REGION 17 NEWS

Hey Region 17,

I can't believe that this Key Club year's coming to an end so quickly! Remember that the Key Club year is different from the school year by a couple of months. It seems like yesterday that I attended my first LTG CTC North and Conclave. Speaking of which...

Your respective LTGs will be sending out a lot more information on CTC and Conclave. If you are interested in becoming the next LTG for your division, you should immediately contact your LTG for more info on these two events. CTC is not mandatory for candidates, but is strongly recommended; however, Conclave is mandatory because this is where the election will be held.

Your respective LTGs are working hard to make sure that your Key Club year ends with a BANG and not a thud. Help them out by responding to e-mails as quickly as possible and not giving them stress. Let's close this year out with something special!

Roaring with Service,
Jason Won Lee

DETAILS ON EVENTS

DISTRICT CONVENTION; SERVICE: A BUZZ AND BEEYOND

Some of you love DCON, some of you guys can't wait for DCON, and some of you have probably heard about DCON even before you joined Key Club. Well, everything you heard was true; DCON is the best. DCON is essentially a massive celebration that ends the year on a great note and welcomes in the new Key Club year through the election of the executive board. This year, it will be located in the Sacramento Convention Center in Sacramento (what, no way!), which is fortunate for our region since we don't have to travel as far as Long Beach to have a great time. In all, get pumped up for DCON and convince your friends to attend because, quite frankly, it is definitely the most fun event of the year.

Happy New years beloved Key Clubbers!

I know many of you are overwhelmed with what life, school, friends, family, food, diets, pets, college applications...etc. have thrown at you. How do I know? Either I'm physic or I'm going through. Our circumstances may have caused our lives to jiggle a bit, but let's not wiggle....let's stand strong!

As I speak, our Key Club year (ending in April) is coming to a close. It's been a pleasure to work with you all so far and as a sad thought it is, most of us will need to find replacements for next year's Key Club year. It's time to pick out potential leaders and start working with them because, even though we move on, Key Club stays.

A we trudge through final's laden January, let's keep a head high for lets make our last few months ROCK! We have our Divisional Benefit Concert coming up....a rare opportunity experience helping out with a concert that will change many, many lives. I urge us all to put a heavy push for this...it may not happen again for years to come.

-love and sincerely Jonathan Eng

muahahaha!

Happy New Year everyone! I hope everyone had a great relaxing break. Shout out to seniors who applied to privates and are finished. ☺ Can you believe that there's less than three months until District Convention? It's coming by super quickly so make sure your club has paid dues so you can attend! Check out the CNH Cyber Key Website for registration information and award guidelines. I encourage you to apply for any awards that you can. Many of them are as easy as checking of a checklist! Are you ready Supervillains? My goal for Division 12 South is to have at least 5 people attend from each club. Looking at last year, this will be easy! More information about choosing hotels and spirit packs will come up soon.

Sadly to say, my term is coming up to an end. By next month we will already know who will be my elect. If you are still interested in running for LTG next year, it's not too late! You can still run. Attend Lt. Governor's Candidate Training Conference North in Sacramento! Although it's not required, it is very helpful. Anyway, Conclave is coming fast! Get ready to suit up in your spiffy business gear! We will also have our February DCM at Conclave. Don't know what Conclave is? It's basically elections for Lt. Governor for next year. This event is limited so be ready to sign up with your club president when the registration form rolls out.

This year, our division has grown quite a lot. I really appreciate the attendance to the last several Divisional Council Meetings. We have been averaging about 150 members every DCM since October. Thank you so much for your support everyone! As for paid dues, we've had some problems with a couple of clubs but once all dues have been cleared, we are looking at over 700 members! That's at least a 20% increase from the last! I can't express how great this year has been for me. Thank you for being the best division I could ever ask for. I to the

it's time for Elections!

I know what all of you are thinking. "Wow, already?" Yes already! It's time to elect your 2010-2011 club officers! Your club should hold your elections sometime between January and April. However, your new officers will not officially take over until the after District Convention. (Usually in May) But before you hold your elections, there are a few things that you and your fellow officers may want to go over before your election.

CONSIDER THIS!

- elections or appointments?
- advisors invited?
- speech/questions length?
- application for candidates?
- eligibility test?

PUBLICIZE THIS OPPORTUNITY!

Make sure you publicize this opportunity to your members. Give them a good amount of time to prepare for the election itself.

SET THE ELECTION DATE(S)!

Be aware that not all your members are willing to spend their entire lunch listening to why someone wants to become an officer. Think about splitting the election throughout several meetings.

DON'T FORGET

to invite your Kiwanis Advisor, Faculty Advisor and maybe your Lt. Governor to the election.

CHECK ON YOUR CANDIDATES

Make sure your candidates have paid dues and has some knowledge about Key Club.

ELECTION TIME

Let your candidates speak and answer questions.

January 2010

New Year

Division 34 North Aqua Apes,

Ah! Can you feel the burden? The burden that has been lifted off most of the seniors' backs? I know many of you underclassmen may get tired of me talking about seniors, but these past couple of months with college applications and standardized testing was probably one of the most stressful times in high school. Now, all that's left are the college decisions, in oh, about three months or so. To the rest of you still applying, good luck!

The new year has approached us, and as such, I hope that you all have a renewed spirit to serve. I've seen the countless hours that you all have done, and I really do appreciate it. Reflecting back on the December DCM, I'm glad that the schools that were able to come did because it was the first time in my term that a DCM was combined with a service project. I definitely made sure to remind Key Clubbers what service is all about.

My term, sadly, is coming to an end once DCON ends. However, that leaves the door open for future leaders! Candidates' Training Conference North will be held on the 16th. More information about that will be sent out soon. Also, Conclave will be in February. Until then, ROAR!

Lt. Governor's Introduction

Hey Penguins,

I'd like to give a big thank you to those who showed up for the December DCM. I had a lot of fun singing my heart out with you guys. Together, we accumulated almost 200 cans of food for the Second Harvest Food Bank, all of which will go to help feed hungry people during the holidays. I'd like to give a big thumbs up to Homestead Key Club for planning and executing such a successful DCM. Be sure to attend the January DCM, which is the coveted Mr. Key Club Pageant!

Also, thanks for those that attended Ice Skating Under the Stars on December 26th! It was a blast. Sorry for not remembering the stirring sticks, I definitely won't do that again haha.

Lastly, I never thought that this day would come, but my term is almost over. With less than 2 months left as Lieutenant Governor, it's time for me to find a replacement. If you think you have what it takes to be the next Lieutenant Governor, send me an e-mail at d34s.kc.ltg@gmail.com. I have some valuable information for you, as well as some training conference dates that you should definitely mark on your calendar before taking the big leap. Anyone can run, so don't be shy and step up!

And with that, I close my remark.

Wishing everyone a year of surprises,

Patrick Lin
