get involved by participating in service events. We only have two and a half months left in this term, let’s finish off strong. Remember to keep our district goals in mind — we have gone above and beyond with raising funds for the Pediatric Trauma Program, so I know we can achieve the others. With just a little bit of your dedication, I’m sure that we can do it.

As the end of our term approaches, don’t forget to reflect on your term, don’t forget to train your elect, and don’t forget to leave your legacy. Have you achieved all the goals that you set for yourself? Are you happy with all your accomplishments? Have you done the most you could’ve done? If yes, you should be proud of yourself; if no, you still have time left in this term to change this! Keep working hard and make these last few months count!

As a reminder, DCON registration is now open! Celebrate all your hard works of service and reunite with your friends at Reno, Nevada in April! Remember to work proactively in order to meet all the deadlines and get all the logistics figured out (such as transportation, chaperones, etc.). I cannot wait to see you there!

Remember that everything you do makes a difference. YOU have the power to make a change in this world; for this, you inspire me everyday. You have done so much this term, and I am proud of everything that you have done. Thank you always for everything that you do and I hope you have a wonderful month!

What’s buzzin’, CNH?

Starting today, there are only two months in the 2017-2018 term. April 15th seemed so far away at the beginning of the term, yet here it is, quickly approaching. Though the term is coming to an end, remember to continue to serve with the same energy and spirit you had at the beginning of the term. Do you remember our district goals of $190,000 for the Pediatric Trauma Program, 43,000 dues paid members, and 1.3 million hours of service? Now is the time to do as much as you can to contribute to those goals!

Onto one of my favorite topics, please remember to submit any club dues you have received after December! Dues are year-round, meaning that they can be paid anytime. I highly encourage you to recruit new members, welcome them to Key Club, and explain the benefits of paying dues. Additionally, if the club you serve has yet to pay dues by today, your club is now considered suspended. If this applies to you, please contact me so I can help your club get back into good standing.

Thank you for all that you do! To the seniors in this district, make the last of your final months in Key Club and school. CNH, continue to serve with all of your heart. Your unwavering dedication to this organization and to serving communities all around never fails to make me proud.

See you at District Convention!

Hello, CNH Key Club!

I hope you all have had an amazing start to 2018. A new year can spark many exciting initiatives, such as performing more service in your communities! Winter and spring service projects can be a great way to make an impact on your community within the next few months. Hold a winter coat drive, collect non-perishable food items for your local food pantry, or pull weeds in a local park’s flower bed during the warmer month. Even the simplest service projects can leave such an impact on the area that you live in.

This is just a reminder that HALO Movement grant application open on February 1 and run through May 1. Please encourage your clubs to apply for this awesome initiative! The International Committee Member Representative applications must be submitted by January 31 and can be accessed here: https://www.keyclub.org/news/international-committee-

Have an amazing rest of your month, and I can’t wait to hopefully see all of you at the California-Nevada-Hawaii District Convention on April 13-15, 2018 in Reno, Nevada! Keep working hard and impacting your homes, schools, and communities. I am blown away by the way you all serve this world every single day.

THIRSTY 30

The Thirsty 30 campaign is running all month long! Key Club has done a great job with raising money for the campaign thus far, but we still have a long ways to go. Here are some quick tips reminding you how you can participate in the Thirsty 30 campaign:

1. Count the number of Key Clubbers in your club.

2. Give each Key Clubber an envelope with a number on it.

3. That number is the amount that the Key Clubber must raise in 30 days.

You can go here to make your club pledge to participate.

If you have any additional questions, comments, or concerns, go to https://thirstproject.org/thirsty30. (Remember: Key Clubs can participate in the Thirsty 30 during any month of the year, but January is the main campaign month for the initiative.)

Happy Thirsty 30!

D13S ON ICE FUNDRAISER

On the night of Friday, January 12th, Division 13 South gathered at Lakewood Ice for their annual ice skating fundraiser. As members laced up their skates, everyone was excited to take a step on the ice. Time flew while ninjas skated as music played and lights flashed. By the end of the night our division was able to make over $250 in profit!

One of the most wonderful times of volunteering during the school year is the Rose Float decoration event at the end of December. Not only do so many people look forward to it because it’s such an important event for Key Clubs, but it’s also one of those opportunities where there’s a great deal of volunteers to work together and interact with. Throughout the three days that were offered as volunteer opportunities, the hundreds and hundreds of people who contributed were most likely having a great time socializing with new people while working together to bring a beautiful rose float to life.

The decorating of the rose floats was quite meticulous, and being a part of the process really opens your eyes and makes you appreciate the work put behind them. Planning, agreeing, revising, and putting plans into actions with an appropriate pace is a very patient process for those who invest themselves in the decorations for so many days. Being able to help those who seem to have so much on their hands is quite satisfying; of course the process gets much faster with more people.

Volunteering is certainly an activity to be thankful for.

Similar passions bring people together. And at this amazing and enjoyable volunteer opportunity, it sure was true for everyone there.

Daphne Yu, South Hills, Division 35 East

On December 29, Division 19 South, accompanied by their sister division, Division 19 North, volunteered in the Kiwanis Rose Float Decorations. There was a variety of jobs available for every Key Clubber that was there. From going on top of the scaffoldings, nearly 1 or 2 levels off the ground to place flowers onto the float, being on ground floor to organize the flowers by color to its specific float, or trimming thorns off the stems of flowers and gluing them on the float. It was an all-day volunteering event that lasted until 12:00am.

The event created some amazing and stunning floats, which made everyone’s hard work and energy pay off at the end of the day.

“The Rose Float Decorations was probably the most tiring, yet memorable events I’ve ever been a part of. Even though it was super cold inside, I was still able to embrace the warm and vibrant colors of the abundant flowers inside the hangar. At the end, everyone got a good look of what float they worked on and they felt very relieved and proud, knowing that they worked hard on their float.”

Andrew Loreto, Torrance Community, Division 19 South
Our club was given the opportunity this month to assist in the Rose Float preparations for the upcoming Rose Parade in Pasadena on the sixteenth. The club was assigned the float made possible by the Southern California Sikh community. Members were allowed to get a special behind-the-scenes look at the cherished parade floats and the meticulous and laborious effort put in by volunteers. Since the service event was held half a month before the parade, members offered their time preparing the “dry materials” by cutting petals off flowers, gluing beans and other dry materials, and preparing wood for application. In December, our club hosted an end-of-the-year pizza party in order to reward members for their dedication in helping our club thrive. The party was successful and members were able to have time to relax amid finals week preparation.

Rose Float was a very long, but enjoyable event! We cut flowers and unexpectedly bonded with the other Key Clubbers at the event. Most of the people there were really nice and friendly. Our provided dinner was really great too, especially the See’s candy! It was really cold at night, but overall it was fun.

To kick off the cold month of December, I attended this year’s Firehouse Run! **Firehouse Run** was an event that had runners from all over California come together and run a 5k or 10k race! In fact, there were multiple races that allowed for everyone to participate - there was even a children’s run! With this event, many volunteers were needed to help assist in making sure the race ran smoothly. I saw stations like passing out t-shirt’s, giving out pizza, handing out granola bars, and multiple water stations! I was assigned the water station near the end line. Here, I was able to congratulate the runners on their success for completing the exhausting run. I was amazed at the dedication of the runners, since they had to run at eight in the morning. Nonetheless, this event was one that I enjoyed a lot, and I hope that I will be able to attend next year’s Firehouse Run again!

Key Clubbers gathered Monday, November 27th at Citizen’s Business Bank to help put together all the balloons, and prepare them for the parade. This is an annual event Kiwanis participates in, spreading the cheer of the holidays at more of an earlier time, being November, which has been celebrated for more than seventy years. With thousands of people watching, more than 121 participants put on their displays for the 72nd annual Candy Cane Lane Parade in downtown Visalia, with 115 entries total. There were dancers, high school marching bands, and festive floats created by local businesses and organizations, which always adds to the charming atmosphere of Main Street during that time of year. It was the Key Clubber’s job to hand out balloons to the children at the event, making sure each street would have enough to suffice, guaranteeing a smile from each and every one of them. This event was not only a great way to spread Christmas Cheer, but allowed us to connect with our community. In all, helping us to see the effects small acts of kindness can have.

What is K-Corps?

**The Program**
K-Corps is Kiwanis International’s youth exchange program for Kiwanis-family teens. Through the program, clubs, families, and youth develop global Kiwanis friendships by doing what members do—attend meetings, foster fellowship, and volunteer their time and effort in host communities half a world away!

**Why Should You Apply?**
- Explore the traditional and modern culture that Japan has to offer.
- Experience the daily life in Japan as you stay with a local host family.
- Establish global relationships.
- Connect with the local Kiwanis community and participate in volunteer efforts halfway across the world!

Where are we going this year?

Nippon, Japan

See you there!

KEEPING COMMUNITIES SAFE

In September, the Kiwanis Club of Healdsburg hosted their first annual Kiwanis Safety Fair in collaboration with AT&T and PG&E.

With the help of a Pediatric Trauma Prevention Grant from the Kiwanis Cal-Nev-Ha Foundation, and assistance from 18 community organizations like the Healdsburg Fire Department and the Red Cross, more than 320 attendees were provided comprehensive education and training on safety. Additionally, the club was able to donate bicycles, safety seats, and meals for the community. This is the impact we can have!

REMININDER

It's not too late to apply for PTP Grants! Take the opportunity to collaborate with members of your Kiwanis Family in order to organize an event. New projects are defined as projects conducted for the first time by the Kiwanis club applying for the grant. When the Kiwanis project is part of a larger event or community-wide project, the Foundation must know what portion of the event/project is the Kiwanis club project. To qualify for a grant, the Foundation requires club service hours be committed to the project and club funds are spent on the project.

PURPOSE

As part of its primary focus, the Kiwanis Cal-Nev-Ha Foundation established the Pediatric Trauma Grant Program to assist the Kiwanis family in financing Pediatric Trauma Program projects on a start-up basis. Many times, a club will give up on a worth while project because the funds required to get the project started are not available.

$250

To assist Service Leadership Program (SLP) clubs in developing club service projects, the Cal-Nev-Ha Foundation makes available Pediatric Trauma Program grants for new projects, by providing matching start-up funds, up to $250.00. The Foundation Board of Directors established a maximum to ensure an optimum number of SLP clubs are able to participate in the program.

KEEPING UP WITH THE KIWANIS

Ever wondered what other members of the Kiwanis Family are up to? Introducing: Keeping Up with the Kiwanis! A monthly publication where you can learn more about the other branches of the Kiwanis Family, hear their stories, and discover your own K-Family moments.

Meet Mrs. Tongaw

WHAT IS YOUR ROLE IN KIWANIS?
I'm a member of two Kiwanis Clubs, Riverbank and Oakdale. For Riverbank, I am the Kiwanis Advisor to the Riverbank High School Key Club. As a past President, I am currently Secretary of the Oakdale Kiwanis Club. Outside of Kiwanis, I am also a court appointed special advocate to a family of three foster children. About 6-8 days a month I substitute teach (retired).

WHAT IS YOUR KIWANIS MOMENT?
I have had several Kiwanis moments. The most recent was while delivering Kiwanis Christmas Dinner Boxes last month. The Key Clubber assisting me and I tried to deliver a box to a person who no longer lived in their apartment. I asked a man in the parking lot if he knew a family who could use box of free food. He immediately pointed up a nearby staircase, saying the woman living there had 4 children and their father had just abandoned them. The woman answering the door was holding a baby who could not have been over 2 weeks old. The woman's face when I explained we were giving out free Christmas dinner boxes made my day, week, month, and year. She simply nodded, with tears in her eyes, as we carried in a big box of food.

WHAT MAKES KIWANIS SO SPECIAL AND DIFFERENT IN YOUR OPINION?
Something that also attracts me to Kiwanis is getting to work with men and women and meeting people in professions I would have had little chance to otherwise meet. Being retired, I really miss being around young people; hooray for Key Club!

WHY DID YOU JOIN KIWANIS?
I can be a part of doing so much through Kiwanis that I could not do alone. We gave out 100 food boxes that day. Plus, we donate $2000 worth of books to local school libraries annually, $3000 in college scholarships, sponsor local sports teams, promote sober grad nights, gave 1000 free hot dog meals at the Halloween parade, gave 1000 free hot dog meals at Spring Fest, and Oakdale is a very small club! Kiwanis gives me the opportunity to positively affect my community.

Normally, you are invited to join Kiwanis. Not knowing that, I told my husband (a 2-yr member) that I was joining!

ARE YOU A DOG OR CAT PERSON?
Both cats and dogs have been active in my life; my husband, however, is not into dogs, so we have 3 cats, all brindles.

IF YOU WERE REINCARNATED AS AN ANIMAL/DIINK/ICE CREAM FLAVOR, WHAT WOULD IT BE?
Reincarnated? A giant sequoia.
#MyKeyClubStory

Featuring Division 13 South's KEN NGUYEN

Why did you join Key Club?

I joined Key Club my sophomore year because the current vice president at the time was in my health class. She invited me out to an event and even offered to drive me there, and as a fourteen year old who spent his Saturdays playing League of Legends, I figured it wouldn’t be too bad to get out and see what the club was about. Plus, I needed something to put down in my applications for senior year anyways. One event turned into two, two events turned into three, and three turned into an event every other Saturday and a DCM once a month. My first Fall Rally was a definite trip, seeing so many people in the same club, it really showed me the scale of Key Club, which gave me even more of a reason to stay. I was invested at this point, checked out DCON in Sacramento, which blew my mind even more than Fall Rally did, and I kept at it, and here I am sitting as Vice President of Mayfair Key Club. It’s been a ride.

What was your Key Club moment?

To me, my Key Club Moment was the Key to College Tour at UCLA in 2016. That was the first event where I made friends from other divisions (shout out to Hazel C.) and really learned the scope of Key Club. Seeing Circle K do their presentations and all of that jazz, then making some dog toys afterwards alongside some other members from other divisions made volunteering fun for me, and after sitting through a few hours of presentations on leadership, it’s kind of hard to not want to lead, you know? So, that’s when I decided I’d be an officer for my club, and hopefully, introduce some other kids to this pretty cool club along the way.

What does Key Club mean to you?

Key Club, to me at least, is all the memories and bonds I’ve made in the last 3 years. Some of the people I’ve met while doing community service, I can luckily call some of my closest friends now, and if it weren’t for this club, I wouldn’t have ever met them. At its core, Key Club is about service, but it was through that service that I was blessed with the opportunity of meeting some of the most amazing people that I can now call my friends. This club has left me with nothing but joy and good memories; memories that I’ll keep and carry with me once my time in Key Club is over.

What is your weirdest Key Club moment?

DCON, 2016. Gov Ball. We had a vision of two boys with a Beyblade, and with a small purchase of eight dollars, we made it happen. In the middle of the dance floor, as other Key Clubbers danced around us, we let it rip. The metal top flew through the air, and it landed in the center of the dance circle. As confusion dawned into realization upon the crowd of onlookers, we heard cheers around us as the Beyblade finally spun to an end. It was a good day, a good Beyblade.

"Go Beyond, Plus ultra."

Volunteering at the Rose Floats was a great experience and I had a lot of fun. Not only did I learn a lot about the process of creating the Rose Floats, but I was also able to make many new friends from different divisions. Volunteering was a great way to end the year and seeing all of our hard work be presented on T.V. was an incredible feeling!

I had a lot of fun volunteering for the Pasadena Rose Floats this year. At the event I was able to do a variety of tasks like cut and blend flowers. I was also given the opportunity to work on the floats by gluing rice on the floats and placing beans on detailed areas. On top of working on the floats, I was about to bond with old Key Clubbers and meet new ones at the event. I even recognized many of the floats that I was able to work hard on with friends parading on streets!

GREAT JOB BEES!
Key Club operates in over **38 different countries around the world**. Here are some, just to list a few:

- Korea
- France
- Malaysia
- United Kingdom
- Bahamas
- Eastern Canada
- Jamaica
- Germany
- Europe
- Australia
- Philippines
- Taiwan

**All of those listed above, and MORE, are non-district Key Clubs!**

**What does this mean?**

This means that Key Clubs in those countries are **not** part of a district like CNH. Instead, they work **individually**! What often happens is an American alumni will transfer abroad and start one at an American and International School, OR a Key Club will be started by exchange students once they return home! Some may even exist in homeless shelters and orphanages, like the Father Manti Shelter Home in the Philippines!
What have they been up to?

**Malaysia**

At the International School of Kuala Lumpur, Key Clubbers have found focus on helping refugees! Through this experience, and because so many are around the same age, refugees and Key Clubbers have been able to build relationships with one another!

**Brazil**

Similar to Kuala Lumpur, the American School of Rio de Janeiro is also working to better the lives of refugees! In April of 2017, members held a school supply drive where everything that was donated went to a local refugee camp!

**Philippines**

Rather than focusing on service, the Father Manti Shelter Home Key Club is working towards providing orphans with reputable professional skills!

**Europe**

In areas like Europe, the focus of Key Club members is on leadership training and development! This is because, rather than nonprofits providing resources like in America, the government does so.

THE CNH FOUNDATION
SCHOLARSHIPS!
Special Olympic Grants

Your introduction of what they are, its significance, and how to apply!

$250.00

Connect

The Cal-Nev-Ha Foundation makes available Special Olympics Special Needs grants for projects, by providing matching funds, up to $250.00. Although these grants are exclusive to Kiwanis Clubs, we encourage you to reach out to your Kiwanis Clubs and collaborate on filling out a grant form in order to co-host this type of event. It is a great opportunity for you to bond more with your Kiwanis Club, and this event is really one of the most fun and impacting events members can participate in.

Requirements

1. A completed Special Olympics / Special Needs Grant Application form
2. A project budget which shall include all sources of funding, including funds committed by the club, “in-kind” donations and any other sources of outside funding.
   - The Foundation considers “in-kind” donations to be donations of materials, labor, and/or discounted merchandise as part of the total project budget
3. A copy of the club’s current year Community Service Budget
   - If this is a division-wide project, a copy of each club’s current year Community Service Budget must be submitted

Considerations

1. Incomplete applications will not be considered and will be returned to the club
2. Completed grant applications should be submitted at least 30 days before the project start date. If application is submitted later, please include an explanation for consideration by the grant committee. Applications received more than 30 days after the project completion date will not be considered
3. Application processing time is approximately four (4) weeks.
4. Special Olympics / Special Needs grants are limited to 50% of the total project cost up to a maximum amount of $250
5. Grant funding is limited to one award per project
6. If your project is a fundraiser, it is ineligible for grant funds.

Chair Jesus Aguinaldo | cnhkfc.kff@gmail.com
The state of Kiwanis International is unfortunately declining, however we have the power to provide support for our Kiwanians!

Why Should You Take Action?

- Kiwanis is the reason we can be Key Clubbers, providing us with funds and scholarships
- they take time out of their day to help chaperone our events & make sure we're safe
- many Kiwanians offer transportation for us to get to events like DCON
- we're family, and no one gets left behind

Growing Key Club + Declining Kiwanis = Less SLP Support

HOW CAN YOU HELP?

1. advertise Kiwanis service events & supply volunteers
2. provide assistance with technology usage
3. send email updates about how your Key Club is doing
4. encourage other adults to join Kiwanis and make a difference
5. create personal bonds

Chair Jesus Aguiniga | cnhkc.kff@gmail.com
MEMBER  
Daniel Reveles, D19N
Daniel Reveles consistently stays as one of the most active members of Lawndale Key Club. When none of the board members were able to attend a service event, he took charge and lead it. He takes charge in meetings by taking attendance and does things like he’s on the board.

Jackie Cardenas, 13S  
OFFICER
Jackie deserves officer of the month because she has shown great dedication towards our club as an officer. She works hard and makes sure that her articles for our DNE are perfect and that it is never turned in late! I can't wait to see what other contributions she will have for our club and division!

Arinn Filer, D19S  
ADVISOR
She became a Key Club advisor despite it being a new club to her school. She helped her students charter the club and has been a source of encouragement for all club members due to her passion. She is always coming up with ideas on how to give back to the community, attends as many events as she can, and attends Kiwanis meetings to expand her knowledge.
As the term comes to a close, the time to elect the 2018-2019 Club officers draws near. BEE sure to follow all rules to ensure that you are holding a valid election! Begin hosting club elections from now until February 27th (which is 45 days until DCON and the day before on-time registration for DCON).

**PRESIDENT**

The president presides over the Club board. They are responsible for hosting club/board meetings, delegating tasks, holding Club elections, and more!

**VICE PRESIDENT**

There may be multiple Vice Presidents assigned to different roles and responsibilities. There is no limit on how many Club vice presidents there may be, but it is preferred to have no more than seven.

**SECRETARY**

Club secretaries are responsible for handling club records, submitting the Club *Monthly Report Form* to their respective lieutenant governor, updating club bylaws, and much more!

**TREASURER**

Treasurers are responsible for ensuring that the Club’s finances are all in check. Whether it be collecting and sending dues to International or keeping track of the annual budget, there are many things a treasurer is responsible for.

**EDITOR & HISTORIAN**

Editors and historians document everything the Club does. Through videos, pictures, social media, and even submissions to the Division Newsletter Editor help showcase what each club has been up to!
To ensure that your Club is hosting a valid election, BEE sure to follow proper procedures down below!

- Only dues-paid members are able to vote! Anyone that is **NOT** a dues-paid can sit and watch.

- If there are more than two candidates running for a position, a nomination conference should be held beforehand to reduce the number of candidates to two.

- Candidates may create a literature to distribute at the Club elections, but they may **not** advertise nor promote themselves or else they will be **immediately disqualified**.

- After hosting a valid election, ensure that the Club Secretary updates the “**Club Elections**” tab on the MRF.

- Train your officer elects and leave a legacy you’re proud of!

**NOTE:**

Don’t forget to check out the club elections guide on the Cyberkey for more information!

“Upon going to school on the morning of December 12, we were notified that the rest of the school week was cancelled due to the Thomas Fire which stuck Division 42 West. Key Clubbers from Channel Islands rushed to the nearest evacuation center at the Oxnard College Gymnasium to assist evacuees from Ventura and Santa Paula. We helped out with serving food and water; collecting donations from local residents, and organizing donations within the center.

This service project was last-minute, yet very important. Since the fire started in one of the cities that Division 42 West covers, it was crucial for us to get together with our fellow Ventura County Key Club members to help those who were forced to evacuate and those who lost their homes in the fire. The project was extremely successful, especially upon seeing all the children and families smile upon receiving countless donations, warm blankets, steaming hot food, and fresh clothing.”

“Proceeding the Division 20/32 December Division Council Meeting, members walked down the street to volunteer at the Christmas Cheer building. At this building, Key Clubbers were split into different stations to pack toys and clothes for children in need. Different stations were varied by type of toys or clothes, and for what age and gender. Personally, I really enjoyed having a chance to do this project before finals. Since all the members were quite stressed due to finals, watching everyone de-stress and smile while doing this project made me really happy. Along with that, listening to the women in charge of the project talk about how much we were doing and how we were making such a difference on their work, and the lives of different children made me feel very proud to be a Key Clubber. Overall, I believe this project was successful but one thing I would like to do to improve it would be to create more stations. Many members were cramped in one station due to the lack of donations, which would be needed to increase the number of stations. To do this, more donations would be needed so a possible partnership with Key Club to help find donations could be made.”

Hilo Key Club | D22M | R18
Keiki Shopping Day

To begin, a committee was formed to plan the project. Each member was asked to donate a bag of lightly used items that they had at home. Then, members came to school to sort over 2,000 items which we had to set up for display. On December 11th, we hosted our first annual Keiki Shopping Day. The committee sent out invitations to different elementary schools and reached out to those who were on free-reduced lunch. They were able to come and shop for items which were donated by Key Clubbers as well as Hilo High School students and staff. The members, as well as the Junior Class of 2019 and some Circle K and Kiwanis Members helped provide manpower, especially on the day of the event. We had over 30 students volunteer to be “elves” who individually assisted each child on their shopping spree. We also had some members and parents assist as wrappers. Each child had a list of 5 people who they needed gifts for. Each item sold from $0.50-$3.00, so they were able to buy gifts and have them wrapped for their family and friends.

I think that this project was very successful. The whole school and community got involved to make this event happen, from donations to manpower. The children who attended were so excited and had lots of fun shopping for their family and friends. We also received many great compliments about the “elves” who helped the children. The only part that may need improvement was how long the line was to get in. Next time, we may need more wrappers because that is the slowest part where the children were just waiting around after making their purchase.

Sonora Key Club | D30N | R03
Stocking Stuffing for Sonora Food Drive

Our club made a multitude of stockings and stayed after school to stuff them with school supplies. Our treasurer worked for hours to prepare the correct size, design, instructions, materials and tools, and example stockings. She (Briana Agallo) did all this before our meeting to make sure everything would run smoothly during the project.

This project required members and officers to be efficient with time due to the three week time span that was given on top of studying for finals. Our club completed this project successfully and made the necessary amount of stockings that were received by each family. We could improve on participation because only some officers and members contributed to this project which required a whole club worth of help.

WHAT IS KEY CLUB’S MAJOR EMPHASIS?

“Children: Their future, Our focus”

WHAT IS THE MAJOR EMPHASIS AWARD?

Key Club International’s Major Emphasis Award is given to clubs for creating, planning, and hosting their own, unique service project that exemplifies our major emphasis. Only the highest-scoring project will be entered into the International competition. Other distinguished projects will also be recognized at the CNH District Convention. The Service Projects & Member Recognition Committees highly encourage clubs in our district that have gone above & beyond in their service to children to apply!

HOW DO I APPLY FOR THE AWARD?

To view the Major Emphasis Contest Guidelines and the Contest Entry Form, please visit the “Contests” page under the “Recognition” tab on the CyberKey at cnhkeyclub.org. Submissions are due by Monday, February 12th, 2018.

For any questions contact MR Chair Charlotte Wood at cnhkc.mr@gmail.com or SP Chair Alex Gatus at cnhkc.sp@gmail.com

Valentine’s Day Service Projects

Do you LOVE service? While you are spending time with loved ones this Valentine’s Day, give back to your community with these Valentine’s Day themed service and fundraiser ideas!

♥ Cupid’s Grams for MNT

There’s nothing like the love between a mother and her child. Help mothers and babies fight MNT by selling Valentine’s grams at school and donating the proceeds to MNT. Just $1.80 covers three rounds of vaccines that will protect a mother and all of her future babies from MNT for life!

♥ Valentine’s Day Run

Volunteer at a local Valentine’s Day Run in your community. If your community doesn’t have one, put one together to raise awareness for a local charity!

♥ Lovely Gift Baskets

Spread the love by assembling gift baskets and sending them to folks in a senior center or children at a hospital. Brighten up their day with cards, candy, fuzzy socks, and other goodies. Contact the place that you plan to donate to first and get their permission.

♥ Valentine’s Day Party

Team up with your K-Kids or a local elementary school and organize a Valentine’s Day party! Plan games, bring treats, and encourage the students to bring cards and candy.

♥ A Bouquet of Flowers

Get a nice bouquet of flowers for your significant other, then volunteer to clean up a garden! Help out at a local garden or even start your own community garden.

♥ Puppy Love

Whether it is Valentine’s Day or not, our cute furry friends always appreciate a new dog toy to chew on! All you need are scissors, old t-shirts, and some Key Clubbers! Braid and tie the shirts to make dog toys and donate them to a humane society or animal shelter so the doggies feel loved this Valentine’s Day.
REGION 8
Welcome to Region 14!

We are located in central Northern California.

Lt. Governor Message

Hey, CNH! I’m Lily Marshall and I am honored to serve the Division 14 Blue Robots and the Division 39 Toucans as Lieutenant Governor for the 17-18 term. These two awesome divisions make up Region 14, which stretches from Sutter County to the Oregon border! Because of the huge area that R14 covers, it is difficult to get both Divisions together. This is why it’s important for Key Clubbers from D14 and D39 get together to learn all about Key Club.
Hello From Region 15!

How's it going CNH? My name is Annaleigh Nguyen and I proudly serve the Division 20 Tsunamis and Division 32 Dinosaurs which make up Region 15! Division 20 consists of 2 clubs and Division 32 consists of 9.
Do you know what time it is?
No...

Hey, cutie! Are you free tomorrow?

Is he flying?
I do!
What the...

Have you paid your dues?
No...

It's tick tock...

Then I'm not very interested.

Turtle Time!
Get off me!

I wish I could get recognized at DCON. You can!

Platinum & Gold & Silver & Bronze...

It's called the MRP and there's four levels in which you can be recognized. Each level has different requirements so check the CyberKey!
DIVISION RECOGNITION

First of all, congratulations! Being chosen for this recognition is truly an honor, and you should be excited! I, as well as everyone on the district board, am extremely proud of you and grateful for your service. It is because of people like you that our district is so successful. It is important to remember that although Key Club is not about the recognition but about the service, recognition does play a role in our district, something that myself and the committee I serve make sure of. Again, congratulations and remember to keep on striving to do your best!

**What is a division council meeting?**

A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM! At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!

NICKELODEON joined the Kiwanis family as a 2013 Vision Partner of Kiwanis International with a focus on its Big Help initiative, which addresses issues in service, education, the environment and health.

RUSTIC PATHWAYS has 30 years of experience leading exceptional service programs for students. Recognizing our shared values, Rustic Pathways has partnered with Key Club to provide its members with the opportunity to broaden their global perspective while performing meaningful service projects around the world.

CHILDREN’S MIRACLE NETWORK HOSPITALS sponsors Key Club fundraising events. Key Club members also participate in service projects at their local children’s hospital.

Key Club has partnered with the MARCH OF DIMES for decades to give every baby a healthy start. Key Club members raise thousands of dollars annually through various programs.

Since 1994, Key Club has been Trick-or-Treating for UNICEF and over the years has raised nearly $5 million for iodine deficiency programs worldwide and HIV and AIDS programs in Kenya and Swaziland. Now it’s helping The Eliminate Project.

Since 2014 Key Club International has been partnering with the THIRST PROJECT during the Month of March to participate in the “Dirty Little Secret” campaign. 748 Million people on our planet do not have access to safe, clean drinking water. Key Club members fill up a water bottle with dirty water and carry the bottle around all month. When people ask why, Key Club members share the secret.
