Heyooooo Region 16!

So this year is coming to a close and it's about time our region started to bond more. A way to do this is to go to the socials that are waiting for you in the upcoming months. Between March and May, there will be socials such as Awake-A-Thon and other interesting ways to keep in contact with the other Key Clubbers in the region. If you are not a senior, use this time to make more friends—to learn more about how you can get more involved. As Lieutenant Governor's we spend a lot of our time trying to get our divisions closer to each other. Make this easier for us and have fun with the last Regional Newsletter ever!

James's Buzz

Hey everybody!! About this time a year ago, I was elected as your Lieutenant Governor, the naïve, inexperienced Lieutenant Governor. And now, I'm here. A year later, almost done with my term, and quite sad about it. We've been through so much. I remember taking up the job and hearing people say that this division was weak. I refused to believe them and look at where we are now. We've certainly progressed from where we were before and I'm definitely proud of all of you. I can't describe what I'm feeling right now. I'm definitely proud of all of you. It's been an honor serving all of you and I'm proud to say that I'm a D7N bee!

MEET THE ELECT!!

Hey everyone! I'm Catherine (or Cat) and I'll be the next Division 7 North LTG!!! I've always believed that a person anyone works with should also be they're friend, or someone that they can be comfortable around. So I'll try my best to be that type of person.

I joined Key Club my sophomore year at Davis High School when a random person across the hall yelled at me and threw a flyer in my face, but I've loved it ever since. I love the fact that I can serve my community while having fun, hanging out with my friends, and meeting new people. I love how Key Club has cheers and spirit battles with Key Clubbers from other cities and states. And I love how we are able to make such a huge difference.

Besides Key Club, I enjoy doing many other things. Even though I was a terrible athlete as a child (actually, I was terrible at everything when I was a kid), I'm a huge fan of most sports. Every weekend, I play soccer and badminton, and I'll occasionally go on a run or two with my friends or family. Growing up, I also picked up sketching from my dad. So whenever I have nothing to do, I'll take paper and a pencil and start sketching. Just like the way I love Key Club, I absolutely love eating frozen yogurt. I even promised James that we would eat at every yogurt shop in Davis when we have the time!!! When I'm hanging around my friends, I like playing all sorts of games (I think everything is fun). My friends tell me that I'm easily entertained, but that's a good thing...right?

GLOBAL YOUTH SERVICE AND EARTH DAY

Time: 8 AM – 12 PM

What: Come and help out with a multitude of jobs that in unison with Earth Day, will help our world!

THE ROARING MONSTER

OMG DIVISION 7 SOUTH!

Alright, so this year is coming to an end and it's quite sad to know that this is my last Divisional Council Meeting. Don't worry guys; Austin is currently learning a lot and by the time April swings around, you'll be under his management. It's very difficult to start off your term strong, so please give Austin your full support; after all, we're Division 7 South.

On another note, for your individual officers, please be mentoring your elects about their jobs because you do not want your home club to fall into ashes. If you guys give them the right training now, they will start off strong and make your members proud. Work hard, I know you guys can do it. Let's make sure this first year of Division 7 South ends off with a blast!

LOVE,
Division 7 South

LT. GOVERNOR ELECT'S EXCERPT

Hi Division 7 South, my name is Austin Wu. I'm a sophomore at Franklin High School, and I'm super excited to be your next Lieutenant Governor. For the past year, I've served as Franklin's Vice President, but my love for service has inspired me to take charge and run for LTG. Events like Grassroots Soccer and Fall Rally have really motivated me to be a better and more spirited person! So let's perform more service, raise more for PTP, and show our Monster spirit! Besides performing community service, I love to run - I'm on the school's Cross Country team - and I'm a pianist. Of course, I'm still a nerd at heart, and I like watching anime and playing video games. Nevertheless, I love making new friends; I can't wait to get to know all you Key Clubbers out there, so feel free to come talk to me and add me on Facebook, or I'll try to introduce myself to you! So here's to an awesome year ahead ... Go Monsters!

THE NINJA NEWS

The Official Newsletter of Division 44 North Key Club

Region 16 | California-Nevada-Hawai'i District | KEY Club International

Lieutenant Governor's Message

BAM! TIME IS RUNNING OUT!

Helloooo Ninjas!

So the other day I was sitting in my physics class, bored out of my mind, because uh... my teacher was lecturing about fluids and motion. Haha. Interesting, eh? But seriously, perhaps it was my boredom that sparked my sudden epiphany, and I began to get really sad and my mind began to boggle through the memories from this year.

It's crazy how fast the year is coming to an end. I'm already sad =(but at the same time excited for all of the upcoming festivities.

So, what is the division currently up to? Well, the bowling social is still in the works, and DCON spirit gear is just about finalized! YAY! Also, the District Convention Committee has been busy working to ensure that the Convention that will occur in about two weeks days is amazing! Meanwhile, the Member Recognition committee is busy reviewing all contests & awards that were submitted by March 5th. Everyone seems to be on the same page as clubs, district board, and international gear up for a strong finish as we approach the end of the year.

It's been a crazy and wild ride. There have been many ups and downs, but I sincerely hope that in some way, the division has benefited you and your club. I also want to ask all of you to FINISH strong! The service should not end now—or ever. At the end of the day, ask yourself—what have you done for your club this year? If you are satisfied with your answer, then I am happy for you. Be proud of all of your accomplishments and those to come! Key Clubbin' like it never ends...

In friendship and service,

Nivi Balu

Notable (& Quotable?)

Introducing...

KEVIN LEE

D44S Lieutenant Governor Elect

A LITTLE BIT ABOUT KEVIN...

My name is Kevin Lee and I am going to be your next Lt. Governor. I am a sophomore and a member of Mira Loma High School's club. I have been involved in Key Club since my freshman year of high school. I have become very passionate about Key Club.

HOBBIES/INTERESTS: Besides Key Club, I really enjoy playing basketball.

GOALS: My goals for the next Key Club year are to arrange the DCMs on days where it is convenient for most people, send out the newsletters on time, assist the regional advisor, and make sure that all clubs stay active and get their money in on time. I hope I can do as good of a job as the previous Lt. Governor and really look forward to my term. I also really look forward to meeting all the people in our division and hopefully will see you all at our next DCM.

Super Important: Divisional Pins

We need designs, Yo!

Pins will be circle-shaped and 1" in diameter. Please send in designs via e-mail attachment to LTG Kelsey Wong, d44s.kc.ltg@gmail.com by **Wednesday, March 17th at 6 PM**. If you want to send in more than one design, that's totally fine with me.

At the least, please include Division 44 South and a picture of a green frog on the pin. If you want to put a cool catchphrase, that's fine too -- just make sure that the text is legible. :]

Please e-mail me for the 2009-2010 divisional frog logo (featured on our banner and T-shirts) if you would like to include it on your pin design.

& a few more things . . .

Divisional Ties

Ties for formal divisional wear (at DCON and other events) will be sold at \$9 each. The ties will be striped white and green. Although it is not required for DCON attendees to purchase a divisional tie, I highly recommend it – divisional spirit/matching attire is very cool.

Pre-orders can be sent via e-mail to LTG Kelsey Wong or in person at the March DCM.

PLEASE TAKE NOTE: Ties will ONLY be ordered for those who make pre-orders and pay by the March DCM. If you want a tie, pre-order and pay!

MRF Submissions

Thank you, Cordova and Mesa Verde for turning in MRFs early and Bella Vista for turning it in on the 5th.

There's only one more MRF to turn in for this term, so I would like to extend my thanks to all of the secretaries who work hard every month to get it turned in on time!

Still selling Divisional T-Shirts

We still have some left over divisional T-shirts! If you want a divisional shirt, just give your name, size, and money to your club president, and your club will be able to pick it up at the next DCM or I can drop it off (depending on the location of your school).

Shirts come in adult sizes: S, M, L, and XL. Price per shirt is \$12.
