A word from the NEWS EDITOR

Hello, CNH Bees!

Welcome to the fall! With member recruitment activities, RTCs, and Fall Rally, October is a month full of opportunities to grow as an ohana. As classes fall in to a full swing, preparations are being made for first meetings and new members are starting their journey with an organization unlike any other. If you’re noticing plenty of new faces you don’t quite recognize and names you have yet to learn, you are not alone. It makes sense: With the arrival of the autumn season, we receive the opportunity to celebrate new beginnings while feeling a little nostalgic for experiences that now lie in the past and people whom have, by now, moved on to new adventures in their lives, undoubtedly taking a part of Key Club with them.

Even as the leaves fall, however, the season is ripe with plenty of opportunities for service and companionship; summer-time anticipation overflows into fall time exhilaration. The new faces you see are here to stay, especially, if you offer them a bite from the sweet kernel of service, along with everything else Key Club has to offer.

What’s spooky? It’s not the haunted houses, the ghost stories, or even college applications—which an increasingly clear and present reality for many of us heading into autumn. Before we know it, half of the Key Club year will have already passed us by. Plenty of work left to do, or plenty to celebrate? Why not both?

In the spirit of service,
Tina Bui
District News Editor
Governor

Aloha CNH Bees!

Welcome to autumn! Although the colors on the leaves may not be changing, this time of the year is full of exciting activities to entice new members to Key Club and to renew your spirit as we enter the final months of the year. With RTCs in full swing, and Fall Rally just around the corner, October is full of opportunities to grow our ohana. Amidst the whirl of events keeping you a busy bee, I encourage you to keep our District Goals in mind as true Guardians of Service.

I am truly excited to meet CNH members from all over the district in our upcoming Fall Rally events. Remember that one of our goals this year is to raise $170,000 for Pediatric Trauma Program. The work we do as one district year after year truly makes a difference within the homes, schools and communities across three states. But also remember that our fundraising efforts to not have to stop with Fall Rally! Take advantage of the fall season to participate in Trick-or-Treat for UNICEF in support of The Eliminate Project. Open this fundraising opportunity to everyone in your school and raise awareness for maternal/neonatal tetanus. 100% of all funds raised through Trick-or-Treat boxes will go to The Eliminate Project, so now is our chance to make considerable progress towards meeting our $500,000 commitment.

Thank you for your continued service and efforts towards our preferred charities, and please know that your actions truly are changing lives and making a difference. I look forward to meeting you soon, but until then, keep on serving!

Joshua Nuesca
District Governor

Secretary

Greetings fellow CNH Bees!

I hope the start of the school year has been pleasant for each and every one of you. Make sure you manage your time wisely and avoid procrastination so you can truly enjoy the fun month of service that lies ahead of us.

This month, Fall Rally North and Region Training Conference, in addition to club meetings and service events, await us as we celebrate all our hard efforts in fundraising for the Pediatric Trauma Program and the fellowship of members in each respective region. By contacting your Lt. Governor for more information, you can truly embrace what it means to be a Guardian of Service this month.

However, with a very busy October schedule, don’t forget to track your progress towards our Guardian goals. By the end of the term, the CNH District hopes to have served 1 million hours of service, raised $170,000 for the Pediatric Trauma Program, completed 5 service projects per month per member or club, and added 5 new guardians per club beyond retention. How far are you and the club you serve from earning the title, Guardians of Service?

In addition to fundraising for the Pediatric Trauma Program, don’t forget to raise funds with the club you serve for the Eliminate Project! In the past month alone, we received news that MNT had been officially eradicated in India and Cambodia. Keep up the phenomenal work so we can see the 21 countries still battling defeat the terrible disease.

I look forward to seeing many of you at Fall Rally North or your local Region Training Conference. If you have any questions, I’m always here for you, at cnhkc.ds1516@gmail.com!

In love with service,
Amir Patel

Aloha CNH Bees!

It is finally that time of the year that all of us have been waiting for! Membership Update Center time! Today is the official day that you can begin sending your dues submissions in! Please ensure that you give the members you serve enough time to submit dues. I encourage every single one of you to aim for the EARLY BIRD RECEIVED BY deadline, which is November 1st. The ON-TIME RECEIVED BY dues deadline is December 1st! If your clubs’ dues are not received by December 1st, your club will be delinquent! I am confident that each and every club will be able to submit dues on time!

If you need any assistance in the process of dues or how the Membership Update Center works, please do not hesitate to reach out to me by e-mailing cnhkc.dt1516@gmail.com!

Within the following two months, we will soon reunite at Fall Rally! Fall Rally North is taking place on October 24th at Six Flags Discovery Kingdom in Vallejo, CA. On the other hand, Fall Rally South will be taking place on November 14th at Six Flags Magic Kingdom in Valencia, CA. I would like to invite every single one of you to come, experience, and raise money for the Pediatric Trauma Program! I would also like to encourage everyone to utilize the Fall Rally EXTRAS!

Continue to work hard in school, and enjoy the time you have left in high school. We are coming near to the end of the second quarter, so enjoy it while it’s here! Thank you for your dedication, service, and all of your hard work!

Buzzing in Service,
Mary Kim Delemos

Message from your TRUSTEE

Greetings, California-Nevada-Hawai‘i Bees!

Trick-or-Treat for UNICEF is just around the corner. Get together with your clubs and have some fun while raising money! There are many unconventional fundraising ideas on the Eliminate Project SLP website that you might enjoy, ranging from gingerbread haunted houses to Halloween pet parades. Some of my personal favorites are “Hosting a Murder Mystery” and “Monster Smash”. Please check them out!

For you seniors, October and November may be the most hectic months yet. With the hustle and bustle of schoolwork and college applications, it will become increasingly tempting to shrug off serving your communities. Just remember: although Key Club is only a high school organization, there are so many things we can take away from this experience for our years to come. Where else could one be a prime example of a leader...just by serving? If you ever feel burnt out, I urge you to think about the abundance of life skills and connections this organization has provided you - and also the unique mark you have left on it.

You come CNH, an incredibly large and passionate district that never fails to amaze; I have confidence that you will succeed no matter where you go.

On another note, thank you to all that have signed up for the pen pal system! Please let me know about any noteworthy occurrences between you and your pen pal.

Yours in Service,

"It was a place where everyone waved and smiled at your foreign looks, bellowing an “Hola!” and blowing a kiss or two."
- Terry Nguyen, Division 4 North Lt. Governor
It was a place where the air was hot and dusty, as the gravel kicked up a dust storm from the ground whenever your open air bus passed by. It was a place surrounded by forests and mountains, where you could truly feel alive as the wind bristled your face and the constant bug nipped at your skin. It was a place where everyone waved and smiled at your foreign looks, bellowing an “Hola!” and blowing a kiss or two. It was easy to feel overwhelmed at the diversity of the culture here in the Dominican Republic, but once you’ve ridden in your first open-air bus, tried some of the locals’ funky dance moves, and stared at the transition from city to rural life on multiple car trips, you’ll come to feel that this place is a strange home away from home. The locals offer you sweet mangoes you’ll tear apart with your teeth, or perhaps a sugar cane to suck on while they smile at your broken Spanish. The children eagerly cling onto your back, arms, and even legs and would refuse to let go. The rooster that wakes everyone up at 4AM does get annoying, but you learn to deal with it, just as how you’ve grown used to putting on layers of sunscreen and bug spray before leaving your cabin. Everyone makes jokes on how they won’t miss never flushing toilet paper or discovering new bug bites daily, but you know you’ll miss the crystal clear waters of the ocean, the upbeat Dominican songs you won’t ever understand, and the companionship of a group of individuals that made this such a special journey.
I attended the "Key Club: Mountain and Air" trip.

We performed a variety of different service projects over the 9 days I stayed. For the first couple of days, we helped create the beginning of a water treatment system for a university. The second service project was to help dig an aqueduct for a village in the mountains, and connect the pipes that were to bring them water. Finally, we hosted a small kids' camp for the children at a nearby elementary school.

I stayed at a local ranch - Rancho Baiguate.

We (tried to) communicate through broken Spanglish to the locals, but most people who were around us spoke English. We all generally knew basic Spanish, some more advanced than others, so the transition wasn't that difficult.

The craziest things occurred definitely when interacting with the Dominican locals. I piggybacked so many kids in one day more than I've ever in America! At a local marketplace, I was also able to barter for my souvenirs (which came as a surprise). The man gave me not only a 50% off the original price, but he also gave me a small key chain with the Dominican flag! Let's say that my confidence in my Spanish speaking abilities have grown.

Around 35 other Key Clubbers (we were a big group!) went on the trip. I had the pleasure of meeting two other Lt. Governors from different districts and was able to get to know fellow CNH Lt. Governor Sydney Garcia so much better!

Sign up for a Rustic Pathways trip to experience something new, out of your country and comfort zone. You certainly won't regret it, and you'll have a different perspective on what it means to live in a different place in the world.

what is fall rally?

Fall Rally is a district event with numerous purposes: to raise funds for the Pediatric Trauma Program (PTP) and to celebrate service, philanthropy, and the fellowship of Key Club. Due to the overwhelming size of the CNH district, we hold TWO Fall Rallies in two different Six Flags Amusement Parks, in both Northern and Southern California. On this day, thousands of members from across California and Nevada come together to showcase their passion and dedication they have for Key Club.

what is pediatric trauma program (ptp)?

The Pediatric Trauma Program is the combined efforts of the Kiwanis CNH Foundation and CNH Key Clubs to raise awareness for unintentional and severe or fatal injuries that occur to children. PTP is able to train pediatric doctors and nurses, purchase specialized pediatric medical equipment, and develop projects that educate the community on children's safety. By attending Fall Rally, we contribute to the fundraising/awareness for PTP, as a portion of each ticket sale is donated towards this incredible cause. Fall Rally truly demonstrates the remarkable duality of effortlessly making a difference within our communities.
THE BASIC STEPS ON PLANNING YOUR OWN SERVICE PROJECT

**STEP 1. IDENTIFY LOCAL NEEDS**
No one knows your community better than you do! So try to generate some issues you may have around your community and work to generate solutions and ideas of what you can do to help out. Another thing you can do is to have events that promote and fundraise for Key Club’s preferred charities.

**STEP 2. IT STARTS WITH YOU!**
It is up to you to put your ideas into action and make things happen. Team up with other Key Clubber or people in your community to work together and hold each other accountable to make the service event possible.

**STEP 3. LOOK AT THE MATERIALS YOU HAVE**
Materials that are easily accessible to you may play an important role on what you are planning to do your service project. So make sure you have enough materials so all volunteers are able to participate in the project!

**STEP 4. SERVE YOUR COMMUNITY!**
The key to a successful service event is effective planning. Make sure you organize your materials, make confirmation calls with volunteers and other coordinators. Now you are ready to start your service project and help out our community!

**DO IT YOURSELF SERVICE PROJECT IDEAS:**
- Dog toy making
- Sandwich making for local food banks
- Card making for soldiers, veterans, & children
- Blanket making
- No slip socks
- Pillow cases
- Place mat making for the homeless
- School clean up
- Reading to children in elementary schools & hospitals

How to donate to PTP

What is PTP?

PTP stands for Pediatric Trauma Program. The #1 cause of death in children under 14 is pediatric trauma. PTP fundraises to help end that by providing children with safety items and hospitals with money so they can expand and reach out to the children and families in the community.

Step 1: Fundraise!

You can’t donate if there is no money raised! Plan a PTP fundraiser like a bake sale, donation jars, restaurant fundraisers, and more! Be creative! There is no limit to what you can do.

Step 2: Write the check!

Make the check out to Cali-Nev-Ha (CNH) Key Club and the memo Division ##, BEE High school. YOU should NOT be writing this check. Get your local Kiwanis or your faculty advisor to write it!

Step 3: Mail it in!

Label the envelope like so:
To: ATTN: Bruce Hennings,
Key Club PTP Donation
Cali-Nev-Ha (CNH) District
Office
8360 Red Oak Street #201

From: BeeHigh School
Division ##, Region #
1234 Beehive St.
Beeville, BE 12345

Want/Need a Receipt? Insert a slip asking for a receipt and make the check payable to “Kiwanis Cal-Nev-Ha Foundation,” instead of “Cali-Nev-Ha (CNH) Key Club”

The deadline for mailed donations is RECEIVED BY 7 DAYS PRIOR to your respective fall rally! On site donations will be accepted AT Fall Rally but NO COINS will be accepted.
Spotlight on Kiwanis Interactions

“For the event following the DCM, we played Capture-the-Flag with a twist, glow-in-the-dark and asking for an admission price partly for food and majority going towards donating to Pediatric Trauma Program at a local school gym.

Behind the scenes of every successful Key Club event, it would have never been possible without the help of our Kiwanis Family. In terms of planning our September DCM, they have been apart of the communication between the school and board to use the facilities and being involved in important parts of the event such as handling the money, lighting for the event, and being a helping hand whenever possible. At the very end of the day, it was very heart-warming and rewarding to know that we raised a total of $238.48 with the help of our Kiwanis. From that alone, it is amazing to see how an idea, weeks of rigorous planning, contribution of the division, and the Kiwanis Family can result in a great end product for such an essential cause.”

Sally Tsai
D06S Lt. Governor

“This year at Region 18’s RTC the Lieutenant Governors decided to hold a PTP doll making service project. It was such a fun experience cutting out fabric and stuffing the dolls with fluff. The best part is working together with our Kiwanis. They taught new members how to sew and spoke about the importance of the dolls.

This was so interesting and inspiring. A Kiwanian told us that the reason we make PTP dolls is because as a child they might not be able to fully convey important information to doctors. The dolls are used to help children explain where they are hurting so doctors can properly diagnose them. The most touching part of the Kiwanian’s story was how she explained the children could personalize them. They could draw a face and add features that resemble themselves so they can have a little buddy to help them through recovery. Kiwanians helped put this event together, and without them, we would not have been able to hold such a successful event.”

Justin Paeste
D22K Lt. Governor

Trick or Treat UNICEF boxes are needed for this project. A club officer would order the boxes and then distribute them among members and then ask members to collect donations! This can be in any way, such as trick or treating, setting them up in classes, or asking a store if you may set a box up at check out. All the funds would go directly towards Project Eliminate.

Set up a jar or UNICEF box in every classroom and then planning a prize for the homeroom that gets the most pennies collected! This event may also add a challenge by setting up a point system. For every penny gained, a point would be given, and for every silver coin or dollar gained, points would be taken away (A dime = -10 points, a dollar = -100 points) Prizes given may include pizza party, donuts, or even a 5 minute early release from class before lunch for the week! Make sure to ask your school first!

The UNICEF Tap Project provides clean, safe water for children around the world by encouraging you to stop using your phone. Get your school to take the Challenge and have people send in screenshots of how much money they raised through the challenge! For more info, check out their site: http://tap.unicefusa.org/
The Fall Rally event is three events in one: a fundraiser; a celebration of service and philanthropy; and a day of Key Club, Kiwanis Family fellowship. The proceeds from the ticket sales in addition to the funds raised through the auction are donated on behalf of the respective divisions to support our CNH Kiwanis Foundation’s Pediatric Trauma Program (PTP).

**REGION 15 AWAKE-A-THON**

**WHEN:** October 9, 2015

**WHERE:** 9451 Brooks Road South, Windsor

Come join us at this event to raise money for Pediatric Trauma Program and get ready for Fall Rally!
A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
