Don't Forget the Next DCM will be on December 12th in Cloverdale

A Special Note to anyone attending our next DCM, Cloverdale has asked that you bring \$3 to cover the costs and don't forget we will be wrapping gifts for underprivileged children.

Flying Squirrel AHHH!

Greetings from backstage at my schools production of *Noises Off!* This time of year is hectic for everyone but it is important that we all still continue to dedicate time to our Key Clubs. This time of year also offers many opportunities to serve. You can go a food bank, ring bells for the Salvation Army with your Kiwanis club, collect toys for kids, have a warm coat drive, and so much more. Don't get to overwhelmed there is one right project for every person and every club.

Enjoy,

Karinne Cusenza

DUES

It is crucial to the success of your club and the division that you have sent dues off

Event Request Forms

These forms can be found on the CNH website and must be filled out 3 weeks prior to an event that will require insurance from CNH

Service Standards

Here are some of the goals we have for members : shoot for 50 hours of service a year; a yearly plan of action should take into account the Annual Report Form, participation in the international and district projects, attendance at DCMs, Fall Rally, Conclave and District Convention, etc.

PTP Fundraising

Club fundraising for PTP should be kicking into high gear as Fall Rally quickly approaching. Keep in mind that you need to raise not only attendance at the event but also the cause.

Service Expo

Last year Cloverdale participated and this year you should too! Applications and other information online

Online DP Survey

There is a survey that has been placed on the CNH website by the District Project Committee please fill it out.

KIWANIS EVENTS

These events are extremely important for you to attend to be building bonds with your sponsors.

KEY CLUB DCMS

These events are also very important. It is here that I will be able to answer in person questions, and set up ways to help you.
