Happy holidays, CNH!

We’ve finally reached the end of 2017, and it has been quite a journey. I hope you are all preparing for finals and for the holidays! As the end of December nears, keep in mind your goals for 2018 and the goals you set at the beginning of the term. Do everything in your power to ensure that things are going smoothly and as planned. I wish you all the best of luck on your endeavors, within and outside of Key Club.

Today, December 1st is the dues deadline! I hope you have paid your dues – let’s reach our member goal of 43,000 dues paid members! Speaking of goals, Fall Rally North and South have passed and we are well on our way of reaching our district goal of $190,000 for the Pediatric Trauma Program. Thanks to your fundraising efforts, CNH Key Club can help save the lives of mothers and their children around the world. As for our third goal of 1.3 million service hours, we still have time to give back to our communities. Let’s keep it up, CNH! We can do this.

Lastly, DCON registration is just around the corner. Start thinking about chaperones and fees now to avoid stress when March and April roll around. It’s better to be early than to be late. DCON is one of my favorite events of the year. There’s something inspiring about seeing all the members from across California, Nevada, and Hawaii come together to celebrate a term of success and achievement! I hope to see each and every one of you at DCON 2018 in Reno, Nevada. If you see me, say hi! I love to meet new people and make new friends, especially with those who share my same passion for service.

At DCON, members, officers, and district board members will receive the recognition they deserve. Contest applications are now on the CNH CyberKey! Go to cnhkeyclub.org > Recognition > Contests to find them all. I strongly encourage club and division editors to apply for distinguished newsletter! Remember, this year, the division newsletter contest is by submission. Be sure to look at the newsletter guidelines.

That’s all from me, CNH. Thank you for reading, it is truly an honor to serve you all. See you next month!

Hello CNH!

Hopefully you have gotten some well-needed rest during your Thanksgiving break. As the holiday season approaches, let us keep that same enthusiasm and motivation that we had at the beginning of the year.

In the month of December, members from all across the CNH District get to participate in Candidate Training Conference for Lt. Governors and/or District Officer Training Conference for District Executives. For mostly every part of CNH, CTC is on Saturday, December 9. Ask your Lt. Governor for more information. DOCTC is Sunday, December 10 for those that are interested in running for an executive office. Even if you are slightly interested or just curious as to the specific duties of Lt. Governors or the executives, sign up now! Attending will be very beneficial to you; I can guarantee that.

Do not forget to keep serving your communities! I repeat this all the time, but I can never say it too often. Lend a helping hand to people in your communities. For instance, volunteer at your local homeless shelter or donate food to families in need. Make this holiday season the best for the people that deserve it.

Happy holidays! Stay buzzin’ bees!

Angelica Rose Garcia
District Governor

Merry Christmas, CNH Bees!

“Just hear those sleigh bells ringing and jing ting tingaling too / Come on it’s lovely weather for a SERVICE ride together with you!” As Christmas time approaches, the air is filled with joy and warmth — it is time for giving. You have so many service opportunities you can participate in this time of month, so I ask that you highly utilize your resources and serve your communities to the best of your abilities.

You have so much to look forward to during this wonderful time of year, so please make sure to show lots of love and appreciation for your family, friends, and community. Make thank you cards for your amazing teachers, go Christmas caroling at senior homes, and run food drives for the less fortunate! Of course, there are numerous other ways to serve during this time of year, it just depends on how creative you can get!

CNH, you continue to amaze me every day. Having the chance to attend both Fall Rally North and South, I feel so blessed to be serving such an amazing district with so much passion for service and change. Thank you for all your hard works of service and dedication for what you do. You are the reason for all our accomplishments.

Happy December, CNH!
Happy December, CNH!
The final month of 2017 has arrived. Whether or not you celebrate the upcoming holidays, be sure to take advantage of winter break to spend time with your loved ones. 2017 was an eventful year; make the most of what’s left of it!

Today was the last day to submit dues to avoid becoming delinquent. If the club you serve has submitted dues already, congratulations and thank you for your hard work! If the club you serve has not, no worries! It is imperative that you reach out to your Lieutenant Governor or me to receive help on submitting dues before February 1st which is when delinquent clubs will be considered suspended. Don't forget, I am always here to assist you.

Fall Rally has passed for both the north and south. This PTP fundraiser is an amazing way to be introduced to Key Club, however, remember that there is so much more to Key Club than a simple trip to Six Flags. Continue to serve your communities and encourage others to do the same. Stay motivated past this fall season and put forth only your best efforts in everything you do.

With December here, Candidate Training Conference (CTC) and District Officer Candidate Training Conference (DOCTC) are right around the corner. Running for office is difficult and requires immense amounts of courage, despite this I have full faith in each and every one of you interested! Should you ever have any questions about any position, I am always here to help! Good luck, and believe in yourself.

The next time I will see you all will be at District Convention 2018. Though our next meeting will be bittersweet, I am thankful for everything you have done.

Hello, CNH Key Clubbers!
I hope you all have had a wonderful November. This is a busy time of year for Key Club International, but it is an exciting one! I am so excited to share with you all the amazing things that KCI is going to offer over the next couple months.

First, I would like to remind you all that district and international dues are due on December 1st. Cali-Nev-Ha Dues are $11.50. $4.50 goes to the district, and $7.00 goes to Key Club International. Dues are vital to becoming an active Key Club member, as dues allow members to run for higher office, help members attend district and international events, and much more.

Breakthrough is January 1-7, 2018. The status for Breakthrough applications should have been emailed to everyone as of now; if you are confused because you have not yet received an email, please let me know.

Do you want to receive funds for your awesome service projects and potentially be featured on television? Applications for the first round of Nickelodeon’s HALO Movement are due on November 30. Information can be found on www.wehalo.org. Applications are due by November 30 and voting takes place from December 4-10. Clubs can win anywhere from US$100-$2500.

Did you know you can submit to the new Key Club International service directory? Submit your service project to: https://kiwanis.formstack.com/forms/kciprojectsubmission.

The 2018 Key Club International Convention will be here before you know it! This year, ICON is in Chicago, Illinois on July 4-8, 2018. For help raising funds, check out the KCI sponsorship toolkit on the KCI website.

As Thanksgiving is quickly approaching, I want you all to know that I am extremely thankful for each one of you! Your dedication to the CNH District truly inspires me every day. Keep working hard, CNH, and keep performing service in your communities. Happy Thanksgiving, and please feel free to reach out to me if you ever have any questions!

For many Key Clubs, there is one significant event that is the hallmark of their club. For Gabrielino Key Club, this singular, trademark event is the **Sacred Heart Festival**, an annual event at the beginning of November which has come to be a tradition for the club. So steeped in tradition is it that, since the very beginning of the school year, members have been inquiring as to the details of the events, along with when sign-ups would go up. Within a week of the event being posted, over 30 members had signed up for each shift, even though the service itself was still a month away.

Every year, the service is divided into two days—one for the set-up, and one for the actual event. This year, the main event occurred on Saturday, November 4th. The first shift began at 8:00 am, and within the hour, almost 50 volunteers from the club were working on helping the sisters at the retreat do final preparations for the day’s events, including helping bake cookies, clean dishes and trays, set up and organize the gift shop, and other crucial duties. Once any remaining bits of setup had been completed, volunteers got to work helping attendees at the event, performing such tasks as collecting trays, serving food, manning the cash registers, and aiding individual booths. At 11:30, volunteers got a break thanks to a benefactor who had brought them pizza and refreshments, all specifically for volunteers from Gabrielino’s Key Club. At this time, the second shift of the event began as well, and members swapped out their duties. This was the general procedure for the remainder of the day, even during the clean-up shifts.

Throughout the day, the diligence and care of the members kept the service running smoothly, and many members even ended up staying almost an hour extra to help the sisters clean up, thus displaying fully their dedication and commitment to fulfilling the values’ of the club. Thus, once again, the Sacred Heart Festival service proved why it has such a special place in our club’s and members’ hearts, and why we look forward to it so much every year.

Division 44 North, Granite Bay

In October, we had one of our biggest events of the year -- Fall Rally North! Our club had an amazing time, and we were able to make it to the final round of the rally this year. Members from Division 44 North were able to meet other members from different divisions, and got to meet new friends and hang out with people who also loved Key Club. We are hoping our new members don’t quit after this experience, and will continue with their Key Club journey. This was one of our most exciting FRNs as a division because of how spirited we were during the rally session and we proved to other divisions that we are truly spirited!
FALL RALLY SOUTH
NOVEMBER 11, 2017 | VALENCIA, CA

For months I was looking forward to one day, November 11th. Fall Rally South was a blast. The anticipation for it seemed to last forever and being there was surreal. We had to meet at our school at 5:30am to get onto the bus to Six Flags. I remember feeling really excited and ecstatic. Even the bus ride up was really fun. However, when we got to Six Flags, the real fun began. We were greeted by so many welcoming faces and got to talk to so many different people from different schools and cities all over California, Nevada, and Hawaii. The day seemed to go by so fast from going on roller coasters to hugging random strangers and getting their Instagrams and Snapchats to screaming as loud as I possibly could in the Rally. Not only was it for a really good cause -- raising money for PTP -- but it was a really good way to let loose and make new friends. I definitely had an unforgettable time with my old and new friends and I can’t wait to see what next year has to hold!

Region 5 Training Conference was honestly beyond and above on winning my meter of happiness. I have never felt so happy helping out charities and those who really need it, and cheering my heart out during our cheer session. I cannot express my happiness through a small article, but I have expressed it through the love of working on projects and cheering my heart out. I'm really glad to have attended RTC, and overall I'm happy to do projects that help people out and that dearly is placed in my heart.

All of the clubs were amazing and it made my heart swell to see so many people at RTC this year. Seeing all the hard work that the members and board has done gives me so much joy. I'm so proud of everyone, including LTG Noah. I couldn't have asked for a better club. Even though we didn't win, this club has won my heart.

COMMUNICATION TIPS

Visual media all comes together with communication. First, here's a summary of my favorite tips:
- Be moderately persistent. Make an effort to speak to and check up with others.
- Use every and any form of inclusive social media to post on.
- Be kind. Be considerate.

ALL ABOUT ETIQUETTE

The tip, “Be kind. Be considerate.” Is extremely important. Maintain SafeKEY and pay attention to your audience.

Here's an example of an appropriate social media caption:

Hello Bees! District Convention is around the corner. Catch us at Reno, Nevada April 13-15! Contact your Club President and/or Lieutenant Governor if you’re interested. We can’t wait to see you there!

OTHER TIPS

- If attempting to maximize your publicity using visual media, keep in mind the amount and frequency of your outreach:
  - Minimum Publicity (e.g. Frequent events; simple reminders)
  - Medium Publicity (e.g. Monthly, Yearly events; for increased attendance)
  - Maximum Publicity (e.g. “Special, Important” Events; max. outreach!)
- Be effective with your time. It’s okay to spend more time on an event you deem needs more of it. You don’t necessarily need a unique video for every single event and meeting, but I do recommend communicating regularly so that your audience can easily find the information they need.
Every year, the CNH Key Club District hosts two fall rallies to celebrate funds raised for the Pediatric Trauma Program. Funds serve as a special beacon to help those in need pertaining to pediatric trauma; for example, funds can save lives by purchasing items such as helmets and car seats. This charity has brought the passionate idea of a true helping hand to new heights.

**How do YOU continue to raise money for PTP?**
What Has The CNH Foundation Been Doing?

BRIDGING THE DIGITAL DIVIDE

Many of us have been granted with the opportunity to access the internet in a matter of seconds, but for a great number of families in our district, it is impossible because there is no computer at home. Making it difficult to complete school assignments that require internet access.

With an $800 grant from the Kiwanis Cal-Nev-Ha Foundation, the Kiwanis Club of Costa Mesa was able to bridge the digital divide for 19 low-income children by providing these students with their very own Chromebook as part of a larger back to school shopping spree.

24 Children in grades 2 - 7 were selected to participate in the Kelly’s closet event. Each child was partnered with an SLP member who helped pick out new clothes and shoes in preparation for the new school year. Following the shopping spree, 19 of the lucky children were granted with a Chromebook.
In October, wildfires were ravaging neighborhoods all across California due to strong winds and dry conditions.

As of October 12, 2017, CalFire reports more than 221,000 acres have burned and 3,500 structures have been destroyed, with many of these fires nowhere near containment.

Due to generous donations from our Kiwanis Family, local clubs were able to apply for Disaster Assistance grants to help rebuild their communities following the damaging fire.

More than 50 years ago, the Kiwanis Cal-Nev-Ha Foundation was established following a natural disaster. While the focus has broadened through the years, our commitment to helping children and families remains at the core of their mission.

$1,200 grant from the Kiwanis Cal-Nev-Ha Foundation, the Kiwanis Club of Cloverdale was able to restock a school library and learning center with non-text books, math manipulatives, art supplies and general school supplies.
Even though this wasn’t my first Key Leader, I can’t say I wasn’t nervous. As a Student Facilitator I was highly aware of the impact of my actions, words, and the influence I had on those who looked up to me. With my past experience from going to Key Leader last year, I was able to use the leadership skills I learned and apply them this year as a facilitator. Without all the Key Leaders I met, I wouldn’t have had such a great time. I highly recommend going to Key Leader in your area to learn about servant leadership while making long-lasting friends.

Key Leader was truly something that all future leaders should attend. They taught us different leadership styles and how to understand others’ contrasting views. These lessons were designed specifically not to encourage, control, or be biased towards any particular leadership style, but in such a way to educate others how to apply these to their own personal lives. They treated us with equality and without thought that we were in high school or even in middle school.

Our peers, including myself were all excited to learn and it was nice to be around such ambitious, open people who want to achieve more. I am very thankful for everyone who put so much time into teaching high school students valuable life lessons that we will hold onto. I’m already waiting to come back to learn more!
I attended the Key Leader event at Camp Cedar Glen this year as a Key Leader Student Facilitator. The Key Leader program is based around five principles: integrity, growth, respect, building community, and the pursuit of excellence. The weekend is built around building better leaders. The facilitators, both adults and students, do this through situational analysis, personal inquiry and reflection. There are sections that guide you to how to effectively communicate with all types of people, assisting you not only in Key Club, but in life.

At this Key Leader event, we had sessions to learn about leadership and activities to put our new skills into action. There were team bonding activities such as a wall climb, a tarp flip, a copycat structure building activity, etc. We had group activities where we expressed what it means to be a true leader and how to lead not only in positive situations, but in more difficult times as well. Lastly, we made future goals and developed strategies for execution, both personal and for our Key Club selves.

Members get inspired by the camp in a variety of ways. For me, Key Leader camps have always been an opportunity to break out of my shell. Not only is it a great opportunity to meet new people, it also serves as a way to focus on the true meaning of Key Club... the people. Whether it be the people you are serving as members or those of your community, there is an underlying commonality that we can make it better together. This year, I was a student facilitator which allowed me to build upon my leadership skills by running a small group. I was given the opportunity to assist others while improving my communication and leadership skills.
What was Kiwanis One Day?

Kiwanis One Day took place on October 28th, 2017, and was a day in which members of the Kiwanis Family dedicated to getting involved and building their relationships with their local SLP’s (Service Leadership Partners).

Branches of the Kiwanis Family participated in this event by hosting joint service projects and events with their local sponsoring Kiwanis, KIWIN’S, Circle K, Builders Club, K-Kids, and/or Aktion Club.

EXPERIENCES

DIVISION 22 MAKAI // KARA YOSHIYAMA
“We went to the Panewa Zoo with our Kiwanis Family and helped to pull out weeds in the native plant section. Then, we had lunch together and had a lovely time bonding and collaborating together!”

DIVISION 37 NORTH // CINDY TSAI
“Working with Division 37 Kiwanis, we worked with a total of 4 Key Club divisions and all 18 Kiwanis Clubs were invited to participate for a day of service and fun. Aktion Club participated to help a non-profit daycare for a community home.”
What is your role in Kiwanis?

"I am the faculty advisor (and the Kiwanis Advisor most of the time too) for the Aktion Club of CNH Division 31, Board Member for the KYDS Club of San Diego, and committee member for Key Leader Camp."

Why did you choose to get involved?

"Initially, I saw Kiwanis as a place where I could meet others that had shared interests, develop my public speaking skills, and serve my community. After a few service projects, I quickly came to view Kiwanis as a place where I was experiencing life up close and personal."

Who has played the biggest role in your Kiwanis journey?

"My husband Geoff has by far played the biggest role in my Kiwanis journey. He has encouraged me to take leadership roles and responsibilities that I wasn’t quite sure I was ready for, supported me as I developed my skills and became more confident, and celebrated me when I achieved my goals. He has always been an overwhelmingly positive force in my life and has enabled me to become the Kiwanian I am today."

Describe your Kiwanis journey in five words.

Seek, serve, craft, sleep, repeat.
Why did you join Key Club?

"Being 100% honest, I joined just because all the popular upperclassmen were in it, and I would see those "Instagram famous" high schoolers post pictures of them in lime green at Six Flags when I was in middle school for some reason. All the hype was with Key Club and Interact, and as an incoming freshmen I wanted to go with the flow. Believe it or not I actually wasn’t the biggest fan of Key Club, and was a huge Interactor when I first started."

Favorite Cheer?

"My favorite Key Club cheer would probably be ABCD because D2 has been using it for the past three years for spirit battles, and I’m pretty sure they’ll continue even after I graduate and years to come."

Dream Mascot?

"My dream Key Club mascot would probably a wolf just because I’ve always wanted a pet wolf."

Key Club Moment?

"District Convention 2015. I only attended because my officers were asking freshmen to go, but I felt bad that no freshman was going. In fact, I did not want to go at all. I was extremely nervous and scared... Little did I know that Dcon 2015 was the best part of my year. It opened my eyes and showed me something I’ve never seen before. I got to experience and see how gigantic our organization is, and even with our size we are still connected through service. Ever since then, I kept growing in my Key Club journey. From member to freshmen representative, to club president, and now Division Co-Spirit Coordinator for my last year."

Most embarrassing Key Club story?

"My most embarrassing Key Club memory I can think of is probably when I was president holding a board meeting at my house. My laptop was connected to the projector for meeting slides, and after the meeting ended I guess I left my laptop on so my officers decided it would be fun to look at my browser history."

Describe your experience in five words.

"Once in a lifetime experience"

Member | Angelina Gamoras
Aside from continually serving her club, Angelina has been very spirited and active. She embodies the Key Club core values immensely and shows her love for the organization whenever she can. Although it is her last year, she has been making the most out of it, and I'm extremely proud of the development that I have seen so far. She has been really amazing and I hope that she really does make her last term count.

Officer | Drew Williams
Drew currently serves as one of the Division 14 Blue Robot Spirit Coordinators and has made a huge impact on the spirit of the division he serves. At the beginning of the term, the division struggled with spirit, but because of his dedication, the Blue Robots have increased their spirit tremendously. Beyond that, he has been a huge help on the DLT in many other areas, proving himself as an amazing officer and leader. He has shown dedication to the organization and making his home, school, and community a better place through all of the service he does.

Advisor | Ms. Felecia Gray
Ms. Gray has been such a blessing to have as an advisor. She has been a chaperone for every single division event that we have held this year. Though she had a child earlier this year, she still dedicates her life to Key Club by bringing her child to our event. The members of the Division look up to her as a mom of their own and we have been so lucky to have her as a advisor, mentor, mom, and friend. She was the reason that we were able to host our awake-a-thon since she scheduled everything and secured our location.
Meet Your DB:
Member Recognition Committee Chair
Charlotte Wood

Cali-Nev-Ha District | Region 18
Division 22 Hikina | Kaiser Key Club

What does MR Chair and the Committee do?
We are in charge of all district recognition, contests, and awards. We also provide templates for Division and Club level recognition on the CyberKey. My favorite award is the Single Service Project Award because it recognizes individuals for showing their true passion for what Key Club is all about - Service.

What is your Key Club Journey?
I have been part of Key Club ever since I was a freshman. Sophomore year I served as a Club Secretary and LTG Assistant. Junior year, I served as an LTG and earned Distinguished LTG. I then ran for MR Chair. My favorite part about Key Club is meeting and visiting people from all around, including the mainland!

What are your goals for MR Committee?
Actually, MR has already achieved my goal of revising all Recognition Templates on the CyberKey. I hope to grow bonds between LTGs and create a positive Ohana now!

Kiwanis International and UNICEF have joined forces to combat maternal and neonatal tetanus (MNT) worldwide. This historic initiative, called “The Eliminate Project”, will protect the lives of babies and mothers all over the globe and will help end this cruel, centuries-old disease.

The final push to eliminate MNT requires $110 million and the dedicated work of UNICEF and every member of the Kiwanis Family.

The more than 100 million women, along with their future newborns, who will be protected through global MNT elimination efforts, live in areas scarred by poverty, poor medical infrastructure or humanitarian crises. The Eliminate Project will also help pave the way for the delivery of other lifesaving services such as clean water, nutrition, and other vaccines.

Visit http://tinyurl.com/CNHTOT2017 for more information on submitting your club’s Trick-Or-Treat for UNICEF funds!

Additionally, all clubs that have raised $250 or more can submit the money with a form found at the link above by the end of the year in order to receive a patch for their club banner!

OCTOBER DANCE FOR UNICEF

By donating $5 to UNICEF, Key Clubbers from Divisions 22 Hikina and 22 Komohana could attend Farrington Key Club’s October Dance for UNICEF. To publicize the event, clubs focused on promoting that donations would be used to help children around the world.

At the dance, Key Clubbers were first given food provided by the Kiwanis Club of Honolulu, shown a video and presentation on UNICEF, and again asked for donations. Afterwards, members got to enjoy a night of dancing and fun. Bonds with Key Clubbers and Kiwanians were made, and a sizable donation was given to UNICEF.

DONATION CANS

Beyond just Trick-Or-Treat for UNICEF, Gregori Key Club decorated donation cans for each of the teachers and Key Clubbers at their school. Each person with a donation can was educated on The Eliminate Project so that they too would be able to explain what the donated funds would be used for.

For the month of October, Gregori Key Club was able to raise $171 for The Eliminate Project. Their fundraiser was a fun and simple way to raise money for UNICEF!

Divisions 20/32

WHAT DOES SERVICE MEAN TO US?

As Key Clubbers, we have the opportunity to give back to the people that helped us and change the communities we live in. Our organization puts an emphasis on being a good person at heart and being a hands on person in everything we do. I want every seal to know that what you do is always smiled upon and beloved. Don’t ever forget that service and volunteering is the bind we create with the people who love us and that it will never go unnoticed. Your hard work and efforts have done various things from eliminating MNT to giving kids a place to enjoy the great outdoors. So always remember, whenever you are handing out water, removing weeds, or picking up some trash you found on the floor, that you are truly altering the world in small steps. Now THAT is what Key Club is all about.

- GUY SUANKAEW, D35W LTG

SILVER AND TEAL WE’RE THE BEST

SEALY ART
First of all, congratulations! Being chosen for this recognition is truly an honor, and you should be excited! I, as well as everyone on the district board, am extremely proud of you and grateful for your service. It is because of people like you that our district is so successful. It is important to remember that although Key Club is not about the recognition but about the service, recognition does play a role in our district, something that myself and the committee I serve make sure of. Again, congratulations and remember to keep on striving to do your best!
