Cali-Nev-Ha District Groups 2011-2012

Cali-Nev-Ha District Groups

We have created different reflector groups to further serve the club advisors, club officers, club coordinators, and liaisons for specific topics. The reflector groups are used to disseminate information, and allow other members to ask questions and/or receive answers to their questions on a variety of topics.

Any club advisor, club officer, club coordinator, club liaison, or club member can join the group(s) that would best suit their needs. (all groups require you to paste the link into your web browser and go to the group site and request to be added as a member).

The groups are:

CNH KC Presidents: for all Key Club Presidents
