

# DISTINGUISHED PARTNERS IN SERVICE

This club had participated with March of Dimes, Children's Miracle Network, and UNICEF. Cloverdale has excelled in the participation in working with these organizations to benefit them in their cause.

California - Nevada - Hawaii Key Club District Convention

# PLEDGE LEADER

These Club Presidents from all over the California-Nevada-Hawaii Key Club District have recited the Key Club Pledge in front of the thousands of Key Clubbers to remind us why we serve our communities. This pledge allows us to remember to always lead by example, and to remember that caring is our way of life.
