Hello Region 9!

I hope you all had a great time at Regional Training Conference last month with all the craziness and spirit that filled the La Honda Mountains. For the seniors that attended I know its heartbreaking to hear that 2009 RTC will be our last, you're not the only ones, your Region 09 Lieutenant Governors are just as sad.

But cheer up, we still have many memories and moments to come, so hold in those tears because this month we have Fall Rally North coming up hard and fast. Time to start brushing up on your divisional cheers as if you are getting ready for your next SAT test. Start digging in your closet for your divisional colors, start bombarding your Lieutenant Governor about transportation, how much funds we have raised, divisional shirts and so on. Service is what we do, spirit is what we have so lets show all the northern California Key Clubs and Nevada which region is boss.

Just remember as Key Clubbers we still have other obligations outside of Key Club to fulfill whether it is work, school, family etc, keep yourself stress free and balance it all out.

Have fun reading!

And hopefully I'll get to meet some of you at RTC!

—

Where: California's Great America - Santa Clara

When: October 24th, 2009 Park Hours 10:00AM to 5:30PM

Why: Help fundraise for Pediatric Trauma Prevention, participate in wild spirit battles, bid on your LTGs and Executive Officers, and have a day of fun with all your friends.

The Battle; The Auction; Your Challenge

Here we go again, Fall Rally North, this month, let the battles begin. Time to get those Kiwis flying, 8 balls rolling and them Devils burning HOT! Lets let all of Northern California hear our divisions cheer and scream throughout the stadium at Great America and lets them remember which divisions are the ones that make the most noise, has most spirit and the ones you don't want to mess with but rather be with. So brush up on those cheers, get ready those divisional colors you adore and love and lets dominate Northern California.

At Fall Rally North, LTGs and Executive officers are "auctioned" to Divisions; the winning Division spends a designated period of time with the "purchased" officer. Auction funds and a portion of the ticket sales go towards Pediatric Trauma Prevention and Pediatric Emergency Medicine.

What is PTP?

Did you know?

- ⇒ Unintentional injury is the #1 killer of children age 14 and under in the U.S.
- ⇒ Unintentional injury kills more children every year than any other cause - including disease, homicide and suicide!
- ⇒ 90% of these unintentional injuries can be prevented!

Recognizing the serious need for education and training in the areas of pediatric trauma and injury prevention, the Kiwanis Cal-Nev-Ha Foundation established the Pediatric Trauma Program (PTP) in 1994. Our mission is to develop local projects, which will reduce the number of children in our district who are killed or injured by accidents.

Utilizing the knowledge and expertise of our partner hospitals, the Foundation identifies projects the Kiwanis family can undertake to address the issue of Pediatric Trauma within their own communities. The Foundation's partnership with children's hospitals in Oakland, San Diego, Loma Linda, Madera, Honolulu and Reno connect the Kiwanis family to the issue of Pediatric Trauma.

Trick-or-Treat for UNICEF

UNICEF/Operation Uruguay

Even though the population of Uruguay is small compared to other countries in the region, nearly half a million of the country's children and adolescents live in poverty. The situation is especially serious in the case of adolescents living outside the capital, Montevideo, where the lack of opportunities and spaces for participation, learning and recreation, contribute to poverty, social exclusion, high rates of school drop-out and failure and teen pregnancy.

The high drop-out rate is one of the most critical problems the country needs to face in order to ensure development. According to a study based on a group of students from public high schools, only 40 percent of students enrolled in the first year finish the basic cycle on time, and only one in three graduates. Through the creation and management of socio-educative and cultural centers, funds raised by Key Clubbers will help reduce the social vulnerability factors for those adolescents under the most critical situations (living on the streets, lack of education, job opportunities, and social services).

Specifically funds will be used to support the Mandalavos Center, a pilot project started in 2008 that works on a local level to ensure the rights of youth to education, health and basic services and family support; and to create

new centers to ensure the rights of all youth to education, health, protection, access to public services and family support. All centers focus on specific strategies to help Uruguayan 'street children' reintegrate into the community: school support; intervention to reduce social vulnerability factors; empowerment of families; healthy skills attitudes and behavior; participation and communication skills and socio-cultural activities; and building a positive image.

THE GOAL!

Key Club has set a goal to raise \$1.5 million through Trick-or-Treat for UNICEF for Operation Uruguay.

WHAT CAN YOU DO?

Remember those UNICEF boxes you were given by your club presidents?

Trick-or-treat around your local neighborhood with a group of friends and with those boxes collect donations whether the day of Halloween or a few days before.

Through a Halloween Party and ask everyone for donations.

Hey Region 9 Key Clubbers!

I hope you're as excited as I am. It's October and this month there's so much going on I don't know where to start talking. Fall Rally North is quickly approaching and I hope you'll be in attendance and bidding on me rather than your LTGs! (Just kidding, go buy your respective LTGs <3 Devin and Christian). And after the whole day of endless soda, spirit battles, and adrenaline, know that YOU helped make a difference for the Pediatric Trauma Prevention. The next step in October? UNICEF! I hope to see you out there with your orange boxes in hand and crazy costumes on.

Don't slack on the service this fall

Hey Region 09 Key Clubbers,

Well here we go again with another school year of Key Club, most of you have already started school, so don't start slacking on your duties as members of Key Club. I hope you are all ready with that fun, spirit, and service. Things have been great on my end with governing Division 8, I hope your LTGs are treating you well. Soon we got Fall Rally North coming up in a bit so you all better get ready for that. Well that's pretty much it for now, if you have any questions or if you simply want to say hi, just ask your local Lieutenant Governor and he or she will point you in the right direction. Laterz :D
