Club dues are required from every club. Here are some facts about dues. No club is not required to pay dues. If your club is confused about how to pay dues, contact your Kiwanis Advisor or your Lieutenant Governor ASAP. Suspension is just around the corner, and why waste \$100 or reactivation when it can be spent on other more useful items.

- \$11 = \$4.50 District + \$6.50 International
- At least 15 members per club for good standing
- Liberties
 - Can be set at any price, just don't go overboard
- Sent to the KCI office
- Key Club International
 - 3636 Woodview Trace

Winter Service

As the holiday season closes, your club should be gearing up for back to school. Don't forget Project CARE week for the letter E- encouraging healthy living is this month, from the 17th to the 23rd, so be sure to encourage healthy living in any kind of project (i.e working at elementary schools, holding charity running events, holding a nutritional eating workshop, etc). We'll look forward to reading loads of articles and viewing pictures and seeing service hours on your monthly

UPCOMING EVENTS!

Candidates Training Conference/ Conclave

MRFs ☺ We understand that most of your clubs seniors are rather preoccupied filling out college applications, scholarships, registering for SAT and ACT tests, etc. So perhaps, your club should take this opportunity to incorporate freshman and sophomores who normally wouldn't be in a leadership position into one. You'd be surprised how one more active Key Clubber can increase the output of community service hours your club can perform. Always remember to utilize your advisor.

CTC is coming up! For those of you who don't already know what it is, CTC is a Candidate Training Conference held at Sacramento, CA at the Kiwanis Family House. LTGs from all over the northern part of California and Nevada will be there to help members find out if they are ready to take on any of the leadership positions offered. From running in your home club, to running in the district level, you'll learn some tips on how to wow your audience.

Your Lieutenant Governors will be doing skits, dressing up, and teaching you what to do and what not to do in front of people. They'll help increase your confidence when public speaking and they'll also help give you tips and advice on what you should talk about during your speech. 5 minutes is a long time, especially if you are standing in front of people, so let them help you make it fly by smoothly. At the end of your speech, you will also be asked questions, so don't be caught off guard and come listen in on what we have to say! CTC is on Saturday January 16, 2010, and it will last from 10:00 AM to about 4:00 PM, so if you believe leading is within your future; take the opportunity to find out!

Conclave for Division 5 will be held on Saturday February 6, 2010, whereas conclave for Division 46 will be on Monday February 8, 2010. A conclave is a meeting where one goes in and listens to people speak about what they believe should be done with the division, and how they plan on achieving these goals. You'll be able to discover new ideas, and new ways to improve your club, along with the division. Candidates give speeches about who they are, why they want to run, and how they plan on achieving a goal for the upcoming year. Following the five minute speeches, candidates will be asked questions from anyone about anything related to Key Club. From comparing Key Club to a Piano, to reciting the Key Club Pledge backwards, you'll have fun and learn a lot about the upcoming year and what to expect. Two delegates from each school will be able to vote for who they believe did the best, and in the end, you'll discover your next LTG for the upcoming 2010-2011 year. Take part, and let your voice be heard.

Kiwanis Rose Bowl Decorating Recap

This year, Division 46 was able to send a bus to the Kiwanis Rose Bowl Float Decoration, the first in a long time. It represented 7 schools. The day was a long one as the bus left at around 1:00 A.M. and returned a little past 11:00 P.M. Division 5 sent 5 buses with students from 8 different schools. Their day consisted from 4 A.M to about 9 P.M. Throughout the day, the students worked on various projects such as cutting flowers, gluing rose petals to signs, as seen to the left, applying toothpicks to flowers to be placed on the float, cleaning the float area, and working

on the actual floats. It was rather hard to take a picture of one entire float, due to the immensity of detail that could not possibly be captured with a camera. It is truly a lifetime worth of memories. The amount of detail that went into every aspect of the float is astounding. Some floats were over two stories tall. Although the day way filled with light raining making it very cold, key clubbers still put forth a valiant effort and were aided with comfortable hospitality. Hopefully Division 46 will be able to send volunteers again next year to the decorating.

District Reflectors

Reflectors provide a great way to get information for your specific position in your club. There is a reflector for President/Vice-Presidents, Treasurers, Secretaries, and Bulletin/Webmasters. It's simple, create a Google account, and join one of the following links. Reflectors are for any Key Clubber in the California Nevada Hawaii District. Reflectors provide easy access to someone who can usually answer any question(s) you may have. You can also get information directly from the district officer faster, not having to wait until your club receives the information for you. Don't hesitate.

Rose Bowl Float Decoration

Hello Division 46, thank you to everyone who participated in the Kiwanis Rose Bowl Float Decoration. We were able to represent 7 different schools from Division 46 and look forward to going again next year. Hopefully we will be able to take more than one bus next year as it is an experience you do not want to miss out on. The floats were simply breathtaking. :-)

Candidate's Training Conference and Conclave

We have reached the midway point of my term as Division 46's Lieutenant Governor and it is time to begin the process of selecting a new one. Candidate's Training Conference, better known as CTC will be held at the Kiwanis Family House, in Sacramento California on January 16, 2010. It will last from 10 AM till about 4:00 PM. Mark your calendars because this training provides a vital part of succeeding or failing as a Lieutenant Governor.

Everyday skills are taught such as public speaking and delegating tasks. Another date to mark is Conclave, which will be held at the February DCM on February 8 at Denair High School. At least TWO delegates to select the new LTG are needed from every club to vote between the candidates.

****URGENT REMINDER - Club dues are required from every club. Supplementary Dues are due before February 1st, 2010. If your club does not have over 15 members it will be suspended.**

Here are some examples of awesome service projects. If your club participated in a great service project, send it with your **monthly MRF** and **Member of the Month** nomination.

Can Food Drive in Livingston

On December 16, 2009 about 25 LHS Key Clubbers arranged into groups of four and paired up with Atwater-Winton Kiwanis Club to go around Livingston collecting cans for the needy. It was a cold afternoon but the key clubbers still kept going to every house and collecting nonperishable goods. Each Key Clubber had a flyer with them that described the main purpose of the Can Food Drive and what it was helping so the people donating the canned goods would know where their donations were going. After the two hours of collecting canned food the key clubbers stacked them up in boxes into pickups to be taken away to a food bank. Key Clubbers collected a little over 500 cans.—Hijab Chaudhry, LHS Secretary

Rose Float Recap!

Hey Trojans!

I hope you enjoyed your trip to Pasadena! I'm sure there were lots of complaints about people being mean, but they've been working for more than a week, and by the time we ended up down there, it was deadline time, so it's understandable. I hope everyone enjoyed the experience of knowing how much work everyone puts in to all the floats, and it's not as easy as you think. Division 5 Trojans go down there every year, and this year we had the privilege to talk about it on KMPH Channel 26 News. A couple of Key Clubbers were interviewed about what we do in Pasadena, and pictures were shown also. Being a 4 hour trip there, and another 4 hour trip back, I hope everyone enjoyed seeing what goes on outside of our division. About seven schools from our division attended bringing 300 people from the San Joaquin Valley. East Fresno Kiwanis provided both lunch and dinner meals for all the volunteers. Overall, it was a great experience, although the weather itself made things a little difficult. Next year should be better, and I hope more people will be interested in attending next year. Bring your friends, bring your family, and best of all, bring yourself! People pay to see all your artwork, so take the opportunity to go and actually be part in the makings of something great.

Divisional News

Paid Clubs: Congrats!

Congratulations to all the clubs who got their dues in on time. Out of all twelve schools in the division, only one club had not submitted their dues on time. Now that most of the division is fully paid, you are insured by your Kiwanis, and you are able to do divisional events without having to worry about anything happen. Great job to everyone, and hope to see you all at DCON!

Clovis North Entrance?!

Some of you may or may not know, but this year we are planning on adding one more school to our division. With twelve schools already set, one more in the Clovis area is currently being chartered. Although a lengthy process, they may be able to join us in our next annual District Convention in Sacramento. Clovis North has created a Key Club that started strong from the beginning with 150 people signing up. Clovis North Sophomore Key Club Member and newly elected class representative says, "it's time to give back to a community that has given us so much." It's about time!

Conclave: Feb. 6

Division 5's Conclave will be on February 6, 2010 at Woodward Park Library from 11AM-1PM. Conclave is basically like a normal officer election, but you'll be electing your next Lieutenant Governor. You'll be able to hear speeches from each candidate, and two delegates from each school will be able to vote for whom they believe is best suited for the position. Food will be provided, so don't worry about lunch. Just bring yourselves, and look for what you want the upcoming year.

DCON: Apr. 9-11

District Convention! I hope you're all siked, and I bet some are you are a little confused. If you don't know what district convention is, it's that one time all divisions within California Nevada and Hawaii get together to have fun, learn more about key club, and experience different activities. District Convention will be at Sacramento, CA this year, and it will be from April 9, 2010 to April 11, 2010. Workshops will be held for newly elected officers to learn their jobs, along with Sergeant at Arms. There will be a specific wardrobe schedule, but you'll be notified ahead of time. You'll also be able to room with three of your friends if you choose. General Sessions will be held where all divisions meet in one room and battle it out with spirit/cheers, and speeches will be given from various speakers. It will be expensive, so start fundraising early! Be sure to register early too, or you may be far away from where all the fun takes place.

CTC North: Jan. 16

What's CTC?!

For those of you who don't know what CTC is, it's a Candidate Training Conference held in Sacramento for those of you who believe you have what it takes to be a leader. You'll learn how to become a public speaker, how to dress, and how to move your audience. You'll be having demonstrations from your northern LTGs, and you'll also be able to meet possibly future LTGs. People there are just like you, and are curious to see if they are ready to take on such a position. If you don't plan on being LTG, you can also prepare for officer positions within your home club. Come see what the buzz is about!
