Hello Region 1!

I hope all of your summer's have been absolutely amazing, I know mine has. This summer I have had many Key Club events from the International Convention, my Summer Board meeting, and helping out at Bonnie's Officer Training Conference. My own OTC was held on the 17th of July and was a success with a majority of the clubs within my division being represented.

I hope all of you are able to attend the Regional Training Conference in October (more on this within the newsletter) and I know we'll have a blast.

As schools start up, I know all of you will start recruiting for new members! We all want to gain a bigger and better membership for this year, to do even more amazing service!

Keep doing what you're doing and we'll have an amazing year both Division 11 & 31.

Division 31 Lt. Governor, Bonnie Xiao

Hola Region 1!

While I am not in Hawaii, unfortunately, my summer is definitely a Honolulu-worthy one! Other than spending the days eating and sleeping (I like to call it hibernation), it's also been packed with Key Club events! I helped out at David's Officer Training Conference and got to learn more about his officers while I ran two of his workshops. I held my divisional Officer Training Conference on July 25th and met Key Clubbers from schools that I haven't see in a while! Getting to meet the officers and seeing everyone so pumped for an upcoming year of Key Club was definitely the highlight of the OTC. Me and David then attended Summer Board, which all the 62 Lieutenant Governors from California, Nevada, and

Hawaii come together in Rancho Cucamonga from a weeklong session of training to become better LTG's, bonding with one another, and working to improve the division together. We always get Key Club withdrawal, thus exemplifying the amazing experiences we have as LTG's. On the other hand, most schools are about to begin again which means... KEY CLUB KICKOFF! Please take advantage of the beginning of the school year to recruit members and advertise around campus. Show much fun Key Clubbers have and the differences we make! Most importantly, create a balance between your academics, socialization, family, and Key Club! I wish everyone an amazing school year!

LIVIN' LARGE IN THE BIG D: INT'L CONVENTION 2009

By: Division 11 Lt. Governor David Limjoco

Key Club International Convention was held this year in Dallas Texas. Many people from all around our district went to enjoy the amazing training, socializing, and fun that comes with every convention.

Many people from all around the world were represented at the convention even a few from Germany. During the First General Session our very own district even won the spirit stick for the amazing cheers and volume we showed.

The workshops were inspirational with many different service projects from around the world being shown and many different ways of showing off Key Club was shown. Even the house of delegates was an intense debate for all involved.

All in all International Convention was an amazing experience: meeting new people, learning many things, having fun, dancing the night away, and of course showing off that CNH Pride! I hope many more of us can attend next year!

Hello Division 11 Dolphins!

I hope all of you have had a great summer! For those of you back in school, good luck! For those of you not, please enjoy your summer.

As the school year gets started, go out and promote Key Club, my goal for each club is to gain at least 10 more dues paid members than last year. So go out and promote!

Our Regional Training Conference is coming up so anyone and everyone that did and did not go to the Officer Training Conference should go. Get prospective members to go and learn

about Key Club as well!

Can you do the robot dance?

Region's 1 Training Conference will be coming up in Fall! The theme will be "Key Club's Got Talent!" Time to showcase the inner talent in everyone! I encourage everyone to think about participating in our goofy talent show – skits, dances, jokes, songs, parodies, or whatever you have to shine up the room! Keep it silly or pull out some infamous Micheal Jackson moonwalking; we'd love to see what Region 1 has to offer! Please keep acts to around 4 minutes, or talk to me about it. Skits must contain Key Club members. Encourage your club and Kiwanis members to participate! Please contact Bonnie Xiao if you are interested to ensure you'll be placed in the programming.

OFFICER TRAINING CONFERENCE

Thank you to all the officers who attended the D31 OTC! We had over six clubs present, and we went over all the officer positions, discussed recruitment and fundraising ideas, and played some ice breakers! It was definitely fun to have the division together, and I will try to plan more divisional socials – can you say inner tube waterpolo and the world's largest sundae?

For any officer who was not able to attend any of the OTC's, please contact me. It's still crucial you receive training, and I would be happy to meet up with you and give you a small training session.
