Division 6 South Key Clubbers break out plastic bags and gloves as they volunteer to keep the local beach clean.
Hello, CNH Bees!

Welcome back to school! I hope each of you are enjoying your time back. By the end of this month, we will have already fallen back into the routine of waking up early, attending classes, and counting down the days until our service filled weekends. However, with the new school year comes new opportunities to make an impact on the lives of those around you. As you continue to adjust to the new school year, please join in the caring spirit as we continue to reach out to our peers and introduce them to the many experiences provided by our wonderful organization. This year is your chance to share your passion for service and leadership with someone who will continue your legacy in the years to come.

As many of you continue onto the next chapter of your Key Club journey, keep in mind that there are many others whom are just starting with a blank page. Each one of us remembers the wonder with which we first learned of and attended our first club meeting—a stepping stone to Fall Rally or Region Training Conference, small moments of celebration and fellowship that may have inspired a new spark for service. Remember to give the members you serve the gift of Key Club; give them a story to tell and the opportunity to write a new one of their own. Of course, I encourage each one of you to keep on smiling, growing, leading – and most importantly, serving!

In the spirit of service,
Tina Bui
District News Editor
Governor

Greetings, CNH Bees!

Are you glad to be back at school? Have you attended a Key Club meeting? Better yet, were you able to convince some of your friends to join Key Club? Or better yet, did you pay your dues yet? Hopefully the answer is a resounding “YES!” to all of these questions.

As we all get back into the groove of school life, it is important that while we focus on what is currently right in front of us, we take a step back and look ahead to the future – especially when things start to pile up. As weekends become increasingly valuable as days to lounge around and catch up on sleep, remember that you should also make time for Key Club. Not only can you have fun, but also make a difference in your community through service.

However, if you are in need of an extra boost – look ahead! Region Training Conference, Fall Rally and the holidays will be here sooner than you know it. At RTC, you will be able to meet new Key Clubbers from all over the region in a day full of training where you will gain new skills and tools for you to bring back to your home, school and community. Soon after, Fall Rally is an opportunity to raise awareness for Pediatric Trauma Program through fundraising, showcase your spirit and engage in a day full of fun for all. These opportunities will bring life-lasting memories, and will hopefully inspire you and others to continue serving. It is important to note however, that in order to attend these events, members must be dues-paid! Help your club achieve our district goals for the year by paying dues, and ensuring that they are submitted to International before November 1st.

Until we meet, continue to serve and keep on shining!

Joshua Nuesca
District Governor

Secretary

Salutations, CNH Bees!

As we bid adieu to summer this month, I hope each of you is excited to move forward and welcome the new members into our wonderful organization. Embrace our core values and demonstrate that caring is YOUR way of life, and you truly can leave your legacy upon your home, school, and community by welcoming the future leaders of Key Club.

With school in session for most of us, I hope each of you has been able to adapt to your new schedule so you may still continue reaching your goals and completing your responsibilities for both school and your extracurricular activities, including Key Club. Though you may feel overwhelmed at times, remember to take a deep breath and stay focused. I BEElieve in you and know that you can do it! Through hard work and dedication, you can and will achieve.

Since the start of the term, I have focused on advertising the New Officer Information Form to Club Secretaries and Lt. Governors. Now, I am excited to announce that 451 clubs have completed this form! Though this may seem a large number, there are still many clubs that have yet to complete the form. Click HERE to complete the form for the first time or to update any officer/advisor/club information. Contact your Lt. Governor or myself if you have any questions.

These next few months, I am lucky enough to have the opportunity to visit Regions 3, 8, and 16 at your local Region Training Conferences. In addition, I will be at both Fall Rally North and South, so do not hesitate to say “Hello!” I hope to see you there! If you ever have any questions, please email me at cnhkc.ds1516@gmail.com. Have a great September!

In love with service,

Aloha, CNH Bees!

Autumn is here! The leaves will soon turn into fifty different shades of gold-en, while you will be getting back into the habit of school. As the Fall season goes by, everything will go by very quickly, so BEE ready! I urge every single one of you to balance your time wisely! Although Key Club serves as a very important part of our lives, all of us need to ensure that our academics come first! Please remember that you are not alone tackling this challenge. You have amazing support systems; so make sure to reach out! Do not BEE afraid to ask questions or for help. A new school year also means a new incoming class! This is also an oppor-tunity for you to recruit NEW and RETURNING members. Please make sure that you educate them effectively about dues! Remember that our District Goal is for EACH club to grow by 5 MORE members beyond retention. The Membership Update Center (MUC) will be closed from August 17th – September 14th. After September 14th, every club should update the club roster ASAP and submit dues BEFORE November 1st! Publications, newsletters, and infographics will be released to constantly remind all of you of dues dead-lines. ALL dues deadlines are RECEIVED BY deadlines. The Fall season will not be easy as you attend Region Training Conference, Fall Rally, Division Council Meetings, fundraise for PTP, all while conquering the school year! Do not forget about your resources. If you have any questions, please do not be afraid to reach out to your Lt. Governor and myself. We are here to serve you.

Message from your TRUSTEE

Hello California-Nevada-Hawaii Key Club!

Are you all enjoying your time back in school? Even if your answer to that question is not a “yes”, do not worry; we at least have Key Club meetings to look forward to! Speaking of which, I am eager to see the amazing things your clubs will accomplish throughout the year. I encourage you to reach out to me with anything; share your success stories, ask questions, or suggest topics I can cover in coming updates!

The best part of a new school year is meeting everybody. Make sure that your club is recruiting as many people as possible so that even more students can share the same fellowship in service we all share...BEE inclusive! If you are not aware already, Key Club International provides free posters and handouts that will aid in your recruiting efforts on the Kiwanis Store. Set up an account, add the items you desire to your shopping cart, verify shipping, check out and spread the Key Club love. I wish you all good luck!

I was fortunate to attend the Summer Board Training Conference and meet many of your wonderful board members while seeing how things worked - everyone was overflowing with passion for their respective committees and regions. As I get to work with you all this year, I hope to maintain the drive that your District Board has inspired in me. Thank you CNH Bees!

Yours in Service,
Hojin Yoon
International Trustee
hojinyoon98@gmail.com

CHALLENGE: My name is Hojin, a new freshman in your school. Besides the service hours, why should I join Key Club? Email me your answer!
Hello CNH Bees!
I’m Hojin, the Trustee for the Nebraska-Iowa, Bahamas, and California-Nevada-Hawaii Districts. I come from the crabtastic Capital District, where I also served as a Club and District Secretary. As your International Trustee, I will extend resources to you and relay ideas between your district and the International Board. Feel free to contact me if you have any questions!

**QUESTIONS**

Q. What nicknames do you have?
A. Sometimes I go by Hoj, Hojhojhoj, Yojin, or Hojoon

Q. What animal makes you smile?
A. I love otters.

Q. What food have you eaten too much in your life?
A. There was a period of time when my older sister used to work at a local Chipotle, so I would get the food at half-price almost every day. I almost got sick of it, but the Chipotle-withdrawal symptoms brought me back.

**GOALS**

For the 2015-2016 term, I hope to serve the CNH District to the best of my ability. One thing I would like to focus on is the relationship with your Sister Districts: Nebraska-Iowa and Bahamas. Having input from a completely different district will put things into perspective; and I want that option to be available to you. Through updates on K-family relations, preferred charities, and other International affairs, I will make sure that you have the knowledge to serve your club, division, and district to the best of your ability. Above all else, I aim to be a resource for you all — someone that you can rely on for any kind of question or concern, no matter the time or place. I am so unbelievably excited to work with the CNH District for the 2015-2016 term.

SAVE THE RAIN, Tanzania

“Although we are strangers, the smiles I see here are some of the most welcoming and kind expressions I’ve ever seen as serious faces are transformed by laughter and greeting.”

-Sara Wang, D375 Lt. Governor
Dust swirls in the air as we bump down a dirt road, feeling the Tanzanian ground as the bus twists and curves along the narrow path. To my right are bright fields of giant sunflowers that sway gently as we pass. To my left, the endless rows of golden maize remain serene and beautiful, disturbed only by herds of moving cattle. Every few minutes, my favorite part of this daily journey will occur again and again as entire groups of children rush forward to greet the passing visitors. As we eagerly slide back the windows to wave back, loud exchanges of “Mambo” and the responsive ‘Poa!’ fill the scene. Although we are strangers, the smiles I see here are some of the most welcoming and kind expressions I’ve ever seen as serious faces are transformed by laughter and greeting.

Days are packed and guaranteed to keep you busy with service to do, sights to see, and new faces to meet. Whether it’s standing up on the chairs of zooming safari car as you witness the largest concentration of elephants in the world or asking all the questions you can think of from a Masai warrior, every day is like living the experience of a lifetime.

Service and fun almost always go hand-in-hand, and this program was no exception. Involvement with many of the steps Save the Rain does to help a village through sustainable practices helped us understand the big changes clean water can bring to a community. Much of our days were focused on the local children and their contagious excitement. Cultural immersion was not hard to come by as we joined in on singing and dancing, playing soccer (soka) with the school children and their headmaster, and worked side by side with both workers and volunteers from the village.
In this trip, you can’t be afraid to get dirty. In fact, a lot of the completed projects involved generous amounts of dirt and sand! The first moment you swing a pickaxe up over your head and watch it sink into the ground as you rush it down is maybe the best moment of working on the primary school’s garden. Or possibly it’s finally throwing down your shovel after a long day of turning over dirt and mulching. Or is it when you pause a minute of your labor to laugh together at the stray and bewildered chicken ambling across your row? There are too many vivid and fantastic memories whooshing by in my head to choose one exact favorite moment.

Every day is a new day of possibility and new memories to gain perspective. Planting Meringue trees for our host families teaches us to never underestimate something or someone as we learn the enormous benefits and nutrition its tiny leaves and entirety contains. Watching our host families become surprised at the joy we find in feeding the goat frenzy shows how very different our experiences in life are.

In our second week, we start building rain harvesting tanks together with our host families and Save the Rain workers. Armed with a translator, we begin to learn more about the daily struggles most families in the village are forced to face. An hour of walking for water is considered a ‘short’ walk compared to the many others who must walk more to support their families.

At each house we are sent to, there has been recent death and grief. Yet our Mama’s strive to smile each day as they care for their farm and children with a determined outlook on life.

Amongst drying concrete and gathered rocks, we ask questions of our mason and laborer that make them both laugh and respond seriously on to why they joined the program. For many, it’s for the very same reason we found ourselves next to them. They see the impact of health, economic prosperity, and more family time as each tank is built. As the saying goes, water is life, and everyone in the world deserves access to a clean source.

If someone had told me that I would be fulfilling a dream of mine this summer, of going on a volunteer trip to Africa and making a difference in the global community, I would have laughed and dismissed their claims as wishful thinking. Who’s heard of high school students making a change? But that’s just what the embodiment of Key Club is. Anyone can make a difference in the world; they just have to believe that they can BEE the change.
What trip did you go on?

I went on the Save the Rain: Water Conservation Project in Tanzania. This was the very first year of the program and its partnership and I hope it returns! Trips vary in length and type with so many to choose from. Your Rustic Pathways experience really only depends on what you put into it, and what you want to take from your summer.

What kind of service did you perform?

Many kinds! Construction, health exams, and farming to more aptly put a label. As a group, we separated to construct rain-harvesting tanks all around the village as we worked with the mason and laborers. We performed a health examination and checkup of the Grade 4 students of the primary school and hoed the beginnings of a vegetable garden for the children to benefit from. One day was dedicated to planting Meringue trees as we started an assembly line for the hundreds of seeds provided.

Where did you stay?

We shared a house with a family. It took a little over an hour of travel by bus to get to the village of Nkoansiyo. Girls shared one room and guys shared another room a little bit away from the house. The first day of safari, we stopped at a camp where they housed us in these little igloo-shaped buildings. On the second day of safari and seeing the Masai tribe, we camped out in tents.

How did you communicate?

Throughout the trip, we had a main translator who gave us mini Swahili lessons. During construction, each group was paired with a translator so that we could communicate freely with our families and so that the mason and laborer could give us their instructions. During the safaris, our tour guides spoke magnificent English and were very welcoming. In the times between, like with the school children, we communicated with smiles and our terrible Swahili skills.
How did you cross language barriers?

A smile can go a long way! It almost guarantees a child to slip their hand into yours as you begin a game or a song. At each of the group’s house was a translator, and we were lucky enough to have two to laugh and exchange questions with. Generally, body language and pointing will get you places too. Small phrases of Swahili (“Poa kichizi kama ndizi” – “cool like a banana” being my personal favorite) was enough to get someone to laugh or know that we were thankful for their kindness.

What are you most grateful for now that you are back?

RUNNING WATER! TOILETS THAT FLUSH! CHIPOTLE! Aside from these luxuries that I dreamed about while on my trip, I’m so grateful for the life I have and that I mostly take for granted. I wish I could give these things like clean water available at the touch of a handle or even a car for the children to leave the village more than once every two years, but I’m so glad their lives will be changed with just one wonderful tank.

What were some of the craziest things about your trip?

More so, what was not crazy!
• Taking joy in each other’s stories when the electricity went out : you wouldn’t believe some of the fantastic stories people have when you just ask
• Peeing outside
• Dance parties with Masai warriors
• Joining a church conga line
• Our growing and unexpected love for goats
• Waving out your window and receiving dozens of hands shoot up and wide smiles greet you in return
• The sheer number of cows
• Having an elephant stop just a few feet in front of you and stare at you
• Everyone sings beautifully and everyone joins in : It’s a real life musical
• How heavy a bucket of water is (and that most women can carry it on their heads)

Who else went on your trip?

We were a group of 8 kids, all from the ages of 15-18. We had two counselors and many of the local Tanzanian staff. Everyone was from all over the U.S. and the world, with the most exotic being Spain and Turkey. A close friend of mine also joined me on the trip! I recommend doing trips in pairs because we had so much fun travelling and coming back with stories together.

Why should I sign up for a Rustic Pathways trip?

I can’t imagine where I would be without this trip. It was mind-blowing, game-changing, and so incredibly exciting. The people and things I encountered where the stuff of bucket lists and movies and I loved every moment of laughter and confusion. So go out there, see the world! You won’t regret it.

For more in depth registration questions, KeyLeader Coordinator Alex will be having a webinar on the registration process.
One of the easiest and most convenient ways to maintain strong relations with your sponsoring Kiwanis Club is by interacting and collaborating with not only them, but the other Service Leadership Programs they sponsor! Read below to learn of different ways you can reach out to your local Kiwanis Club in order to work with them and the other local SLPS.

**K-Kids**
Kiwanis Kids (K-Kids) is a student led organization for elementary students with the motto, “we build”.
You can...
- Co-Sponsor a K-Kids with your sponsoring Kiwanis Club
- Lead a service project — planting trees
- Host a spooky Halloween storytelling event with the K-Kids

**Builders Club**
Builders Club is the middle school branch of the Kiwanis Family with the motto, “Building Leaders”.
You can...
- Speak at their assembly (w/ school principal’s permission) about Key Club & reach out to those 14 years & up about Key Leader and seeking out local Kiwanis for scholarships
- Collaborate with them on service projects: campus cleanups or creating friendship bracelet kits

**KIWIN’S**
KIWIN’S is a student led organization for high school students, similar to Key Club, with the motto, “One Family. One Mission. One Word: KIWIN’S”.
You can...
- Do a beach /canyon clean-up together and/or assist your sponsoring Kiwanis with their service projects — pancake breakfasts or spaghetti dinner
- Ensure that your local KIWIN’S know how to reach out to Kiwanis for scholarships for Key Leader

**Circle K**
Circle K is the premier college and university community service, leadership development, and friendship organization with the “Live to Serve, Love to Serve” motto.
You can...
- Reach out to your local Circle K and attend their Key 2 College
- Bring the Kiwanis Shadow Program, in which a Circle K member would mentor a Key Club member
- Collaborate with your local Circle K on a service project

**Aktion Club**
Aktion Club is the only service club for adults with disabilities with the motto, “Where development has no disability”.
You can...
- Find out if you can assist them with an Aktion Club service project
- Get the other SLPs involved as well

**Kiwanis**
This Global organization is the parent of the Kiwanis Family and is dedicated to changing the world, one child and one community at a time.
You can...
- Attend their Kiwanis meetings & DCMS
- Support them with their Kiwanis service projects & they will support you back

Compiled by the Kiwanis Family and Foundation Committee
K-Kids is the **elementary school** branch of Kiwanis International. Though they may be young and small, they help their communities in a big way! From helping the elderly with chores to fundraising for school sports equipment, these K-Kids know the importance of service!

**How Can Key Club Help?**

1. **Find** advisors, members, and a place to meet. A Kiwanis club and a CKI or Key Club can co-sponsor!
2. **Help lead** in getting paperwork, training club leaders, and building spirit!  
3. **Initiate service** within the club by helping create service projects and fundraising ideas.

Similarly, Builders Club is the **middle school** branch of Kiwanis International, and has **45,000** members! Service, whether it’s raising funds for HIV/AIDS prevention in Africa or organizing recycling drives, is something Builders Club isn’t afraid to tackle!

Similarly, co-sponsoring a Builders Club can help give these middle school students the guidance into their service and leadership-oriented teenage life! The steps for sponsoring a Builders Club is similar to K-Kids, though more service opportunities are open because of the difference in age and maturity.
Have you had interactions within the Kiwanis Family and want to showcase it to the rest of the California-Nevada-Hawaii District? You can now submit your interactions with K-Kids, Builders Club, Circle K, Aktion Club, KIWIN’S, and Kiwanis through the Kiwanis Family Showcase! The articles and visuals that you send in will be selected to be featured in the District Newsletter each month.

**STEP 1**
Access the submission form on the Cyberkey to send in your articles.

**STEP 2**
Upload any visuals onto a photo website and send the link through the form.

**STEP 3**
Wait for your club to be featured in the district newsletter!
REGION TRAINING CONFERENCE

What is RTC?
A Region Training Conference is put on every year by the current Lt. Governor(s) in your Region or combined Regions. Meet Key Club members from other clubs in your Region and attend informative workshops on various topics that will help you and the other members of your club.

ACCORDING TO KEY CLUB INTERNATIONAL:

A service-hour constitutes any hour of service performed by an individual Key Club member with the approval of his/her club’s board of directors. (Key Club International Guide book: Article XXVII: Section F: Sub-section 7). This means that each club’s Board of Directors directly chooses how and which hours count towards a member’s overall service total.

**WHAT COUNTS AS A SERVICE HOUR?**

### Counts

- Service projects announced by your home club
- Book drives, food drives, etc. (counting, packaging, delivering, etc.)
- Project with other organization
- Preparing and presenting a workshop

Whether or not a particular event should be recorded as a service hour is decided by each club’s Board of Directors. Events that should be cleared before recorded include: Projects not specific to Key Club, Church events, Donations collected by the club for the preferred charities or other organizations

**If a service project is performed at an event, for example, a DCM, only the time spent performing service may contribute to service hours**

### Does NOT Count

- Attendance at DCMs, Fall Rally, DCON, ICON, OTC, RTC, or Key Leader
- Club, board, committee, or other non-service meetings
- Club Rush (Day)
- Socials, parties, or dances
- Mandatory duties and responsibilities
- Fundraisers for the club’s use
- Paid and Unpaid Internships
- Any time in which a member is paid for their service
- Any kind of transportation to and from a project

Major Emphasis

“In 1946, the organization [Key Club] was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International’s partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children’s Miracle Network…” – keyclub.org

Preferred Charities

1. **Children’s Miracle Network**
   - CMN strives to save young lives battling every type of childhood illness and injury

2. **Pediatric Trauma Program**
   - The goal is to reduce the number of children who are killed or injured by trauma.

3. **UNICEF**
   - The United Nations General Assembly’s goal is to advocate for the protection of children’s rights, to help meet their basic needs and to expand their opportunities.

4. **Major Emphasis Program: Live 2 Learn**
   - Live 2 Learn focuses on helping children ages five to nine overcome learning obstacles. To accomplish this, Key Clubbers are encouraged to work with primary school children and serve as tutors, mentors, and role models.

5. **March of Dimes**
   - The mission is to help moms have full-term pregnancies and to research problems that threaten the health of babies.

Policy of the Month

ARTICLE XXI. REVENUE SECTION 1

Cali-Nev-Ha + International

DUES
$11.50

Each Key Club shall pay Key Club International, or its designated fiscal agent, annual dues of seven dollars (US$7), being membership dues and subscription to the Key Club International publication, for every member, but not including honorary members. Dues shall be payable during a period of at least 60 days according to a schedule set forth in Key Club International Board Policies and defined for each nation taking into account academic calendar and financial practices of the nation. There shall be no other fees or assessments of clubs.

WHY ARE POLICIES IMPORTANT?

Policy serves as one of the best training resources available as well as communicators. It is a written record of Key Club International Bylaws and provides the map necessary to lead all clubs internationally to success. Publications in the District Newsletter and monthly emails highlighting individual policies will improve awareness of policy. Nothing is ever a finished product. Policy can always be improved by being more specific and available to use as a resource.

Here in the Policy International Business, and Elections Committee, we work on regulating, fixing and enforcing the rules! And this month we wanted to highlight a policy in the Cali-Nev-Ha’s District’s Policies and Bylaws!
Presidents are the "parents" of the club! They make sure to know everything that is happening in the club and checking if everyone is doing their job correctly. They are also an important link of communication with the school administration, the activities director, the sponsoring Kiwanis and the Lieutenant Governor.

Vice Presidents are the well-rounded helpers. They assist the president under a specific area that they are assigned to whether it be members, community, service projects, or school. They also help cement the gap between members and the board.

Secretaries are the record keepers! All activities that the club does is recorded in the Club Monthly Report Form. They record all club meeting minutes and board meeting minutes. If anyone has any questions about the club, they would know what they’d be talking about!

Treasurers are the baller! They’re in charge of all the money business and work closely with a respective adult to conduct your duties. However, it is important that NO STUDENT EVER handle the money by themselves because it is an adult’s job to do so!

Editors are the aesthetics person! It is their duty to showcase the club as its best by creating fabulous newsletters, publications, posters, etc. They want people to say “Wow! What a beautiful creation” when people view their stuff!
## What are CNH Contests?

The CNH contests provide members and clubs with recognition opportunities through contests. Members and clubs will be able to showcase their achievements by following the guidelines and will be recognized at District Convention.

Spotlight on Key 2 College

District Key 2 College (at Kiwanis District Convention)

On August 15, the Cali-Nev-Ha District of CNH Circle K hosted its annual District Key 2 College in Sacramento. There were over 100 Key Clubbers present at this event, mainly consisting of members from Region 16(7N/S, 27N/S, and 44N/S). District Key to College’s main purpose is to help high school students prosper and learn about what college is, and to answer any questions that they may have to lessen the stress when applying. There were four different workshops at DK2C this year, which were: 1. Financial Aid/ Money Management; 2. Social Circle; 3. How to Handle College; 4. Knowing Your Options. The Financial Aid/ Money Management workshop’s purpose was to help students understand how to pay for college and where the money is. The Social Circle workshop’s purpose was to help teach students how to feel welcomed at their school. The How to Handle College workshop’s purpose was to help students prioritize what is important, and learn about what to use to help schedule oneself. The Knowing your Options workshop’s purpose was to teach students the different options they have when picking colleges to apply to. After the workshops, there was a panel in which the Key Clubbers were separated into five groups headed by four college students to help answer any questions the students had. The final stage of the day was the College Expo, in which Key Clubbers came in to ask questions about the schools they were interested in. Representatives and Circle K members from local community colleges to multiple CSUs and UCs were present to answer questions students had about admission.

“Attending District Key to College was truly an amazing experience! Before I attended Key to College, I knew nothing about college. I did not know where to start, where to apply, and I had so many questions about college! When I arrived Circle K members from all over CNH greeted me! Throughout the day, I got to attend multiple workshops, panels, do icebreakers, learn CKI cheers and so much more! I was able to talk to Circle K members one on one and ask any questions I had, while learning everything about college! I was able to learn things from how to apply to college, to college life in general! I was also able to explore multiple colleges during the College EXPO, and this gave me the chance to talk to actual college students. I can definitely say attending District Key to College was one of the best decisions I made. Not only am I prepared for college admissions in the fall, I met lots of amazing and inspiring people along the way. I am so glad I got to attend, and I can say it was a wonderful event!” – Gurkiran Kandola, D27S LTG

“Key 2 College was a fundamental learning experience for me where I got the knowledge on how to apply for college, afford college, participate in college/Circle K, and find what UC is a good fit for me. Overall, the experience was fantastic. Since it was a Key Club affiliated event, it was no surprise to me how great it was- meeting new people in Region 16 definitely topped the list of my favorite things that went on. I had an amazing time & I can’t wait for the next Key 2 College!” – Ryan Hardmeyer, D44N Club Secretary
Test Optional Schools

It is a pretty well known and accepted fact that one of the most important aspects of a college application is a good SAT or ACT score. While scoring high on either exam might be a breeze for some, it is unfortunately not quite as easy for everybody. For those currently struggling with their SAT or ACT exams, it might come as a relief to know that a low score might not actually bring an entire application down! Many colleges/universities are beginning to take more holistic approaches in reviewing college applications, which means they are placing equal value on all aspects of the application, including grades, extracurricular activities, leadership experience, personal statements and supplemental essays, letters of recommendation, etc...in fact, some colleges/universities are no longer requiring applicants to submit SAT or ACT test scores! **Read below to see a list of colleges/universities that do not require applicants to submit SAT or ACT test scores! If you click on a college/university’s name, you will be directed to that school's website!**

**TIPS on surviving the fall**

**Project Happiness** is an organization partnered with Key Club that aims to end bullying as well as build individual character, overall improving the happiness of yourself and those around you. The fall season not only marks the beginning of school, but the start of a new year for your school’s Key Club! At these times, life can become quite stressful. Here are some tips to help you survive the fall season:

**Tip #1: Know your priorities!**
If you are feeling overwhelmed, know what’s more important and maintain those first! Don’t be afraid to take breaks; your health is important.

**Tip #2: Eat healthy and sleep early!**
With busy schedules, getting enough sleep and proper nutrition can seem like a challenge. However, doing so will make you feel better and help you be more productive.

**Tip #3: Stay positive!**
Make a goal and work towards it; motivation is a great way to stay happy during hard times. Project Happiness states that “only 10% of our happiness is due to our external circumstances and a full 90% is based on our inner environment,” so CHOOSE happiness and always look for the light at the end of the tunnel.

For more information on staying happy, check out Project Happiness’s 21-Day Happiness Challenge [here](#)!

Preparing a Service Exposition

What is a Service Exposition?
The purpose of a Service Exposition is to provide groups with the chance to showcase projects, events, achievements, or information. Members, clubs, divisions, or regions can prepare displays at a Service EXPO to educate others about relevant topics.

Service Expositions can be included in club meetings, division meetings, training conferences, region events, and more. Decide on which location would be the best to showcase your information and begin working on a display!

Ways to Display
- Trifold pamphlets
- Posters
- Display boards
- Booths/tables
- PowerPoint presentations
- Informational videos

It is up to the individual/group to decide how to showcase - these are just a few ideas!

Ideas to Display
- Service Projects
- Fundraisers
- Socials
- Training Conferences
- Club/Division/Region information
- CNH District & Key Club International Information
- Goals & Achievements

It is up to the individual/group to decide what to showcase - these are just a few ideas!

Where to Display
- Club meetings
- Division Council Meetings
- Division Socials
- Exposition Events
- Officer Training Conference
- Region Training Conference
- Leadership Conference
- District Convention

It is up to the individual/group to decide where to showcase - these are just a few ideas!

### Plan a Customized Group Trip with Rustic Pathways!

For more info email keyclub@rusticpathways.com
A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
