Volume 1 Issue x

D14 Eagles

Hello Eagles,

My name is Mohit Gulati and I am currently the lieutenant governor of division 14 Key Club. I am a junior at Live Oak High School, and a proud member of Key Club since I joined my sophomore year. Hopefully every body has been having as much fun in Key Club as I have and is ready to finish the rest of this year with a bang.

MY GOALS FOR REST OF THE YEAR

Some of my goals for rest of this year are:

1. For my division to be more united through communication.
2. To increase members attending DCON from division fourteen.
3. For every body to have as much fun as they can in key club and earn lots of community service hours at the same time.
4. For more members to be active at the divisional level.

DISTRICT CONVENTION

That's right DCON is almost here! For those who have never been to DCON or don't even know what DCON is, it is a very fun way to end a year of hard community service with about 3000 other Key Club members. There will be workshops, dancing, and many spirited general sessions which will have you yelling for your division till your voice dies out. I know mines did last year. This years DCON will be in Sacramento, and will feature new workshops for members to attend and improve thier goals and knowledge about Key Club. For full paid Key Club members that wishes to attend, visit the cnhkeyclub.org website and register, unless your club executives are all ready getting all that ready for you. The deadline to register for DCON is March 5th so please register by then. Work out transportation and fundraising with your executives as soon as possible and you can even call me for help as my contact info is on the side. Remember if you need help raising funds, your local Kiwanis club is always a good resource.☺

In this issue!

Mission

An international, student-led organization providing its members with opportunities to perform service, build character, and develop leadership.

OTHER IMPORTANT DIVISIONAL ISSUES.

MRF's!!!

The MRF or monthly report form is what secretaries have to submit to me by the 5th of every month by 6p.m sharp. Advisors/Presidents please help your secretaries fill out the MRF and submit it in on time. If you do not have a MRF form, the CNH website cnhkeyclub.org has one under the secretary's page. These reports are very important as they inform the district about the progress your club is making, so please make sure your club is submitting your MRF's in on time!

DIVISIONAL ASSISTANT

Every lieutenant governor (LTG) is allowed two assistants. I have already chosen one D14 assistant at our last DCM, but I would still like another to assist me with my LTG duties. The first D14 assistant I chose was Eduardo Gonzales who is also a junior at Live Oak High School. If any body is interested in assisting me with my LTG duties such as compiling MRF's or setting up DCM's please contact me asap.

CONCLAVE

Conclave is the meeting where next years LTG will be chosen for the 2010-2011 term. If any body would like to run for LTG please contact me as soon as possible so that I may give you more info on running for office. This year's

conclave will be on Feb. 27th and the location will be announced at our next DCM. In order for conclave to take place, atleast half of the divisons paid members must attend so please make sure at least two people from your club attend. For more information on what a ltg does and how to run for office please visit the CNH website.

DCM/OTC

Our next DCM or Divisional Council Meeting will take place on Feb. 20th at Nu Generation Lanes in Yuba City. We will have our DCM first, followed by an OTC or officer training conference to train all officers in our division. Then we will end the meeting by bowling as a division. Fun!!! If your club has already had election by then for next year's officers, please bring them along also to get training. The more members we have attending, the more fun this event will be for all.

OVER ALL

Continue to keep up with community service and see you at the next DCM, Conclave, and especially at DCON.

In service,

Mohit Gulati, your 2009-2010 LTG.
