A Message from the PIE Chair

Buzz Buzz, California-Nevada-Hawai'i Key Clubbers!

Welcome to the 75th annual California-Nevada-Hawaii District Convention in Reno, Nevada: the biggest small city in the world! I hope you will all enjoy District Convention this year. As an attendee, you will not only experience and celebrate the end of a wonderful Key Club term with all of your friends, but you will also have the opportunity to meet new Key Clubbers across the California-Nevada-Hawaii District. I encourage you to take advantage of the extensive opportunities that District Convention provides. This weekend will be jam packed with educative workshops, inspiring speakers and dozens of opportunities to create lasting bonds with other members. I still remember my first Convention four years ago and the unforgettable memories made throughout that weekend. Whether this is your first Convention or your last, I encourage you to step out of your comfort zone and seize every opportunity to create lasting moments and develop your leadership this weekend.

To those who are Delegates, congratulations! You have been given the incredible privilege of deciding the 2020-2021 leaders for the California-Nevada-Hawaii District. You will be able to vote on behalf of the club you serve to determine who will become the next District Governor, Secretary and Treasurer. Before voting, it is crucial that you read the candidate's campaign material within this booklet, including both the Profile Overview and the Literature. These materials will be beneficial for you to understand each candidate's unique platform and qualifications. Use the information that they have provided to generate insightful questions to ask the candidates during both Candidates' Meet and Greet as well as Caucus. Remember, an informed delegate is an effective delegate, so please take advantage of this opportunity!

This Candidates Booklet has been created to help prepare to be the best delegate possible. You will be given information regarding the Candidate Meet & Greet, Caucus Questions, Caucus Procedures, House of Delegates, and specific duties of each office. Most importantly, you will be able to read all the campaign materials of each one of the candidates.

The Policy, International Business, and Elections Committee hopes that you will find this booklet helpful in making your final decision. Please do not hesitate to reach out to me if you have any questions, comments, or concerns.

We would like to thank each of you for another year of outstanding service and leadership to the California-Nevada-Hawaii Key Club District. We hope you have a fantastic time flying away with service at District Convention 2020!

Always with a slice of service,

Joyce Wu

Resolutions

The following resolutions are those to be presented on behalf of the California-Nevada-Hawaii District Board to the House of Delegates for approval on Saturday. The purposes of these resolutions are to acknowledge persons for their performance and to identify programs that are important to the Key Club program.

WHEREAS our California-Nevada-Hawai'i Key Club District has completed over **720,000 hours** of service and has raised over **$260,000** for the Pediatric Trauma Program. Let it be RESOLVED that our Key Club members have made a positive impact in their home, schools, communities, and the world through the vehicle of service.

WHEREAS District News Editor Hanah Shih, District Technology Editor Sydney Karimi, District Video Media Editor Derry Chen, District Convention Chair Michelle Le, Communications & Marketing Chair Yolanda Mai, Kiwanis Family & Foundation Chair Janet Teng, Member Recognition Chair Queenie Lam, Member Development & Education Chair Daniel Chong, Policy, International Business and Elections Chair Joyce Wu, and Service Projects Chair Melissa Cabana have gone above and beyond in their duties to achieve their set directives to further educate, implement, and conduct through their focuses along with their committee members. Let it be RESOLVED that we are grateful for all their efforts and hard work by all attendees.

WHEREAS CNH Key Club District Governor Chuofan Yu, District Secretary Lawrence Guittap, and District Treasurer Kristie Poon have led our District to all time heights in reaching our goals to making a GOLDEN year in service, leadership, fundraising, and education. Let it be RESOLVED that we are grateful for their hard work and their commitment to service.

WHEREAS International Trustee Indigo Parlin has done an outstanding job of providing support to the CNH District through his service in keeping the District updated with International updates and helping the PIE Committee accomplish their directives in International Business. Let it be RESOLVED we are grateful for her hard work and dedication.

WHEREAS District Administrator Mr. Douglas Gin, Assistant District Administrator Mr. Alan Quon and Mr. Marshall Roberson have spent countless hours to guide the 2019-2020 District Board and Region Advisors in all business and affairs pertaining to California-Nevada-Hawai'i; and WHEREAS their guidance has made this convention a huge success. Let it be RESOLVED that we are grateful for their service.

WHEREAS Director of Service and Leadership Programs Bruce Hennings and the Kiwanis District Office Personnel have served our District tirelessly; and WHEREAS Mr. Hennings and the Kiwanis District Office Personnels have guided the Key Club California-Nevada-Hawai'i District, let it be RESOLVED that their dedication has made the 2019-2020 administrative year a great success.

WHEREAS the Region advisors, faculty advisors, and Kiwanis advisors of the CNH District have given countless hours of their time to provide support to guide the members of either the region, divisions, or club to help them grow as servant leaders and serve their home, schools, and communities. Let it be RESOLVED that we are thankful for their efforts.

WHEREAS these individuals and committees responsible for the success, funds raised, charity, and service performed by CNH to our home, schools, and communities. Let it be RESOLVED that the 2019-2020 District Board, known as the "UnforgettaBEEs," ceaseless dedication to service has brought our District to an outstanding year full of new goals reached, growth, and service performed. The entire District Board is proud of the members we serve and that without them we could never have reached our goals and made the CNH District the outstanding District that it is.

Information for Delegates and Members

Candidates' Color Key

Governor: Turquoise

Secretary: Peach

Treasurer: Pastel Green

To help you identify the office that each candidate is running for, the colors on the left have been chosen for each position. Be on the lookout for these colors during the Meet the Candidates and Caucus Session!

Candidate Meet and Greet

Friday | 2:30 PM - 5:30 PM | Carson 2

As a delegate, you are highly recommended to attend Candidate Meet and Greet. Candidate Meet and Greet is an important part of the election process. Here, you will be able to personally talk to each of the candidates running for the executive positions and international endorsement. Use this time to learn more about their platforms, ask questions, and get to know each of the candidates before casting your ballot during House of Delegates. Remember, an educated delegate is an effective delegate, so use this opportunity to your advantage!

Delegate Registration

Please note that Delegates are required to register at the Delegate Registration Booth at **Carson 2**. Check your convention program for the following functions:

On the Friday of Convention Registration, there is a separate registration booth for delegates. It is organized by the name of the club. Delegates must be present at registration to receive their delegate wristband and printed booklet.

Election Process | Caucus Session Procedure

What is caucus? Caucus is where each District and International Candidate is given a set period of time to give a brief speech that speaks of their goals and qualifications, and then they answer questions.

Caucus & Moderators: Caucus will be held in Ballroom C, arrive early as the session will begin promptly at 8:00 am. In the caucus room, there will be two District Board members and a region advisor. The Policy, International Business, & Elections Chair will serve as the caucus moderator while the other one will serve as the assistant caucus moderator. The Region Advisor will serve as the adult moderator to help the PIE Chair keep order. These moderators will time the candidates and deem which questions are appropriate or not, based upon whether the question is in bad taste or of a harassing nature.

Candidates: All candidates running for District office or International Endorsement will appear in the caucus session and the timer will begin once they enter the room.

Etiquette: The candidates are not to be touched, asked to ingest any material or asked to partake in any behavior that is in poor taste. No objects may be thrown or propelled by any means in the Caucus rooms. Rude behavior will not be tolerated. Persons are not allowed to enter or leave the room while candidates are present.

Election Process | House of Delegates

Procedure: Each club is allowed two delegates, who must be registered prior to the House of Delegates. The House of Delegates members will listen to the candidates' final statements and answers to questions from each of the current executives and vote by ballot for the candidate of their choice.

Purpose: The House of Delegates provides a forum for the candidates for each office to present their final message to the District delegates, and where delegates vote for each position. This is where the delegates will give their final vote!

After the Governor convenes the House, delegate entry and exit will only be allowed during periods between candidate presentations.

Candidates: If there are more than two candidates for an office or more than four seeking endorsement, then a nominating conference will be conducted. After the nominating conference, two final Executive candidates and up to three endorsement candidates will appear on the final ballot.

NO CELL PHONE or any other Electronic Device USAGE IS PERMITTED during House of Delegates.

Nomination Conference: If this is necessary, the candidates will be introduced to the Conference and voted on in the following order: Governor, Secretary, Treasurer, and International Endorsement. There will be no speeches or questions. Results will be announced prior to the closing of this session.

International Endorsement: International rules state "A district shall endorse not more than one candidate for the office of President or Vice-President, and two candidates for the office of Trustee." If there is only one candidate for endorsement, delegates are to choose whether to vote "yes" to endorsing the candidates or voting "no" to not endorsing the candidates.

Spectators: A spectator section, separate from the delegate seating area, for non-delegate members and adult chaperones will be provided. Spectators may not sit with or talk to the delegates, nor take part in the process. Silence must be observed at all times. Entry and exit of spectators will only be allowed during periods between candidate presentations.

Election Results: The results of the ballot voting will be announced during the Saturday evening General Session.

Election Process | Caucus Questions & FAQs

Any time that is left after the candidate finishes their speech is open for questions.

What makes you stand out as a candidate for the respective position that you are running for?
The strongest thing that makes me stand out is definitely my platform on education for CNH. This is something I have spent a lot of time focusing on for myself and the division I serve. Officers deserve to be trained and grow along with everyone else. I spent an immense amount of my term training officers individually in calls, helping members with MRP and awards, and working towards the large training conferences to benefit our officer base. All this experience will help me benefit the Lt. Governors, officers, and members of CNH. The best thing about educating the officers and Lt. Governors effectively is that it will ultimately benefit the members! This means more consistent community service, social events, more positive leadership experiences, member recognition, And more. I am definitely confident that my platform can help propel us even higher! I know that I will always work tirelessly for the organization that gave me a home. So, one day, this can welcome in thousands of more servant leaders just like YOU! More things that help me stand out are wise decision-making and the ability to realize I still have a lot to learn. My time as Lt. Governor has taught me a lot about decision-making in stressful situations. I realize what it takes to make the decision that will benefit our CNH Key Clubbers and that it will be difficult sometimes. Lastly, I have had experience in the past 3 years, but I don't think this is where I stop learning. I want to continue learning, working, and spending time thinking of new initiatives, resources, and ways that the district can help all of our clubs!

What was your most meaningful contribution of service to CNH Key Club? What made it so?
My most meaningful service contribution in CNH Key Club is an event I hosted for Division 27 North called "Grizzly's Workshop". This was one of the most ambitious service project that I or Division 27 North has hosted in the past 4 years. We had all 11 of our schools collect donations for toys, clothes, and gifts for children for the holidays. Some schools held toy drives, clothing drives, and collected any meaningful gifts that came. This was an interclub with Lodi Kiwanis as they helped provide some of the wrapping and tape for the gifts. At the service event, schools and members would bring their donations. After a few ice breakers and set-up, we got members set up to start wrapping presents, writing cards to children in need, and making goody bags. We had set up multiple different lines to do this. I was extremely stressed about the event at first. However, members and my Kiwanis LTG brought many generous donations, which honestly warms my heart till this day. I was able to see the true spirit of service, with my own eyes. It makes me emotional thinking about the event as I was so happy to see everyone enjoying it and that we were changing children's lives. I was very active during this event as I was running all around the gym, giving gifts to wrap, wrapping paper, helping members, and storing gifts. I always enjoyed the service events that kept me on my feet and active. I felt that this became more

What makes you stand out as a candidate for the respective position that you are running for?
Although I believe that all candidates are qualified to serve as our District Governor, my undying passion and incomparable motivation makes me stand out as a candidate for District Governor. Ever since my freshman year of high school, I've developed a unique passion for service and helping others, motivating me to seek more information about Key Club. With my drive to learn more, I was able to learn so much about Key Club early on into my Key Club journey, leading me to become a club officer and a division executive assistant as a freshman and sophomore. My determination truly makes me stand out as it can drive me to achieve new heights, which is exactly what I want for the CNH District. Additionally, as a Lieutenant Governor, I've grown to create close connections with many members at Division events, creating a safe space for them. I was also able to develop a loud and bright personality, with the ability to lead and serve a large group of people. This being said, I stand out as a candidate because I have undoubtedly exemplified inclusiveness and caring in order to make others feel welcomed and loved. All in all, my personality and public speaking skills make me stand out and will allow me to communicate comfortably with the District, resulting in effective leadership. As District Governor, I will be able to create unbreakable bonds with members of the entire CNH District. Overall, with my experience, passion, and determination, I hope you can trust me to serve as your District Governor for the next term.

What was your most meaningful contribution of service to CNH Key Club? What made it so?
I find every service event that I attend meaningful and important in its own way because every event has an impact on my life and the lives of others. In particular, the most meaningful contribution of service was serving at Division 4 North's first Donation-Based Bake Sale. Throughout the entire five hours of service, many people from the community would come up to my group and I to ask us the question "What's Key Club and what is all this for?" before donating any money for any baked good. This led to my quick elevator speech of explaining this organization and the Pediatric Trauma Program. To my surprise, many times this speech led to many people, no matter what age, to donate money without even taking any baked goods. It was then that I realized when serving our communities, service must be done by the community as a whole, with everyone contributing to help. I hold this event dear to my heart because I am so grateful to be able to educate my community about Key Club and what we do while making bonds with new people. Many times, people would take pictures with our group selling, give us a hug or a high five to appreciate what we were doing, and it made all of our hours of baking and selling so worth it. By the end of this event, we were able to make over $600 for the Pediatric Trauma Program and it made my passion for Key Club grow even larger.

What's Buzzin' CNH?

My name is William Hin and I am honored to be running to serve as **YOUR** District Governor for the 2020-2021 term. Serving as a Lieutenant Governor of the CNH District, I've grown to truly love our District with all of its wonderful aspects of service, spirit, funds raised, leadership and ohana. In the upcoming term, I would like to **inspire change** to improve all of these aspects to **reach new heights.** If elected, I vow to dedicate my last year in Key Club to serve and **GUIDE YOU** through your Key Club journey of **unforgettable memories, connections, and growth.**

With an aspiration to GUIDE you,

William Hin

G ROWTH
Over the past years, we've had a huge membership decline. As District Governor, I would set long-term and quarterly short-term goals in order to reach new heights and growth in all aspects combined of service, funds raised, and membership dues. With maximum effort and uncomparable leadership, we can reach our District Goals and set incredible records.

U NITY
Kiwanis is a vast organization, which serves as a fundamental support system for Key Club. Through consistent communication among branches of the K-Family, we would be able to unite the large organization as one, with each branch supporting one another.

I GNITE YOUR PASSION
Dedication is derived from passion, which for many members, comes from their Key Club moments. I want members to develop a passion for this organization and find their own Key Club moments through new events, leadership opportunities, and service projects.

D ESIGN A PATH
Improvement and growth can only be achieved through a plan. With 2 Region CORE calls and a Division Growth plan, each Division will have a specific path to follow in which they can grow. They would focus on some aspects to improve in order to reach their maximum potential.

E DUCATION
Key Club is international and with an increase of communication between the District and members, members will learn about the many opportunities and events offered to serve, learn, and impact. Short videos and presentations will be made in order to simply explain the true meaning of Key Club and everything it offers.

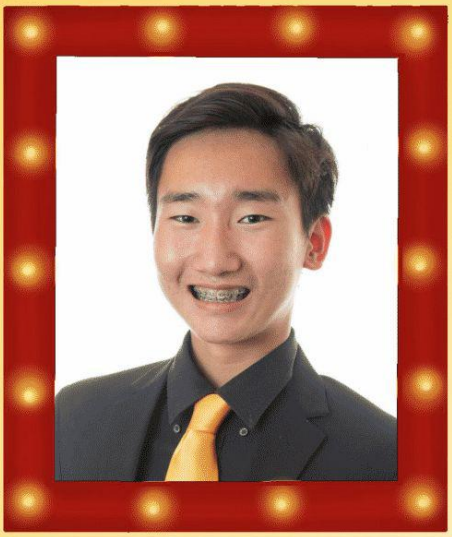
What makes you stand out as a candidate for the respective position that you are running for?
I possess an unmatched passion for this organization. Everything I've done in Key Club has brought me such genuine enthusiasm, and I will carry on this love with me to serve the district. Whether it be biking two hours to a service event, completing a list of responsibilities for my elected role, spending 8 hours creating hundreds of onigiris to sell, or skipping a trip to LEGOLAND to attend an event, nothing that I ever do in Key Club feels like a chore; it is something that I genuinely enjoy spending every minute doing. It is with this passion that I also provide a unique energy that fosters a welcoming environment for others to feel confident in their abilities, comfortable asking questions, and able to challenge themselves to achieve their highest potentials. Throughout my Key Club journey, I have stepped out of my comfort zone to connect with people promoting an inclusive environment in the division that I serve and encouraging many others to do the same. During my term as Lieutenant Governor, I approached a new, shy member at one of our Pre-Fall Rallies and held a very memorable conversation with him about his high school ambitions. Ever since, this member has gone to almost every event and is now well-known for his ambition and energy in the division. This moment was especially important for me as I watched the passion and confidence of the member flourish and realized that I could tangibly impact another individual's Key Club journey. As District Governor, I am confident in my ability to bring this same dynamic to the District, by not only encouraging greater interaction and bonding amongst Lieutenant Governors within the District Board, but also bridging the divide between the district and members and completing every task with my fullest effort and inspiring others to do the same. Ultimately, my unwavering passion and charisma will serve me well in ensuring the greatest term as your District Governor.

What was your most meaningful contribution of service to CNH Key Club? What made it so?
My most meaningful service contribution was at one of my first events with INSAN, a non-profit organization that aims to end hunger, poverty, and unemployment. At their homeless shelter, I began in the kitchen cutting fruits and vegetables, while the other volunteers helped to carry other items in. At the time, I was unaware of the impact I was making. I was just helping prepare food to be served to residents at the homeless shelter. Then, once all the food had been prepared, I delivered the food to the handicapped residents who were not able to make it to the dining area. As I served the food, my heart had just melted like chocolate in your pocket. Seeing them so happy and grateful for what they were receiving was such a joy to see. This was my Key Club Moment. This was where I experienced that unique satisfaction that comes with serving others. This was the start of my love for this organization and what has continuously inspired me to pursue greater heights in impacting the community. This is what has led me to run to be your District Governor, so I may give back to the community, this organization, and you, the members.

Daniel Min for District Governor



Hello CNH!

My name is **Daniel Min** and I am so humbled to have this opportunity to be able to run to be your next District Governor!

You may be wondering why my platform is circus. Well, a circus is **full of unique people with unique talents**, it brings joy to many different people, and is a place where anyone can belong— *just like Key Club*.

A circus is also always filled with new acts that are sure to bring in new audiences. This is what we must also do with the CNH District-- bring in new ideas that can combat our *trend of decline*.

CNH, I might be a clown, but in my circus, there is a place for every bee, so together, let's make this the **greatest term ever**!

C I R C U S

ommunicate. In the district, there are so many deadlines and events to keep track of. I will increase **COMMUNICATION** from the district to members through a **District Google Calendar** with **EVERYTHING** so that *YOU* are all well-informed.

ntegrate. I will **INTEGRATE** a **CNH Google drive** that **contains ideas for icebreakers, fundraisers, service projects, Kahoots, etc.** for *all clubs* to utilize during their term. I also want to start **transitioning from the use of Microsoft Office to Google Suite.**

efine. Club leadership is one of the deciding factors of district success. I will **REFINE** club leadership through **proper training of Lieutenant Governors** and **monthly livestreams/videos** to mark checkpoints of the term such as training season **for presidents**.

lose. Feeling connected with one's team is a great motivator for many people. I want to make the **District Board an environment where everyone is comfortable** by creating a **CLOSE** and inclusive atmosphere for *all* to connect as one *ohana*.

nique. Throughout the last two years, we have lost over 10,000 members and something new must be implemented. I plan to implement **new, UNIQUE ideas** such as **internet video challenges** and *more* to combat this trend of declining membership/hours.

hine. I will shine light on what we do, specifically with **PTP by filming a video at one of the PTP hospitals** to show where our funds are donated. I also want to shine the light on DLT members by adding Distinguished DLT awards on the district level.

35 East Achievements

- Over $13,000 Raised for PTP
- 33% Increase in service hours from previous term
- 100% Dues-Paid Division
- Fall Rally South Spirit Stick Winner
- Chartered *NEW* Club: iPoly

CNH District Goals

- $300,000 for PTP
- 1,000,000 Service Hours
- 38,000 Members
- Improving the advertising of ALL preferred charities
- Hold at least 2 rounds of core calls with LTGs

What makes you stand out as a candidate for the respective position that you are running for?
I have experience as a secretary (and completing secretary-like tasks, such as the Division Monthly Report Form that is submitted by all Lieutenant Governors) on the club, division, and district levels, so I'm familiar with all of the responsibilities, and more importantly, problems that club secretaries, LTGs, committee secretaries, etc. might face. However, I believe that the aspect that makes me most qualified to serve as District Secretary is the knowledge I gained from the main problem that I faced as a Lieutenant Governor: between the 2018-19 and 2019-20 terms, the division I serve has become drastically smaller due to the high number of graduating seniors, many of whom "carried" the division. Similarly, the CNH district has been facing a worrisome membership decline for the past couple years, and from what I learned from my time on District Board, strategies to counteract this trend haven't been completely successful. Because of my experience as Lieutenant Governor of Division 26 South, I have knowledge and ideas as to how the district should change its mindset to treat this period of low membership in a way that not only will lead to an increase in membership, but will also increase the quality of each and every member, and will ensure a brighter and more sustainable future for California Nevada Hawaii Key Club that can be enjoyed by Bees for years to come.

What was your most meaningful contribution of service to CNH Key Club? What made it so?
The most impactful and meaningful service event that I've attended in the past few years was last summer at a Relay for Life event. Throughout the first half of the event, we picked up trash, refilled water buckets when needed, etc.- pretty standard for an event like Relay for Life. However, what really made that event meaningful to me was when myself and some other volunteers headed up to the bleachers to use the Luminaria bags (paper bags on which attendees could write messages to loved ones who had or had suffered from cancer) to spell out the word "LOVE" in preparation for that night, when the bags would be filled with glow sticks. It was an extremely tedious process (we had to open each bag, fill it with sand from a truck on the other side of the field to keep it from blowing away, and position it correctly so that it actually looked like "LOVE," and readjust as needed), and that day was one of the hottest days of the summer (despite spending my whole life in California, I can't stand heat!). However, once we were finished, it was truly satisfying to see the beautiful results, and I felt rewarded not just because of the actual bags but because of the positive impact that they had on those who had dedicated bags to their loved ones, and how the event and our hard work had allowed them to honor their friends and family members in such an amazing way.

KATHERINE TANG

FOR CNH DISTRICT SECRETARY

Hello hello, CNH!

My name is Katherine Tang, and I would be honored to serve **you** as your next **California-Nevada-Hawaii District Secretary**! Since joining Key Club as a freshman and being elected to serve as Monte Vista Key Club's secretary, I've learned multiple lessons, from little things like learning how to organize my email inbox to bigger things like how to plan events and speak in public. The biggest lesson that I've learned, however, is the importance a person's mindset when approaching a difficult problem: simply put, **anything can be solved when you strive for improvement!** As your District Secretary, I'd encourage everyone to focus on improving the quality of the CNH Bees, instead of letting low membership dictate what we can and can't do; in short, **I want to help the District LIVE, and not just survive!**

This term, let's join Carl and Russell, and LIVE in the sky!

LIVING for Service, Katherine Tang

QUALIFICATIONS & EXPERIENCE

- Division 26 South Lieutenant Governor (2019-20)
- Membership Development & Education Committee Secretary (2019-20)
- Division 26 South Executive Assistant (2018-19)
- Monte Vista Key Club Secretary (2018-19)

GOALS

- 30 service hours per member
- $15 raised for charity per member
- Begin creation of online (Google Drive) Club & Division Monthly Report Forms
- Increase member knowledge & education
- Continue & improve communication with members, officers, Lieutenant Governors, etc.

L What's life without ***love***? If elected, I'll be sure to emphasize the importance of **member education and awareness**. Not only will this increase the quality and knowledge of members throughout the district, it'll also help members love Key Club more and more!

I Every ***individual*** member in Key Club has an impact, both on the District and on the world. By emphasizing each club and division's service hours and funds raised per member, I hope to show members their individual importance, and motivate them to set new personal records!

V Time flies, just like bees! Another important lesson that I've learned over the past couple years is to ***value*** the short time that we have in Key Club, and to maximize what we can do with it. I hope to emphasize to all of my fellow bees that **now is the time to grow**!

E Goals exist be met! As I hope I've made clear, by emphasizing the importance of each and every member and focusing on what we can do, I believe that I can help the CNH district ***exceed expectations*** and **reach unprecedented heights**.

What makes you stand out as a candidate for the respective position that you are running for?
I believe what makes me stand out as a candidate is my ability to easily make personal connections with others and be inclusive in every situation. Throughout my time in Key Club, I have been able to make friends with a very diverse group of people from all over California, Nevada, and Hawaii. I have been able to maintain friendships with not only my fellow peers but also the Kiwanians in CNH as well. I want to take what I learned during my LTG term and implement it in the district. I believe as a District leader it is essential to have the ability to maintain positive connections with the members, and if we can all connect as a family, I think there are so many new doors that will open for us as a district. As a member of CNH, I always felt intimidated by the executives and felt that it was difficult to reach out to them, but if elected I want to give members more opportunities to communicate and connect with the executive board, not as an executive to a member, but as a Key Clubber to Key Clubber. To ensure this I will make it my priority to make more opportunities for members to easily reach out to the executives. I think the CNH Instagram account is one of our most powerful resources. I will fully utilize this to hold IG Lives and Q&A's frequently and not only make it a priority to connect with members on District Board but with every CNH Key Clubber!

What was your most meaningful contribution of service in CNH Key Club? What made it so?
Although every service project I have participated in has been influential in my Key Club experience, the most meaningful one would have to be the flower pot painting service event that I held last September. This event was the event where I broke the division's record for the highest member attendance, but that's not what made this event so special for me. I can vividly remember all the members smiling, talking, and making new friends as they painted these flower pots that would be donated to senior homes. After the event when I dropped off the flower pots, the glowing faces of the people at the senior centers really touched me and I really saw how impactful what we do in Key Club can be. One of the elderly approached me and commented on how beautiful the pots were and told me it made her day. It made me extremely happy to see how much of an impact this little service event could have. Service events like these have always made me feel helpful and the idea of being able to engage with the people in my community is one of the biggest reasons I love being apart of the Key Club family.

GRACE YIM

FOR DISTRICT SECRETARY

hello icybees!

My name is Grace Yim and I feel BEE-yond honored to have the opportunity of running to be **YOUR** next District Secretary! I live and breathe Key Club, and there is no other organization in this world I'm more passionate about than Key Club itself. Key Club has helped me grow not only as a leader but also as an individual in so many aspects, such as how to have effective communication with clubs hours away and how to have confidence in myself in times of doubt. As District Secretary, I hope to be apart of your Key Club journey, as a mentor, guide, and most importantly a friend. I hope to inspire you all to embark on your own individual Key Club journeys, and in doing so, bring CNH Key Club to unforeseen heights.

"CNH, I-CY a promising future in us!"

IMPACT

We need to focus on our biggest problem-- the membership & service hour decline. Members are losing their spark for service and we must tackle this together. I will strive to inspire & guide ALL icy bees to find that spark once again. By creating a more **ACCESSIBLE** alternative MRF on google sheets, secretaries will find completing the MRF easier which will ensure the recording of hours to be more accurate! **Let's use our passion to make an IMPACT!**

What makes you stand out as a candidate for the respective position that you are running for?
A good leader is not defined by the pedestal they occupy, but rather by the foundation that they build under their team. Can you see yourself as a single valued member in a group of 32,973? Do you see yourself as a member of a family when you think of Key Club? I'm so proud that Key Club has been such an organization for me and for you. With all the skills and experience that I have acquired throughout the years, I am confident in bringing change to the CNH district and in working with you as the future leaders of Key Club to ensure that every member, every officer, and every supporting role has a purpose within Key Club. I stand out as a candidate to do just that, to establish a new beginning for CNH, facilitate education that lifts and empowers members, and to re energize a passion for service. By serving as the D42E Lt. Governor, I have learned about the importance of the division monthly report form and how feedback to the membership should always foster accountability and motivation. In this position, I also learned about the importance of initiative by placing an emphasis on accurate service reporting. Within one month, our service doubled the impact we made in the previous term, and the engagement of the membership was the main reason for this. By serving on the CNH Strategic Planning Advisory Committee, I was able to identify and evaluate solutions and I intend to diversify the opportunities CNH has to offer. Most importantly, through connecting with members, I learned that self-imposed limits we create for ourselves for perceived stability are not reflective of our desire to be a part of something different - to create a legacy. In these past years, I finally allowed myself to cultivate my own identity, and through this experience, I intend to offer that same opportunity for YOU to step outside your comfort zone to mark the 2020-2021 term with club excellence, meaningful member experience, and an increase in our impact on OUR world!

What was your most meaningful contribution of service in CNH Key Club? What made it so?
Ever since my first hour as a volunteer, I knew that service was an action that carried so much potential to change the world. However, I did not know much about the world we were changing. It wasn't until my community was affected by unthinkable tragedy did I learn why our organization gives hope to those who need it the most. Michelle, our IP LTG, stood out by inspiring us to take the opportunity to create care kits for those who had lost their homes and their loved ones in the fires of 2018. The whole experience was illuminating. Not only was I able to repurpose all of the little shampoo bottles I graciously take from every hotel stay to give to those who had lost their personal belongings, but I was able to write a letter that carried meaning. Every card was unique and had a personal message. To find something good, to discover a community, amidst so much hardship allowed me to respect service so much more. This made me even more eager and dedicated to serve others after seeing how much impact we were making. To honor the lasting impact we made, we brought a poster to Fall Rally South in support of those who were affected. It was Key Clubbers like you who took a picture with our poster and spread our message, and this group act helped all of us share pride in our organization.

DISTRICT SECRETARY CANDIDATE

Sasha Avakyan

greetings cnh!

My name is Sasha Avakyan and I am BEEyond grateful to have the opportunity to run for **YOUR** District Secretary for the 2020-2021 term!

Throughout these past years of my Key Club journey, I have enjoyed every laugh, every cry, and every hug along the way. I came into this organization only expecting service opportunities, but Key Club has granted me the honor to ***inspire*** others to ***dream*** more, ***learn*** more, ***do*** more, and ***become*** more. The servant leader I am today could not have been a possibility without CNH Key Clubbers.

For our homes, schools, and communities, Key Club has been the ***lucky charm.*** I am determined to continue our legacy to inspire service, and above all, to ensure that every member feels proud of what this organization will grow to be. Let's upgrade our District to a **VENTI** to **SIZE-UP** our passion and our impact!

BEE-lieving in Service,

As District Secretary, I will work towards transforming our impact from a ***GRANDE*** *to a* ***VENTI.***

V isibility

I will bolster our **VISIBILITY** to **20/20** by increasing our **social media presence** and integrating the *general membership into* ***long and short term solutions*** for member and service growth.

E ducation

It is necessary to provide adaptive, interactive **EDUCATION** that instills **confidence** in officers and facilitates feedback opportunities to increase ***accurate service reporting*** and **distinguished recognition**.

N etwork

I will expand our **NETWORK** to include more **Kiwanis Family participation** and opportunities for **reflection on monthly communication** for officers by utilizing **transparent communication.**

T rust

With your **TRUST** to lead CNH, I will ensure that I will serve as a direct and indirect **support system** for all members to make **connections** one email, one text, or one hug at a time.

I nnovation

CNH, we need to cheer on **INNOVATION**! By introducing new **initiatives** and **changes** to reach ***1.1 million service hours, $280,000 for PTP, and 40,000 dues-paid members,*** I am advocating to upgrade **CNH culture** into one that merits an unforgettable **legacy**.

2018 Pride Award (Spanish)
2019 Gold Academic Merit Award
2019 Seal of Biliteracy (Spanish)
2019 Division 44 North Officer of the Month

What makes you stand out as a candidate for the respective position that you are running for?
My experiences in leadership positions, especially as treasurer, have taught and prepared me with the skills and experience useful for the position I seek. As my home club treasurer, I have been able to successfully carry out my duties and learn how to serve as a better treasurer. Additionally, serving as a Charity Team member on Division 44 North's Division Leadership Team has further allowed me to learn more about the charities we support. My experiences of handling dues and navigating through the Membership Update Center, planning/organizing fundraisers, working with administrators through paperwork and money, etc. demonstrate the useful skills I have to run for District Treasurer.

What was your most meaningful contribution of service to CNH Key Club? What made it so?
The most memorable moments of my life have helped me appreciate and value the many opportunities I've gotten to serve. I've learned a valuable lesson that serving your community is an opportunity for you to utilize that experience and grow as a person. Despite the countless memorable service events I've gone to, whether it be helping at a food bank or sign-waving for Kiwanis, I find one event especially distinctive from the others. I vividly remember that evening when I went to help set up an important fundraiser dinner. The New Vision Fundraiser brought together many business partners, sponsors, and supporters of crisis survivors. As cheesy as it may sound, it was that night, after chatting and listening to conversations with performance artists, event coordinators, etc., that opened my eyes to the world more than ever. People united there to raise awareness for the fight against human trafficking. A victim-survivor stood on the stage, bravely sharing her vulnerable past while the rest of us listened attentively. That night left me in awe while I reflected back on how so many people from all walks of life united in hopes to bring more change and awareness to our world. Perhaps the service I had done at the event did not bring significance to the attendees; however, the event presented to me an unforgettable experience. Just imagine how united and impactful we all could be together through sharing our stories, serving our communities, fighting to change lives and help give children around our world better lives, etc. Experiences, such as this one, continue to fuel my passion for service and allow me to grow as a person.

HELEN ZHENG

DISTRICT TREASURER CANDIDATE

What's buzzin, CNH!

My name is Helen and it is my honour to run as **your** District Treasurer for the 2020-2021 term! Key Club has given me some of the happiest moments of my life; moments that come from giving back and seeing smiles upon the faces of those I have served, the members of our club, my **Ohana**. Let us continue to work together to protect and improve the lives of children and serve our world. I hope you will join me on this magical journey as we continue to **dream**, **hope** and **serve with love**. As you and I know: **Caring - Our way of life.**

Serving with Love,

Helen Zheng

GOALS

- 1.2+ MILLION HOURS OF SERVICE
- 35,000+ DUES PAID MEMBERS
- $280,000+ RAISED FOR THE PEDIATRIC TRAUMA PROGRAM
- ENHANCE MEMBER EDUCATION
- INCREASE EFFICIENT COMMUNICATION BETWEEN THE DISTRICT BOARD AND MEMBERS
- IMPROVE TREASURERS' TRAINING

L EAD We all have the potential to lead. We lead with our passion to serve and courage to engage. Our ambition, communication and organization will take us beyond what we believe we are capable of. Leadership will help CNH flourish with growth, success and passion. **Together, we will empower each other and build the leaders of tomorrow.**

O HANA As they say, like the branches of a tree, we all grow in different directions, yet our roots remain as one. Key Club is not without the Kiwanis Family and their support. Additionally, I will not only be there for you through dues processes and financial assistance, but I will also be your little support bee. **Together, we will strive to connect with each Kiwanis branch and build our Ohana.**

V IRTUOUS There is always room for improvement and to learn. Our virtues become our strengths and happiness. **Together, we will continue to become our best selves and strive to reach and surpass 1.2 million hours of service, 35,000 dues paid members and $280,000 raised for charity.**

E DUCATION While members are often encouraged to support UNICEF and the Children's Miracle Network through events such as fundraisers, many do not truly understand what the majority of our preferred charities fight for. We need to emphasize and improve our member education. **Together with a revamped member education project, we will support our charities with more awareness and recognition.**

What makes you stand out as a candidates for the respective position that you are running for?
I feel that my ability to deviate from traditional methods differentiates me from other candidates for the position of District Treasurer. Despite being in this organization for 3 years, I can see Key Club through a new lens and bring fresh, innovative ideas to the table after identifying hiccups in the Key Club experience. For example, I recognized the obstacle of not having an efficient method to record donations to all the preferred charities and immediately devised a plan to implement a monthly Preferred Charities Donations submission form for the following term, if elected as District Treasurer. This ability to make new, creative attempts to resolve recurring issues also exemplifies my personality of wanting to step outside of my comfort zone and challenge my limits. Furthermore, my efforts to make a lasting, emotional connection with members and officers alike set me apart from other candidates while also explaining why I am passionate about setting aside funds for low-income Key Club members. I especially grew dedicated to this mission when I learned many of the most dedicated members I serve were unable to attend Fall Rally South due to financial circumstances. Although my plan initially emerged from an issue I noticed on the division level, I plan on tackling this at the district level as it applies to more members than simply those from the division I serve. Since I can implement new plans and express my fullest, unwavering love for Key Club, I stand out as a candidate for the position of District Treasurer.

What was your most meaningful contribution of service to CNH Key Club? What made it so?
While Thanksgiving is usually a holiday associated with cozy times with families, incredible feasts of food, and a renewed spirit of gratefulness, I began the day grumbling about waking up early and having to volunteer in the dreary weather. As I was volunteering, I could feel my fingers freezing, my body shivering in an attempt to conserve heat, and my feet becoming iced from sloshing around in the mud. Despite these hardships, I and a three other Key Clubbers ended up enjoying our time by handing out coffee to the runners that morning. In the spirit of both Thanksgiving and the gloomy weather, every runner expressed their gratitude towards our service in serving the coffee. We commonly heard compliments such as "You guys must be the most liked tent" or "This coffee is just what I needed" and each time, all four of our frozen faces would break out into a wide smile in response. Through this service event, I learned about the immense importance of keeping a positive attitude and how volunteering can become increasingly meaningful on days where community service is least expected. People would not expect teenagers to be volunteering under such conditions, but I can proudly say Key Club has shaped and cultivated members into the most dedicated servant leaders of our communities. This service event further inspired and motivated me to provide service to my fullest potential, and I hope more members can experience these inspirational moments.

What makes you stand out as a candidate for the respective position that you are running for?
I always strive to not only push myself, but also to improve the many organizations that I am passionate about. This is especially true for Key Club, which I prioritize above all else. Prior to assuming the position of President, the lack of membership at my home club was an issue that had yet to be resolved. This glaring problem prompted me to take actions that would help the club grow and give more individuals the opportunity to create a Key Club moment of their own. As a result, in my sophomore year I took a leap to serve as the President for my home club and succeeded in reviving a virtually dead club by focusing on membership growth. After this experience, I began seeing a decline within my home division— Division 4 South. Therefore, as Lieutenant Governor, I acted to increase membership throughout the division and to address the increasing number of inactive clubs. My efforts led to a growth in membership as well as a rise of activity in the previously inactive clubs. However, CNH is now facing a similar issue. The decline of dues paid members is becoming increasingly worrisome and needs to be addressed immediately so that our membership returns to its former count. My experiences of serving as both a Club President and Lieutenant Governor has provided me with the skills and insight to assist in the growth of divisions and individual clubs. Currently, the education provided to division and club levels is extremely general, with both large and small clubs given the same resources. It is critical to cater the support needed for each individual club to optimize growth. Larger clubs require certain resources in order to maintain their membership, but smaller clubs require different resources in order to expand. Due to my involvement in CNH as Lt.G, as well as my cooperation with the larger clubs within the district, I have the unique ability to help ignite passion for Key Club throughout CNH.

What was your most meaningful contribution of service to CNH Key Club? What made it so?
About a year and half ago, in December of 2018, was the morning of the annual Rose Float parade. We were required to be at the bus site by 5:00 AM on the cold winter day, and to further make matters worse, my friends who were signed up to attend the event didn't show up. I was alone, with practically no one I knew too well. At the event me and a couple other people from my division were picked to be a part of the trash duty for the event. The task was viewed as grueling and practically no one wanted to do it. However, it ended up being one of the most fun times of my life. I made some of my best friends that day while volunteering and made the most out of the situation we were put in. That was the day I realized that Key Club isn't just a community service organization, but also a family that would always be by my side.

ALI OROUJI

District Treasurer Candidate

Hello Cnh!

My name is Ali Orouji and I have the honor of running to be **YOUR** next District Treasurer for the 2020-2021 term! Key Club has shaped me into the person I am today and it is my plan to **kindle** the **FIRE** within CNH to ensure that everyone can get the opportunity to experience this amazing organization. Additionally, I plan on ensuring that next year we **burn** brighter than ever to meet and exceed our goals once again!

Buzzin' with Service,

Ali Orouji

Goals

- **$275,000 for PTP**
- **41,500 Membership Goal**
- **700 Dues Paid Clubs**
- **1.1 Million Service Hours**
- **Semi-Customized + Direct support for all clubs in CNH**
- **Increased Officer Education**

Qualifications

- **D04S Lieutenant Governor**
  - ~20% Membership Increase
  - ~100% Dues Paid
  - ~2x PTP Funds from past term
- **Capo Valley President**
  - ~Grew from 10 to 79 Members
- **CNH S.P. Committee Secretary**
- **250+ Service Hours**

FOSTER- Members are the most important part of this organization. They fundraise, serve the community, and spread the 4 core values. As a District we must **FOSTER** all our clubs, especially the smaller clubs and aid their growth. There has been a large drop in membership in the past few years, causing many clubs to plateau. I plan on creating and providing a variety of resources, tailored to division and club needs, so these clubs can reinforce their foundations which will set them up for success for years to come.

IGNITE- Without the excitement and passion of the members, none of the service and fundraising we do would be possible. I hope to **IGNITE** the passion of Key Clubbers by creating manuals which clubs can utilize to plan more effective and enjoyable events. Additionally I would use different threads of communication to reach as wide of an audience as possible to spread the fire of passion across the entirety of CNH.

REJUVINATE- Besides fostering and helping smaller clubs grow, its critical to **REJUVENATE** clubs which already have established themselves within their communities. I will ensure the maintenance of their current members, in order to sustain their membership and to continue to build upon it. This will be done in hopes to primarily assist larger clubs to continue growing.

EXCEED- This past term we passed our ambitious goal of $260,000 for PTP with months left before District Convention. It is my objective to **EXCEED** last year's goals and meet our new goals for the 2020-2021 term. Being the largest district in Key Club International, it's critical for us to push ourselves by setting high goals to propel CNH and Key Club as a whole into the future.

What makes you stand out as a candidate for the respective position that you are running for?
Serving as International Trustee for two of the strongest districts in International and an International district, I've worked with a diverse range of districts and leaders. The PNW has exposed me to fresh opinions and information, leading me to have a unique stance on urgent questions regarding International that affect the districts. Seeing the importance of stakeholder analysis and surveys, I've used my critical thinking as a member of the prestigious Executive Committee to create the Five Year International Strategic Plan. I've visited events such as New York's "Tri-K" Kiwanis Family Weekend, reinforcing my love for the Family and trust in our impact. CAD has shown me a passion for service so pure and intense and the importance of DG/DA bonds and how we must cooperate beyond the Sistricts and as an International entity to remain the largest student-led organization in the world. Working with our International Service Partners, I've re-imagined our symbiosis and member involvement. Beyond these insights are those that I gained working with start-ups and serving as a CNH Ltg and as the first four-year president at my school. I am also the only current Bee to attend three ICONs, and I hope that as IP, I will inspire others to also shoot for the stars. I am confident that I have all it takes to be an effective leader, and my communication, organizational development, and strategic thinking skills paired with my passion and energy are beyond competent and unmatched. My experiences can not be summed up in words, but with your faith in me, I will bring what I've learned from CNH, the PNW, NYDKC, and the CAD and be a ground-breaking IP.

What was your most meaningful contribution of service to CNH Key Club? What made it so?
I don't run often, but when I do, it's for service. March of Dimes hosts a spring initiative every year called March for Babies. As a fan of purple (D37N lavender pride!) and interacting with others, I loved everything about the March, but my interaction with this organization goes beyond the marches.

A family close to mine had a premature baby, and seeing the impact that a sick baby can have on a family moved me to understand, as much as an outsider can, the importance of mother and baby health. This combined love for the March and my pain for those close to my heart led me to become the March of Dimes liaison, though which I have spent countless hours on calls and strategically planning the future partnership between KCI and MoD. MoD is not a priority partner of CNH, so I've focused on planning future opportunities for us CNH Bees and other Key Clubbers with limited MoD exposure to boost involvement and education on maternal healthcare, as this is what I can do to help create the foundation upon which we can continue to serve.

IRIN SHIM

for INTERNATIONAL PRESIDENT

WELCOME TO CONVENTION 2020

The past 8 months serving as International Trustee for the phenomenal Pacific Northwest, mighty New York, and beautiful Caribbean-Atlantic Districts have been AMAZING. Now, as we at International prepare for the 2020-2021 service year, I seek your endorsement to run for International President. With me as your IP, we will not only keep our title as the largest student-led organization in the world but also create a golden bridge between ourselves and those who have taught us that caring truly is the way of life.

On that note, I wish for you all to have the best time making friends from across our district, learning new skills each session, and spirit battling. If you see me, make sure to smile and wave! I simply adore making new friends and seeing old ones. I am more than happy to chat, take pictures, and talk about my plans! See you around!

THE FAMILY

THE DISTRICTS

THE PARTNERS

THE FAMILY

I will lead a task force to conduct a rigorous analysis of K-Family branches. We need to learn from each other and work together to create the best possible K-Fam experience ever.

THE DISTRICTS

Trustees do not have enough time to thoroughly learn about the districts they serve. I will ensure every Trustee is equally prepared to go above and beyond during their terms by working closely with DGs and DAs to educate all international officers about the districts they serve.

THE PARTNERS

The past International Five Year Strategic Plan's Service goals were not met. This coming term, I will ensure that all points of the new Strategic Plan concerning International Partners are fulfilled.

QUARTER 1

- Create videos at LeadCon that educate members of the Kiwanis Family. Create membership recruitment and retention materials. Discuss re-branding and re-organizing keyclub.org.
- International Trustee training will have a heavy focus on district history, trends, views, and relationship building within the International family
- Release videos of each service partner with specific examples of how to get involved beyond the major events (ToT for Unicef, March for Babies, Thirsty 30) to increase exposure and involvement beyond seasonal activities

QUARTER 2

- Begin the tradition of Kiwanis Family International Boards meetings to increase communication and fellowship amongst the K-Family Representatives so we can cooperate to grow ALL our branches
- International Competition: Pilot 2 Release
- Re-vamp DCON presentations of partners and connect service partners' region offices to their respective Districts and Conventions

QUARTER 3

- Promote Kiwanis Youth Protection guidelines
- Host International Board webinars to guide interested candidates in the right direction and educate on the role of the International Board in Key Club's puzzle of a quarter-million members
- Educate on the DG/DA/IT relationship and District/International dynamic at GATC until ICON
- Kick-start the partner scavenger hunt Include all immediate-past Executives and District advisors in an organizational reflection period

QUARTER 4

- Promote Key Clubbers to join Circle K post-graduation and hold a joint-initiative with CKI
- Database the past term's information, stats, and qualitative information along with DGov/DA, stakeholder, and competition/CTE club analysis to begin the process of having annual records for future Strategic Planning
- Re-vamp ICON presentations and reflect upon the effectiveness of partners and the future of International's collaboration with the latter.

THANK YOU FOR READING!

The future of CNH is in your hands.

A Kiwanis Family Member.
