## RTC RECAP: "GOTTA SERVE 'EM ALL!"

Hey there Region 17! I hope you all had a fantastic time at Regional Training Conference 2009 at Camp Jones Gulch. With over 400 attendees, we filled up every cabin there was! Major props to our RTC chair this year, Patrick Lin, for planning such a spectacular event! Thank you to everyone who attended and made many of our last RTCs the greatest!

Sad when RTC was over? Well never fear! Fall Rally North is just a couple of weeks away! Make sure to keep on fundraising for PTP so that you guys can buy your respective LTG's. Don't let another division steal them!

As October rolls along, you can't help but ponder about trick or treating... for UNICEF! Too old to trick or treat for candy? Trick or treat for UNICEF! That's right, by now each club should have received their UNICEF boxes. Put these boxes in classrooms or walk around with them to collect spare change throughout the month of October!

And of course...

Fall Rally North is quickly approaching! Make sure you don't miss one of the largest gatherings of key clubbers from Northern California and Nevada! Being the closest region to Great America, we should have the most attendees! Get out there, cheer your butts off, and show them just how much spirit Region 17 has!

The 6'0 D12W LTG,

Victor Vo

## SNAPSHOT

# DIVISIONAL OVERVIEW

## OCTOBER 2009

Hey Region 17!!

I hope everyone who attended RTC enjoyed it. It was extremely bittersweet to me because it was my first RTC as an LTG, but also my last RTC as a Key Clubber. I hope that all of you underclassmen appreciate RTC in your future years and enjoy it just as much as I have these past couple of years.

Division 34 North is continuing with its American Apparel jacket fundraiser. These things are selling like hotcakes. Props definitely go to Patrick Lin, who started this idea, and this idea has spread like wildfire throughout the whole district with all of the LTGs.

With all of the money that my division has made, you all better watch out at FRN because YOUR LTG might be bought.

Roaring with Service,  
Jason Won Lee

Hey Region 17!

I would like to thank everyone (including the Key Clubbers from Regions 9 and 15) for making my last RTC my absolute best RTC ever. From putting my belongings into wrong cabins, to making up horrible rain making stories on the spot, all of you guys made my last RTC my most memorable one. I hope you guys had fun revisiting the nostalgic childhood days of Pokemon, because I sure did.

Region 17, What it do? As a region, we're completely breaking records this year. With record attendance at OTC and all cabins filled at RTC, our next goal is to tackle PTP. Our goal for this year as a region was around \$4500 dollars, but we're way past that already. Alone, Division 34 South is expecting over \$4000 dollars at Fall Rally North, so what about you? Therefore, Region 17, stand up because it's your time to shine. Let's make the '09-'10 Key Club year the best, because after all, we are the best region, right?

-Pat Lin

Hey Region 17!

I hope that those who attended RTC this past month had a blast! I know I did. Division 12 South has been going strong in PTP fundraising. In the past three months, we've already sold over 600 jackets c: I'm looking forward to 12 South's largest DCM of the year, which is a Halloween fundraiser for PTP. There will be a lot of Halloween themed games and activities such as pumpkin carving contests and mummy wrapping races. I hope you all are stoked for Fall Rally North! Let's all cheer our divy butts off and may the loudest, most spirited, division win. See you there! C:

Division 43 Lt. Governor, where you at? This position is VACANT. If you are interested in this position, please contact Division 12 South LTG Wendy Chan at [d12s.kc.ltg@gmail.com](mailto:d12s.kc.ltg@gmail.com)!

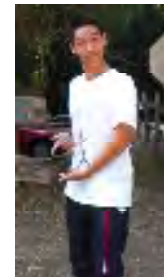

Whoa! It's already been half a year of key club?!

Haha yup that's right Region 17, the year's going by way too fast. I hope you all had a fantastic time at RTC. We had a record breaking attendance this year thanks to you guys! Shout out to all the Voltorbs at RTC. Great job on winning the spirit stick guys!

This year Region 17 looks stronger than ever as we hit and break records left and right, from OTC attendance to RTC attendance. You guys are phenomenal!

Make sure all you 12 West Key clubbers come to the October DCM at Harker on October 17<sup>th</sup>! We'll be designing costumes and working on Fall Rally Prep! There will also be pumpkin carving and root beer floats! So why would you not come?!

## trick or treat for UNICEF

**When?** Halloween! October 31<sup>st</sup>

**Where?** Anywhere!

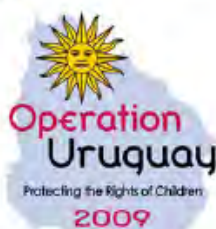

**How?** Pick up a UNICEF box from a key club officer and use it to collect donations while you go trick or treating! Dress up in your super sick costume and have a blast! Make sure you know what UNICEF is so you can explain it to people who ask!

### What is Trick or Treat for UNICEF?

Trick-or-Treat for UNICEF has empowered generations to make lasting change in their global community by collecting donations on Halloween for UNICEF. Key Club has been trick-or-treating for UNICEF since 1994, and over the years has raised nearly \$5 million for Iodine deficiency programs worldwide and HIV and AIDS programs in Kenya and Swaziland.

### Operation Uruguay

Uruguay is the second smallest country in South America where nearly 44% of its population under 18 lives in extreme poverty. The high drop-out rate is one of the most critical problems the country needs to face in order to ensure development. According to a study based on a group of students from public high schools, only 40% of students enrolled in the first year finish the basic cycle on time, and only one in three graduates. Through the creation and management of socio-educative and cultural centers, funds raised by Key Clubbers will help reduce the social vulnerability factors for adolescents under the most critical situations. <http://unicefusa.org/partners/ngo/key-club-international.html>

### Lt. Governor's Introduction

**Who rocks the house? The Penguins do!**

I can't believe that I only have about 4 months until my term ends. It's been an amazing adventure with you guys. Please attend Fall Rally North because...we're pretty much breaking all records this year. We've had the highest attendance at OTC ever, we've filled up all the cabins at RTC, and so far we're peaking 2.5k for PTP. I'm proud to be the LTG of such an amazing division, you guys really make Division 34 South the best.

I hope that all of you that attended RTC had a great time. It was an honor to chair such a fun event, and the turnout was greater than I expected. RTC is my absolute favorite event, and you guys made it awesome. Presidents, please go over cheers with your clubs. I know that everyone knows the primary "how do you feel!?" cheer, but as Division 34 South, we have a lot more in our arsenal. This year, we should definitely win the FRN spirit contest because we've come close in the past.

Please order your spirit items before Fall Rally as well! Talk to Claire Umeda about buying spirit sticks, and Mahlet Yared for bandanas. The second shipment of t-shirts for the non-FRN attendees will most likely come in a month after FRN.

Let's win that spirit battle!

# THE MIGHTY ROAR

Key Club International | Cali-Nev-Ha District | Region 17 | Division 34 North

Official Newsletter of the Division 34 North Aqua Apes

October 2009

## Spirited?

Division 34 North Aqua Apes,

School is quickly passing by, with the first of many tests and projects already due and past. All of the clubs have had their first meetings, or were able to advertise at a Club Rush Day. For you seniors out there, even though you may be really stressed about college applications and standardized tests, keep in mind that clubs need you to be role model Key Clubbers to underclassmen and show them just how invaluable Key Club is to someone's everyday life.

This past month, RTC was held. I'm proud of the 30 plus attendees who went from D34N, breaking the attendance from last year. I hope that all the people who went had fun and learned a thing or two about Key Club.

Fall Rally is coming up. All of the money that you all have raised is going to be used at the auction, in which I hope to be bought my own division. I could not be more proud to have each and every one of you in this division. You all have worked so hard for this fundraiser. Thank you.

Roaring with Service,

## RECAP OF RTC

Hey Spartans!

I hope you all had a terrific time at Regional Training Conference. I know I sure did!

Wow! What a blast meeting key clubbers from 3 different regions! Well guess what? It doesn't end there! Yup, that's right Fall Rally North's coming up!

You thought RTC was big? Well get ready to see key clubbers from all of Northern California and Nevada! Whoa! Crazy right?

Major props out to Lauren Salinas, Kingston Ngo, Jenny Fang, Brandon Hoang, and Ryudo Hiruyama for creating supercool cheers at the last DCM! I definitely feel like we'll do a terrific job showing our key club spirit at Fall Rally North.

Well, what more is there to say? Let's get out there and show them our Spartan Spirit!
