Hello, CNH Bees!

Classes are in full swing, preparations are being made for first meetings, and new members are finding their way into an organization unlike any other. If you’re noticing plenty of new faces you don’t quite recognize and names you have yet to learn, you are not alone. It makes sense: With the arrival of the autumn season, we receive the opportunity to celebrate new beginnings while feeling a little wistful for experiences that now lie in the past and people whom have by now moved on to new frontiers in their lives, undoubtedly taking a part of Key Club with them.

Even as the leaves fall, however, the season is ripe with plenty of opportunities for service and fellowship; summer-time anticipation overflows into fall-time exhilaration. The new faces you see are here to stay, especially if you offer them a bite from the sweet kernel of service, along with everything else Key Club has to offer.

What’s spooky? It’s not the haunted houses, the ghost stories, or even college applications—which an increasingly clear and present reality for many of us heading into autumn. Before we know it, half of the Key Club year will have already passed us by. Plenty of work left to do, or plenty to celebrate? Why not both?

Hello CNH Bees!

Welcome to the fall. With member recruitment activities, RTCs, and Fall Rally, October is a month full of opportunities to grow as an ohana. As we continue to reach new heights, I encourage you to keep our District Goals in mind so we can CELEBRATE together come March 2015. Remember: Our goals are to CELEBRATE Service – 5 service projects a month; Leadership – Every member is a leader; and Family – Save 5 lives from MNT. By accomplishing those goals, we will truly have a lot to celebrate by the end of our terms.

I hope you are all as excited as the Executive Team is to join members from all across the district to celebrate another successful year of fundraising for Pediatric Trauma Program (PTP). Year after year, the effort you put into fundraising for PTP makes a difference. With last year’s fundraising totals adding up to over $173,000, there is no telling what this year will bring!

Remember that fundraising efforts do not have to stop at Fall Rally! In addition to fundraising for PTP, take advantage of this month to save 5 lives from maternal/neonatal tetanus. With your opportunity to participate in Trick-or-Treat for UNICEF in support of The Eliminate Project, achieving this goal should be as easy as pie! Just $9 is all you need to achieve this goal.

Each and every one of you is capable of changing lives—through introducing a future leader to this organization, fundraising for Pediatric Trauma Program and the Eliminate Project, or just going out into the world to truly care for and serve others—this is your opportunity to be a hero. You have a lot to celebrate. Your unending service is both admirable and inspiring. Thank you for all that you do!

District Governor

Secretary

Greetings, CNH Key Club!

What do you think of when you hear, “October”? I think of autumn, the color orange, round pumpkins, crunchy leaves, and a lot of fun. I’m so glad we’re finally here, starting the fall season.

While October may be very fun, it is also extremely busy! With Club Rush, first meetings, membership recruitment and retention, dues, Region Training Conferences, and Fall Rally, this month will most definitely fly by in an instant. As you work diligently toward each of those items and events, keep in mind the district’s celebratory goals. As a district, we plan to serve 5 service projects a month, generate more leaders, and save 5 families from MNT. With the combined efforts of our CNH ohana, I have no doubt that we will be able to reach our goals by District Convention 2015. As the countdown towards Fall Rally begins, BEE sure to keep track of all the funds you’ve been raising for PTP. Even though funds may be turned in on-site, it’s best to turn the money in as early as possible! Always remember to utilize the proper protocols and money-handling forms when dealing with fundraisers.

In addition to fundraising for PTP, make sure to encourage members to raise money for The Eliminate Project. Remember, it only takes $1.80 to save a family from Maternal Neonatal Tetanus. It only takes $9.00 to save 5 lives; skip the Starbucks for a few days and it’s done! This month will be filled with challenges and learning moments, but it will be a most rewarding experience. Remember that you always have your support teams, so utilize them well. I look forward to meeting many of you at either RTC or Fall Rally! Thank you for your hard work.

With love and care,

What is it? Membership Update Center time! What is it? Dues season time! That’s right, $11.50. We are indeed all in this together, as our clubs start paying their annual dues. The Membership Update Center officially opens on October 1st, giving your clubs plenty of time to update their club rosters, print their invoices, and send them along with a check to Key Club International. Some general reminders: The final date for dues to be received on time is December 1st, with the early bird deadline being November 1st. I know that each and every club will be able to pay their dues on time and even early. Make sure to start now in order to have a successful dues season.

If you ever need help with understanding dues and/or how the membership update center works, check out this infographic: https://infogr.am/membership-update-center-muc?src=web.

With the following months comes Fall Rally! Fall Rally North will take place on October 18th and Fall Rally South will be November 15th. Come and celebrate with fellow Key Clubbers and help raise money for Pediatric Trauma Program. If you have any questions on Fall Rally make sure to ask your club officers or Lt. Governor for more information. I can’t wait to see all of you busy bees there; have an amazing and spoooooky October! Continue to work hard and enjoy the time you have left in high school! We are all almost done with our first academic quarter. Have you been doing your part in celebrating and accomplishing the district goals? I cannot wait to see all of you soon!

**Cards for Hospitalized Kids**  
Gwen Atherton | Division 18 East | El Diamante

Cards for Hospitalized Kids (CFHK) is an organization that provides handmade cards to hospitalized children in all 50 U.S. states. In total, the organization has been able to provide over 40,000 cards to children staying in hospitals since its founding in 2011. The cards are seen as a way to bring a little joy back into the lives of children whom need it the most.

Whether a child's hospital stay is for a couple months or a couple years, things can get pretty lonely for them. Seeing the same people and hospital room walls day after day would not be fun for anyone, especially not for a kid. When a child receives a hand-written card from CFHK, it reminds them that there are people out there—lots of people—who care about them and their happiness. It may make their hour, their day, their week, or their month, possibly even their life a bit brighter. No matter what, it will make them happy and give them hope.

Key Clubbers from El Diamante Key Club gathered together to create, write, and decorate cards for hospitalized children. Club officers provided and distributed stickers, construction paper, markers, crayons, scissors, glue, and pens to eager members wishing to make the cards. Ideas were passed around and creativity was everywhere as both officers and members joined in on the service.

After the cards were decorated and words of encouragement were written, the cards were put into envelopes, sealed, and addressed. Dozens of cards were written and sent to the Cards for Hospitalized Kids organization, and eventually to hospitalized children that would appreciate receiving them. It was a great experience for all involved to know that their work would bring a smile to a child's face and some happiness to their hearts.

**Home Depot Kids Workshop**  
Ly Nguyen | Division 44 South | Foothill

On September 6th, Foothill High's Key Club volunteered at the Home Depot Kids Workshop in Antelope, CA. On the first Saturday of each month, Home Depot Kids Workshops offer do-it-yourself projects for kids of ages 5 to 12 years old. These workshops are not only super fun, but also teach children the basics of tool safety and to giving them a sense of accomplishment.

This month, the project was to build birdhouses. At 8:00 AM, Foothill Key Clubbers arrived at Home Depot to help set up the areas for the workshops, the event running from 9:00 AM until noon. Before parents and their children began lining up at the doors, Key Clubbers filled plates with paints and distributed tools such as hammers and paintbrushes. When the workshop began, Key Clubbers were either sitting at the front table or assisting the children with their projects. Key Clubbers filled the front table handed out aprons, wrote certificates, and gave out congratulatory pins. Other Key Clubbers refilled paints, changed paintbrushes, and helped the kids build projects. At the end of the workshop, volunteers picked up trash, collected tools, and put tables away. For good reason, Foothill Key Clubbers always look forward to volunteering at the Home Depot Kids Workshop. After all, it was truly amazing to see the children's smiles as they worked on their projects.
Mats for Uganda
Clare Kanchana | D25 East | Van Nuys High School

Mats for Uganda was a special event for Key Clubbers to participate in and attend. Together as a group, we created a huge mess but in a good way: There were bags everywhere, and some people were cutting bags while others wove them together. The purpose of cutting these shopping bags was to produce “plarn” (plastic yarn) that would later be weaved into mats, which can then later be used for sanitary environments.

Making these hand-made mats was a step toward aiding and supporting Ugandans, in need of a clean place to work and rest, and gave participating Key Clubbers a new sense of awareness of what kind of living conditions that others may be dealing with on a daily basis. For two hours, making plarn was a simple, yet enjoyable, activity that let us bond with other members and help others in need; rolling the plarn-to-plarn balls didn't feel like work at all. Despite not requiring much energy or work for this activity, we endured hot weather outside in the park, although we were blessed with plenty of shade from the trees hanging overhead. By the end of the day, however, Key Clubbers were throwing plarn balls in the air as a sign of victory.

Have you ever volunteered at the animal shelter? If you haven’t, you’d probably think that you’d spend the entire day petting dogs and playing with cute little kittens. Indeed, we help out our furry friends, but it’s in a totally different but extremely crucial way: cleaning. Yeah, cleaning! See, at the animal shelter, there’s this outside area called “The Bay,” a hub for water/food dishes, cages, dog food, cat food, little toys for the animals, stray birds, dogs that have just brought in—anything you can think of that’s associated with caring for pets—it’s all in the hub!

Naturally, as a city-run center, they don’t have enough money to pay workers to keep The Bay tidy. That’s where we Key Clubbers come in! We spent the entire day cleaning up the bay, doing dishes, helping out with laundry, and tackling the huge wet, furry mess that is the bay. My favorite task was filling up these dog toys called “Kongs” with peanut butter and dog treats! Any dog that receives a Kong that I filled up would be ecstatic to find how generous I was with the dog treats. (Don’t worry; the shelter encouraged us to be generous!) All in all, even though it was hot outside working in the bay and that the work was grueling, I truly enjoyed getting close to all of the members that worked so hard that day.

**School Supplies Drive**
Christopher Kim | D22M | Maui

On August 30th, 2014, Maui Key Club gathered to organize school supplies for elementary students. These supplies were then brought to the designated location and sorted by the type of materials that were present. Maui Key Club was able to participate in a joint service project and was able to bond over helping elementary students. We are so grateful to be able to impact a child’s education in a small but meaningful way. This project made us realize that something as small as distributing school supplies can really go a long way in affecting someone’s life.

**YMCA Tutoring**
William Li | 22H | Theodore Roosevelt

Theodore Roosevelt Key Club organized this project by getting in contact with the local YMCA who proposed that the club should help with their after-school tutoring program. Every day after-school, they would need about 3-5 people to help tutor students. We get to help assist and educate a group of ten or more middle school students which led our participating members to not only make an impact in someone’s life but to also be more exposed to working with kids.

With Halloween approaching, there is a sense of anticipation and joy. This year, rather than focusing on making the perfect costume, finding the scariest haunted houses, or getting the best candy spots, let's instead make a difference. Let's focus on giving back to the community for every little treat we receive. Every October, Key Club partners with UNICEF in order to specifically raise money and awareness for The Eliminate Project. The Eliminate Project’s mission is to eliminate maternal and neonatal tetanus from the earth. The cost to vaccinate a mother and her future babies is only $1.80. Some ways to raise funds for The Eliminate Project include: Trick or Treating for UNICEF, hosting a Halloween festival/dance, selling Halloween treats, putting together a scary movie night, and much more!

Where do PTP donations go?

PTP donations are used to provide funds for materials such as helmets and car seats, education, and outreach to prevent pediatric trauma in our local communities. Funds also go to partner hospitals to identify projects the Kiwanis Family can undertake to address the issue of pediatric trauma as well as to the Kiwanis Doctor Program, which provides advanced medical training and personnel for first responders throughout the District.

Donations to PTP are also given to Kiwanis and SLP clubs to fund various projects. Donations also allow for the purchase of safety items at a subsidized cost in the community.

YOU are changing lives!

You are making a huge difference through the donations and effort you put into supporting the Pediatric Trauma Program. For every dollar and cent you donate and the minutes and hours you invest into a fundraiser or into raising awareness of pediatric trauma and its preventability, YOU are bringing us a step closer to preventing pediatric trauma, a step closer to making the world a safer place for children. Without your unwavering efforts, none of this would be possible!

Theme: Show your K in every way!

Show people what Key Club is all about! Spread the word by wearing Key Club gear and publicizing Key Club Week in local stores, your school Web site, community newspapers—even on the radio. Officially announce Key Club Week in your community through promoting at your home club, school, and even your local government by submitting a proclamation!

TUESDAY, November 4th, 2014

Theme: Kudos to the KEY players!

Personally thank all the Key Club supporters you know—teachers, advisors, Kiwanis family members, and other Key players. Write thank-you notes, host an appreciation dinner or do something uniquely your own style to recognize the contributions of these special people.

WEDNESDAY, November 5th, 2014

Theme: Connect the Ks!

Key Club is the largest high school service organization in the world and is a member of the Kiwanis family. Celebrate the entire family of Kiwanis by getting the whole entire Ohana involved. Connect with local Kiwanis, Circle K International, Builders, Kiwanis Kids or Aktion clubs and team up for a joint service project and/or a social!

THURSDAY, November 6th, 2014

Theme: Bring a friend to Key Club!

More members = more service. Increasing the amount of service Key Club performs increases the impact Key Club has on the world. Bring a friend or two to your next Key Club meeting, service event, or social!

FRIDAY, November 7th, 2014

Theme: YOUR WAY!

This is your club’s chance to do its own thing and make its mark. Pick a project, plan a recruitment party or combine activities from the other Key Club Week days. Whatever idea you choose, take it and run with it!
Key Club Week

Testimonials

"Westminster High School celebrates Key Club Week every year, starting with wearing our division shirts (so all the non-members ask us what Key Club is). Then, we write thank you cards to our faculty and Kiwanis advisers. We also try to have a joint service event with a nearby Circle K club, and on our meeting day we encourage members to bring one non-Key Club student to join us at the meeting. On the very last day of this wondrous week, we celebrate Key Club by having members come out to put on a school beautification day."

-Hanh Do, D04N LTG

"Celebrating Key Club week was a great opportunity to show our school and peers the true essence of Key Club! With many members in my home club dressing in their spirit gear and representing Key Club, we were able to educate our peers on what Key Club does for the community as well as its impact on people on a personal level. We also showed our appreciation for our Kiwanis and Faculty Advisers with cards signed by the whole club. The week was a great way to boost everyone's morale for being in the club as well as to recruit members by enlightening them about the organization as a whole."

-Eileen Vedar, D21

"Key Club Week is meant to celebrate Key Club and its importance in members' lives, and we followed this idea through asking for members' reflections. During the club meeting of that week, we set up a white board for members to post sticky notes on what they gained from Key Club. Many put down the addition of new friendships and positive spirit from Key Club. During this same meeting, we also rewarded our club advisor with a gift card in appreciation of her efforts for allowing such an organization to flourish within our school."

-Darian Martos, D21
**Brief History:**
The Kiwanis Cal-Nev-Ha Foundation was established in 1965 in response to the floods in Klamath, a town in Northern California. Since then, the foundation has grown to support several different areas to support the CNH Kiwanis Family through charitable programs, grants, scholarships, and training.

<td>The Kiwanis CNH Foundation supports a variety of programs, but their main and most successful is <strong>Pediatric Trauma Program</strong> (PTP). PTP fights against unintentional injury by providing well-needed education and safety equipment to families. PTP also funds the Kiwanis Doctors program, which gives doctors special medical training in pediatric trauma so that patients will be given the best chance of survival during treatment. <strong>Fact:</strong> Unintentional injury is the #1 killer of children under the age of 14.</td>
<td>In 1980, Past CNH Kiwanis Governor Kenneth C. Forror, M.D., created the scholarship fund to support students in their SLP. Between $75,000-$100,000 is rewarded every year to Key Club, KIWIN’S, and Circle K members who have readily demonstrated outstanding service to their home, school, and community. One such scholarship, the Loretta Barksdale McElwain scholarship, awards $20,000 to the recipient. <strong>Tip:</strong> Contact your local Kiwanis club for scholarship opportunities!</td>
<td>Just as Kiwanis members are encouraged to support the foundation, we as Key Clubbers can support the foundation through donations that support the Foundation’s many programs. Some of these programs include PTP, Hope 4 Kids, and the Special Olympics. The foundation also provides several awards to SLP members whom donate to the foundation, awards such as the Distinguished Service Award and the Hope of America award. <strong>Tip:</strong> Money isn’t the only way to support the foundation!</td>

Contributions from your ‘14-’15 Lieutenant Governors

A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!

AT FALL RALLY SOUTH!
“Providing the members with an opportunity to grow in service and leadership, RTC was yet another memorable event. RTC allowed members not only to rebuild their Key Club spirit, but also to break out of their shell. Within this one day, members were pumped up to celebrate this 2014-2015 year with all the new information they gathered.”
Johnny Zhu, Lt. Governor D22H

“RTC was a great experience because I got to see the Region 18 Ohana once again. I liked how we could get together and solve common club problems that were brought up in our large group discussions. Overall, I enjoyed RTC, and I hope Region 18 enjoyed it as well!”
-Bennet Cariaga, Lt. Governor D22K

“Though only a day, Region Training Conference was a great experience. RTC was a time for old friends to reconnect, and for new friendships to form. We got closer as not only a Region, but as an Ohana. I can’t wait to see all of you again at Hawai’i Convention!”
-Kristen Yagi, Lt. Governor D22M
