As it is September, take this month to really get in the habit of a healthy routine—both mentally and physically! The fall is going to be a stressful one with club rush, Region Training Conferences, standardized testing, AP/IB classes and maybe even sports, but your health should always be your first priority. No matter how many times you think an all-nighter is going to be the way to go and “worth it”, I’m here to tell you from experience that it is NOT.

Establish a schedule that works for you and maximize your productivity during certain hours. Everyone works and retains information differently and it’s KEY that you find yours!

Additionally, make this year count and participate in club activities early! Become engaged at club rush and recruit your friends and underclassmen. Remember it’s crucial to promote service on and off campus! Invite your freshmen to service events, DCMs, socials, RTC and fundraisers. Before you know it, Fall Rally will just be around the corner!

Speaking of Fall Rally, mark your calendars because FRN is taking place on Saturday, October 20\textsuperscript{th}, 2018 and FRS is on Saturday, November 10\textsuperscript{th}! Thank you for taking the time to read this issue of “The Bee Line” and until next time!

\textbf{FAST FACTS}

\textbf{GUESS WHAT?}

\textbf{September 15th is National Clean Up Day!} The outdoors is a great place to rid yourself of stress, unplug from social media and to take a quick hike, walk, swim or climb. Littering and trash, however, can not only ruin the experience, but it can also negatively affect the environment and our ecosystem.

Get together with friends and division to organize a cleaning trip to the closest park, hiking trail, or beach. Raise awareness against littering and throwing garbage in communal spaces through social media and word of mouth!

Is that the school bell I hear? School is officially in session for many of us and although that means hours of studying and hours of completing homework, it also means the start of recruitment season!

I encourage all of you to utilize recruitment season and activities such as club rush to promote Key Club and to inspire your fellow classmates to go out into their communities and serve. Reach out to the underclassmen, tell them all about Key Club but also give them a helping hand during their first few weeks in high school. If you’re asking yourself, “How can I prepare for club rush?” don’t worry! There are many things you can do to prepare and it’s never too late or early to do so. You can create posters, broadcast a recruitment message via your school’s announcements, or make brochures, the possibilities are truly endless!

Recruitment season is also the time for you to showcase what Key Club is. Above all, we are a service organization that strives to change our home, school, and community for the better. Do not forget about this when promoting what Key Club is and who we are.

Remember to manage your time to the best of your abilities this year. Before you know it, school work and other tasks you may have will begin to pile up. Whether it be keeping track of tasks in a planner or setting reminders for yourself, time management is crucial to a successful school year.

About a third of the term has already passed and I am amazed at what we have accomplished already as a district. Thank you for your hardwork and your endless service to your community. As always, if you ever have any questions or would like to chat, do not hesitate to contact me!

WITH A PASSION TO SERVE,

Jonathan Lum
District Governor
cnhkc.dg1819@gmail.com

We’ve finally reached fall and everything’s picking up pace. With RTCs and Fall Rally just around the corner, this is the perfect time to meet new people, do good for charity, and find your Key Club moment. If you’re interested in attending any of these events, speak with your club officers and Lt. Governor now for more details. These two events are such great opportunities to learn more about Key Club, the Kiwanis Family, and your impact as a club member.

I hope school has been going well for you all – the beginning of the year is the best time to establish good habits and good relationships for the remainder of the school year. If you’re a senior like I am, then college applications are likely a huge priority, so remember to stay on top of those. Be on the lookout for Kiwanis scholarships later in the year and be sure to apply!

Officers, this time is crucial for member recruitment. Be mindful of club meetings, DCMs, and club promotion to incoming freshmen and other students. Secretaries especially, be meticulous about your work with all the new members and dues so that you can accurately document the 2018-2019 term. Remember, fill out the MRF as best as you can so that the AAR score is calculated correctly and the club you serve can earn recognition. Perform your duties to the best of your ability, and your work will be rewarded at DCON 2019! I’m always here if you have any questions, comments, or concerns.

Speaking of all these events, remember to fundraise! Fundraise throughout the year and with diverse events in order to establish a good amount to draw from when needed. Contact District Treasurer Kara for more details regarding how to fundraise, ideas for fundraising, and anything else you might need. Be sure to use your time wisely in the fall and prioritize accordingly, as things tend to accelerate in the winter. Above all, remember to take care of yourself and prioritize your own health before anything else.

Thank you for reading this edition of the District Newsletter. I hope to see you at Fall Rally!

School has begun! We’re all back to days full of studying, homework and of course Key Club. The beginning of the school year is prime time to lure in those new members by showing them your spirit while exemplifying our 4 core values.

As our goal is 41,500 dues paid members, we need all of your help to reach it therefore; here are some tips to help you recruit members. 1) Ask your ASB or Student Government for a booth at your club rush and go all out. This will attract new members to come and check out your club. 2) Make a poster board or show visuals (pictures or videos) showing the events that members can participate in. Students have a better chance of joining if they can actually see what they are getting themselves into. 3) Ensure that the members or officers working your booth are knowledgeable about Key Club and have been to various events. Potential members are bound to ask questions so make sure that your booth volunteers can answer them. 4) Ask your current members to bring a friend (potential member) to your next meeting. If every member in your club brings a friend that joins, your membership will double. 5) Make new members feel welcome at meetings. Do not let them sit on the side and feel segregated, encourage your members to bond with the new BEES, this can make or break their decision of joining.

After recruiting members, it is crucial for them to pay their dues to become official members of the club. As of now, the membership update center is closed but will be reopening on September 4th for you to start recording new members for the 2018-2019 term. I wish you the best of luck in your recruitment. If you ever have any comments, questions, or concerns, feel free to contact me and I will be happy to help you. Happy recruiting!

It’s Trustee Me’Shale here. I want to firstly welcome you all to the new school year and I hope and pray this year you all get to achieve your goals. I hope this school year is full of excitement, good memories and happiness. A new school year means new opportunities, new achievements and a new start! I want you all to grab on to those new opportunities this year and allow it to take you to new heights! This new school year also signifies opportunities to gain many new members so don’t hesitate to get the ball rolling and do what it takes to make the dream of membership growth a reality. Let’s get CNH to 41,500! We can do this! If you need any ideas or help don’t ever be afraid to contact me.

Marketing Your Club

Promoting

Make yourself heard! Promoting Key Club around school before club rush will make it a recognizable name. Put up some posters or start telling your friends!

Tabling

Make your booth look great! Make a tri-fold to describe Key Club. Decorate your booth with merchandise and other miscellaneous materials.

Incentives

Final Reminders:

- Plan ahead!
- Contact your school for any restrictions or rules
- Appeal to underclassmen as much as possible!
- Show your Key Club spirit!

Chair Nathaniel Banlusak | cnhkccm@gmail.com
PROMOTING KEY CLUB TO YOUR COMMUNITIES

Help make Key Club known in your local communities! Maybe you’ll inspire someone who could be a future Key Clubber, or make other connections that could benefit your club in the future! All it takes is one phone call or email! Try working with some of these parts of your community!

YOUR CITY

Ask your city if they need volunteers for any events they may have planned. They are usually open for community participation! A great example of an event you could do is clean up graffiti in your area. BE SURE TO CONTACT YOUR CITY FIRST!

KIWANIS

Stay in contact with your sponsoring Kiwanis Club! They may have connections with small businesses that will happily partner up with Key Club volunteers. Your Kiwanians are always here to help YOU, so make sure you utilize them whenever you can!

LOCAL SCHOOLS

Reach out to your local elementary, middle, and high schools to see if they need help with upcoming events! You can even prepare a presentation and ask school administration if you can talk to their students about community service and student leadership!

FALL RALLY NORTH

What is it? When/Where is it? And why should you go?

Fall Rally North (FRN) is where the Northern portion of CNH comes together to celebrate our funds raised for PTP by “auctioning” off District Board members. Divisions are competing to “purchase” an officer and are allowed to spend a designated period of time with the officer that they won. At the end of the day it’s all in good fun, and is still one of the largest events held on a district level!

MARTIN TANSECO | DIVISION 43

How did you hear about Key Club and why did you decide to join?

I heard about Key Club though my Builders’ Club Advisors. I thought it was going to be more of the same stuff. I didn’t have much of a life so I had plenty of time to kill and signed up at Club Rush at the beginning of high school. Best Decision I ever made in high school.

What does Key Club mean to you?

I wouldn’t be the happy and outgoing person I am without Key Club. In all honesty, I wouldn’t have a life. Coming from a very strict and studious family, I was never really able to go and hang out with friends or have fun in general. Key Club was my outlet to meet new people, have fun, and to just get away from the tense environment at home. On top of that, I found that I learned that I love to help people; organizing and going to events is always a joy. I’m certain that Key Club has many of my fondest memories.
#MyKeyClubStory

MARTIN TANSECO | DIVISION 43

Who was the most influential person within your time in Key Club?

My Key Club role model is IP LTG Leanne Bagood. We both joined Key Club as freshmen and I became her Vice President during sophomore year. From our time from Builders’ Club to seeing her as LTG, I saw Leanne grow tremendously as an individual. I was always inspired by the effort she put in all that she did, especially Key Club. Through high school, she only continued to fall in love with Key Club; she brought me to love Key Club as well.

What was your Key Club moment?

My Key Club moment would have to be RTC of 2015, my Freshman year. I learned so much about Key Club, how cool it was, and what an impact we can have in our communities. At this event, I made a promise to myself to talk to at least two new people; I ended up meeting so many people. We talked about what they did at their home club and why they joined Key Club. I felt that sense of community and wanted others to have that experience as well.
What is your weirdest Key Club moment?

Once at FRN, I met this one guy. We talked and hung out for a little while. But when we said bye, we said the names we said were none of ours. We both had mistaken each other for similarly looking people.

What have you gained from Key Club that you will carry on once you retire?

I could talk about all the life skills I learned; they’re great, but it honestly doesn’t really matter. Once I retire, what matters to me most are the memories I made with fellow members. I will never forget the laughs we all had, the hardships we went through, or the bonds we created. I know what I had done in Key Club is not even close to being good enough and that I could’ve done better. But once I retire, from the struggles to the accomplishments - I hold these memories dear to my heart.

HOW TO BE INVOLVED WITH CIRCLE K

PARTICIPATE IN A KEY TO COLLEGE

Key to College is a Kiwanis Program that allows Key Clubbers to interact with their local Circle K to gain further insight on the college application process, learn about college and university life, debunk rumors about college, bond with your local Circle K Ohana, and depending on your program, you might receive a campus tour! Contact your Lieutenant Governor to see if a Key to College is taking place near you!

SINGLE SERVICE PROJECTS

Contact your Lieutenant Governor about having a joint service project with your local Circle K Club! Take the opportunity to bond with the different branches of the Kiwanis Family and make an impact on the world together! Some service projects include: making care packages for the homeless, make heating packs, making blankets, and so much more!*

KIWANIS YOUTH OLYMPICS

Hosting and participating in an Olympics social can help to create a more personal relationship and deepen bonds between you and your fellow Circle K family! Learn to work and compete with each other all while having a good time!

KIWANIS FAMILY PICNIC

Having a potluck style picnic with the different branches of the Kiwanis Family is a really good way to get to know your Circle K Ohana on a different level! It can help to deepen and broaden your relationship with the Kiwanis Family and incorporating games and other activities can help to make it a more well-rounded event!

* - Don’t forget to apply for a Youth Opportunities Fund grant for your service projects!

Key Leader

What is Key Leader?

- 3 day leadership camp that is open to incoming freshman and high school students grades 9 through 12.
- The camp is not exclusive to only those within the Kiwanis Family. Meaning, those who are not in Key Club or Builders Club are welcome to come!
- The Key Leader program is built on five essential principles
  - **Personal Integrity:** Doing the right thing
  - **Personal Growth:** Developing in mind, body, and spirit
  - **Respect:** Showing consideration for self, others, and property
  - **Building Community:** Developing relationships to achieve positive goals
  - **Pursuit of Excellence:** Expecting and achieving the best

What you can look forward to

- Meeting hundreds of fellow leaders potentially from around the country
  - Making new friends and fond memories
- Learning the key to and basics of servant leadership. Plus, how to become a better leader
- How to better improve your homes, schools, communities, and the world
- Develop important social and emotional skills, which allow them to understand self and develop meaningful connections with others
  - These 5 core categories of social and emotional learning will be emphasized through participation in Key Leader
  - **Self-Awareness**
  - **Self-Management**
  - **Social Awareness**
  - **Relationship Skills**
  - **Responsible Decision Making**

WHAT/WHEN IS RTC?

RTC, or Region Training Conference, is a training conference where the divisions in a Region gather and learn about Key Club, leadership positions, opportunities, life skills, etc. RTC is typically held in the fall season, so ask your Lieutenant Governor when your RTC will be! Stay posted on your division’s emails, division’s news sources, and division’s social media to stay up-to-date on Region Training Conference updates!

HOW TO PROMOTE RTC

The KEY to effectively promoting Region Training Conference is by starting early! Inform the members through various social media, division news resources, and division emails! By utilizing and advertising the region approved advertisements everyone will know when RTC is!

PROS OF ATTENDING

You should attend Region Training Conference because it gives you the opportunity to meet new people in region, learn about officers and members, how to recruit new members, Fall Rally practice, scholarships, and other information KEY to doing your best in high school, college and life!
WHY YOU SHOULD ATTEND

Region Training Conference

~ Learn Valuable Skills and Qualities of being a Leader

~ First-hand Knowledge and Experiences from District Leaders

~ Meeting People All Over the Region

~ Asking Your Club Officers for Information

~ First-hand experiences from past RTC attendees

International Contests

1. CLUB POSTER
Recognizes posters that promote service and leadership while endorsing Key Club as an organization. After judging, the 1st and 2nd place winners on the District level will automatically be submitted to the International competition. Digital posters are due February 12, 2019 by 11:59PM PST/HST. Non-digital posters are submitted to the CNH Member Recognition Office at District Convention.

2. CLUB VIDEO
Recognizes videos that show representation of Key Club core values. After judging, two winners receiving the 1st and 2nd places at the District level will automatically be submitted to the International competition. Videos may not exceed 60 seconds.

3. SINGLE SERVICE
A qualifying single service project is planned, organized, and produced by the Key Club. Projects can occur on a single day, consecutive days, or recur on different days. Hands-on projects and fundraising efforts may be included. Applications are submitted directly to CNH for District Judging. Distinguished winners will be announced at DCON, and one winner for each category (bronze, silver, gold, platinum) will move on to International judging. (The different categories are based off of the total amount of dues paid members a club has.)

4. MAJOR EMPHASIS
Recognizes clubs for commendable service projects relating to “Children: Their Future, Our Focus.” Projects should specifically highlight personal development and social interaction of children. Applications are due February 12, 2019 by 11:59PM PST/HST. Distinguished winners will be announced at DCON, but only the first place winner will move on to International judging.

5. YEAR IN REVIEW
- Recognizes the service and leadership displayed through Key Club members throughout the administrative year in the form of a scrapbook. Traditional and Non-Traditional submissions are due at the Member Recognition Office on the first day of DCON 2019. Digital submissions are due February 12, 2019 by 11:59PM PST/HST. First place winners for Non-Traditional and Traditional will be brought to ICON 2019 for International judging.

All dues-paid members are eligible to be recognized through the Member Recognition Program. There are four levels of recognition: Bronze, Silver, Gold, and Platinum. Member achievements are tracked through the Monthly Report Form (MRF) by the Club Officers. Final MRP results that have been approved by an advisor must be sent from the clubs to the Lt. Governor by the issued date in order to be recognized on the District level.

Contest tips and tricks

Stay Organized – Organize photos in Google Drive folders and create a separate document for event reflections as the year goes on. This will allow you to easily find photos for your submission and be able to simply paste your reflections for their respective events.

Start EARLY & End EARLY – Review the guidelines on the CNH CyberKey and start completing items on the checklist! Schedule certain times per week to work on your submission. There will be NO late submissions accepted.

Follow Graphic Standards – Make sure to use the pencil, seals, CNH word art and the proper fonts. Points will be deducted if graphic standards are not followed. (Use the graphic standards manual on the Cyber Key for further details.)

Read the Contest Guidelines Carefully – Guidelines vary per contests. Make sure your submission fulfills requirements such as file size, file type (PDF), and page count. You can use https://smallpdf.com/ to condense, merge and split PDFs.

Programs – There are many different programs that you can use such as Google Docs/Slides, Adobe Photoshop/Illustrator, Microsoft Word/Publisher, and Pages!

Entry Forms – Remember to add any entry forms required with your submission. Submissions without the proper entry forms will be disqualified.

SAFEKEY FOR THE SCHOOL YEAR

A Slice of PIE

Safekey is monitoring your presence on social media and understanding how it affects others.

What is Safekey?

- Make your page private
- Only accept people you know
- Only post appropriate content

How you can be safe online:

Safekey is important to Key Club as each of the members are its representatives. Their actions online reflect on the organization.

**YOUTH OPPORTUNITES FUND**

The Youth Opportunities Fund (YOF) is an endowed fund for Key Club International. YOF grants help YOU take action! Identify the things that need to get done in your school, community, or world to make it a better place and apply for a grant! These grants are only given to Key Clubs and club members!

### REQUESTED FUNDING

The YOF committee will typically fund clubs that are asking for a portion of the total cost of the overall project. They also fund clubs that plan on working with other organizations to fund and complete the project.

US $100 - US $2,000

### APPLICATION

Submittable

Applications must be sent in through Submittable, the YOF online grant application! Previous applications and printed paper applications mailed to Key Club International will not be accepted.

**DUE:**

**OCT. 15**

To access the application and additional information, visit this link here!

[www.keyclub.org/yof](http://www.keyclub.org/yof)

Guidelines for submitting a YOF application may be found in the Key Club Guidebook under the Board Policies section.
Spotlight on Service Program

JULY FOCUS: "BEE CLEAN, CNH"

ROCKAWAY BEACH CLEAN UP

SOUTH SAN FRANCISCO KEY CLUB | DIVISION 34N | REGION 17

The event turned out very successful with multiple clubs coming out to clean up our local beach. For the pre-planning I had to pick out a nice day where it wasn't too cold or too foggy for anyone to come out and join us. We had stayed in pairs and going around looking for trash.

PANAÉWA ZOO CLEAN UP
WAJAKEA KEY CLUB | DIVISION 22M | REGION 18

Waiakea planned this project through our Sponsoring Kiwanis, the Kiwanis of East Hawaii. Through one of our Kiwanis, they were able to get in contact with one of the employees at the Panaewa Rainforest Zoo and find a project they could do. We were then told that they need help with cleaning the Discovery Forest at the zoo. So our club then got this project approved by our Executive Board and then announced this project to the rest of the club. From the moment our club knew about this project, we tried our best to get as much people as possible to attend this project. At the actual project on July 14th, we worked alongside Hilo High School Key Club in cleaning the Discovery Forest by pulling all the weeds out, cutting down trees, and also hauling the trees that were cut down to the area where the zoo was going to build a new hale.

TUNNEL CLEANING
MARYSVILLE KEY CLUB | DIVISION 14 | REGION 14

Our club was asked by the Marysville Fire department to clean up the nearby tunnel at our school. Being low on service events, we were glad to take this event on and have an ongoing service event we could continue every week. We planned what day of the week was most convenient for all of our key club members and dedicated ourselves to sweep, pick up trash, and remove all the graffiti in the tunnel each and every week, hoping to discourage others to continue littering and vandalizing the wall, knowing it'll be taken down once again. This project is easily manageable and is well organized each week; considering being able to access all possible cleaning materials and supplies to properly clean the tunnel; provided by our school custodians. We use their materials appropriately and respectfully, placing them right back where we found them after when we are finished.

### WHAT IS A DIVISION COUNCIL MEETING?

A Division Council Meeting (DCM) is a meeting hosted by the respective Lieutenant Governor for the members of his or her respective division. Like club meetings, DCMs are **full of information** about upcoming events, district updates, and much more.

This is YOUR chance to get out of your comfort zone and **meet members from different schools**, become familiar with your division leadership team, **build upon your Key Club knowledge** and **bond with your division**!

Fall has come and our schedules have become filled with school, work, service events, and much more. Regardless of how busy you may be, you have set some time to contribute something to the Key Club organization. You have been recognized for going above and beyond serving your homes, schools, and communities! I commend you on all of your wonderful contributions and hope to be able to recognize you again. Continue being an excellent example for others!

CONGRATULATIONS, CNH!

On Sunday, August 5th, our division volunteered at the Urban Community Outreach Drop-Center, a place that helps the homeless and lower-class families. Every Sunday of the year—besides June—Urban Community Outreach helps by **cooking hot meals and providing monthly visits from nurses and other healthcare professionals.** They also provide clothing, hygiene kits, help for childcare, and temporary and permanent shelter.

In the morning, we prepared the food by, cutting vegetables, meat, and bread. We also peeled eggs and made beverages. We then spent time setting up tables, cleaning them, making sure they were ready for the hungry guests. Then it was time to serve—a plate of rice with chicken, along with salad and vegetables. There were other things they could take too, such as deviled eggs, cake, toasted breads, and other pastries. While some of us served the food, others helped **serve beverages, and provide packaged foods** for them to take with them. The guests were able to eat at the tables, or eat while watching a movie, while others used the computers.

Overall, this was a great experience, helping the homeless. The homeless feeding was **success,** knowing we helped the homeless leave with full stomachs and other essentials to help them live.

**DANIEL LE, DIVISION 13 SOUTH, BELLFLOWER**
On July 21st, the annual Beach Boomba had finally arrived and delivered satisfaction to the hearts of all Key Clubbers. Being a joint Key Club event, with many divisions nearby, the event was absolutely jam-packed with joyous souls. The actual event was full of icebreakers, allowing us Key Clubbers to bond kindly with one another. Such icebreakers would include, soul-mates, captain’s coming, riff-off, steal the bacon, watermelon eating contest, and throwing shaving cream pies at one another. Honestly, the games were all very well run, the LTGs and EAs were all very successful in terms of coordination and delivering a fun time. There was also nice and hot pizza which stuffed everyone’s bellies (considering there was more pizza leftover), and many division sales (awesome DO4W Tank Tops). Overall, Beach Boomba was an absolute blast and I cannot wait to attend this event once more next year.
For July’s DCM, our Division joined the rest of Region 3 in Huntington Beach at the annual Region 3 Beach Boomba event! Everyone came dressed in their division merchandise to light up the entire coast with all our region’s colors. The event began with a ton of very fun and interesting ice breakers, which kept everyone involved and wide awake. After a few icebreakers with the entire region, the divisions divided in order to hold their DCM’s. I was honored and lucky enough to be awarded with the Outstanding Officer award for July! After the DCM, the icebreakers started back up and we were served lunch shortly after. As the rest of the event went on, volleyball games, tug-o-war, pieing was also taking place. Overall, I believe that Beach Boomba was greatly organized and was super fun for everyone who attended. I would love to join my division and the rest of Region 3 again next year!
On Friday, July 27th, a few Key Clubbers joined other students from our high school and volunteered at the Lunalilo Retirement Home fundraiser event at the Hawaii Kai Golf Course. We were all stationed at different roles and had different stations to man. Sakura and I worked with one other adult volunteer at the watermelon station. We had a lot of fun passing out the watermelon to hungry golfers and saving some for ourselves! It was fun to interact with the golfers and other volunteers, and I learned a lot from them. I hope to participate in more community events in the future!
On July 28th, North Valley’s High School signed up to help volunteer for the Northern Nevada Pride festival. Along with the help of Wooster High School Key Club helped get donations for the LGBTQ+ community, and help put everything away once the event finished. The club felt it was a great way to show that we cared about our local community and get out club name out there!

While the purpose helping with the event was not to fundraise for PTP, it did help us make the program known to the local public. D23 participated not only in the event but the parade as well. It was a wonderful experience and we look forward to hopefully doing it again next year!
At this event, we helped out a community garden in Ontario prepare for the next season of crops. We started “cleaning out” rows of sunflowers under the warm summer sun, making sure there was plenty of space to plant something new for the following months. As we uprooted the tall plants, we gathered them to bring over to a large compost area towards the back of the garden and they kindly offered us to bring as many sunflowers home as we wanted! Just before wrapping up this wonderful event, we picked small grape tomatoes.
On July 20, one of the home clubs of division 36E, Redland Senior High School, had a city clean up to help give back to the community with the help of their advisor Mike Ballinger. Each one of the members got a plastic bag a started from Redlands high school and worked their way up. Towards the end everyone’s bags were filled with dead fireworks, empty bottles, and etc. This service event was all planned and executed by the Redlands senior high school home club Vice President, Elaine Wijaya with the help of the rest of the board to help out plan out all the routes and organization.

September SPOTLIGHT ON SERVICE PROGRAM

WHAT’S POPPIN’, CNH BEES?
The monthly Spotlight on Service Program focus for the month of September is the Pediatric Trauma Program!

Pediatric Trauma remains the #1 leading cause of death and injury among children ages 14 and under in the United States. Raise awareness and funds for PTP by making non-slip socks, crafts for local hospitals and partnering up with your Builder’s Club or K-kids for a service project! Did you know that PTP is also 1 of the 3 CNH District Preferred Charities?
