Flying Squirrel AHHH!

Greetings from Rancho Cucamonga, California, the location of this year's Summer Board meeting for the District Board, I hope that everyone has taken advantage of this summer to get some great service in and to prepare for another year of service and boosting membership.

After spending some more time in training I have gained some valuable knowledge and service techniques that I am eager to share with you in this newsletter and at the next DCM.

Enjoy,

Karinne Cusenza

DUES

It is crucial to the success of your club and the division that you send your dues off by October 15th. Keep this deadline in mind.

Event Request Forms

These forms can be found on the CNH website and must be filled out 3 weeks prior to an event that will require insurance from CNH.

Service Standards

50 hours of service per member/per year; participate in the district & international projects; attend DCMs, Fall Rally, Conclave and District Convention.

PTP Fundraising

Club fundraising for PTP should be kicking into high gear as Fall Rally quickly approaches.

Fall Rally

October 24th at Great America. \$28 + \$10 for the Division t-shirt + transportation costs.

Online DP Survey

There is a survey that has been placed on the CNH website by the District Project Committee. Please complete it.
