End of 2009-2010 Key Club Year!!

With the 2009-2010 school year coming to an end, there are still many things that we must do! Here is a short list of some suggestions that you and your club should do before the school year comes to a close. Keep working hard!

- Hold club officer elections! Remember to elect a president, up to 5 VPs, a secretary, and a treasurer. Also, remember to have appointed positions such as class directors, historian, etc!

- Have an installation/retiring banquet or ceremony! This is a very meaningful time to honor and retire your old officers, and to officially install your new officers.
- Submit your new officer roster to the incoming LTG, David Ochoco.
- Begin your next school year planning! Although it seems like a long ways off, it's never too early to start! ☺

LTG LalalaLaurie's LoOkOUT ♥ ♥ ♥

Dear Division 22,

Wow. This is my last newsletter to you...time sure does fly by quickly! The school year is almost over and the Key Club year is almost complete as we now begin to elect new officers and look towards the future. And for us seniors (class of 2010), we begin to look towards our personal future, whether it is in college, work, or in adventure. My best wishes to all of you as we embark on a new journey, a new chapter within our lives.

I am excited to graduate and head towards my future, but I am also sincerely going to miss Key Club. As I reflected upon my four years in this organization, I have realized how much this club and how much service has given me - it has changed my life. The experiences, opportunities, and blessings that I have received through Key Club are truly priceless, and I would never trade them for anything in this world. To speak honestly, I will admit that I would not be the person that I am today if it were not for Key Club. I would not be "living" nor appreciating life if I did not experience the power of service, the power of caring.

If this is your final year in Key Club, please, take the time to reflect over the years you spent within this service organization. Remember the service you performed, remember the reactions, remember your

feelings. But most importantly, remember who you were before you began your journey in service, and who you are now after your experiences.

To those who have a few more years of Key Club ahead of them, please, enjoy it. Be open to the experiences and lessons that Key Club has to offer you, and always remember to serve from your heart.

On a final note, one of the greatest things that I have learned through Key Club is appreciation - to appreciate my family, to appreciate my friends, to appreciate the chances and opportunities, and to appreciate hardships for the lessons they teach. I would like to thank everyone who attended the Divisional Convention and for making it a success. I would like to thank my amazing Divisional Team and my wonderful Regional Advisors. But most importantly, I would like to thank you, Division 22, for everything that you have done and how you have truly inspired me. I appreciate you.

Love your LTG,
*Laurie
Meguro*
