

ACHIEVED INCREASED MEMBERSHIP

This award is given to clubs that have increased their club size significantly compared to the previous Key Club Year. There are three categories for this award: 100% membership increase and 40 new members, 50% membership increase and 20 new members, and 25% membership increase and 8 new members. This is determined by the amount of dues paid members from February 1 of last year to February 1 of this year.
