West CTA Key Clubbers volunteer to make holiday cards for soldiers.
Hello, CNH Bees!

Sometimes, to love means to let go. This is the month of heart-shaped candies, sonnet-reading greeting cards, and caramel-coated boxed chocolates—and it’s also the beginning of the transition season again: one term is drawing to a close, and another is preparing for its debut following the elections of club officers, the next generation of lieutenant governors, and soon enough at District Convention, your new district executives for the 2016-2017 Key Club year.

Sure, it’s not over yet, and it very well may never end for you, continuing to serve what is important to you alongside your home, school, and community. Just make sure that the legacy you’re leaving generously provides for those wishing to take your place in the near future, whether you’re moving onto college, passing down a position to your successor, or preparing to welcome a new crop of leaders as eager and fresh as you once were.

If a mark of a great leader is when things run even more smoothly in their absence, or when even greater accomplishments occur after they’ve left, then the least you could do is to pass on the love and support you’ve received this past year. So let go. Move on. Just make sure to leave your year and legacy in a better shape than you found it in.

In the spirit of service,

Tina Bui

Aloha CNH!

The month of February is known as the “Month of Love” but who or what exactly are you falling in love with? Hopefully you’ve caught the lovebug for service as we enter the final months leading up to convention! February marks the time where clubs throughout the district conduct elections as we prepare for the new term.

For those who are considering running for a position, I strongly encourage you to take a risk and jump for the stars. Put your best foot forward and share your passion for service and leadership to the club. Remember that no matter what the outcome is, your passion still remains and there will always be future opportunities to continue your journey within Key Club. You are the part of the next generation of leaders that CNH needs to propel our organization forward.

Club officers, it is incredibly important for you to train the newly elected officers to ensure that they fully understand the position and also provide helpful tips and lessons that you have learned previously in order to ensure your legacy. Sharing files and experiences will ensure his or her success as a leader in the upcoming year.

As the year slowly approaches the end, it is important to reflect back to when we first began our journey together and see if the energy you had at the beginning still remains within you now. We only have two months left to cement our legacy as Guardians of Service. With $181,000 raised for Pediatric Trauma Program and over 800,000 hours of service performed within our homes, schools, and communities, there is nothing that can stop us from soaring even higher! I challenge you to commit to achieving our membership increase goal for this term – 5 new members per club beyond retention. Bring a friend to a service project, or invite someone new to your club meetings. Share the love of service with others and help inspire a new generation of Key Club members.

We still have time to leave a legacy and I truly BEElieve that we can do it, together. Keep on buzzing CNH, I’ll see you soon!

Joshua Nuesca
District Governor

Secretary

Happy February, CNH Bees!

As we enter the shortest month of the year, we also mark the 10th month of the 2015-2016 term. As we now begin to transition into the next term, keep a look out for information in regards to a variety of events and training items.

February, though short, contains multiple deadlines everyone should keep in mind, in addition to the monthly deadlines for MRFs and articles and visuals, as identified by your Lt. Governor. On February 10th, both recognition items and on-time District Convention registration are due.

Make sure you have your items for appreciation, outstanding, and distinguished officer completed early so you can meet the 12:00 AM deadline. Any items received after this time will not be accepted.

In addition, I strongly advise you work with your fellow members and officers, advisors, and sponsoring Kiwanis so the members you serve can register on time for $209 per member, in addition to any additional expenses, such as hotel. If not, the price for registration will increase to $249 per member for late registration.

With most Lt. Governors for the 2016-2017 term already elected, we have already begun the term transition process. Secretaries! Once you have held club elections, make sure you or the secretary-elect complete the New Officer Information Form, available on the CNH CyberKey. We only have 2.5 short months together, but let us continue working together to reach our district goals.

Speaking of district goals, we are now just over 50,000 hours from reaching our goal of 1 million hours of service! I BEElieve in you and I also BEElieve that we can achieve our remaining goals. Keep up the great work and together, we can achieve amazing things as one district.

If you ever have any questions, comments, or concerns, don’t hesitate to contact me at cnhkc.ds1516@gmail.com!

Buzzing for eternity,

Amir Patel
District Secretary
Treasurer

Aloha CNH Bees!

We are two months away from Convention, and it’s that time to BEE on top off all deadlines! Recognition checklists and binders deadlines are quickly approaching, DCON seminars are being created, and everyone is working hard to finish off our Key Club year strong. This point in time is crucial to not fall behind because every little item can make a huge difference in the impact that we can leave. The way you end your year is more important than any other challenge that you may have encountered this year. Remember that the ON-TIME District Convention registration deadline and District contests are due on February 10th, 2016. I encourage all of you to complete District Convention registration by the on-time deadline, so you can avoid paying $40 more dollars with late registration. Be sure to follow all the instructions specified on the registration website, and provide the district with any background checks for chaperones that have not received one in previous years. Remember that membership recruitment is year-round, and you can always add new members into the Membership Update Center! Be sure to reach out to people who are regular attendees to meetings and encourage them to pay dues, and their membership will last from now through summer, where they will be more inclined to pay for membership again next year! I would like to congratulate all of you for all the hard work, dedication, and service you have done so far in the term. However, it is not over yet. It is not too late to complete your goals, or to finish the term off with a BANG! I cannot wait to see you all soon at District Convention in Sacramento!

Buzzing in service,
Mary Kim Delemos
District Treasurer

Message from your TRUSTEE

Hello California-Nevada-Hawai‘i Bees!

I cannot believe how swiftly District Convention is approaching! As that special weekend approaches, I would like to remind you that your service and dedication doesn’t have to end there. There is International Convention to experience as well!

If you are going to continue your Key Club journey to the wonderful state of Georgia in July, then consider presenting a workshop! ICON features events that entertain, enlighten, and elevate the members - and the best ones are the workshops that our members run. By presenting a workshop, you share your experience and success, and I know that there’s a whole lot of both in CNH! Here is the proposal form; you can print it and fax it to the Key Club International Office or send it electronically to mnance@kiwanis.org. Which ever method you choose, workshop proposals will not be accepted after March 18th.

Congratulations on all of your “births”; I am sure that these elects will do wonderful things during their terms just as every one of you have. Be sure to mentor them well during your final months in office.

There have surely been memorable moments for Key Club International during our terms. We’ve helped to raise an incredible $104 million for Eliminate, and the figure is still growing. Saudi Arabia and Japan have also joined our Key Club ohana - spreading our love for service across continents. When we look back at our time spent with this organization, these may stand out; however, it will be what YOU do during your term that will matter most.

Because of your hard work these past 10 months, your divisions and regions have experienced many successes. I can tell the next 2 months have even more in store. Let’s finish off the year strong!

Service with a smile,
Hojin Yoon
International Trustee

HAPPY NEW YEAR
From Region 5 Zombie Penguins

OUR NEW YEARS RESOLUTIONS

1. Finish the last three months of our term strong.
2. Encourage as many members of Region 5 to attend DCON.
3. Better interclub relations.
4. Increase communication.
5. More division events.
Advisors devote so much time and effort to your Key Club. They deserve to be appreciated, even if it is just a simple “thank you for all that you do!”

There are so many ways to show your thanks! One is through CONTEST submissions, such as:
- District Contests – Due Feb. 10th:
  • Marvin J. Christiansen Award
- Division Contests*:
  • Advisor of the Year

To find them, simply go to the CyberKey and navigate to Recognition > Contests! Note that you submit them on behalf of your advisors!

But that’s not the only way to show your appreciation! Also consider:
- Writing “Thank You” cards for them,
- Giving them shout-outs at events,
- Printing awards for them,
- And honoring them at banquets!

A simple “Thank You” card or note can go a long way, so be sure to recognize your hardworking advisors!

*Ask your Lt. Governor for more information about Division Judging.

   Clubs can use a PTP Grant to assist in funding a project, click HERE to find out how!

Email PTP Coordinator Cynthia at cnhkc.ptp@gmail.com with pictures and an explanation of how the club you serve completed the challenge!
Each Key Club in good standing with Key Club International and its respective district shall be entitled at any Key Club International convention to two voting delegates, two alternate voting delegates and as many non-voting delegates as may be allowed by the director and Key Club International Board. Key Clubs in non-districted regions shall have the same rights and privileges as other Key Clubs as long as they are in good standing with Key Club International.
BANNER PATCHES

WHAT ARE BANNER PATCHES?
Banner patches are patches provided by the district to recognize clubs and advisors for many different accomplishments. They are perfect to hang on your Key Club banner!

HOW CAN I GET ONE?
Patches do not require a submission! Those who are eligible are automatically entered to receive one through the submission of your Monthly Report Forms and dues.

Make sure that your MRF and dues information are correct to receive one of these BEE-utiful banner patches! You can sew them on a felt banner, club bulletin, scrapbook, quilt, etc. and start a tradition for the club you serve!

YEAR-LONG RECOGNITION

As many of us are surrounded by new elects and District Convention only a few months away, it is important to remember that the term is still not over! Take this opportunity to really push yourselves. End the term on a good note full of service and new opportunities, but also take the time to recognize. Show appreciation for that one member who stayed after a DCM, the officer who came early and helped set up, the advisor who drove you to an event an hour away, etc. Whether you are an officer, officer-elect, member, or advisor, year long recognition is essential in a strong Key Club, so use the resources available to show some appreciation for the members, officers, advisors, and district officers you serve today!

All of these templates can be found on the CNH CyberKey under the Recognition Tab. Note: Information on template can be changed after downloading the document. If you have any questions, comments, or concerns about any recognition, contact Member Recognition Chair, Giselle Kim @ cnhkc.mr@gmail.com!
Hello CNH BEES!~ Curious about what Key Club International has been up to? Well, here is a quick update from our International Trustee Hojin Kim!

**District Sister Pen Pals!**

Through Sister District Pen Pals, members from CNH district, Nebraska-Iowa district, and Bahamas district can communicate with each other! Through this system, you can learn more about how members from other districts are serving their community!

**The Glass Door**

The Glass Door articles are monthly updates by Vice President Addie Clipfell. These feature the International Board, so if you ever wonder what the highest level of leadership in our organization does at meetings, give it a read! They're moderately funny as well.

**Project Eliminate**

The ELIMINATE Project reached $100 million! WE, as one Ohana, have saved and protected more than 55 million lives from MNT.

**ICON 2016**

Our Speaker at ICON 2016 will be Anne Malhum! She is an entrepreneur of Back on my Feet, an organization that seeks to empower the lives of the homeless through the promotion of running.

This is the time when everyone in the Region comes together: does service, attend workshops to educate themselves, elects the next Lieutenant Governors who will proudly serve their respective divisions and the region while coming together as one Ohana.

At this year’s Hawai’i Convention the theme of Shaping the Future will teach all participants the skills and knowledge to shape the future of their own community and the world. The weekend will be filled with fun and everyone will learn more about themselves.

REGION 10
At Winter Board Training Conference

See you all at...
DCON 2016!
A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
