## Division 11 Lt. Governor David Limjoco

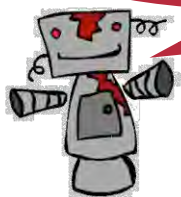

Hello Region 1!

Get ready and be pumped for Fall Rally! Our Regional Training Conference last month was awesome and I hope you all learned something and everyone had fun. I know that you may be busy with college applications if you are a senior but continue to do community service and leadership. The upcoming months are crucial in the life of a Key Club especially as the holidays come up especially Christmas. Within this region there are many opportunities to server such as St. Vincent De Paul's and other places that pick up during the holidays, they need help now just go out there and do it! (And make sure to go to District Convention and Rose Float Decorating) Have a nice month!

## Division 31 Lt. Governor Bonnie Xiao

Hello Region 1!

I hope everyone is pumped up for Fall Rally South (However, college applications are a different story...)! November has definitely been a busy month for me, with Fall Rally arrangements, SAT's, college applications, and just maintaining my academic sanity. However, believe it or not, doing anything Key Club related (Like waking up 5 in the morning to run for breast cancer or just reading over my club's MRFs) always puts me in a better mood. And I hope that is what everyone associates Key Club with... happiness, socializing, and making the world a better place through simple actions. For the month of November, I hope everyone has a safe and fun trip to Fall Rally, continue finding community service events in the busiest month of the year, consider attending Rose Floats in Pasadena (Last weekend of December), and continue fundraising for PTP and District Convention!

Hello Dolphins!

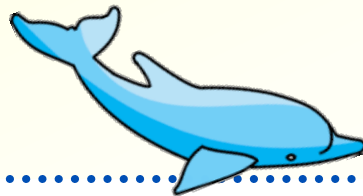

I hope you're all ready for Fall Rally this weekend. Let's do some amazing things and show the district what Division 11 is all about!

As of now our division has fundraised \$810 for the Kiwanis Pediatric Trauma Prevention Program. This is an increase from last year! So lets keep it up and raise \$1000 by the time our rally comes around. Make sure you keep fundraising and donating even after Fall Rally though!

We're really doing amazing this year so if we can just keep it up we can be amazing! Get ready for more divisional events and activities as after Fall Rally we will be concentrating on more of these things. If you have any ideas for any activities, service projects, fundraisers etc please tell me!

Get pumped and get ready it's going to be a fast paced and amazing second half of the Key Club Year!

### Rose Float Decorations!

Want to see your masterpiece showcased on LIVE TV? Then you're welcome to come help decorate the massive 25 feet Rose Floats at the Pasadena Tournament of Roses this year, right before New Years Day! This event brings hundred of Key Clubbers from around southern California and the Kiwanis Family (Circle K with Key Clubbers? Always a hilarious combination!) Members will help snip and organize real flowers, arrange them onto the float, or just help around the warehouse.

There are various shifts as this volunteer opportunity spans a whole week. Division 31 Kiwanians will be taking a bus up there and working a shift (Usually 8 hours).

Please contact your sponsoring Kiwanians or Bonnie Xiao for more information.

# Division 31 Updates!

## District Convention 2010

Sacramento, April 9<sup>th</sup>-11<sup>th</sup>

CNHKeyClub.org has been updated with DCON'10 information, registration, and updates!

Meet Key Clubbers from all around California, Nevada, and Hawaii as we put over 3,000 Key Clubbers together in one convention center for a weekend in Sacramento as we rage in Key Club spirit, train members more on Key Club and their officer duties, and elect the 2010-2011 Executive Board! Since we will have to take a plane ride to Sacramento, start fundraising to get your members active and excited for DCON!
