Division 4 North Key Clubbers volunteer to make peanut butter & jelly sandwiches for the homeless.
Hello, CNH Bees!

We’re rarely ever in the same place at once: between Division Council Meetings at the local park, after school socials in a packed classroom, or volunteering for a local food bank, we’re all simply too busy at work saving our own little corner of the world.

That’s why it’s so special when we do come together as one big CNH ohana. Fall Rally showed you what happens when thousands of spirited Key Clubbers all join as a family in one place. It’s just that you’d have missed out on meeting people from the other half of our district either way. If division, region, and district-wide events leave you curious about what else CNH can offer, your heart is in the right place.

Enter District Convention—DCON is everything you’d find in the greatest family get-together anyone could ask for—a weekend full of spirit and CNH love: fellowship, learning, and of course, celebration.

In addition to the information in this special issue designed to help you find your way to Sacramento come April, you’ll find that people love talking about their my-first-time-at-DCON stories. Don’t have one yet? It’s not too late—DCON 2016 is your perfect opportunity.

In the spirit of service,

Happy Holidays CNH Bees!

Welcome to the Convention Issue of our district newsletter. Now that we are fresh off the heels from turkey day, and entering one of my favorite seasons of the year, we can start thinking about District Convention (DCON)...which is sooner than you might expect it is. We hope that you find this issue useful when it comes to sharing the DCON experience with fellow members. Remember – this is only a very small portion of what DCON 2016 has to offer, you’re going to have to come and see for yourself what all the buzz is about!

Convention is a time of celebration in recognition for the work that we have done as a district. Members, club officers, advisors and more are recognized for a year’s worth of fulfilling service to communities across California, Nevada and Hawai’i. Convention is also a chance for newly elected officers to learn more about their positions and connect with other officers from across the district. Officers don’t get all the fun here though because at DCON, every member and advisor is given the opportunity to meet with thousands of spirited bees from across the district by attending workshops which help to enhance our leadership skills as Key Club members. Plus, you will get to meet and elect the future District Executives! The experiences you will gain at District Convention will definitely last you a lifetime and foster immense growth in your journey as a leader.

There are many activities and features that you will have access to in Sacramento, California. We certainly have many reasons to celebrate this year’s convention, and I want YOU to be part of it – together as Guardians of Service! Let’s bring the entire CNH Ohana together this April for the 70th Annual District Convention so we can celebrate as one. See you there!

Joshua Nuesca
District Governor

Aloha CNH Bees!

With 4 months remaining in this term, we’ve already accomplished amazing feats as one CNH District. We have already made considerable progress towards our goal of $170,000 fundraised this term as a result of your donations and attendance at Fall Rally! Thank you for all your hard work and efforts in aiming for our district goals. Continue working towards our goals for the remainder of the term.

Do you have what it takes to be a Guardian of Service? On December 10th, District Convention registration will officially be open. What are you and the club you serve doing to prepare for convention? It is important you begin working with your advisors and the members you serve now so you can have the opportunity to attend an amazing event alongside thousands of your fellow CNH Bees in Sacramento from April 8th to 10th!

District Convention is an event unlike any other. Here, you’ll be able to learn about Key Club by attending a wide variety of seminars, and visit the Service and College EXPOs, where different organizations and colleges will have informational booths. There will also be delicious meals provided and a recognition session where divisions, clubs, and individuals will be recognized for their yearlong service. There’s even a Governor’s Ball where you can dance the night away, or alternate activities, where you can play board or video games. District Convention has something to offer for everyone!

Make sure you register in time so you can have the opportunity of attending this unforgettable event. Once again, registration opens this month, December 10th. On-time registration is due February 10th and the late registration deadline is March 1st! I hope to see YOU there!

Happy December CNH BEEs!

Will I BEE seeing your beautiful faces at DCON 2016? District Convention (DCON) 2016 is merely a few months away. This term’s DCON will be held in Sacramento, CA! Whether you have recently joined Key Club, or you’re a graduating senior, I guarantee that DCON will have something in store for everyone! You will not only be able to meet individuals who share the passion of service across California, Nevada, & Hawai’i, but you will also be able to make lifelong memories and friendships.

District Convention Registration will be open on December 10th, so please BEE on the look out! If you are interested, please contact your Club Officers or Lt. Governor ASAP. Your club should have already started fundraising to provide financial assistance for your trip to DCON. If not, encourage your club to start now! Costs for Convention may be daunting for club members, but this challenge can be conquered. Fundraising is an effective way to raise money to reduce the cost, and to encourage attendance.

Please remember that advisors and chaperones must pay for convention fees as well. It is encouraged that the club pays for its chaperones as they are giving up their time to take care of us for the weekend. Lastly, please remember that ONLY DUES PAID CLUBS are allowed to attend Convention. Ensure that your club has paid dues BEFORE the end of 2015.

I am looking forward to seeing YOU at DCON 2016! Please feel free to contact me if you need any assistance with fundraising, dues, and membership recruitment as we slowly approach District Convention. Have a joyous holiday season bees!

Message from your TRUSTEE

Greetings, California-Nevada-Hawai’i Bees!

With November came two record-breaking Fall Rallies, announcements for DCON registration, and a guest star appearance of a certain District Administrator on T.V. Before we take a brief rest from the successful month and embark into the winter season, let’s reflect on the progress made with our clubs.

Over the past year, Key Club International has distributed and processed many surveys. Statistically, there were 7 top characteristics of a standout Key Club. These were simply recurring elements, so do not worry if your club is missing a couple of the following traits.

#1 Most often, high-performing Key Clubs have at least one project which they are known for throughout the school. Whether it’s something unique like running a haunted house or something simple like holding a car wash, having a point of focus during the year establishes a unifying force for the club.

#2+3 The presence of strong Kiwanis and Faculty Advisors make all the difference. Often, an older and more experienced perspective on things is just what clubs need when making decisions. Their guidance proves invaluable during any meeting; although Key Club is student-led, we’re lucky to have such caring adults watching over us.

#4-7 will come next month! Again, congratulations on an incredible Fall Rally season - both the Northern and Southern locations seemed packed. I hope you all had a great time! If you have any comments or concerns, my ear is always open.

Service with a smile,
Hojin Yoon

EVERY YEAR, NEON LIGHTS KIWANIS CLUB HOSTS A YARD SALE EVERY YEAR IN EFFORTS TO RAISE MONEY FOR A VARIETY OF CHARITIES. THIS YEAR, THE MONEY COLLECTED DURING THE EVENT WILL BE DONATED AS CHRISTMAS PRESENTS FOR SALVATION ARMY KIDS AND STREET TEENS PROGRAMS. KEY CLUBBERS ASSISTED IN SETTING OUT THE ITEMS FOR THE YARD SALE, AND ALSO HAD THE CHANCE TO BOND WITH THEIR FELLOW KIWANIANS! There are so many opportunities for service during the holidays, and you can use them to interact with your Kiwanis Family as well! And don’t forget to submit your interactions to the Kiwanis Family Showcase, found on the CyberKey!

**WINTER WONDERLAND READING NIGHT**

Create an indoor, “snow”-filled paradise for the local community! Invite families to share a day or night with different stations for story reading and winter folklore, learning about winter wildlife, and the winter holidays of many diverse cultures. Ask local libraries or your school to see if they’d be open to hosting one! Remember to keep a schedule with a starting and ending time to keep things organized and smooth.

**HOLIDAY MEALS**

Contact local Kiwanians or Circle K members to plan a soup kitchen or a dinner for the public! It could be a themed meal, such as a pancake breakfast or a spaghetti dinner. It could be a fundraiser with an entrance fee, or a meal served directly to the local homeless or less fortunate community. Remember to keep sanitation in mind and have all volunteers wash their hands and wear gloves!

**OTHER IDEAS**

Here are some alternative ideas for winter service:
- Gift Wrapping at a local mall
- Toy and/or Food Drives
- Holiday Card Making

To raise some money, try:
- Ice Skating Fundraisers
- Winter-Themed Dances
- Bonfire Nights
- Winter Carnivals

Toys for Tots
While many children look forward to the exciting day of opening presents, some children are not as fortunate. The Toys for Tots project is designed to help those children out! Try fundraising to buy new toys or hold a toy drive. The Toys for Tots program has many drop off locations that can be found at http://www.toysfortots.org/. If you do not have one in your location, try running an event similar to it in your location by contacting the local homeless shelter or foster homes!

December Spotlight on Service Program: Providing Basic Needs

Why Should You Care?
The season of giving has come. You exchange gifts with friends. Perhaps you even donate some money to charity. But is this the extent of what you can give? What more can be done? What more can be given? How can you make a difference in someone’s life? The answer is simple. Give up your time to help those in need. Go volunteer and make a difference in someone’s life.

How to Help

Food Banks
The holidays are filled with the joy of family, food, and friends. But there are those, who do not have food. A food bank purchases food in bulk to donate to local families in need. For a service project, ask the local food banks in your area if they need any assistance. Often times, food banks need some volunteers to help organize the food items. If volunteers aren’t needed, Key Clubbers can work to raise money to donate to the food banks so that they are able to provide more food items to the needy.

Toys for Tots
While many children look forward to the exciting day of opening presents, some children are not as fortunate. The Toys for Tots project is designed to help those children out! Try fundraising to buy new toys or hold a toy drive. The Toys for Tots program has many drop off locations that can be found at http://www.toysfortots.org/. If you do not have one in your location, try running an event similar to it in your location by contacting the local homeless shelter or foster homes!

Thank you, Division 24 Zebraz, for your hard work in fundraising for PTP. This Fall Rally was the best Fall Rally ever and you all made this experience possible. I am so proud to say that I serve you all and that I’m part of this amazing Division.

G-R-I-Double-F-I-N-S Griffins... Thank you to each lovely Griffin that was able to come out to Fall Rally and show all his or her spirit. I hope you all had as much fun as I did my first time going and had a better idea of what exactly Fall Rally is and why we have it. Although we didn’t raise money for PTP prior to Fall Rally, we will use that spirit you’ve shown at Fall Rally to raise money and donate to PTP in our upcoming fundraisers. Thank you for all that you do! Keep it up Division 29 Griffins!

Thank you, Narwhals, for making this the best Fall Rally I could ever ask for. Without you all, we could have never gotten this far, and I do not regret a single thing about our performance that day. I look forward to finishing up the year with you all.

I want to thank Division 42 West for giving me the best experience at my first and last ever Fall Rally. Through the nights of making spirit gears and the bond we all shared as a division, I am so proud to say that I serve one of the most understanding and humble division in CNH. If it wasn’t for your hard work, commitment and corporation Fall Rally South would not have been the same experience. Thank you for every thing you amazing Arctic Foxes! Stay Foxy
A Division Council Meeting (DCM) is a meeting conducted by the respective Lieutenant Governor for the members of his or her respective division. DCMs are full of information about upcoming events, education about Key Club, and much more. There is always something for everyone at a DCM!

At DCMs, you will learn more about various projects and events, get involved with the division and its people, and gain a better understanding of how great this organization truly is. You are encouraged to attend in order to learn more about what’s been happening in Key Club, and why it matters to you. Some DCMs are even combined with a service project, fundraiser, or social event so you can be there for more than one reason!
