THE BEE TIMES

THE OFFICIAL CNH DISTRICT NEWSLETTER

april

HEY CNH,

Did you think that you had seen the last of me? Me too. I know that I said March was my last issue, but I promise that this one is truly the end.

With the abrupt cancellation of DCON, this past month has been hectic as we tried to organize elections and awards. Thank you all for your patience.

I'm incredibly sorry that you all didn't get to experience DCON 2020. With that being said, as of April 1st, we have officially retired! Thank you to each and every officer for all your hard work. Newly installed officers, congratulations! Welcome to your term. I hope that everything goes well and that you achieve all the goals you set for yourself and your term.

Anyways, THANK YOU CNH! Thank you for letting me serve you as DNE. This has been one of the greatest learning experiences of my life. I've grown so much throughout this term and I won't ever forget my time in Key Club. You all truly made it my highlight of high school. Thank you.

So for the last time ever, I hope that you enjoy this issue and thank you for reading *The Bee Times*. I'm excited to see what the next DNE brings to the table!

FROM YOUR GOVERNOR

hello cnhs

Due to unforeseen circumstances, we have another issue of the Bee Times! I hope you are not too discouraged by the cancellation of DCON and the situation with COVID-19. At this time, please stay home, stay safe, and practice social distancing! There is nothing more important than your health and the health of your loved ones. I know it may be disheartening to be stuck home, not being able to attend events like DCMs, service events, and social gatherings, but please be aware that this situation will pass eventually, and Key Club will resume in the way that it's been. The biggest help you can contribute right now is to not go anywhere! If you are an officer, you may be confused as to what is happening with your Lieutenant Governors and your term. Please know that we are

working as hard as possible to get the new board to be transitioned. Please only trust information that are coming from your Lieutenant Governors or LTG elects! If you have any questions, comments, or concerns, please feel free to contact me! Thank you, and stay safe.

FROM YOUR TREASURER

greetings cnh

Are you all holding up well? We are in our final weeks of the term... I never thought I would last this long. All of the District Board are working hard to ensure that you all get the recognition that you deserve. I'm extremely saddened by the fact that I'll never see many of you in person again. I really wished that we could've spent our final minutes together, but I guess fate didn't want that for us. Together we have raised over \$264,000 for the Pediatric Trauma Program. We would've never made it without your hard work. Thank you for your continuous efforts throughout the term. I'm really glad that I am able to say that we made CNH history. Though I will be gone last year, I would like to ask you all to assist the next District Treasurer in surpassing our PTP fundraising goals yet again. I know many of us are stuck at home at this time, but please remember that you are not alone. Though we are miles away, the CNH

family will never grow apart. Before the term comes to a close, be sure to thank your advisors, officers, lieutenant governors and any other individuals that have played a role in your Key Club journey. In these times, it's imperative that we stay strong together. As the term comes to a close, I would like to thank you for trusting me to serve as your District Treasurer. Words cannot describe how meaningful this experience was to me. I really do truly love you CNH. I wish you the best in your future endeavors.

FROM YOUR SECRETARY

happy service, cnh!

Though our term has been extended, and District Convention 2020 was cancelled due to COVID-19, I would like to thank you all for your continuous understanding as we undergo these transitions. It was a wonderful service-filled term in which you all have served your community at the greatest standard, I must say! Remember that amongst the hardship and adversities we have all gone through, service will always be there no matter what time of the day. I would like to thank you all for your progression in meeting our district goals: 1.1 million hours of service, \$260,000 raised for the Pediatric Trauma Program, and 41,500 members. While the numbers may be overwhelming, we have all managed to progress through them with confidence! I am proud to report that as of the March 10th Division Monthly Report Form submission, after receiving new

service hour information this past month, the CNH has served a total of 907,649.22 service hours—this number is outstanding! In the 2018-19, CNH served 903,962.34 hours, which means we have increased the number of service hours from last year. Congratulations on this accomplishment! Congratulations on an increase in Distinguished and Diamond Distinguished Clubs this term. Thank you all for a very memorable and unforgettable term, all. Though current conditions may not be so positive, I want to instill a sense of optimism in you all—things will get better soon. Stay home, get well, and think of the great memories we have all made. I love you all.

FROM YOUR INTERNATIONAL TRUSTEE

hello bees

Hello Key Clubbers! I hope all is well through this trying time. I know that many of our schools have moved to online for the next few weeks and important events have been cancelled, including DCON, because of COVID-19. It is easy to lose motivation because of this- but remember that COVID-19 cannot stop our drive for service and it cannot stop us from helping others. Depending on the state of lockdown in your area, here are some service project ideas:

- Write emails to your advisers thanking them for all that they do
- Send kind and encouraging messages to your friends
- Help around your house with chores you don't normally do

- Bake one of your family member's favorite treat for them
- Create graphics about a cause you care about and share them online
- Hold an online fundraiser

Don't forget that this is also a great time to take care of YOU. Catch up on rest, do a face mask, deep clean of your room, delete old files off your computer and phone, start a bullet journal, or read a book! Refresh and rejuvenate so we can go back more ready than ever to serve our schools and communities. Please let me know if you have any questions by emailing me at indigo.parlin@keyclub.org.

CM CHAIR YOLANDA MAI

What's Stomping Redbulls! Thank you an amazing term, I'm truly going to miss all of you. Thank you for welcoming me into your clubs not as just an "LTG" but also as a friend (and mom). I know that each and every one of you will continue to go on to do great things whether it's in Key Club or college or whatever it is you do next year! Hope to see you all again! <3 mama redbull y-o-d-i. CNH Key Club. It's been a journey serving beside you all. Thank you for giving me this opportunity to grow both in servitude and leadership. I've had an absolute blast getting to know people from all over the district! Love and miss you all! Being in Key Club, it's pretty easy to feel lost in the sea of amazing people. Everywhere I see there's people doing crazy good things and I felt pretty disappointed in myself this term. However, the all-nighters and long budgets were all worth it when a member would tell me that the DCM was really fun or when I see the new social media branding on the district instagram. So go and tell someone that you appreciate them, that they made you feel welcome or that they inspired you. I'm sure it will make their term no matter how burnt out they feel!

D30N LTG YENA SUH

To the dearest rhinos: Thank you for hooking me into Key Club with your horn and keeping me hooked throughout my three years. Whether it was the first DCM I attended as a member or the last DCM I planned as LTG, each one was made special from the people I was surrounded by. I hope this past term was as incredible for you as it was for me. Everything from record-breaking attendance at DCMs to the highest amount fundraised for the Pediatric Trauma Program in Division 30 North history. I can not wait to witness the next achievements Amy will bring with the next term. Keep charging into service, rhinos! To the best buzzin' CNH bees: While we weren't able to meet again and say our last goodbyes at District Convention, I hope you were all able to bond with other CNH bees about the cancellation. Whether it be by building the Grand Sierra Resort in Minecraft or creating multiple Discord channels as a makeshift DCON, I truly saw the devotion and camaraderie without our membership. To the Unforgettabees, I'm more than grateful to have had the opportunity to work and bond with you all for the past year. Some people will never understand how you become so close to the people you only see 5 times a year, but for us it was always easy. I love you all! During this past term, one of the best gifts Key Club gave me was the opportunity to meet Ali Al-Saleem, my counterpart, and the sunniest LTG in all of CNH. We had barely met at Candidate Training Conference, but we were still the closest CPs by DCON 2019. Thank you for always being there for me throughout this term and I simply don't know what I'll do when you go to college! Thank you to my Division Leadership Team for always being there for me at every division event and helping us reach our division goals. You

D30N LTG YENA SUH

always provided the best ideas and insight to me! Thank you for being with me since Day 1! Thank to Rainbow Region 3 for being my first home and family. We went through everything together from being elected at Conclave, getting pied in the face at Beach Boomba, and of course having an installment ceremony for our elects after DCON was cancelled. Lastly, thank you to District Executives Chuofan, Kristie, and Lawrence for being the people I looked up to and helping me through all the questions I had during the term. I remember taking pictures with all of you at DCON 2019 and I always wanted to recreate those pictures... I hope we still have a last opportunity to do that!

D28N JERYL SARTE

Aloha Phoenixes! It has been a long term with all of you, and I cannot thank you enough for all that you have offered me. From the very start, you have all given me tremendous support and have constantly cheered me on. All the support has driven me to serve to the best of my ability. I hope that all of you enjoyed the 2019-2020 term, and I hope that we made some memories together. Know that all of you have made a special impact on my life and I will never forget the experience of serving as Lt. Governor for Division 28 North. I am positive that there will be nothing but success in the future! I have no doubt that Jaden will lead all of you to new heights with his amazing platform. Once a phoenix, always a phoenix! With a Burning Passion (for the last time), Jeryl Sarte CNH, words cannot describe how thankful I am for the opportunity to serve with all of you. I never thought that I would make it this far in my life, but you have all shown me that anything is possible. From rooming with some of you at DCON 2019, to seeing each other for the last time at Winter Board, we have all made such memorable memories together. I wish that we were able to see each other at DCON 2020, but with the current circumstances, it was not possible. Despite DCON being cancelled, I really hope that we all get to see each other again. Whether it be in the near future or later on in life, I would love to keep up with all of you. After all, we really made this term UNFORGETTABLE! Thank you again for offering me so many new opportunities and experiences CNH. I don't know where I would be without all of you. As they say, it is never a goodbye, but rather a see you later. Throughout the 2019-2020 term, I have gained so many skills as well as friends. I was always a very quiet and soft spoken person, but being Lt. Governor completely changed that. By being Lt. Governor, I learned to become a leader and set the example for my division. I learned to speak loudly and confidently, while staying inclusive. I also learned to manage my time well because of my Region Advisor. She taught us to always be early and it has become my top priorities in my everyday life. Along with time management, I also learned how to take charge when needed. There will always be the few people that do not follow rules, so I learned to take initiative whenever I saw something out of place. Whether it be a member being non-safekey or someone being out of dress-code, these are things that I have to correct. As for friends, I have made several throughout my journey. All of the friends I made through Key Club have been the most cheerful and positive people I have met my entire life. They are joyous and spirited, which keeps me in a good mood. Even though some of us live in different states, we always manage to keep that tight bond. I am forever thankful for all that Key Club has offered me, and I will never forget the experience of being together with such an amazing club.

Committee Goodbyes

What's Buzzin' CNH!

As sad as it was to hear that DCON was cancelled after I put my all into planning it, I learned that things can only look up from here, but it took me awhile (many tears), knowing numerous members were affected too.

Nonetheless, thank you to every officer who did the best of their ability to promote this event, because we would've had more than expected number of attendees: 1.8k!

Thank you CNH Key Club for allowing me to serve as your 2019-20 District Convention Chair, and giving me an experience of a lifetime. The people I've met throughout these 4 years have been my greatest support system, and I wouldn't trade it for the world. Also, I love my dcon committee very much <3

Time to fly up, up & away now!

Michelle Le, DCON Chair

CNH,
My four years with you cannot compare to anything I have done in my life so far. I can happily say this experience has humbled me as a person. The differences I made and people I got the privilege to meet will remain in my heart forever. Thank you for everything!

Howling with Service,

Kennedy Perry, D47 LTG

What's Waddlin' CNH!

First and foremost, thank you to everyone for your endless support this past term. Serving as Lieutenant Governor in the Cal-Nev-Ha District has been a surreal experience, something I will never forget. Thank you to every member, officer, advisor, and District Board member for allowing my last year in Key Club to truly be amazing. Each opportunity has been another challenge but also another fear conquered. To my Pirate Penguins, I wish nothing but the best for each of you. Hearing my name cheered at the Golden Bear Theater will always echo in my brightest collection of memories. To Michelle and the District Convention Committee, our efforts have definitely not gone unnoticed. I am honored to have served alongside a group of amazing student leaders. I hate to say our term did not end as expected, but our adventure still awaits for us somewhere. Thank you Bees. Thank you Pirate Penguins. Thank you.

Andrew Yang, SAA Coordinator & D19N LTG

Dear CNH,

This year we have soared to new heights and all of it was achieved with the hard work of everyone in this amazing district. Thank you for serving to the best of your abilities, and providing a family for those new or unaccustomed to high school. You've truly made this term an UnforgetabEE term!

Sizzling with service,

Ivan Yau, D26N LTG

Committee Goodbyes

Aloha CNH!

I can't thank everyone enough for all the hard work and dedication you've put in throughout the term. I'm extremely thankful for all the planning each committee has put in for our District Convention I'm sure it would of been amazing. I'm very sad that it had to be canceled but I hope everyone stays healthy during this time! I wish I could of met all the different Regions and say goodbye with the rest of the seniors but I guess it's not meant to be :(I wish we could have another year together but as our term closes I just want to say thank you everyone for the best term of my life. It has been a term full of laughs, stress, tears, mistakes, but most of all growth. I probably won't be able to see anyone since I do live in Hawaii but I hope we all cross paths one day and get to say goodbye in person. Thank you and good luck to everyone in the next term :)

Racquel Kuge, D22H LTG

Hey CNH~

I hope you are all doing okay! It's been a rough term this year, but we made it to the end. Although we were not able to celebrate or see each other one last time at DCON, I am very thankful for the memories that we were able to make along the way. Look at all of our district goals that we achieved this year, I'm so proud of each and every one of you! It was an honor being able to serve you CNH. Thank you for all the unforgettable memories and for the friendships that'll last a life time. Saying goodbye is probably one of the hardest things anyone will have to do in life, so I'll simply leave this term with a see you later! Would you look at that CNH, we made it! <3

Always Serving,

Rachel Kwon, D03N LTG

CNH,

Thank you for being one of the best parts of my high school career. You gave me unforgettable friends and memories I will carry with me for years to come. Thank you for giving me the opportunity to serve you. To the mighty supertroopers I serve: there are many things I would have done better given the chance, but thanks to your overwhelming support and love, I am reassured that my efforts were enough. I don't know what I did to deserve a family like the CNH district, but I will always cherish the family I know I can lean on. Whether it be a compliment to my spirit stick at FRN, a friendly facetime call to talk for hours about things in and out of Key Club, or help cleaning up after a DCM, or a difficult lesson learned, I am eternally grateful for people who have made an impact on me through this organization. As my time in Key Club comes to an end, I know that I am passing on the torch to an very deserving and diligent new generation of bees. Thank you, CNH.

Brittany Pangaliman, D12W LTG

Blub blub CNH,

Thank you for truly being the best District to serve and work alongside, never have I ever had the amazing opportunity of being a part of such an amazing group of servant leaders. Sticking together for 4 years, it really is difficult saying goodbye, yet here we are. I will forever remember all of your passionate acts of service, thunderous cheers of spirit, and open arms for friendship. Always remember the impact that YOU leave on your homes, schools, and communities, and know that you are KOItastic! It has been quite the ride, especially this term, and I thank you all for being strong and optimistic.

Thank you CNH <3

After having served eight years as Region Advisor, I am sad to give a heartfelt goodbye to the CNH Key Club Board. Over the years I have been inspired by the brilliance of youth, the innovation of new ideas, and an invigorated hope that the future will be in the hands of good, able-minded, and talented new generations of young people. Thank you for giving me the time that I had to serve and be an advisor, mentor, and role model. Thank you to my fellow Kiwanians on the board with whom I have shared so many meaningful conversations, beloved stories of the antics of the youth we serve, and hearty, tearful laughter. I will continue to see you at District events and may the laughter and passion to serve continue ever on.

*Geoff Tobias,
Key Club Region 1 Advisor*

Hey there CNH! It has been an honor serving as your Kiwanis Family and Foundation Chair for the 2019-2020 term. Thank you for all the everlasting memories and friendships I have made along the way. I wouldn't be the person I am today without your support.

Thank you for making my years in Key Club truly unforgettable. I hope to see you all in the future!

Thank you for letting me serve in the CNHKC District Board 2019-2020 term. It really was an honor to serve as LTG and it was a great run. Love y'all <3

*Sneaking to Service,
Kiara Tatsuno
Division 10 North
Lt. Governor*

Hello, my name is Christy Wong and I proudly had the opportunity to serve Division 2 South Lavender Llamas for the 2019-2020 term. Wow that may be the last time, I can say that...Thank you everyone for making my last term of Key Club unforgettable: District Board members, my Division Leadership Team, and members of the Division. I never knew that joining my high school's Key Club would have allowed me to meet so many people and to grow into the person I am today. It was not a mistake that my older sister dragged me into this community service organization that was like no other. Through this family, I have realized what it means to be a leader and a friend to all. I hope your experience was and will be the same. Let's end the term exactly how we started, with a SMILE.

*See you soon,
Christy Wong
Division 2 South Lt. Governor*

I don't believe that a simple paragraph couldn't truly encapsulate the experiences, lessons, and blessings received throughout my time in Key Club. No words can grasp the full scope of the love that I have for this club - the club that built my character, taught me how to become a leader, taught me to care about other people and the world, and helped me feel included. Such are the four core values of Key Club - core values that I have been taught, and will continue to teach as a servant leader. I became a servant leader four years ago when I joined this club, and I do not intend to let it end with my high school career. My role as a servant leader may have begun with Key Club, but it will extend past that, past the Kiwanis family - it has and of my life. This club has given me many lessons I've learned, and the person that I've become across the world, and I am proud to say that goodbye paragraph filled with bittersweet just one filled with gratitude. A million thank my life in ways you probably will never know of. Thank you for all of the memories, I hope to see you again someday. Aloha, CNH.

will continue to permeate my being for the rest of my life. I am one of those children. This is not an emotion about the cancellations of events - you's to all of you in CNH who have impacted

*Swimming into Service,
Caden Hise
Division 4 East Lt. Governor*

I had just begun life itself
when I joined Key Club
It's been hard along the way
But I had friends with big hearts
with big parts in my life
They made me want to strive for more
Thank you to all the wonderful people
with lots of colorful imaginations
You won't feel blue
because you grew once
I thought love was taught for fun
But then I found Key Club

In the end
I will always adore all the doors
that led me to all of you
I dread goodbyes
So now I apply what someone once said
"Goodbyes are not forever nor the end
it simply means
I'll miss you until we meet again"
so to all of you
I wish you luck

Thank you for everything Key Club. Thank you for giving me a place to call my second family. Thank you for all the memories. Thank you for every moment I've been able to serve. I'll never forget you! Shoutout to Division 15 North & UHS KC!!

*Changing the World,

Division 15 North Lt. Governor*

Thank you CNH Key Club for all the wonderful opportunities and moments you have given me. If I hadn't joined this organization, I wouldn't have been able to meet a lot of amazing people like the district board, Kiwanians, and so much many other people. Thank you for inspiring me and giving me the chance to inspire and lead other people. It was you who made me understand the true meaning of your four core values: leadership, character building, caring, and inclusiveness. Thank you.

Hello CNH Bees! Saying goodbye is not easy, especially when you have to say it to people that you have grown so close to over the past 12 months. I am extremely grateful to have experience this past year with you all and to have shared many moments that will last a lifetime. It also means a lot

to me to have been able to be part of the largest district and to have served on the Kiwanis Family Foundation Committee. All I can say is thank you. Thank you to Division 24/29 for allowing me to serve as your Lt. Governor. It was a wonderful and unforgettable year and I hope you all made the best of it! Goodbye CNH Bees!

*Leaping through Service,
Belen Zacarias Hernandez
Division 24/29 Lt. Governor*

Dear Key Club, Being in this organization for the past 4 years have been a wildcard. There were times where I didn't know what to expect and created unforgettable memories with unforgettable people. Every moment has brought me happiness and hope in our world. Because of you, I have been able to build everlasting relationships and make an impact to those surrounding me. Thank you for making me the person I am today, Thank you for introducing me to my second family, Division 43 Tigers, and Thank you for everything I have experienced in all these years. I will miss having Key Club be a part of my journey.

*Rawr-ing with
Love & Service,
Alizandra Mompar
Division 43 Lt. Governor*

What a journey it was, now seeing all of us here. I will keep this short and sweet as I don't believe this goodbye means forever! Throughout my years of Key Club, I always understood how important service was to the organization and that students like us were one of many motors in keeping it running. However, as I look around, I felt like I didn't quite belong. In the beginning, I didn't understand why people dressed up for Fall Rally North, how they can get so excited, why everything they posted revolved around Key Club, etc. As years passed by, I slowly saw everything the organization could offer and I wouldn't have been more grateful. The biggest regret I have was taking everything for granted. As lieutenant governor, I saw that it wasn't the organization that made it so incredible, it was the people. With my role, I personally witnessed the environment I created where everyone came together, talked about something other than school, socialize and help release pressure from the stress of each other's daily lives. It created something beautiful. It creates unbreakable bonds and infinite smiles that makes me finally realize why Key Club means so much to people.... And why it

means so much to me. This won't be the last of me and this won't be the last of you. Even though the ending of our term was robbed, that doesn't define us. Everything you learned counts toward something. Everyone you met brings more experience. Everything you did adds to YOUR story. Don't let an unchangeable event bring you down. After seeing the potential of this organization, I know how far these individuals will make it in life and I couldn't have been more proud to be a supportive factor to their future success and impact on the world. I'm sure we'll cross paths again, one day!

*Delighted to Serve,
May Lin
Division 44 North Lt. Governor*

Dear CNH, thank you for giving me so many opportunities to meet new people. Thank you for allowing me to create new friends and experiences. I am also forever grateful for my region 1 and 2 family. Thank you for giving me the chance to serve you all, alongside Jane, Yolanda, Hafsa, Antony, Nikki, and Lana. I would just like you all to know, that given my circumstances, I tried my best to help you all accomplish our goals, and for that, I am forever grateful.

*Serving with Spirit,
Prince Geof Gimarino
Divison 37 North Lt. Governor*

The time has come to say not only goodbye, but to reflect on this year and our experiences. For many, Key Club has been the lucky charm amidst hardships and successes, but the family that we have built is what flies higher than any organization. Our Kiwanis Family has shaped my term as a Lt. Governor into one that merits an Unforgetable legacy, and it reminds me every day of how grateful and thankful we should be for the unthanked supporters in our life. Soon I will no longer be the D42E LTG, a member of the CNH KFF Committee, and a DB member, but to all of you reading this, your K-Family, your IPs, and your role models are the foundation on which you will thrive, explore, and inspire.

*Bee-lieving in Service & You,
Sasha Avakyan
Division 42 East Lt. Governor*

*Thanks to everyone in the KFF committee
for your hard work!*

MDE: A Final Message

What a year!

Our district has been through a lot for the past month, and we haven't had the end to this Key Club term that we were all wishing for. But even then, we shouldn't forget the strides that we've made as a district! We've broken records for service hours per member and funds raised per member, and we've all found new and innovative ways to bring Key Club directly to prospective members.

CNH Key Clubbers, the MDE committee asks that you do one thing: keep doing what you're doing. We're seeing what you're doing to advertise on social media: we see your Tik Toks, we see your IG TVs, we see your YouTube videos. **Keep doing it.** The goal of the MDE committee this year was to make Key Club more accessible to members, and your efforts this year have done exactly that. So keep on having fun, and keep on producing content that benefits our district.

With that said, we sadly have to say farewell. We've had a good few months together, CNH, and over those months, our committee has produced lots of materials that can be put to use next year. We've made 20+ new PowerPoints that have more pictures than text and 10+ new educational videos.

But what I'm most proud about are the 2000+ pen pals that have made bonds of friendship over this year. If you've signed up for the pen pal program this year, thank you. Thank you for participating in something that binds us together throughout the seemingly-impermeable barriers of state borders (and the Pacific Ocean). I hope that you're still talking to your Pen Pals, and if not, I hope that you use this message as inspiration to talk to them again. Because while our Key Club story this year might have come to a disappointing end, the story you can make with your pen pal is only beginning. I still talk to mine from my freshman year, and I'm graduating now! Hopefully you can share the same kind of story with your Pen Pal. If you do, feel free to let me know: I'd love to hear it.

Until next time, CNH.

Member Recognition Committee
2019 - 2020

chair message

Hello CNH Bees!

Unfortunately, the Recognition Session was not able to be hosted at District Convention 2020. However, I encourage you all to recognize the amazing people in your divisions and support them through this difficult time. A little love goes a long way to remind someone that their work is appreciated!

Ideas for recognition!

- Making cards for your Kiwanis and Faculty Advisors, and local Kiwanis Club
- Send thankful messages to officers and members
- Club recognition certificates! (Ex. most service hours, most spirited, most friendly, most outgoing, and more!)
- Send email to advisors thanking them for all they have done
- Create infographics supporting causes you care about
- Make gifts to give when we're out of quarantine
- Collect appreciative video messages into a video for someone you want to recognize
- Create a video recognizing members and officers to share on social media

2019 – 2020 Member
Recognition Chair

Queenie Lan

It has been an honor to have been able to serve as your 2019-2020 Member Recognition Chair. I would like to take this time to recognize the passion and dedication to service from each member, club, and advisor. I will be forever grateful to have been able to take part in highlighting this District's amazing accomplishments this term.

Although we were not able to host the recognition session at District Convention 2020, I encourage you to reach out to your officers, members, and advisors to thank them for all they have done this term! Please remember to stay safe and wash your hands!

For the last time hello CNH. Serving you as Lieutenant Governor has been my greatest adventure yet. I have met so many dedicated officers and members who deserve all the recognition in the world for what they do for their homes, schools, and communities. Thank you for giving me so many friends, memories, and life lessons. It's so hard to say goodbye, but I'll always remember you.

HI-YA CNH! Being able to serve on the Member Recognition has been such an amazing experience as I was able to work alongside so many passionate and amazing individuals. Despite any difficulty we have faced in the past months, you all have proven to be resilient and embody the true characteristics of what it means to be a Key Clubber. Much love to you all!

13S Lt. Governor

Hello CNH!
This term has been definitely unique and the best time of my life. I really appreciate all of the little moments I spent with you all. However, it's my time to say goodbye as the term comes to end. Next term will be a new beginning for you all, and I can't wait to see new leaders!
This isn't a goodbye, but a see you later!

Aloha CNH! As the term comes to an end, it was a great honor to recognize all of you in this committee. Until next time, I'd like to give a big thanks to all of you for your hardwork!

22 Komohana Lt. Governor

Dear CNH, it has been the greatest honor of my life serving you, unforgettable bees, as a part of the Member Recognition committee! To division 30 south, thank you! Thank you for showing me the light regardless of all the times I've let you down. To the NewBEES & every returning Key Clubbers, bee sure to make the most out of your term because it'll be gone before you know it!

27N Lt. Governor

Hello CNH! It has been an honor serving you on the Member Recognitions Committee. I hope that we were able to properly serve you in providing these resources for recognition. I am also sincerely sorry for DCON being cancelled and many of you not being recognized but I hope you know that all of you did an amazing this term! Thank you for everything CNH!

Forever shining with service,
30S Lt. Governor

Hey, CNH!
What a term! I'm so sorry we didn't get to celebrate the end of the term together at DCON together, but that doesn't mean all of our hard work this year has gone to waste! Serving on MR was incredibly rewarding, and I just have to say thank YOU! Your dedication makes leading a division easy, thank you for everything!

SIGNING OUT

Message from the Chair

It has been a great honor to serve on the District Leadership Team this past 2019-2020 term. The Cali-Nev-Ha District has been a family to me all four years of being in this organization. Thank you to the Execs for entrusting me as Service Projects Chair. Thank you to the entire CNH District Board for the support and friendships. Lastly, thank you to all the members for pouring your hearts and passion into service. My love for Key Club has been rooted in the service to our communities. It has been my greatest pleasure to watch all of you participate in this humbling and life-changing experience.

Buzzin' with Spirit in Service,
Melissa Cabana
