

D14 Eagles

Hello Eagles,
 I hope you all had a nice valentines day and are ready to go to DCON. Some of the recent activity that took place in our division was conclave, a Dcm, and an Otc. The Dcm and Otc were combined and were a lot of fun even though only two schools showed up. We discussed ideas on how to improve membership, DCON, Conclave, and even came up with a divisional project. Also at conclave, I was the only person to run for LTG of the 2010-2011 year and won.

MY GOALS FOR NEXT YEAR ARE S.O.A.R

- S-ervice hours to increase in our division.
- O-rganize our divisions contacts the best I can to unite our division.
- A-ttendance at Key Club and Kiwanis events to improve.
- R-ecruit more members in our division.

Some of my goals for rest of this year are:

1. For my division to be more united through communication.
2. To increase members

3. attending DCON from division fourteen.
3. For every body to have as much fun as they can in Key Club and earn lots of community service hours at the same time.
4. For more members to be active at the divisional level.

DISTRICT CONVENTION

That's right DCON is almost here! For those who have never been to DCON or don't even know what DCON is, it is a very fun way to end a year of hard community service with about 3000 other Key Club members. There will be workshops, dancing, and many spirited general sessions which will have you yelling for your division till your voice dies out. I know mines did last year. This years DCON will be in Sacramento, and will feature new workshops for members to attend and improve thier goals and knowledge about Key Club. For full paid Key Club members that wishes to attend, visit the cnhkeyclub.org website and register, unless your club executives are all ready getting all that ready for you. The late deadline to register for DCON is March 26th so please register by then. Work out transportation and fundraising with your executives as soon as possible and you can even call me for help as my contact info is on the side. Remember if you need help raising funds, your local Kiwanis club is always a good resource.☺

In this issue!

Mission

An international, student-led organization providing its members with opportunities to perform service, build character, and develop leadership.

OTHER IMPORTANT DIVISIONAL ISSUES.

MRF's!!!

The MRF or monthly report form is what secretaries have to submit to me by the 5th of every month by 6p.m sharp. Advisors/Presidents please help your secretaries fill out the MRF and submit it in on time. If you do not have a MRF form, the CNH website cnhkeyclub.org has one under the secretary's page. These reports are very important as they inform the district about the progress your club is making, so please make sure your club is submitting your MRF's in on time!

DIVISIONAL ASSISTANT

Every lieutenant governor (LTG) is allowed two assistants. I have already chosen one D14 assistant for this year at our one of our pervious DCM, but I would still like another to assist me with my LTG duties. The first D14 assistant I chose was Eduardo Gonzales who is also a junior at Live Oak High School. If any body is interested in assisting me with my LTG duties such as compiling MRF's or setting up DCM's please contact me asap.

NEW DIVISIONAL PROJECT

I am proud to announce our new divisional project for rest of this year, which will be to make a mile of dimes for

March of Dimes. The location for where we will lay out our mile of dimes is still to be announced but all clubs should be trying to raise money to donate. In order for us to make a mile of dimes, it takes an estimated \$9000. So if we are successful we will have raised \$9000 for March of Dimes. The event will take place on May 15, 2010.

DCM

Our next DCM or Divisional Council Meeting will take place on March 20th in Yuba City at Round Table on Stabler lane. See you all there.

OVER ALL

Continue to keep up with community service and see you at the next DCM and DCON.

In service,

Mohit Gulati, your 2009-2010, 2010-2011 LTG.
