Cali-Nev-Ha Key Clubbers display their commitment to service with their district at the Meet & Greet session at International Convention 2014.
Hello, CNH Bees!

Do you remember your Key Club moment? Chances are, it’s something that allowed you to feel that you were a part of something larger than yourself, even if you didn’t know it at the time. If there’s anything worth doing in life, it’s finding something that’s larger than yourself to dedicate a part of you to.

Key Club, being the world’s largest and most storied youth service organization, is pretty huge itself. At this year’s International Convention, members hailing from Key Club’s 32 represented countries convened in Anaheim; delegates representing over 600 clubs elected the new International Board and debated proposed amendments, on which you can find more information on in the spreads to follow. You may even know a person or two of the many people from CNH recognized on the International level.

Whether you had the opportunity to be in Anaheim to take part in district-versus-district spirit battles or be updated by the men and women at the helm of The Eliminate Project or not, you have the pleasure of knowing that you are a member of the mighty Cali-Nev-Ha District. Something to smile about when wrapping up your summer homework.

Hello CNH Bees!

Summer has come and gone, and by the end of this month, many of us will have already returned to school. Although this month marks an end to our free days and late nights, it also marks the beginning of a new school year full of opportunities for us to share our passion for service and to continue to grow as leaders. As leaders of this organization, it is important that we continue to spread the word of Key Club among our peers as well as our parents and educators so that they are aware of all the excellent things we do as a part of our organization.

While preparing for the school year, keep in mind the goals we should strive to celebrate all of the time! These goals are not only meant to bring our district to new heights, but also to emphasize the fact that service never stops, that leadership exists at every level of Key Club, and that our commitment to The Eliminate Project still stands. Remember, YOU – with or without a title – are a leader of Key Club. The actions you choose to take as an individual to care for and guide others are what make you a leader.

I wish you the best as you return to your studies, and I look forward to seeing all of the amazing things you will accomplish this year. Keep caring, leading, building your character, and including others in all of the wonderful activities you will experience this year. I BEElieve in you and all you will do this year!

Bula, CNH!

That’s Fijian for “Hello!” This past month, I have had the immense honor of traveling with Rustic Pathways, one of Key Club International’s newest partners, to the tropical island of Fiji. For two weeks, I learned about the country and performed community service with the locals. It was an experience of a lifetime, and I can honestly say that I was blessed to be able to take part in that journey. Look out for a teaser for the recap of the trip in this newsletter; the full recap will be released in the September issue.

School will be starting soon; I hope many of you have been accomplishing your summer goals. How was your Summer of Service? Celebrate what you have accomplished! Now that the school year is beginning, make new goals – how will you raise funds for The Eliminate Project? Challenge yourself to reach new heights this year. Of course, the start of school brings with it Club Rush season! Remember our district goal to celebrate leadership: Every member is a leader. Increase the number of leaders in the school and community you serve by recruiting new members to Key Club. There is nothing more rewarding than the gift of service.

Aside from Club Rush season, Region Training Conference season is also beginning! BEE sure to attend your respective RTC to learn more about the leadership qualities you possess. Take a chance and present a workshop; you never know what could interest you.

I wish all of you good luck with the start of the school year. Start strong and don’t fall behind! Even though many of you will begin to be busier, remember to keep Key Club in mind as well. Keep up the great work.

Aloha CNH Key Club!

August is here: the last few weeks we have of summer vacation. It’s time for us to get back into action. Extensive planning for the year should be happening, and your summer assignments should be starting to see completion; before we know it, school will be back in session.

With the beginning of the school year comes the “Dues Season.” Starting October 1st and going to December 1st, the club you serve submits its dues within this important timeframe. Please note that an amendment was passed at International Convention to raise dues by 50 cents, raising the dues minimum to $11.50 and the maximum to $23.00. Remember that you have a host of resources to help you with dues, including but not limited to your Lt. Governor, Region/Club/Kiwanis Advisors, the Treasurer’s Manual, and the Treasurer’s reflector.

I recently had the chance to attend ICON 2014 in Anaheim, California this year and was blessed with the opportunity to learn more about my role, the newly-elected International Board, and resources to better the district, all of which I look forward to utilizing to serve you and grow our district.

I hope that everyone has had a fantastic summer! Have a great first day of school; make sure to get whatever summer homework you may have left done! I wish you all the best of luck on your goals, and I encourage you to be on the lookout for resources to help you and your club start off the year strong!

Where in the world is Fiji?

• Lives of native Fijians are centered around their village, where community spirit runs high.
• Out of 332 islands and over 500 small islets, only 110 are habitable.
• The majority of Fiji’s population lives on the largest two islands: Viti Levu and Vanua Levu.
• “Bula!” – Hello and warm wishes.
At International Convention, CNH attendees, along with those of other districts, had the privilege of electing the following servant-leaders to represent our organization as part of the 2014-2015 International Board.

**Message from your TRUSTEE**

Hello California-Nevada-Hawaii Key Club!

My name is Jenalee Beazley, and I am incredibly honored to have the opportunity to serve your district as your International Trustee. The unwavering spirit and utmost altruism CNH Bees bring to all aspects of Key Club make me hopeful and enthusiastic to begin our year of service together.

As teammates in service this year, I would like to offer you some information about myself. I am going to be a senior in Carefree, Arizona, and will start my fourth year as a Key Club member. I have had the privilege to serve as Club Vice-President, District Webmaster, and District Governor. My time in Key Club has shown me that all Key Cub members are all people offering to serve in different ways. This year I will be offering my service to you by updating you through monthly messages in the newsletter, extending resources to you, and considering your district’s needs when voting on International Board. Most importantly, what I am here to offer a friendly hand of help in anyway needed.

To bridge the gap between your home clubs and International, I will relay information on our International partners, preferred charities, and the Kiwanis Family; please let me know what you’d like to read about! I invite you to contact me through e-mail or other any other modes of communication that you see fit to have your voice heard.

Along with California-Nevada-Hawaii, I also have the privilege of serving the Rocky Mountain and Ohio Districts. As sister districts, you will have the opportunity to learn from one another and build ideas from each other. As Trustee, I will create a path for communication between the districts. I encourage you to reach out to members of your sister districts as they have the potential to be valuable teammates in service by offering different perspectives.

Key Club International is an organization that we all hold dear to our hearts. I promise to care about what is best for this organization. I promise be loyal to the values we uphold as Key Club members. I promise to be obedient to the bylaws and governing system of this institution. I promise to give back for all that Key Club has given me. Above all else, I promise to look forward to working with you and developing a year of unimaginable success.

Your teammate in service,

Jenalee Beazley

“\[\text{Spirited is an understatement!}\]

– Southwest District Key Clubber

The CNH District has so much spirit, they can’t handle it sometimes. I’m glad to say I was able to take some of that spirit back home.

– Florida District Key Clubber
I don’t really have any specific experiences from ICON because they all stand out, but one thing that I can remember is how differently we all spoke with different accents, to the fluctuations in our tone and the tempo of our words; despite all of our different faces and races, things solely pre-determined to us by our background, we all shared one heart, one decision that we made ourselves – we joined Key Club. No matter what our motives or how many hours we devote each week, we all decided we would be the person that makes a difference in our community, in the world, and most importantly, ourselves. We choose what we allow to influence us. In an ocean of negativity, we all found Key Club and chose to become enlightened by the positivity of this organization and pass it on to others to make each day a brighter day.

Testimonials

It was really special to welcome Key Clubbers from all over the world to the place we all call home. California is known for its sunny beaches and beautiful weather, but knowing most of the ICON attendees will leave with a much different impression once after experiencing all that CNH has to offer was definitely my ICON moment.

– Lincoln To | Division 21 | Junipero

My favorite impression of the Cali-Nev-Ha District at ICON was the passion of its members to not only serve the community, but to also leave a legacy for underclassmen and Key Clubbers of the future. The way Cali-Nev-Ha Key Club members held their position on the different amendments presented in the House of Delegates was strongly moving and admirable.

– Kyle Dimla | Division 12 South | Ann Sobrato
Amendment #1 – Passed
 Presented by the Key Club International Board of Trustees
 Date effective: TBD, pending review by Kiwanis International Board at the next board meeting

Article IX Districts
Section 4. In order to form a new district, the proposed area must include no less than 25 active Key Clubs and no less than 375 active Key Club members. at least 15 active Key Clubs and at least 450 active Key Club members. In the event a district fails to maintain this club and membership level for three years, the Key Club International board may decertify the district by two-thirds majority vote. In such case, the International director shall provide written notice to the governor and secretary of the sponsoring Kiwanis district and the governor and administrator of the Key Club district at least 120 days prior to any meeting at which the district’s decertification shall be considered.

Summary: The requirements to form a new district have changed. The proposed area must now include at least 15 active Key Clubs (decreased from 25) and at least 450 active members (increased from 375).

Amendment #2 – Passed
 Presented by the Key Club International Board of Trustees
 Date effective: TBD, pending review by Kiwanis International Board at the next board meeting

Article VIII. Club Members
Section 6. Any person, not in high school or an educational equivalent, who has performed some distinguished public service may be elected an honorary member of a club for a period of one year. Honorary members shall pay no dues and shall not be entitled to any privilege of a Key Club member. Honorary members shall pay no dues but shall be entitled to all the privileges of full club membership except those of voting and holding office.

Summary: The language of the section has been updated to reflect the (non high school) educational status of an honorary member, and states that honorary members are members in name only, with no member privileges.
Amendment #3 – Passed
*Presented by the Key Club International Board of Trustees*
Date effective: TBD, pending review by Kiwanis International Board at the next board meeting

**Article XXII. Revenue**
Section 1. Each Key Club shall pay Key Club International, or its designated fiscal agent, annual dues of six dollars and fifty cents (US$6.50), being membership dues and subscription to the Key Club International publication, for every member, but not including honorary members. **Fifty cents of the dues of each member shall be deposited into the Youth Opportunities Fund to create an endowment to fund grants to clubs and scholarships.** Dues shall be payable during a period of at least 60 days according to a schedule set forth in Key Club International Board Policies and defined for each nation taking into account academic calendar and financial practices of the nation. There shall be no other fees or assessments of clubs.

**Summary:** $0.50 from each member’s dues will no longer be deposited into the Youth Opportunities Fund (YOF). The YOF account, currently exceeding $1.6 million and therefore self-sustaining from annual interest, will continue to provide grants with no changes to selection chances for each club.

Amendment #4 – Amended and Passed
*Presented by the Key Club International Board of Trustees*
Date effective: Immediately

**Article XXII. Revenue**
Section 1. Each Key Club shall pay Key Club International, or its designated fiscal agent, annual dues of six dollars and fifty cents (US$6.50), being membership dues and subscription to the Key Club International publication, for every member, but not including honorary members. Fifty cents of the dues of each member shall be deposited into the Youth Opportunities Fund to create an endowment to fund grants to clubs and scholarships. Dues shall be payable during a period of at least 60 days according to a schedule set forth in Key Club International Board Policies and defined for each nation taking into account academic calendar and financial practices of the nation. There shall be no other fees or assessments of clubs.

**Summary:** International dues will now be raised by $0.50 from $6.50 to $7.00 per member. During the next season of district conventions, districts will have the option to revise their district dues.

Amendment #5 – Not passed
*Presented by the Key Club International Board of Trustees*

**Article VIII. Club Members**
Section 1. **Membership in Key Club International is open to anyone for the extent of their secondary/high school education.** The membership of individual Key Clubs shall consist of students from the four upper classes (or the five upper classes in the Canadian Provinces where high school is of a five year duration) of the high school in which they are enrolled (or in ungraded schools whose members shall be of age comparable to the four upper classes of high school). **Key Club members must be** interested in service and qualified scholastically by school district requirements for extracurricular activities and of good character. No potential member will be denied the chance of membership in Key Club due to previous service experience or lack thereof. **Members may only hold elected office at any level of Key Club International for a maximum of four years.**
Summary: This amendment was intended to standardize elected office terms by limiting a member’s holding of elected office to a maximum of four years. Because the amendment did not pass, there will be no changes made.

Amendment #6 – Passed
Presented by St. Andrew High School for Girls, Jamaica District
Date effective: TBD, pending review by Kiwanis International Board at the next board meeting

ARTICLE VIII. Club Members
Section 1. The membership of individual Key Clubs shall consist of students from the four upper classes (or the five upper classes in the Canadian Provinces where high school is of a five year duration) of the high school in which they are enrolled (or in ungraded schools whose members shall be of age comparable to the four upper classes of high school). Membership should cover one’s tenure in high school as stipulated by their education system. These members should be interested in service and qualified scholastically by school district requirements for extracurricular activities and of good character. No potential member will be denied the chance of membership in Key Club due to previous service experience or lack thereof.

Summary: Some districts have high school educational systems that span for more than four years. This change, by eliminating the four/five (Canada) upper class requirement, allows all Key Club members to participate in the organization for the length of their time in high school, or educational equivalent.

Thank you to all the delegates that participated in this important process!
International Trustees work to help define administrative policies on the International level. As such, they help define the policies of Key Club International as a whole. They also serve as liaisons between the districts they serve and the International Board.

**Duties at a Glance:**

INTERNATIONAL BOARD

Key Club is ultimately governed at the international level. Key Club International includes all the clubs and members within the organization’s 33 organized districts and even in areas which have not formed districts yet. Key Club International is headed by the International Board of Trustees, which is composed of the International President, International Vice-President, and eleven International Trustees. Trustees are each assigned to three districts and also serve on specific committees within the board. The International Council is composed of the International Board, which includes the thirty-three District Governors.

The International Corner was created by the International Business Subcommittee of the Policy, International Business, and Elections Committee [PIE] to serve you a slice of International Business in order to promote strong relations between Key Club International and the membership.
At International Convention 2014, The Eliminate Project appeared many times throughout the convention. There were workshops for ICON attendees to get educated about The Eliminate Project, apparel being exchanged for donations to The Eliminate Project, an Eliminate Session, and the Dance to Eliminate. During the Eliminate Session, a game called, “Do You Want to be an Eliminator?” (parodying Do You Want to be a Millionaire?) was played in front of the Key Club attendees, where Key Clubbers answered questions and got prizes if they reached a million dollars. At the Dance to Eliminate, Key Clubbers celebrated their hard work in advocating and fundraising for The Eliminate Project. Overall, all ICON attendees were further educated about the Eliminate Project, got updated regarding our efforts towards the Eliminate Project so far, and even got inspired to continue the hard work the Kiwanis Family and UNICEF is doing to eliminate Maternal/Neonatal Tetanus from the world by 2015.

ELIMINATE CHALLENGE OF THE SUMMER

At International Convention, Jeffrey Wolff, Campaign Vice Chairman of The Eliminate Project, asked all International Convention attendees to make a promise during the summer to support The Eliminate Project by each donating $2 to save a mother and her child. However, he didn’t limit this promise to just ICON attendees; you can get your home club Key Clubbers involved and make the same promise! $2 per club member is all it takes. Will you join us and make this promise?

ELIMINATE PROGRESS REPORT

1. Since the start of the Eliminate Project in 2010 until now, the Kiwanis Family and UNICEF have raised a total of $54 million dollars.

2. The California-Nevada-Hawaii District of Key Club International raised $72,604 dollars for The Eliminate Project during the 2013-2014 term.

3. The California-Nevada-Hawaii District of Key Club raised a total of $124,000 for The Eliminate Project for the CNH Commitment of $500,000 by 2015.

What will you do to help CNH Key Club reach our $500,000 commitment to The Eliminate Project?

We Jam for Autism
Salvador Alvizar | Division 4 East | Tustin

Kicking off the beginning of summer couldn’t have been done better than with Tustin High Key Club’s Autism Benefit Concert. Key Clubbers combined their efforts in hopes of making this year’s concert even better than last year; we made sure to gather sponsors from the community as well as notable musical guests to feature alongside student acts. After working for multiple weeks in preparation, the day finally came. During the morning of the event, numerous Key Club members and outside volunteers were pulled out of class to contribute, setting up the stage, the barricades, the sound system, and the lights. We then started to organize ourselves into various positions, such as security, tech, concessions stand, ticket booth, etc. Some of us worked from the morning until near-midnight, yet most of us remained in good spirits because we always remembered that all our work was for a great cause: the Aid for Autistic Children Foundation. We even got to watch Drake Bell perform!

Homeless Well-Being Breakfast Project
Kelly Ho | Division 10 South | San Gabriel

Hours before attending Officer Training Conference, San Gabriel High School Key Clubbers volunteered at the Saint Francis Center, assisting regular volunteers in preparing and serving meals to the homeless living on Los Angeles’ Hope Street. With many San Gabriel Key Clubbers living in the San Gabriel Valley, students were astonished by the sight of the many unfortunate. Senior Amy Giang described her experience at the Saint Francis Center as a service that had helped her understand the extremity of homelessness. “[I learned] that many people out there don’t have as much as we do,” Giang said. “Even though [I’ve been told] many times, I didn’t really understand until I volunteered to help out others who didn’t have as much as I do.” The Saint Francis Center remained packed with hungry and destitute citizens until the closure of the event at 10:30 a.m. Senior Tinna Lam described the hectic nature of the service and the rewards that had come with the hard work that was contributed. “I [got] a glimpse of how crazy running a restaurant is like,” Lam said. “What really made me want to go back was seeing the smiles on the people’s faces and hearing their gratitude.”

March of Dimes Care Packages
Cierra Nakakura | D22 Hikina | Kaiser

Kaiser Key Club joined Circle K clubs at the local March of Dimes office to put together care packages for families with premature births and babies in the NICU (Neonatal Intensive Care Unit). Before assembling the packages, we sat down to learn just exactly what the NICU does for families, as well as what the March of Dimes organization was all about. We learned that we would be assembling the care packages to raise awareness for families with premature children; families in the NICU at Kapiolani Hospital would be the recipients of these care packages. Each package contained informational booklets about being a new parent, the NICU, and a children’s book for entertainment (families can stay in the NICU for weeks before the child is released from the hospital). Furthermore, we learned about the multitude of jobs and fields us students can major in during college relating to the March of Dimes mission. The event was an educational experience; we always knew March of Dimes was associated with Key Club, but now our understanding was renewed to a deeper level.
Key Clubbers partnered with the Ronald McDonald House to collect Pop tabs.

**Spotlight on Service Program**

“Children: Their future, Our focus”

Would you like to receive recognition by participating in our Cali-Nev-Ha District’s Spotlight on Service Program? Click [here](#) to submit your Spotlight on Service Program Submission by the 5th of the month after the project! Take a look at what clubs did for the **June Focus: Health & Safety**!

- “[Alex’s Lemonade Stand] was successful in spreading awareness about childhood cancer to members as well as to those who bought lemonade to support the cause.”
  - Victoria Vu, Heritage HS, D06S

“…watching over kids learning how to ride bikes while being educated of the dangers and safety precautions needed to avoid injuries and/or accidents… was not only a learning experience for the participants but for volunteers as well.”
  - Vinda Le, Monterey Trail HS, D07S

**Pop, Pop, Popping for Safety**

Lorraine Ador | D42E | Santa Susana

Ronald McDonald Houses provide a “home away from home” to families who cannot afford staying at a hotel while seeking advanced medical attention for their child. We planned our project by collecting Pop Tabs throughout the entire year. We advertised it to our school-broadcasting program by making a promotional commercial and also placed a canister made from tennis ball containers in each classroom and collected them weekly. Even though pop tabs may seem of no value, our contributions to the house allow the families to feel safe even though times may be rough.

**A ROUND OF APPLAUSE FOR ALL THE FOLLOWING KEY CLUBS WHO SUBMITTED A SPOTLIGHT ON SERVICE PROGRAM SUBMISSION:**

**Cleaning Prevention**

Devynn Leigh Kochi | D22M | King Kekaulike

Our goal was to gather all the pods (dried, spiky, flower-like fruit that didn’t bloom) in the parking lot. There were countless of pods scattered everywhere! Some of us raked pods and leaves while others put them in trash bags. 22 trash bags later, the parking lot was almost spotless! It took us a total of 5 hours to clean the whole parking lot! Anyone could see the marvelous difference five people can make with trash bags, rakes, dust pans, and of course hard work and love for serve. Cleaning a parking lot is one of the ways to make sure that there are no dangers for cars. It is one of the many ways to ensure that parking lots are safe to drive and park on.

Parking lot clean and safe thanks to King Kekaulike’s Key Club.

The Official California-Nevada-Hawai’i District Newsletter
The Spotlight on Service Program aims to promote the Key Club District and International service initiatives. Each month is dedicated to a specific focus that clubs are encouraged to accomplish for the month. Remember, our District Goal is for every club to conduct 5 service projects every month.

Summer will be soon over! School is starting soon, and as Key Clubbers, we want to encourage everyone to start thinking about our future once again. This month’s Spotlight for Service Program Focus is “Children’s Education.” Some service projects this month clubs can conduct are school supplies drives, tutoring programs, assisting K-Kids and Builders Clubs, or supporting the Pencils of Promise organization. Learn more about what it means to be a leader and serve the community by asking your respective local clubs to have an event together. No more procrastinating! If you don’t want to worry about waking up early, you can still kick start your brains into thinking about school and education and help your peers do the same.

Always had trouble with figuring out what event you should do next to continue serving the community without having to do the same events again and again? Follow the Spotlight on Service focuses to ensure that you will cover a new aspect of service every month. Planning ahead will save you from stress over what to do next! Look forward to the August Service Projects Guide!
Miracle Treat Day!

Miracle Treat Day is **Thursday, August 14th 2014**! Dairy Queen is donating $1 or more for every Blizzard treat purchased. Support and publicize Key Club’s preferred charity – Children’s Miracle Network Hospitals – on this miraculous day! Stop by your local Dairy Queen store to receive a sweet summer treat while helping children in need. With this Miracle Treat Day, we are striving to heal the sick and injured children at our local hospitals. To find the closest Dairy Queen near you and to learn more, click here.

**International Convention Service Fair Recap**

The Service Fair at International Convention had various exhibit booths that showcased great service initiatives and ideas. Attendees had a chance to learn about other organizations and how to get involved. Check out three great service initiatives below:

- **The Thirst Project**
  Almost one billion people on our planet do not have access to safe, clean drinking water. The Thirst Project aims to raise awareness of the clean water crisis and to encourage students to take part in projects that will provide others with a hopeful future. Learn more [here](#).

- **Sew a Future**
  There are over 40 million widows who are unemployed in India. Sew a Future provides sewing machines and training to young mothers so they can take on tailoring jobs in their villages and earn a living. Check out their Facebook page [here](#).

- **YUDA Bands**
  80% of the population of Guatemala lives below the poverty level. All YUDA bands are handmade by students and families in tough financial situations. These fashionable and powerful bracelets not only provide jobs, but also provide scholarships for poor students to pay for education around the world. Learn more [here](#).
Attracting Them

There will be many events throughout the year where you can recruit members, such as Freshman Orientation and Club Rush.

Let them know what Key Club is all about: Service, Leadership, Inclusiveness, Caring, Trustworthiness, & Spirit!

During their first meeting

- **Bond** with potential members
- Things like **icebreakers** or friendly introductions are interactive and fun way to keep them interested
- Make it a **friendly environment**
- Spark an **interest**
- Make them feel **wanted**

**Highlights from Matt Mattson’s Dynamic Recruitment at ICON**

- People don’t join organizations. **People join people**
- Quality connection is first made possible with quality handshakes
- Don’t look for the most comfortable seat in the room. **Look for the most uncomfortable person in the room**
- Remember the details – people’s names, for starters – and send frequent, **sincere** thank you notes
- **You are the host of every moment**: Make it about them, and not you
- Don’t be selfish. **Give the gift of Key Club.**
Membership Recruitment
Compiled by the Member Relations Committee

Catch potential members’ eyes with…

**Spirit**
- Be spirited enough where students want to know more about our organization and why YOU love Key Club
- Moderation is key. Be spirited but do not scare potential members away!
- Wear your Key Club gear all around campus

**Inspiration**
- Bring out the leader in them!
- Share your Key Club story with them and show them how Key Club has impacted your life.

**Inclusiveness**
- Do not exclude anyone when you are presenting information

**Information**
- Capture their interests and share your own story of how you fell in love and stayed with this organization
- Let them know when the next club meeting will be and why they should become a dues-paying member
- Announcing meetings to the entire campus, such as through the school PA system or newspaper, is a great way to attract students

**Paper**
- Set up a Key Club booth during registration and invite students to meetings and hand out flyers
- Post posters, newsletter, and flyers around your high school campus. Let students come to you and ask what Key Club is
- Include the time and location of your next meeting day, as well as a teaser of what Key Club can do for them

**Quick Incentives**
- Bring candy or raffle tickets with you and tell interested people to come to the next club meeting
- Raffle items may include pins, shirts, or coupons to local stores
Mission: To develop local projects which will reduce the number of children in our three-state District who are killed or injured by trauma, ensuring all children live happy, healthy and safe lives.

Unintentional injury is the number one cause of death in children ages 14 and under.

9000 families lose a child from a preventable injury each year.

90% of these injuries can be prevented!

Recognizing the serious need for education and training in the areas of Pediatric Trauma and injury prevention, the Kiwanis Cal-Nev-Ha Foundation established the Pediatric Trauma Program in 1994. Our mission is to develop local projects, which will reduce the number of children in our district who are killed or injured by trauma. Utilizing the knowledge and expertise of our partner hospitals, the Foundation identifies projects the Kiwanis family can undertake to address the issue of Pediatric Trauma within its own communities. The Foundation’s partnership with children’s hospitals includes locations in Oakland, San Diego, Loma Linda, Madera, Honolulu and Reno. The Pediatric Trauma Program connects the Kiwanis family to reduce the number of children who are killed or injured by trauma.

Why do we need YOUR help?
- Donations earned are distributed to our partner hospitals in Oakland, San Diego, Loma Linda, Madera, Honolulu, and Reno.
- Grants to Kiwanis and Service Leadership Programs clubs, which will allow them to have the necessary funds to help more children in their local communities.
- PTP safety tools such as helmets can be accessed through our Kiwanis family at a very low cost.

How YOU can make a DIFFERENCE!
- EDUCATE others about PTP! Hold a workshop at a training conference, create educational pamphlets, and use social media such as Facebook and Twitter
- Participate in PTP fundraisers such as Fall Rally, car washes, bake sales, movie nights, awake-a-thons — or create your own fundraisers! The sky is the limit!

Celebrate the Policy of the Month!

*Slice of the Policy* was created by the Policy Subcommittee of the Policy, International Business, and Elections Committee [P.I.E.] to help serve you a slice of the Policy Manual each month to educate you on the policies the district we serve abides by.

(Click here for the Cali-Nev-Ha Key Club guidebook)

This Month’s Policy: **Kiwanis Connection | Section 104.2 & 104.3 & 104.4**

**Section 104.2**

104.2 District Administrator

The Key Club District Administrator serves by appointment of the Governor-elect of the Cal-Nev-Ha District of Kiwanis International. This individual shall administer the Key Club District within the Bylaws of Key Club International and the Bylaws of the Cali-Nev-Ha District of Key Club International. Assistant Administrators may be appointed by the Administrator as required to fulfill specific objectives of the Administrator. (1/98)

**Summary:** The Key Club District Administrator is appointed by the Governor-elect and the Assistant Administrators are appointed by the District Administrator.

**Did you know:** Cali-Nev-Ha’s District Administrator is Ms. Lisa Lotito-Byers.

**Section 104.3**

104.3 Kiwanis District Office

The Kiwanis District Office and the Director of Service Leadership Programs serve as the salaried personnel of the Kiwanis District. They are to assist the Key Club District Administrator and committee, the Key Club Governor, and the Key Club Board and its Committees. The District Secretary/Executive Director of Kiwanis shall be responsible for the safe keeping of the assets of the Key Club District together with the necessary accounting records. The Kiwanis District Secretary/Executive Director shall execute any and all contracts on behalf of the Key Club District with the approval of the District Administrator. (2/11)

**Summary:** The Kiwanis District Officer and Director of Service Leadership Programs help the Governor, the Board, and its Committees. Kiwanis takes care of the Key Club assets and can execute contracts for the District with approval of the District Administrator.

**Did you know:** Cali-Nev-Ha’s Kiwanis District Office is located in Rancho Cucamonga, California. The SLP Director is Mr. Bruce Hennings.
Section 104.4
104.4 Regional Advisors
Regional Advisors shall be nominated by the Key Club District Administrator and appointed by the Kiwanis District Governor-elect. The Regional Advisors shall represent and assist the District Administrator within their Regions and shall act as liaison between the Key ClubLt. Governors and the Kiwanis Lt. Governors whenever needed. The Regional Advisors shall help coordinate the Conclaves, Rallies, training conferences and other special events within their Regions. They shall coordinate the various Divisions and see that proper elections are held for Division Lt. Governors. They shall encourage participation of Key Club members in all District and International functions. The Regional Advisor shall ensure that the Key Club Officers within their Region fulfill the duties of their respective offices, whether those offices are Division, District or International. In the event of a resignation or the failure of any of these officers in the performance of their duties, the Advisor shall assist in the replacement of that Officer. The Regional Advisor shall assist the District Administrator in the performance of these duties whenever possible including serving as Advisor to Board Committees and at Board Meetings, Conventions and Conferences. (2/11)

Summary: Region Advisors, nominated by the District Administrator and then appointed by the Kiwanis District Governor-elect, serve as the connection between the Key Club Lieutenant Governors and the Kiwanis Lieutenant Governors. They help plan Conclave, Fall Rally, Training Conferences, and other Region events. Region advisors make certain all officers in the Region are fulfilling their duties, whether on a Division, District, or International level. If those officers are not fulfilling those duties, the Region Advisor helps in the process of replacing that officer with a better fit one. They help assist the District Administrator. Finally, Region Advisors serve as Advisors to District Committees, Board Meetings, Conventions, and Conferences.

Quiz Time!
1. How is the District Administrator chosen?
   a. Election
   b. Appointment
   c. Lottery

2. Where is the Cal-Nev-Ha Kiwanis District Office?
   a. Sacramento
   b. Anaheim
   c. Rancho Cucamonga

Answers: 1. b 2. c

Challenge of the Month

"What are your plans to enrich your or your club’s connection with your local Kiwanians?"

Submit your answer at the Policy Reflector group, available to join here. Each month, selected answers will be featured on the Slice of the Policy publication. The Policy reflector can also be used to initiate discussions about club situations, and how to resolve issues while abiding by policy. BEE sure to use this resource!
Do you love Key Club? Do you want to continue serving your community? Then you should definitely consider becoming a member of Circle K International!

**What is Circle K?**
Circle K is the largest collegiate community service, leadership development, and friendship organization in the world. Circle K clubs are organized and sponsored by a Kiwanis club on a college or university campus. As a self-governing organization, a Circle K club will elect its own officers, conduct its own meetings, and determine its own service activities. This high degree of autonomy allows for a unique service experience driven entirely by the members, for the members.

**Motto:** Live to serve, love to serve!

**Mission:** Developing college and university students into a global network of responsible citizens and leaders with a lifelong commitment to service.

**Vision:** To be the leading global community-service organization on college and university campuses that enriches the world one member, one child, and one community at a time.

**Key Club International vs. Circle K International**
Just think of Circle K as the “next step,” just as college is the next step in education after high school. Circle K provides the same opportunities, but strives to develop new and creative ways to involve the membership at large, from expanded boards, to committee opportunities, workshop hosting, skits and more! It is also common to find that a CKI club offers service opportunities at varying times, especially because class scheduling in college is more flexible. Despite the slight differences, the focus remains the same: Key Club and CKI have tremendous pride in their commitment to service.

---

**Kiwanis International**

Do you want to meet new people who share a passion to serve? Do you want to continue serving your community as a professional adult? Then you should definitely consider becoming a member of Kiwanis International!

**What is Kiwanis International?**
Kiwanians are volunteers changing the world through service. Kiwanis and its family of clubs—nearly 600,000 members strong—annually raise more than $100 million dollars and dedicate more than 18 million volunteer hours to strengthen communities and serve children. Members of every age attend regular meetings, experience fellowship, raise funds for various causes and participate in service projects that help their communities. Members also make an impact throughout the world by participating in Kiwanis International’s Global Campaign for Children, and The Eliminate Project.

**Motto:** Serving the Children of the World

**Key Club International vs. Kiwanis International**
A major difference of Kiwanis is the pace of the club. Key Clubs are often very fast paced, with many opportunities and obligations year-round, whereas Kiwanis clubs can go at a slower pace. With careers and families, most Kiwanians need to space out their commitments; however, they still make a major impact on the Kiwanis Family and the communities around them. As a Kiwanian, you are able to get involved with Key Club as a Faculty Advisor, Kiwanis Advisor, or a Club Sponsor, along with many more opportunities to get involved with Key Clubbers. Moving onto adulthood, older Kiwanians could help younger Kiwanians with getting jobs and internships. Kiwanians also get to learn many skills such as networking and fundraising.

"Our Service is Infinite"

Service in the Summer

Region 10
“What have you done that you've seen to be most successful in the matter of Membership Recruitment (or Member Retention)?”

I definitely think that member recruitment is successful when members introduce their friends to Key Club, and make their friends feel right at home with the other members. That usually makes the new members want to stay, and I feel that discovering a love of service naturally follows. Also, effective advertising and follow-up with members helps to recruit long-term members. After all, most people don't necessarily not want to join Key Club, they just need an extra push to get involved! It's our job as involved members to motivate others as well through our prevalent passion and love for Key Club!

One thing that I have noticed that has been very successful regarding Membership Recruitment is that repetition and captivation are key. Being inclusive and using other resources to reach out is also a great help when recruiting members. When advertising any event, repetition, repetition, repetition always brings out the key points and message, so I try to announce things as many times as I can. By doing so, the members that I serve have a clearer sense of what is happening would lead them to attend events. I also try to add some humor and easiness within my posts and updates. Professionalism is great, but TOO much is intimidating in a sense, so I try to make a joke or a pun so that members can see how fun and rewarding it will be to attend the event. When advertising, I try to use as much of the resources that are available to reach out to members. For example, not everyone has Facebook, so I created an Instagram and a Remind 101 account to announce things on a greater scale.

The most successful things I have done to retain members are to make events fun and try to create a personal connection with each member. I recently held a DCM and we played a fun ice breaker, had a water balloon fight, and ate otter pops. There were a lot of new faces there, so I went up to every person and introduced myself and asked them what they thought of the event. This one guy said that he didn't even want to come, but his friend dragged him here and he was really surprised. He thought that I was just going to talk the entire time and that it would be no fun, but now he knows what DCMs are really like and wants to come to more. It is all about engaging the members and keeping them interested in Key Club. The most unconventional things might just be the best ideas! And free food is always a great incentive to get people to attend events.
The most successful matters in member recruitment/retention are 1) making sure you catch the members’ eyes, and 2) providing quality meetings/materials, etc. so they want to stay.

To elaborate, nice, professional tri-fold posters or stands using literature ordered from the Key Club store for free makes the club look very well put together, branded, and catches a person’s eye. Make sure the other pamphlets or posters have vital key information such as statistics about KCI, our charities, and how many service hours we complete annually. Things like that really stick with people and persuade them to join.

To keep members, meetings and events should be informative as well as fun. Often times some clubs, you go, you listen to a presentation, and then you leave. What I liked to do as President was having Hi-Chew trivia to make sure members were listening and people loved it. Another thing you can do is bake/bring food, etc., have engaging icebreakers so everyone feels welcome and get to know each other. This way, they will have met new friends, will continue to come to meetings, and will be much more motivated to serve!

The most successful tactic for member recruitment/retention is really connecting with members on a more personal level. There are people that decide not to continue with Key Club because they are feeling left out. To prevent this, the other officers and I have been living out the Core Values of Caring and Inclusiveness to make sure members feel welcome and stay in Key Club.

“We’re ROARING for service!”
A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!
At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
