editor's note

HAPPY MARCH CNH!

It's so crazy to think that this is already the last issue I am publishing and that retirement is just around the corner. As we approach DCON, make sure you double and triple check with your club about dress code and itinerary. **I can't wait to see all of you in only 13 days!**

It's bittersweet to think about how this is already almost the end as I wrap up my final tasks. It's been an absolute honor serving as your District News Editor this year. Getting the chance to know all of the UnforgettaBEEES and attending events I wouldn't have otherwise attended: Board Trainings, Kiwanis Trainings, and so much more. For the last time, I wanted to give thanks to some of the most exceptional bees in my life:

To the UnforgettaBEEES, you guys are some of the most driven and intelligent individuals I have ever met. I am so glad I got to know all of you and work alongside you. Thank you for an amazing term. We truly had an unforgettable term with an unforgettable legacy.

To the Communications and Marketing Committee, I have had some of my favorite memories with you all, especially winning Summer Board Olympics. Here's a special shoutout to Lieutenant Governor Yolanda for being the best secretary turned committee

chair ever! You are so hardworking and selfless, but most importantly, you're the best secret santa ever- you deserve the world.

Region 16: Thank you for all of our adventures from me losing my boarding pass right fifteen minutes before our flight to our six hour long car ride together. I won't ever forget and will always cherish the memories and polaroids we've taken together.

Pleasant Grove Key Club: I cannot fathom into words how much I love each and every one of you. You are the reason why I love Key Club and seeing the immense amount of success we've amounted to this year has been the opportunity of a lifetime. I love you all from the bottom of my heart and can't wait to end the term with you.

Last, but certainly not least, Mr. Roberson: thank you, thank you, thank you! As you proofread my last issue, I just wanted to say thank you for everything that you've done for me. You've taught me so much throughout this term and I couldn't have done it without you.

Thank you for reading the last issue of The Bee Times. If you have any further questions, comments, or concerns, please don't hesitate to ask!

Hello CNH Bees! Welcome to the last issue of the Bee Times! In the blink of an eye, we are now at the end of the 2019-2020 term. I hope you all had fun in this past year and learned a lot about and through Key Club! To me, the most important aspect of Key Club is that it is a valuable learning process for all of us. Whether it is staying involved in community service, planning events and fundraisers, or interacting with the Kiwanis family, there are so many opportunities to learn and grow. Most importantly, I hope you had fun doing it! As we approach the end of the term, please be sure to stay involved when the next term arrives. Many clubs and divisions are planning their banquets, new DCM and service project ideas, and even summer opportunities. Many new exciting things are coming your way, so please stay tuned! For those of you who are attending District Convention, I hope you are ready for an emotional rollercoaster ride! From the Friday night arrival, Saturday morning elections, and all

Hello Bees! There's only one month left until we have to say our final goodbyes to each other at District Convention 2020 in Reno. I before the term ends, I would like to thank you from the bottom of my heart for giving me the opportunity to serve you as your District Treasurer. Words cannot explain how grateful I am for this experience and I would never trade it for anything in the world. As District Convention comes closer, please do your best to ensure that the remaining clubs in the District pay off their dues. There are also many clubs that have gained members but have not paid a second or third round of dues. It's imperative that every member is accounted for in our District. Any clubs that do not pay by October 2020 will be marked as inactive or have their charter revoked depending on how long they haven't paid their dues. If your home clubs has still yet to pay, please contact me immediately and I

the celebrations Saturday night, DCON is going to an unforgettable experience. If you missed the deadline, don't worry! There is always next year! This is it for the last message! I wish you all the best of luck, whether it be one more year or a new life in college! It was an honor serving with you all. Thank you for everything that you do!

will guide you through the steps that you need to take too get your club back to good standing. Soon there will be a new generation of leaders that will take our District to new heights. To all the Club Officers and Lieutenant Governors that have been elected, congratulations. Never doubt yourself or your capabilities. There is a reason that you were chosen to serve this amazing district and I believe all of you will succeed next year. Let's stay motivated for one last month and end this term strong bees! I love you all.

Hello CNH Key Club! I can't believe DCON is just a few weeks away! I can't wait to meet all of you and celebrate all of the amazing work your district has done this service year. Recently, the International Board was in San Francisco, California, at our International Board meeting. We caught up with our committees, worked on the next 4 year strategic plan, and most importantly, worked on planning International Convention! ICON is taking place in YOUR district this year! I hope all of you take this chance to go and show international who CNH Key Club is. All members are welcome! Fundraising resources can be found on keyclub.org and an application for an ICON subsidy will be released soon. This subsidy will cover the \$250 registration cost of attending ICON! If you have any questions about what happens at ICON or how you can attend, please let me know! Truly International is an initiative by KCI to be more

inclusive of our international clubs. We will be releasing more materials and a way for you to get involved in Truly International soon, so be on the lookout! Please let me know if you have any questions! I can't wait to see all of you soon!

Dear CNH, Here we are. Welcome to the last month of the term, March! It is such a bittersweet feeling in writing this message to you all, but this is not a goodbye. When you read this message, we are just about less than two weeks until District Convention 2020 in Reno, NV at the Grand Sierra Resort! I hope all of you are just excited as much as I am to CELEBRATE all of the tremendous accomplishments of the CNH District. This month, please take the time to reflect on your term: what things did you well? What could you have done better? What are you most proud of this term? Regardless of what answers you may have to these questions, I am immensely proud of all for going so far and getting to this point in the term. As we have approached our final month into the term, this is also a reminder that all service hours must be accounted for as the District Executives complete figures for our District Goals. To all club

secretaries—this is your final MRF submission so let's end the term with your best MRF submission yet! Looking through MRFs this entire term, it has been a sincere honor seeing clubs improve month by month, service project after service project. Though the term has come to an end, remember that service never stops and that the memories made this term will forever stay with us. It is, again, a bittersweet feeling, but I am forever thankful for being provided the opportunity to serve the best district in Key Club International — It has been an honor serving alongside you all, and I wish you all good luck in your future endeavors. Mahalo for all that you have done this term.

Hi CNH! The term is ending and even though it's bittersweet, I'm happy that my last year in Key Club has been one of the best! If you're an underclassman, take advantage of all the opportunities that Key Club offers because it's worth it! As for upperclassman, cherish your last moments in this amazing organization. Thank you for all that you've done this term and I can't wait to see you all at DCON 2020!

It has been an honor to have been able to serve as your 2019-2020 Member Recognition Chair. I would like to take this time to recognize the passion and dedication to service from each member, club, and advisor. I will be forever grateful to have been able to take part in highlighting this District's amazing accomplishments this term. Thank you to the 2019-2020 Member Recognition Committee for the chance to serve alongside you this term. I have been able to learn so much from every one of you throughout our time together. From our calls, message reminders and many emails, I appreciate and am so proud of all our work together and the memories we share. Also, thank you to the best MR Mentor I could possibly wish for, Mrs. Charlene Masuhara. I hope you know that every call and meeting we have had has helped me so much this year, and you have been a source of inspiration to me. I am so honored that I have been able to work closely with and learn so much from you. From the bottom of my heart, I truly love you all, 2019-2020 Member Rec

Hi Bees, My last two years serving on your district board has been the greatest two years of my life. I've made amazing friends from all over Cali-Nev-Ha; I hope that all of you that participated in Pen Pals can say the same. Thank you, CNH, for being part of my Key Club journey and for being some of the greatest friends I've ever met. I'll never forget what you all have given me.

"What's Poppin' Unforgettabees!!! District Convention 2020 is almost here, and so is our retirement... This term has been nothing but amazing, and I am proud of everyone for working hard serving our home, schools, and communities! I hope all of the content we created has been useful, and thank you for letting me serve as your DVME for the 19-20 term!"

I still remember when I was just a shy and soft-spoken sophomore, sitting in the audience of House of Delegates. I looked up in awe as I watched each District Executive candidate present their speeches. I looked up to them then, inspired by their dedication to this organization and their passion for service. Never would I have ever thought that two years later, I would be on stage with them, hosting the annual House of Delegates that transitions us into the next term. Thank you CNH, for the opportunity of a lifetime to serve as your Policy, International Business, and Elections Chair. The memories that I have created this term are absolutely unparalleled and will last for a long time. I hope to see you all at House of Delegates during District Convention 2020!

WHAT MADE YOU WANT TO STAY IN KEY CLUB?

I wanted to stay in Key Club because It created a more genuine connection between people when compared to the other service organization I had tried to participate in previously which is the most important aspect for me.

WHAT IS YOUR FAVORITE KEY CLUB EXPERIENCE?

My favorite key club experience has been going to events where multiple regions could attend like District Convention, Fall Rally North, but my favorite was actually Region Training Conference because it created a fun outdoor environment where one can sing their heart out!

HOW DO YOU STAY A MOTIVATED AND ACTIVE MEMBER?

I stay motivated by knowing I have people who expect things of me and also by keeping a concise calendar so I can have the satisfaction of filling it out and knowing I have a whole month planned out. It also me know what I need to do and when I need to do it.

AS AN OFFICER, WHAT IS YOUR BIGGEST CHALLENGE?

The most challenging part of holding an officer position was keeping up my motivation as well as my officers' motivation because burnout is one of the biggest challenges for any officer board.

UNICEF: URGENT FUNDING NEEDS TO FIGHT MNT

The fight against maternal and neonatal tetanus remains as vital as ever. Every day, babies are dying from a painful disease that has been preventable since the 1940s. Since Kiwanis International joined UNICEF in 2011, MNT has been eliminated in 27 countries, but mothers and babies in 12 of the poorest and hardest to reach countries in the world remain at risk. These countries urgently need funding and support from Kiwanis and UNICEF to carry out immunization activities. With appropriate funding, UNICEF will reach more than 15.5 million women of reproductive age.

THE FOLLOWING COUNTRIES STILL NEED OUR HELP!!

**DIVISION 35 EAST | DIAMOND BAR
KEY CLUB | LEWIS WANG**

On January 11th, Diamond Bar Key Club and our division worked side-by-side to pick up trash along the streets of Hacienda Heights for the cleanliness of our environment. Groups of three to five volunteers carried large trash bags and trash grabbers. The trash was properly disposed of instead of floating around our community and eventually residing in our oceans. Trash of all sizes, ranging from cigarette butts to large pieces of metal, was collected. Although it was a tedious task, I had fun serving our community and the residents of Hacienda Heights can see our work's positive impact. I met many Kiwanians and even socialized with Key Clubbers from D35W! This Saturday morning was well spent and being able to benefit our community brought me so much satisfaction.

VDCM VALENTINE'S DAY CARD MAKING

On December 28th, 2019, Yucaipa Key Club participated in decorating/preparing for the annual Rose Float Parade that happens every New Year. Members were to meet at the school at 6am to get on the bus, provided by their Kiwanis Club, and did not come back until 5pm. While we were with Phoenix Decorating Company in Irwindale to help with the Pasadena Rose Float Parade, we met many other Key Clubbers from different divisions and got a lot of hours for community service. The work was divided up throughout all of the divisions and Key Clubbers were there to do anything that the organizations needed help with. Some members cleaned, physically worked on a float, or did work to prepare for the flowers, for example, filling

ROSE FLOAT DECORATING

vials with water for the roses, which is what most Key Clubbers did. Yucaipa had 17 members go along with D36E's LTG, Elaine Wijaya. Key Club International posted, "FUN FACT: Kiwanis offers more volunteers for the parade than any other organization. About 7,000 people come from all over North America, contributing more than 56,000 service hours to prepare 9 floats and serve meals to other volunteers."
