CNH District Newsletter
A word from the NEWS EDITOR

Hello, CNH Bees!

You’ve just celebrated the ringing in of the new year, but in three month’s time, you’ll also be celebrating the beginning of a whole new Key Club year. District Convention and everything leading up to it—club elections, your local Conclave, and the transitioning of newly-elected appointed officers—will be a whirlwind of change. Three months allows time for so many opportunities; you can choose to grow so much within that time.

One thing remains constant—reaffirmed and reinvigorated, in fact: You’re going to keep on caring. You’re going to keep living out the meaning of service, and you’re going to continue expanding your own definition of leadership when others might not even try.

Whether it’s your first or last year (or something in between) in Key Club, there’s no reason not to try; you have every reason to embrace each opportunity that comes your way in the new year. You know what they say: new year, new you. It’s up to you to set those SMART goals of your own, to write down those action steps in aiming to achieve your resolutions, and to decide for yourself how you’ll be like as a person by year’s end. How will you make 2015 yours?

Buzzing in Service,
Kevin Chu
District News Editor
Governor

Hello CNH Bees!

Happy New Year! I hope you’ve had a wonderful 2014 and are ready to take on 2015. I hope you will reflect upon what you’ve learned this past year to use in 2015. When making your resolutions, remember that taking small steps is KEY to achieving what you want. Set benchmarks for yourself; make an action plan to follow. The same goes for your club and what you’d like to pursue in 2015. Talk to your club officers about your ideas that can be inspiration for change. Besides, a little change is always good to keep things fresh and interesting.

Do you still remember our District Goals? I have high hopes the goals you and I have set WILL be met. We will CELEBRATE! Service – 5 projects a month; Leadership – Every member is a leader; and Family – save 5 lives from MNT by District Convention. This year’s convention is like no other. If you looked closely at last month’s DCON edition of the newsletter, you will find subtle changes here and there. Of course, your dues-paid club can participate in this exciting event; register by the January 15th on-time registration deadline! That’s the same deadline for contests. BEE sure you aren’t late! I surely wouldn’t want you to miss out on some of the highlights of our terms.

We’ve already accomplished so much as a district. We’re always serving regardless if school is in session or not. We bees have surpassed previous donations to the CNH Kiwanis Foundation’s Pediatric Trauma Program, many have taken the opportunity to attend their local training conferences to better lead and serve their clubs, and our district continues to raise awareness and funds for The Eliminate Project. CNH Bees, it has been a blessing to serve all of you this year!

Jacqueline Tsang
District Governor

Secretary

Happy New Year, CNH!

What does the start of 2015 mean to you? To me, it means a fresh start filled with new opportunities. We only have a few more months left of the 2014–2015 term; let’s make the most of it. What goals have yet to be completed? What else do you want to accomplish that you haven’t gotten around to? What are some new goals/resolutions you want to set for yourself?

Have you registered for District Convention yet? If not, BEE sure to do so soon because the deadline is nearing very quickly! Speaking of deadlines, applications for recognition are due soon, as well! Even if you don’t plan to attend District Convention to accept your awards, I still highly encourage you to apply. A representative from your home club or home division may accept the award on your behalf and bring it back to you after District Convention. If you feel like you’ve worked really hard this term, make sure to take a look at the contests and recognition pages on the CNH CyberKey to make sure you get recognized for all that you’ve done for the CNH District!

January also marks the beginning of elections that will be taking place in your home clubs and home divisions. While it may be stressful, think of elections season as an opportunity for other members to BEE-come leaders. If you’re an officer, don’t be sad! It is a little bittersweet, but your legacy is simply being continued by another individual, much like the handing-off of the baton in a never-ending relay race. Your term is unique and uncomparable to anyone else’s, so don’t worry. However, BEE sure to be a proper transition resource for your successor!

Stay golden, CNH.
Cecilia Li
District Secretary
Executive Messages

Treasurer

Aloha, CNH Bees!

Happy holidays, and happy new year! The fresh new calendar brings us countless opportunities to start the year off fresh and open to new opportunities and beginnings. For our district, it is the beginning of an important season: transition.

Elections are beginning to sprout around; I highly encourage anyone and everyone to take a risk to serve others. Running for office is such an eye-opening experience and will definitely be rewarding, no matter the outcome. Whether you win or lose, it’s not about the result; it’s about the work you did to get there!

In the end, we are all Key Club leaders, and it is important to remind others that a leadership title does not necessarily signify higher importance, just additional responsibilities that they want to uphold. Individual members make the difference: each Key Clubber is a leader. Clubs ought to hold their club elections as soon as possible so newly-elected club officers can receive insightful training from Convention workshops and have enough time to plan for attending Convention. The earlier the election, the more time each officer has to transition! Training officers gives them the opportunity to ease into their duties and responsibilities rather than rushing into it.

DCON is not just for officers! It is a chance for CNH to come together to CELEBRATE the amazing term we are currently serving. This is a once-in-a-while experience; if you have not registered yet, do so immediately! You will have the wondrous chance to meet people from three different states and experience for yourself what it means to be a CNH Bee.

Darin Ngo
District Treasurer

Message from your TRUSTEE

Hello California-Nevada-Hawaii BEEs!

Happy Holidays and New Year! I hope you smile as you look back on your accomplishments; 2014 was one of the best years for Key Club International. First, recruitment was excellent this year with membership growing from about 250,000 to 270,000. Second, we became more International when we announced China as the newest nation in September. Now, Key Club is officially in 33 countries. Third, this year, we received more than 120 Youth Opportunities Fund grant applications—a new record! In total, the YOF committee awarded more than $47,000 to help clubs better their schools, communities, and the world. While those are great highlights from the year that is definitely not all; read more at keyclub.org.

There is much more to come for Key Club International in 2015. Key Club is celebrating its 90th birthday while Kiwanis is celebrating its 100th birthday!

Key Club International Convention will join with the Kiwanis and Circle K Conventions to celebrate our birthdays and the final stretch of The Eliminate Project. By Convention in June, Kiwanis and UNICEF will have raised or pledged 110 million dollars for the Project.

The Key Club International Board will travel to Detroit to celebrate the Kiwanis 100 Year. If we raise $80,000—1.6 million lives—by December 31st, all of us on International Board will kiss an octopus.

Thank you for all that we’ve accomplished in 2014 and for continuing to serve in 2015!

Your teammate in service,

Jenalee Beazley

New Year’s Resolutions

What are your goals for 2015?

- An example of a potential resolution could be “I will run for president of my home club.”
- A goal should be in regards to time. Set a deadline. Have your goal completed by the end of the year.
- A goal should be specific. Instead of “I want to be a better member,” choose a specific area in which to improve, such as service.
- A goal should be realistic. Do not set a goal of 5,000 service hours in one year. This is unrealistic and not attainable. Probably.
- A goal should be measurable. Instead of “I want to do more service,” set a quantity of how many hours you want to complete.
- A goal should be achievable. You should set a goal that has actual obtainable results.

It is good to set a resolution. It motivates you and propels you to do greatness.

“Celebrate Service, Leadership, and Family” in 2015!

Balloons for Children
Gwen Atherton | Division 18 East | El Diamante

Key Clubbers from El Diamante High School gathered at the Visalia Candy Cane Lane Parade to pass out balloons to children. Key Clubbers worked with their sponsoring Kiwanis club to make the event possible.

The Candy Cane Lane Parade is an annual event put on by the city of Visalia, in which the community gathers to watch the parade and kick off the holiday season. Key Clubbers and Kiwanians met before the parade to blow up balloons—2,000 of them! When the room was filled with helium balloons, Key Clubbers set out with bundles of balloons in hand and walked the parade route to hand out them out to children at no cost.

Giving back to the community is always a great experience, especially during the holiday season. Despite the cold weather, lots of walking, and a few rowdy children, it was a wonderful experience for all involved. Seeing children's faces light up when they were given a balloon made the day well worth the time.

Role Models
Leeza Xiong | Division 7 South | Sheldon

People look for inspiration. They look for role models—people whom they can learn from, who can inspire and empower them; they look for somebody who can help heal their fears and unleash their hidden potential.

As a club board officer, being a positive role model for members is an extremely rewarding experience because it allows you to make a difference in a person's life. The majority of people learn by following examples set by others in their lives, so being consistent with your actions is very important, especially if you are a leader. You'll feel good about the job that you have done in influencing a member's life, while they will obtain endless benefits from the example that you set. One of the best feelings in the world is knowing that you served as a role model to someone else, whom took away positive lessons for their life.

I experienced that feeling when Sheldon Key Club volunteered at the Elk Grove Turkey Trot on Thanksgiving Day. Our assigned task was to monitor the course and cheer on the runners. As hundreds of runners passed by, I cheered them on at the top of my lungs while my members looked at me as if I were crazy. I continued cheering as the runners were passing by with huge smiles across their faces and thanking us for taking time out of our day to help volunteer and support them at the run.

Afterward, a member came up to me and told me how seeing me cheer on the runners and hear their thanks made them want to join in as well. The members who volunteered started did in fact start to get out of their comfort zones and started cheering as loudly as they could. Hearing that I inspired them to do something as meaningful as getting out of their comfort zone was a great feeling and extremely heartwarming; will you do the same?
Various Candidate Training Conferences were held to train those interested in becoming a part of the next generation of lieutenant governors.

Lieutenant Governor Candidate Training Conference
Quynh Tran | Division 44 South | Mira Loma

Walking through the doors to the conference, I didn't really know what to expect. Maybe for everything to be stock-still with an overbearing aura of “business.” Or maybe with everyone running around to see who could be the most busy and productive. But the overwhelming message I felt when I entered the Kiwanis House was that of “let’s support each other.”

Everyone I met was excited and probably nervous; I think we all were. We began with icebreakers; then, everyone sat in a conference room where all the lieutenant governors and wonderful district board members introduced themselves. Following that were very detailed, very informative presentations: there were presentations on a lieutenant governor’s duties, responsibilities, ethics, priorities, well-being, and so much more. The presenters were all too energetic and informative to let any of us become bored.

Sprinkled between these presentations were two breakout sessions; I was in group orange, whose LTG leaders were D27N’s Chris Cabana and D44S’s very own Cynthia Huynh! In these groups consisting of members from various divisions, we sat in a circle and answered questions that really challenged our resolve. These were, in my opinion, very eye-opening; it was really neat to listen to others answer the questions with their different perspectives and personalities.

Out of all the icebreakers and workshops and breakout sessions, the most memorable thing lesson was that all LTGs are human. It was so humbling to listen to Chris and Cynthia’s stories of each beginning as an awkward and shy person to progressing into the fantastic leaders they are now. Their charming awkwardness reminded me of how human they are. Shocking, I know (What? Cynthia isn’t a real life angel?), but it’s so easy to forget that they are all high school students too. Being an LTG is no joke; it’s a story of dedication and hard work!

The K to College organization provides homeless youth with basic supplies for school and health, and Mira Loma Key Club helped at one of their largest volunteer events of the year on December 7th in the Sacramento Memorial Auditorium. To kick off the season of giving, Key Clubbers got into the holiday spirit as we worked side by side with members of the state legislature, local employees, and other members of the Sacramento community as they all came together to assemble over 10,000 educational and dental supply kits for disadvantaged youth.

California is one of the states with the largest number of homeless youth who are at risk of being unable to finish school and have a steady future; K to College ships school supplies and hygiene items to kids all over California to help them meet basic material needs and to give them a better chance at succeeding in school and reaching their full potential. At the Memorial Auditorium, Key Clubbers and other volunteers worked together to quickly and efficiently unwrap supplies, pack them in boxes, and seal them to be shipped.

With a sense of focused camaraderie, volunteers were all united in the common goal of assembling these little kits full of toothbrushes, flashcards, and bright neon scissors that would hopefully make a big difference in a child’s life. Other volunteers helped flatten and take out empty cardboard boxes and put them in dumpsters to be recycled. As we assembled thousands of kits full of invaluable necessities, we hoped to help at-risk youth throughout California receive the gift of education and hope this holiday season.

- **Annual Awake-A-Thon**
  
  Kameo Quenga | D07S | Florin

  The purpose of the event was to raise money for Project Eliminate as well as the Kiwanis Family House. The night was filled with mini-games, rallies, ice breakers, sports, and more! During the rally, we had presentations and informational videos about the Eliminate Project and the Kiwanis Family House. 12 hours and 500 pieces of candy later, we were able to donate $1,750 to both the Eliminate Project and Kiwanis Family House. A night filled with no sleep, Region 16 bonding, and fun was ultimately able to raise money for good causes. It was BEEyond amazing.

  This project was a very time consuming event. However, in the end it helped our club remember how amazing Key Clubbers truly are.

  “Even if it is a simple as a card, it doesn’t hurt to lend a helping hand to be able to help one to smile and feel loved during the holidays.”

- **Spending Quality Time with Our K-Kids**

  Every Friday during the school year, the Key Club volunteers walk to our K-Kids Club at Cook Elementary School and do assorted activities with them that range from arts and crafts to physical activity. The K-Kids day began with a small game of Capture the Flag. Afterward, since Thanksgiving was right around the corner, Key Clubbers suggested that we could help the K-Kids show their appreciation for their teachers by writing “Thank You” cards for them. Working with K-Kids brought Key Clubber closer to another branch of the Kiwanis family; This event gave us a chance to connect with a younger audience in a way that we have not had before.

  “This event with our Kiwanis helped improve the relationship between us and helped us get to know our Kiwanians that do so much for us.”

The Official California-Nevada-Hawai‘i District Newsletter
January, a month of new beginnings and fresh starts, is here! As Key Club members, we should all continue striving toward helping those in need and the world around us. Did you know that the leading factor of death for children from ages 3-14 is motor vehicle accidents? To start off the year with a reminder to all that safety must come first, this month's Spotlight on Service Focus is Pediatric Trauma Program (PTP). The main goal of PTP is to decrease the amount of children's deaths caused by preventable accidents and injuries. Help fundraise for PTP so that the program will be able to give grants to partner hospitals and to distribute safety items such as free helmets and more to those in need.

Look for more events to do in the January Service Projects Guide. Also, don’t forget to join the Service Projects Reflector to follow up on messages, monthly SOSP updates, and information pertaining to service projects.

Next year will be Kiwanis’s 100th year in service! Make sure to give thanks to all your hard working Kiwanians by doing any of the following:

**Make Thank You Cards**

A simple card thanking them for their dedication and commitment to Key Club. (You can also bring up all the fun memories you’ve had with them.)

**Have a Potluck**

Plan a party or potluck with everyone who has worked with the Kiwanians.

**Join one of their meetings/DCMs**

You can easily do this by asking if you can attend.

**Plan an Interclub**

To get closer to your Kiwanians, you can bond over what you both do best: a service event! It can be either a car wash, book/toy drive... anything. Just talk to them about it!
Education

**THE ELIMINATE PROJECT UPDATE**

1. As of November 13th, the California-Nevada-Hawaii Key Club District has raised **$233,725.70** for the Eliminate Project.

   If every Key Clubber in the California-Nevada-Hawaii District raised **$5.94**, we would meet our **$500,000** commitment!

2. **Ways you can help:**
   - Plan club fundraisers. BEE creative with them!
   - Participate in **Trick-or-Treat for UNICEF** every year.
   - Educate the members about our cause and the CNH commitment!

*Maternal & Neonatal Tetanus has been **eliminated** from 35 countries.*

The goal? For every member to raise **$5.94** for the Eliminate Project! We won’t be able to do it without everyone’s help!

We only need to raise **$266,274** to reach our goal!
Videos

All levels of Key Club - clubs, divisions, districts, and even international - use videos to market events, causes, and other aspects of Key Club. Videos are flexible in their formatting and are fun to not only watch, but also create!

Videos are shared on websites such as Facebook and YouTube!

Facebook

- Post videos on your profile, a Facebook group, or an event page.
- Give a short blurb on what the video is about, the cause it promotes, etc.
- Encourage others to “Share” the video to help spread it around!
- Links to external sources can also be helpful for others to find more information.

YouTube

- YouTube is one of the most popular and commonly used sources for publicizing videos!
- Upload a video to YouTube and share the link on other social media websites to raise awareness.
- Be sure to include information in the description box such as the purpose of the video and how others can help!

Posting videos on social media can be a great way to get the word out! However, it is important to remember that social media should be utilized appropriately. For more information, contact the Communications & Marketing Committee (Chair Sona) at cnhkc.cm@gmail.com
Why is professionalism important?

As CNH Key Clubbers, it is extremely important that we represent our organization and its values at all times. In order to do this, we must utilize professionalism not only at Key Club events, but also in our personal lives. Follow the steps below to show the world what it means to be a CNH Bee!

1. BEE smart online!
   Facebook, Twitter, Instagram—these are all forms of social media that can affect the reputation of Key Club. Always remember to think twice before you post. Only share appropriate content that reflects your values as a Key Clubber.

2. Dress to impress!
   Key Clubbers are always dressed appropriately. Do not attend a Kiwanis DCM in your pajamas, or a demanding volunteer project in open-toed shoes! Also, never hesitate to put on your business attire when necessary (i.e. DCON, Conclave).

3. Communicate effectively!
   While corresponding with members, officers, or Kiwanians, always watch your tone and diction, especially over email/text. Avoid sounding demanding, but maintain a professional tone. Also, “thank you” notes are extremely important!

4. BEE a leader!
   We are representatives of Key Club at all times! In order to uphold the true values of our organization, always be respectful, caring, and helpful to others. Key Clubbers are role models in their homes, schools, and communities!

Key Club Core Values

LEADERSHIP
Key Club leaders are true representatives of our organization—passionate individuals who love to take initiative in their communities!

CARING
“Caring—Our Way of Life.”
We exemplify our motto in our daily lives, while serving our homes, schools, and communities.

CHARACTER-BUILDING
Our organization provides numerous opportuniBEEs to grow as Key Clubbers! Through service and leadership, we develop character.

INCLUSIVENESS
As a group of friendly, social Key Clubbers, we always uphold the value of inclusiveness by welcoming new members to our organization.

“The true test of a man’s character is what he does when no one is watching.”
—John Wooden

**January District Calendar**

**What is a DCM?**

A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
