## LIG INTRODUCTION

HEY KEY CLUB!!!

WE DID IT!!! WE WON FALL RALLY AGAIN!!!

Not only did we win spirit, though, we also raised the most money for Pediatric Trauma Prevention during our rally session! This was thanks to the hundreds of dollars that you donated during the brief collection we made during the rally in addition to money we had raised from ticket sales and other fundraisers.

I am so proud to be representing Division 28 North. I feel like I have worked hard as a Lieutenant Governor, but your performance at Fall Rally assured me that I am not the only person who goes all-out for Key Club!

Now that Fall Rally is over, it is time to start thinking about your future in Key Club: Does this future include an officer position? I am calling all members who love Key Club to consider the opportunity to run for club, District, or International Office. Take some time to talk to your current officers (including me!) about our positions and think about if you want to be involved with one of the most rewarding high school experiences - being an officer of Key Club :]

*The Holiday Edition*

Division 38 East!

ALL OF YOU ARE AMAZING!!!

I am so proud of all of you! Fall Rally was AMAZING. Not only were we pumped up with Key Club Spirit we also had one of the largest groups (next to Vegas) in our session. I am so proud to represent such an amazing group of Key Clubs. Even though we didn't win the spirit stick you are all winners to me, (yes I am aware of how incredibly cheesy that sounds, but I mean every word of it!) We have come so far this year in terms of participation in divisional/regional events, you all work so hard and dedicated so much of your time to Key Club our success this past year is a huge reflection on all of your hard work. Thanks Division 38 East you have made this year one of the BEST years of my life.

As 2009 comes to a close we should all take the time to reflect on all the moments we have made a difference in the lives of others through our schools, churches, daily activities and of course KEY CLUB. I have a feeling 2010 will be one of the best and BIGGEST years for Division 38 East, I am sure that we will end the year strong and hand the Division over to a capable and strong leaders who will take everything we have done this year and help it GROW to be one of the biggest Divisions in Cali-Nev-Ha. Over break I want all of you under classmen to consider the leadership opportunities that will be available to you during the next Key Club year. Run for a position as a Home Club, District even International Officer. The sky is the limit never feel as though you can't take on anything. As long as you set your heart to whatever you do in life, you will go far and make a difference in the lives of those around you.

Division 38 East I challenge you to make 2010 the biggest and best year for the D38E DINOS. Let's win the spirit stick! Get a bus just for 38 East for Regional Training Conference in Vegas! Get 100% percent attendance of all clubs at DCM's! Let's win the Spirit Stick at DCON. I have faith in all of you! Together D38East DINOS will stomp for service and reach our potential.

**Merry Christmas and A Happy New Year! Division 38 East DINOS!**

Love,  
Eliana "Ellie" Castillo

## Fall Rally

On behalf of the CNH District Board, I would like to say thank you to everyone. Fall Rally 2009 was a true success and words cannot even closely describe how appreciative we are of Cali-Nev-Ha Key Club. With over \$100,000 raised for Pediatric Trauma Programs, CNH has broken records like never before. I would just like to thank every club who was able to attend, fundraise for PTP, and contribute to all the efforts. I would also like to thank all adult chaperones for keeping us safe, making the event possible, and putting up with the intense noise. The spirit and enthusiasm for Key Club was amazing in every rally and I hope everyone had a wonderful time while knowing that they are changing lives for the better.

With deep sincerity,  
Jesse Truong  
District Governor

I feel good Oh I feel so good!! I must say fall rally was a great experience for me, it was on of the best experiences I've had all year. I met new people and made new fiends within our region and division while raising money for pediatric trauma prevention. I never knew how big the key club family was. I was really proud of our Division, we really stepped up this year, I can honestly say that I noticed a huge difference from last years rally. I'm also proud of my division for raising as much as they did. Go Division 38 East!!!
