Division 28 West Key Clubbers cheer on their Lt. Governor at the annual Region 5 Training Conference.
Hello, CNH Bees!

November is the perfect month for reflection: After all, every single experience at a service event or conversation with a fellow Key Clubber you’ve had becomes an additional moment to be thankful for. Giving thanks doesn’t stop at the end of November; of course, I hope you are able to recall many warm memories formed during the first half of our Key Club year. We’ve still got time to make so many more of them and to do so much more for our communities.

Ask yourself, what do I have that I can be thankful for? What has choosing to be part of this amazing organization enabled me to do? I know that I don’t just speak for myself in saying that I have learned so much and grown so much through the year so far. In the past seven months, you have come very far as a person through doing the things you love to do. BEE excited to grow even more! Don’t forget: you are a leader!

Just as there is always time to be thankful, there is always time for service! I don’t need to elaborate on how busy of a month November is for many of you, but I can vouch for keeping in touch with the service and the people that first drew you to Key Club in the first place—all of which, if nothing else, you can be thankful for.

In the spirit of service,

Happy November CNH Bees!

’Tis the month of giving thanks for the many opportunities we have to grow, succeed, and learn through the magic of Key Club. It’s the beginning of the holiday season, and that means lots of service projects are coming your way. What a perfect opportunity to give back alongside your Kiwanis family during Kiwanis Family Month!

Last month, we celebrated our first ever Pediatric Trauma Program awareness week leading up to Fall Rally North. Not only did we have a successful awareness campaign with hundreds of supporters from across the district on social media, the week was topped off with an amazing Fall Rally! We successfully increased our membership attendance at this event over last year, and raised more than $60,000 for Pediatric Trauma Program. Give yourself a pat on the back CNH, we have made a sizeable dent in our district goal to raise $170,000 for PTP! With Fall Rally South approaching in just a few weeks, that is another opportunity to fulfill our goal for the year. However, after Fall Rally has concluded, continue your efforts to fundraise for this worthwhile district project as we still have quite a way to go.

With the term more than half way over, and in the spirit of Thanksgiving, I just wanted to thank you, for your efforts so far to help bring our district to new heights. The district board is working tirelessly to create resources, and to leave a successful legacy for others to benefit from. From videos promoting PTP to manuals and publications in this newsletter, the EterniBEEs are always ready to serve you. If you’re interested in serving next year as a district board member, start thinking about attending Candidate Training Conference and register on the CNH CyberKey. Also feel free to talk to any one of the EterniBEEs to answer your questions, we are always here to help.

Joshua Nuesca
District Governor

Secretary

Happy Kiwanis Family Month, CNH Bees!

It was a blast meeting so many new Key Clubbers this past month at Region Training Conference and Fall Rally. The dedication and enthusiasm for service within each member I meet truly does inspire and motivate me to be a better servant-leader. In addition, it was truly remarkable seeing many of you participate in the first ever PTP Week. Now, I hope each of you who participated have a greater understanding of the Pediatric Trauma Program and will continue fundraising towards this great cause in future months. Our district goal is to raise $170,000 for PTP and we’ll only be able to achieve it through your support!

With the commencement of November, we have entered one of most fun-filled months of the term. With Key Club Week November 2nd to 6th, Fall Rally South on November 14th, and Key Leader at Camp Jones Gulch in La Honda, CA from November 13th to 15th, there are so many opportunities for you to spread the joys of Key Club within your homes, schools, and communities while also celebrating what it means to be a servant-leader. Attend these events in addition to the wonderful service projects in your area.

Though it may seem we just reached the middle of the term, we will soon begin preparing for the end of this term with the release of District Convention registration information, Candidate Training Conference, and more information about the many recognition contests available in the CNH District. Look for messages and emails from your Lt. Governor for more information!

I hope each of you has a great Kiwanis Family Month and are able to enjoy a month filled of fellowship with your fellow Kiwanis Family members. If you have any questions, never hesitate to contact me as I’ll BEE there for you!

Serving CNH for an eternity,
Amir Patel

Aloha CNH Bees!

Another month has past, can you believe how fast time passes by! Two more months and we end the year of 2014, what have YOU done this year? With November already here, means that you have ONE month to send in your club dues. Remember that dues are due December 1st and that this is a received by date. If you have any questions/are stuck on the dues process please message your LT. Governor, Region Advisor, or myself as soon as possible.

As we approach the end of the first half of the year, it’s important to start planning for the second half. District Convention registration will be released in the coming months, and fundraising for District Convention can start as early as this month! By fundraising for District Convention, members who are unable to pay the full price can pay a reduced cost, which can better incentivize members to attend. This is a great way for clubs to increase convention attendance. Remember that District Convention is a great way for members to get inspired, celebrate an amazing year of service, and learn more about Key Club in this eye-opening experience. More about fundraising for District Convention will be discussed in both next month’s Club Treasurer and District Newsletters.

Remember that to be considered a member in good standing requires you to have served a minimum of 50 hours of service! Try to find time throughout the rest of the year to fit in a service project and bond with the members of your club. Even though we all have busy schedules, there should always be time for service!

I hope that the rest of this year will be an eventful and exciting time in your lives, remember to pay your dues!

Buzzing in Service,

Mary Kim Delemos
District Treasurer

Message from your TRUSTEE

Greetings, California-Nevada-Hawai‘i Bees!

During this past month, you all have been able to serve through PTP week and Trick-or-Treat for Unicef. More than anything else, I hope you had fun. While raising awareness and money is the primary goal of things like TOT and PTP week, none of it matters if you don’t personally care for what you’re doing. From what I have seen, CNH has absolutely no problem spreading its passion. Keep up the great work!

With Key Club week on us, I’m going delve a little deeper into each day and explain why each of them should connect personally with our own journeys in service.

Showing our K in every way is our way of exhibiting our pride. We’re a student-led service organization that was created back in 1925. Look at what we’ve become.

Kudos to the Key Players aims to recognize the unsung heroes in Key Club. The adults and mentors behind the scenes genuinely want us to succeed, not just in Key Club, but as individuals. The adults involved in Key Club invest in us - the future - and we’re eternally grateful for them.

Daring to Care should bring our focus back to the children with the three preferred charities.

In my opinion, Random Acts of Kindness lets us do what we do best as high school students: being thoughtful in the way we care. Just be your usual, enthusiastic, and loving selves.

Connecting the K’s ties it all together. Every branch of Kiwanis has its own way of doing things, but we all are connected through service. We’ve come a long way in just 100 short years, from the first Kiwanis meeting in Detroit to the spirited North and South Fall Rallies of today.

Service with a smile,

Hojin Yoon
International Trustee

Every District Convention that I've ever attended have truly been highlights of my life. Seeing so many Key Clubbers in one spot, learning so much from so many incredible leaders, and experiencing the spirit and motivation of all the attendees is all really wonderful!

- Mattin Seyed Delavar, D25W Lieutenant Governor

District Convention 2015 was my first DCON and I can sincerely say it was memorable from the leadership taught and the unforgettable friends and memories I made. I also enjoyed meeting new members every session and meal.

- Carolyn Chang, D19N Lieutenant Governor

The most memorable experience at District Convention for me, was attending the special event with the talent show; it was really amazing! I had the opportunity to see everyone's talents and it was also great to have dinner with everyone.

- Jazlynn Badua, D28N Lieutenant Governor

District Convention is the one event where I realized Key Club is so much more than just a community service organization. To spend a weekend with people who share the same passion to serve and lead and make a difference, is one of the best experiences.

- Karen Le, D27N Lieutenant Governor

My most memorable memory from DCON 2015 was receiving the award for Distinguished Club Newsletter. Reflecting on my past and how I went from not knowing anything about photoshop and publisher to transforming to a master truly was the best part of receiving the award. The countless hours I spent on that award and seeing how much I have grown was shown in that award to me. It reflected my Key Club journey from being a shy underclassmen to eventually Lieutenant Governor means so much to me. That change is something that I can never forget and DCON truly reflected that journey.

- John Hoang, D30S Lieutenant Governor

IMPORTANT DATES

Registration Opens

On-time Registration
February 10th, 2016

Late/Final Registration
March 1st, 2016

Remember to BEE on time!
With the many contests our organization has to offer, EVERYONE has a chance to be recognized when they apply for our contests! With that being said, continue or start looking over the contests on the **CNH CyberKey** under the Recognition Tab, as each of them have a different set of guidelines, and see which you would want to apply for!

Did you know that some contests are judged on different levels? If you look at our contests, you will notice that there are three levels: Division, District, and International. As there are numerous contests, some of them have such vast numbers of worthy, personal applicants; therefore, the establishment of division-level contests and judging is made available.

The following contests are judged on the DIVISION LEVEL:

- Advisor of the Year
- Club Attire
- Club of the Year
- Member of the Year
- Most Improved Club

The process for judging is slightly different at the division level. In order for these contests to be judged, each division must form a Division Judging Committee. These committees will be setting up THEIR OWN DEADLINE for these contests some time in the winter and will allow a period of time for judging. The contests results must be reported to the District no later than the DEADLINE FOR ALL OF THE OTHER CONTESTS: **Wednesday, February 10, 2016**

*A manual for Division Judging will be released on the CNH CyberKey soon!*

Don’t forget to join the [Recognition Google Reflector](#)! If you have any questions, please contact Member Recognition Chair Giselle Kim at [cnhkc.mr@gmail.com](mailto:cnhkc.mr@gmail.com) or your Lt. Governor!

*Ask your Lt. Governor on how to apply to be a part of your Division Judging Committee!*
Injuries are No Accident

Data show that injury is the leading cause of death in the U.S. for children 14 and under, and 90% of these injuries can be prevented through education, awareness and enforcement (laws and regulations).

Make a difference for a child by sponsoring a PTP service project or event!

- Most child safety seats are used or installed incorrectly, how can YOU prevent that?
  - Purchase and distribute child safety seats and learn how to proper use and install them!

- Sponsor a bicycle rodeo and teach children the skills and precautions to bicycle safety!
  - Don’t forget to remind them of the importance of helmets and the proper guards.

- Host book drives with joint reading events.
  - Educate children at a young age on how to tell the difference between Gatorade and Lysol, and more!

There is so much more you can do! Check out the Rady Children’s Hospital, one of our Partner Hospitals, and their injury prevention tips found HERE with more projects and ideas the club YOU serve can do!

Preparing For Elections

It is never too early to start preparing for elections! Elections are serious events where you get to display your potential in the office you are running for. Starting early gives you that advantage in finalizing and mastering your speech and preparing great answers and confidence during the caucus session.

How can you start preparing?

- Draft your speech and memorize its main points
- Go over possible caucus questions
- Practice speaking in front of large groups of people
- Prepare a literature for election day
- Know the rules for elections
- Attend a Candidate Training Conference (CTC)

Need more help?

There are so many resources available online on the CNH CyberKey here. Utilizing these resources can only boost your chances of being elected.

If you plan to run for Lt. Governor, then LTG CTC is highly recommended. District Office CTC is mandatory if you are running for a District Office position. These conferences will give you major insight as to what you can expect if you are elected in a position in the district board.

Information for Candidate Training Conferences near you will be released soon on the CNH CyberKey here.

If you have any questions, comments, or concerns, please contact Member Relations Chair QuynhAnh Dam at cnhkc.mrs@gmail.com.
The Candidate Training Conferences (CTC) are for Key Club Members who are interested in being a candidate or potential candidate for an office above the club level. District Officer CTC is mandatory while LTG CTC is recommended. It is mandatory that all paperwork must be turned in on time and to the proper place to be able to run for any office above the club level.

Creating an Effective Display

Purpose
Displays are a versatile format for sharing or promoting specific information. They are extremely effective at drawing attention to a topic when created with time, care, effort, and creativity.

Are you creating a display to showcase Key Club for member recruitment events, Region Training Conference, or another occasion? Learn how to captivate and inform your audience!

INFORMATION

• Make a List: It is important to stay organized when it comes to making a display. Effective displays address all relevant topics, so be sure you include everything by making a list of topics to include.

• Research: All information on your display should be clear, updated, and informative! If you research your topic thoroughly, you will be able to share vital information with the members that you serve.

• Planning: Instead of rushing to finish your board, take some time to reflect on ideas and plans. Planning ahead means fewer mistakes and better formatting for the display.

DESIGN

• Theme: Having a theme to unify your information and pictures helps the display come together. It is a great way to add fun colors and designs while being informative!

• Colors: When choosing a color scheme, avoid dull or clashing colors. Using bright colors that are not too flashy draws attention to the board, but it does not distract from the information.

• Pictures: Balance out information by adding relevant pictures to your display. Pictures can add detail and exemplify the information you are presenting to enhance your display.

Nov. Spotlight on Service Program: Giving Back & Giving Thanks

Check out the ideas below on ways you & your club can “Give Back & Give Thanks” this month:

1. **Thank You Card Writing Event**
   Come together to plan an event dedicated to showing your appreciation for others. Bring kindness & thankfulness into the air, writing thank you notes for teachers, Kiwanis members, adults, friend, parents etc. These small tokens of gratitude will be sure to achieve giving back & giving thanks for the month.

2. **Food Drive**
   Work with your school’s ASB, surrounding food shelters and Kiwanis to start your own food drive. This is a great way to give back to those in need while also taking a step to help your community. Plan out all the aspects: deadlines, pickup/drop-off, school competition, where will the food go etc. Finally, think about encouraging fellow Key Clubs near you to take part in your food drive!

3. **Operation Gratitude**
   Operation Gratitude annually sends 150,000+ care packages filled with snacks, entertainment, hygiene and hand-made items, plus personal letters of appreciation to soldiers, first responders & caregivers. Host a drive in which you collect supplies for the care packages or hold a fundraiser! Check out the website for more info: operationgratitude.com

4. **Volunteer at Local Food Bank/Shelter**
   Contact your local shelters and food banks & inquire if there are anything pertinent items or help they need. Reaching out to your local community is not only a great way to give help to those in need but also spread the good that Key Club is doing in your community. Especially during the upcoming holidays, these food banks and shelters are looking for help so don’t forget to reach out to your local community resources to give back & thanks.

How to submit your project to get recognized in the Spotlight on Service Program:

First, the club must complete a project that meets the monthly focus for the SOSP of the month. Then, Clubs must submit their project through an electronic form. Here is the link for the Project Submission Form. This form is very easy to complete and is due by the 5th of each month for the previous month. Submit action-oriented pictures to cnhkc.sp@gmail.com!

Check out the monthly guides & focuses here (found on cnhkeyclub.org)
A testimonial from one Circle K member:

“Metro's Division Key to College was held on Saturday, September 26th at University of Southern California (USC). Circle K members woke up bright and early to help set up for the long day of learning and service ahead! While we waited for high school students to arrive and check in, we played icebreakers with the ones that were already on campus. After registration had closed, our Lieutenant Governor Josef made some opening statements, along with some USC Circle K representatives. High schoolers were then split into two groups; one of which was to go on a tour of the USC campus. The other was to head towards classrooms for workshops! They ranged from personal statements to financial aid to college myths. During lunch, students continued to interact with college students and ask them about their lives. Some even had their own personal statements read during lunch! Afterwards, the two groups switched; the group that went on the campus tour earlier headed to workshops, while the group that already had workshops went on the tour. At the end of the day, everyone met back up in a lecture hall for the panel, where students could ask questions to college students from CSUDH, ECC, USC, UCLA, and more. Overall, the event went well, and a lot of students seemed to learn a lot that day!”

**Plan A Customized Group Trip with Rustic Pathways!**

For more info email keyclub@rusticpathways.com
A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
