

CNH | KEY CLUB

VOLUME 11 // ISSUE 2

# ***THE BEE TIMES***

THE OFFICIAL CNH DISTRICT NEWSLETTER

*july*

## HAPPY JULY, BEES!

To start off, I hope that everyone is doing well and having a great summer thus far. Summer is an opportunity for you to binge watch that show you've been dying to, catch up on that much needed sleep, explore new areas that you've never been to, and spend time with your friends and family. After all the hard work you put in during the school work, you deserve it!

While it is still summer, I highly encourage you to continue to attend events! Take advantage of the longer days and your free time to serve your homes, schools, and communities.

Officers, I hope that you all learned a lot through your officer training conferences and that you're prepared for this term. Utilize this time to plan effectively for the rest of the term, especially for the fall when many important events happen, like club rush and Fall Rally. Let's continue to achieve new heights this term and meet our district goal of 41,500 dues paid members!

With that being said, I hope you enjoy your summer and what's left of it! As always, if you have any questions, comments, or concerns, please feel free to email me!

# SPOTLIGHT CORE VALUE: INCLUSIVENESS

## **INCLUSIVENESS**

Definition: in-clu-sive-ness / adjective

“Including or encompassing the stated limit in consideration or account for **others**”

## **WHAT IT MEANS**

Inclusiveness is being welcoming towards everyone, regardless of backgrounds, communities, and identities.

### **1. LEAVE YOUR ASSUMPTIONS AT THE DOOR**

It's easy to make assumptions about others, but these often lead to misunderstandings and biases. The next time you find yourself creating assumptions in your head like “they're too popular to talk to me” or “they're busy,” **stop yourself!** Approach the person you want to and talk to them! A little confidence and a positive attitude is all you need!

### **3. ASKING THE RIGHT QUESTIONS**

Evaluate what situation or setting you're in and **use that to spark a conversation!** If you are at a DCM, you could ask “Do you usually attend DCM's” or “What school are you from?” If you're at a service event, you could ask “What time did you wake up to be here?” Don't think that it's weird to ask these questions. Put yourself in their shoes - would you think it's weird or think it's a mature move to approach a person first?

### **2. TALKING TO THOSE WHO ARE ALONE**

See that person sitting alone on their phone? **Go talk to them!** It starts off with a simple greeting and you can also make a new friend along the way. Ask them about their interests and hobbies and chances are, you'll have something in common. If someone joins your group and talks to you, include them in your conversation! It may be a little awkward at first, but it's definitely worth it.

### **4. ASK EVERYONE FOR THEIR INPUT**

Let's be honest, meetings can get boring with the same people talking, and others remaining silent the whole time. **Ask the people who's not talking for their input and ideas.** They could potentially bring a refreshing idea that no one has thought of yet. You could also rotate who runs the meetings. Give other officers the chance to express their creativity and enhance their leadership skills in a productive setting!

## GOVERNOR

Hello CNH! Thank you so much for reading another issue of the Bee Times! We are now officially in July, meaning that we have a new Spotlight on Service Program focus: "Go Outdoors"! Although this time of the year is known to be notoriously hot and sweaty, it is also the times in which many people are in need of help! Remember to stay on the lookout for service and participate in them as your time permits! It is also fun to go out and enjoy an afternoon of bonding activities along with some table-top service projects! BEE creative! In addition, remember that summer time is crucial, not only for officers but for members as well! If you are looking for things to do, go to service, plan a vacation, or start on studying, homework, or in some cases, college apps! Take advantage of the free time now so you don't have to stress later. If you have summer classes, internships, or other occupations, that is absolutely

fantastic for you! Your hard work now will pay off in the near future! The 2019 Key Club International Convention will take place this month in Baltimore, Maryland from July 3rd to 6th! This is an opportunity for attendees to meet Key Clubbers from all around the world, learn more about Key Club International, and explore the local culture! Elections for the incoming International Board, including International President, Vice President, and Trustees will be held as well as a House of Delegates for amendments to the international bylaws. CNH will have approximately 50 representatives there to voice our interests! This is it from me for this month! If you ever have any questions, comments, or concerns about anything please feel free to contact any of the Executives! Our contact information is towards the back of the newsletter! Thank you for reading, and stay serving bees!

## TREASURER

Congratulations on officially starting off the third month of the term! I know you are all working very hard in effectively serving your home, school and community. With only 8 months left I would like to strongly encourage you all to finish up the summer strong in order to maximize the level of efficiency. This would include things such as hosting board meetings, setting club objectives and goals, planning for a club fair, hosting service projects and getting a headstart on fundraising. In addition to Key Club work, don't forget to be productive in your personal life as well! Please don't wait till the last minute to get Summer assignments done, start college apps (if you're a Senior), or start planning for the SAT/ACT. Remember that it is important to have enough time put aside for Key Club! If you haven't already done so, please contact your faculty advisor to confirm that they have the login information to enter the MUC when fall comes around! This will also help you better prepare for paying your dues in October! I believe in you all.

## SECRETARY

Welcome to the month of July, a wonderful service-filled month for you to serve your community at the greatest standard! Remember that amongst the summer homework, exciting trips excursions, and internships, service will always be there no matter what time of the day. While school is not in session, remember to reflect upon our district goals: **1.1 million hours of service, \$260,000 raised for PTP, and 41,500 members.** While the numbers may be overwhelming, progress occurs step-by-step, month by month, service after service project, and so much more. Our district goals are like a bowl of poke, piece by piece. Summer is also a great time to begin planning for the term, especially if you are a club officer or division leadership team member. Preparedness is key to a thriving term. No matter what goals you set, use them to gain motivation and guidance to achieve greatness in this opportunity-filled term. Like the name of the 2019-2020 CNH District Board name, I challenge you this term to be unforgettable. Service never ends, so I hope to see you do amazing things during this summer and in the term in general. Mahalo for all of your service, and I cannot thank you enough for all that you do!

# meet your DISTRICT LEADERSHIP TEAM

**NEWS EDITOR | HANAH SHIH**

- 1. My birthday is on July 4th.
- 2. I put in cereal before milk
- 3. Before being DNE, I was just a member!

**KIWANIS FAMILY & FOUNDATIONS | JANET TENG**

- 1. My cat runs away, but always comes back
- 2. I love all kinds of foods
- 3. I jumped off a motorcycle once, leaving a scar under my nose

**TECH EDITOR | SYDNEY KARIMI**

- 1. I'm a water baby and I love scuba diving in the ocean.
- 2. I have a second degree black belt.
- 3. I am deathly afraid of bees for no reason.

**MEMBER DEVELOPMENT & EDUCATION | DANIEL CHONG**

- 1. I'm diamond in League of Legends
- 2. I can play the Seinfeld theme song with just a ruler and table
- 3. I like talking about music

**VIDEO MEDIA EDITOR | DERRY CHEN**

- 1. My birthday is on April Fools.
- 2. I love K-Pop and EDM artists.
- 3. During my free time, I enjoy filming, editing, and producing videos.

**MEMBER RECOGNITION | QUEENIE LAM**

- 1. I met my cousin through Key Club.
- 2. I like horses.
- 3. I used to figure skate.

**COMMUNICATIONS AND MARKETING | SOPHIA SORIANO**

- 1. I used to be able to play the trombone.
- 2. I have two dogs, named Kim and Ellie
- 3. I love thrifting!

**POLICY, INT'L BUSINESS, & ELECTIONS | JOYCE WU**

- 1. I like to collect stationary.
- 2. My favorite kpop group is Twice.
- 3. My boba order is wintermelon tea with lemon, 30% sweet, less ice.

**DISTRICT CONVENTION | MICHELLE LE**

- 1. I love fried chicken.
- 2. I make spotify playlists when I'm bored.
- 3. My middle name is literally the letter "Y."

**SERVICE PROJECTS | MELISSA CABANA**

- 1. I love dogs-alot.
- 2. I love Harry Potter.
- 3. I play the ukulele.

This year's DCON will be in Reno,  
Nevada from March 13-15th!  
Mark your calendars!

What does the DCON Committee do?

Each year the DCON Committee plans logistics for the District Convention.

They select the DJ, organize the dance and other activities, implement the theme into DCON activities, select the Keynote Speaker, and much more!

This year's theme is  
**SERVICE** is out there!

# What is Key Leader?

**Key Leader** is a weekend experiential leadership program for today's young leaders. This life-changing event focuses on service leadership as the first, most meaningful leadership-development experience. A Key Leader will learn the most important lesson of leadership—it comes from helping others succeed. Any youth from ages 14 to 18 can attend Key Leader.

## How Does Key Leader Impact Youth?

It helps participants in developing important social and emotional skills, which allow them to understand self and develop meaningful connections with others. It enables young people to initiate friendships, resolve relationship conflicts respectfully, and make ethical and safe choices.

## Registration

# What is the Kiwanis Family?

The Kiwanis Family is composed of 6 different branches, each geared towards a specific age group. These clubs are K-Kids, Builders Club, Key Club, Circle K, Kiwanis, and Aktion Club. The coalition of these branches unite under the shared name of the "Kiwanis Family" and under the common aim of bettering our communities and building character through service to others.

- K-Kids, or Kiwanis Kids
- International student-led community service based club
- Elementary branch of the Kiwanis Family
- Motto: "We Build"
- 36,000+ members
- 1,200+ clubs

- World's largest middle school service organization
- Middle school branch of the Kiwanis Family
- Name from its motto: "Building Leaders"
- Founded in 1975
- 46,000+ members worldwide.

- World's largest, student-led service organization
- High school branch of the Kiwanis Family
- Motto: "Caring, Our Way of Life"
- Founded in Sacramento, CA in 1925 by "Key Boys"
- 38 countries 260,000+ members worldwide

- Largest collegiate service organization
- Collegiate branch of the Kiwanis Family
- Motto: "Live to Serve, Love to Serve"
- Envisions to enrich the world one member, one child, and one community at a time
- 13,000+ members

- International service organization
- Adult branch of the Kiwanis Family
- Motto: "Serving Children of the World"
- Original Branch of Kiwanis
- Founded in 1915 in Detroit
- 210,000+ members

- The only service club for adults with disabilities
- Motto: "Where development has no disability"
- Newest member of the Service Leadership Programs sponsored by Kiwanis International
- 12,000+ members

# The Kiwanis Family House

OUR GOVERNOR'S PROJECT

**Location: 2875 50th Street, Sacramento, CA 95817**

## MISSION

### What does the KFH do?

The Kiwanis Family House provides temporary housing and support for seriously ill or injured children and adults being treated at UC Davis Medical Center. The vision is to continually provide convenient, restful, secure, and low cost accommodations for the families of patients being treated at the UC Davis Medical Center or at Shriners Hospital.

## HISTORY

### Behind the KFH

Leona and Vern Bright brought the idea to Kiwanis Club members that found a site, donated by the UC Davis Medical Center. They purchased five surplus construction trailers, converted them into a seven bedroom facility, and provided furnishings, carpeting, appliances, and all that was required to make the Kiwanis Family House a home for the families of children that had life-threatening condition as a result of cystic fibrosis, cancer, prenatal difficulties, or trauma from an accident.

**CNH District Kiwanis Family and Foundation Committee**

Chair Janet Teng | [cnhkc.kff@gmail.com](mailto:cnhkc.kff@gmail.com)

# How to Support The Kiwanis Family House

OUR GOVERNOR'S PROJECT

---

## ITEM DONATIONS

The Kiwanis Family House Operations Manager always has a Wish List of items that are sorely needed at the Kiwanis Family House. If you feel you can help out with an item, either bring it to the Kiwanis Family House, or call the House at 916-736-0116 to arrange pickup.

## EVENTS

Every year, the Kiwanis Family House hosts a walk called March in March, where people get pledges and raise money for the Kiwanis Family House. If you are local to the area, you can participate!!

You can also host fundraisers to raise money for the Kiwanis Family House such as an Awake-a-thon. You can visit their website for more information at [www.kiwanisfamilyhouse.org](http://www.kiwanisfamilyhouse.org)

## MONETARY DONATIONS

You can also help by making a single donation of any amount, donating on a recurring basis, donating in honor of or in memory of someone or donating through the mail. The donations help the Kiwanis Family House provide a convenient, restful, secure, and low cost housing alternative for the families of children and adults being treated for serious illness or injury at the UC Davis Medical Center and Shriners Hospital.

## VOLUNTEERING

Volunteers are needed to assist the staff in serving the needs of the guest families, maintain the landscaping, and perform other duties around the facility as needed. If you are close to the area, please call 916-736-0116 to schedule a volunteer time.

# Need Some Fundraiser Ideas?

Make Division  
Spirit Gear  
(pins, stickers,  
lanyards etc.)

At a DCM, pie  
your LTG or  
officers for \$1

Bake Sale for  
PTP

A movie night  
event where  
the money  
can go  
towards PTP

Restaurant  
Fundraisers of your  
choice-Boba, frozen  
yogurt, Chipotle are  
some examples!

# BIG CHANGES IN EDUCATION

CNH is changing up the way we train you all this year! We're moving on to more modern methods of training to make sure that you guys have all the resources you need to serve your homes, schools, and communities to the best of your abilities!

## CHANGE 1: VIDEOS

We are hard at work producing videos for officer and member training! These videos will be found on the CNH YouTube Channel. There are only a couple videos uploaded right now, but many more will be uploaded over the course of the term. We hope you like them!

## CHANGE 2: NEW POWERPOINT STYLES

We are in the process of creating two versions of each PowerPoint that we offer on the CNH CyberKey. One version will be the version that you're familiar with, but we're also adding "presenter versions" that are much more concise and have more visual media! These new versions will allow presenters to have more freedom make their presentation *theirs*.

## CHANGE 3: MORE LIVESTREAMS

CNH is also planning to have livestreams on various forms of media as the term goes on. We are making these livestreams discuss various topics, such as different officer positions, vital educational topics, and even topics concerning self-love and self-care. Our hope for these livestreams is to inspire and educate as many members as possible.

Members can **BEE connected** and join the reflector group by using this link: <https://goo.gl/MgSrNQ>

# SPOTLIGHT ON SERVICE PROGRAM

## ELIMINATE

### MNT Box Fundraiser

Caesar Chavez Key Club | D27N | R16

"My board members and I had a meeting about having a small fundraiser for MNT for the month of May. Originally, we wanted to have a fundraiser at a small boba shop or at some small refreshment place after finals. However, we were afraid that we would not be able to get the papers

Therefore, we decided to have a small box of donations for MNT. Regardless, my treasurer and I went to speak with the person in charge of approving the check requests and so forth. Fortunately, we were able to get the approval and contacted a few shops beforehand for the summer. Due to this, not only were we able to accomplish a box donation but also gained a fundraiser in support towards MNT to raise money to eliminate Maternal and neonatal tetanus. This project impacted my club by being aware of what MNT is about and being more exposed to the different diseases there are in the world. This was a great start for our club and board members to be more proactive in service projects. Some things that we can take into consideration and improve on is our spirit and spreading awareness of this project to our members."

# Project eLEMONate

Hilo Key Club | D22M |

"Hilo High School participated in project Eliminate by doing our "eLEMONate" challenge. The "eLEMONate" challenge involved our members to eat 2 slices of a lemon as well as each person

donated \$1.80 to save one life. A total of \$100 was raised for project Eliminate. This project was great because we were able to raise money to eliminate maternal and neonatal tetanus. The majority of our members donated \$1.80 or more, for service projects the main goal is to do service and on this case as well as spreading awareness. The next time my club does this, we should improve on not only raising more money but expanding the awareness of project

# Coin War for Project Eliminate

Waiakea Key Club | D22M | R18

"The exec board decided on a coin war. We decided on how we should do it and we decided to do Freshmen and Seniors versus Sophomores and Juniors. Rather than doing it on the amount of money raised we decided on how many lives saved. Yes this project was successful because it shows how competitive our club is and how we could improve on how to make things fun so more people could participate."

## RECOGNITION

**Special thank you to these Key Clubs for submitting to the May Spotlight on Service Program: ELIMINATE!**

**Westminster Key Club | D04N | R3**

**South San Francisco Key Club | D34N | R17**

JULY

# SPOTLIGHT ON SERVICE PROGRAM

## “BEE Clean, CNH!”

### Stay Environmentally Friendly!

A reminder to be environmentally conscious to keep our communities clean! Recycle, clean up, or even go out and plant a tree. Your club can educate members and set an example for the rest of the community to BEE clean!

#### Get Involved!

From hosting clean-ups to partnering with other organizations to maintain our environment, your club can get involved in many ways!

Look to your local parks, lakes, beaches, reserves, and even roads to host a service event with your members.

#### Fundraise!

BEE creative with fundraisers such as selling cans and bottles to raise funds! Local environmental plants or big organizations are always looking for donations. Your club may even need funds to host an event such as planting trees.

**Make sure to check out the July Spotlight on Service Program Guide for more information!**

**[Cnhkeyclub.org](http://Cnhkeyclub.org) > Projects > Spotlight on Service Program**

# JUNE DIVISION RECOGNITION

*congratulations bees*

If your name is listed here, thank you for all your dedication towards CNH. We commend you for all your hard work and service to your homes, schools, and communities. Keep up the great work!

**THANK YOU FOR  
EVERYTHING, BEES!**

This weekend I got the chance to participate in the Officer Training Conference. It was a huge, region wide event, the purpose was to ensure that the transition to our duties as officers can go as smoothly as possible. There we signed in and our LTG made some "rhino food" that consisted of purple wrapped candy. We then were given a motivational speech, it was super fun listening to the speaker talked about his experience with Key Club. We were also served some delicious lunch that was prepared by the Kiwanians, they were a huge help in making the event possible. The purpose of the event was to learn about our position, which is exactly what happened next. We were guided to our respective class where we learned about our individual position. I attended the editor class, which our LTG Yena directed. She explained our duties as editors, gave some tips on being an editor, and gave us important information such as deadlines. This class really gave me more ideas on what I can do as a Division News Editor. I gained so much inspiration for the Newsletters and possible content for the Newsletter. The next class I attended was also by Yena. She explained the Kiwanis Family tree, I definitely learned more about the Key Club family tree and the other possibilities for each separate groups of people such as Circle K for college, Builders Club for Middle School, and K-Kids for elementary students. Not only did I learn about the family tree but I learned about each club's mission and goal. This day not only broaden my perspective of Key Club but also gave me so much information to bring back to my home club. This was an unforgettable experience and I can't wait to put my new knowledge to use!

# ALAMEDA BIKE RODEO AND FESTIVAL

DIVISION 2 NORTH | JANE CHANG

A day after the May DCM, volunteers from schools of Division 2 South made their way to Alameda for the Bike Rodeo and Festival. Upon arrival, we were assigned to do helmet fitting, be course supervisors, or go to the bike decorations area. However, we were able to move around the stations to see if others needed help if we didn't have much to do at the time. I was assigned to helmet fitting, where I helped kids choose the right sized helmet for them and talk about safety on the roads when riding bikes. There was a long chalk course where we could guide the children as course supervisors. It's important to educate children to wear helmets and look for stop signs and bike lanes so that they can be safe on the roads. We didn't only get to teach, but we also learned interesting things as well. I vividly remember making smoothies with bikes wheels; we would put fruits in the blender and the back wheel of the bike would power the blender. Then, we would give little shots of fruit smoothie to those who wanted them and came first, and start the process over again. After 3 hours of hard work, we were treated with delicious and savory tacos. We felt extremely grateful for how kind the event coordinator was and how delightful the event was. We were able to bond with members throughout the division and see the smiles on children and adults as well. If possible, it would be great if this could be an annual event for Key Clubbers to attend again next year!

## RELAY FOR LIFE

### **DIVISION 7 SOUTH | HANA THAI**

Out of all three years of my high school career, this was my first time attending Relay for Life, a 24 hour long event that fundraises for cancer patients and its research. Since it was my first time, I decided to give it my all! I fundraised over the past month to raise \$100 for cancer, and the amount gave me the privilege to camp overnight at the event. Because of my overwhelming commitment, many thought it was my second time at the event! For Relay for Life, I borrowed a tent from my friend outside of Key Club so that I had a place to sleep, since the event was outside. Though it was rainy and stormy the entire day, the event was never rescheduled, but moved inside the campus of Harriet Eddy Middle School. The "track" to walk/run was the hallways, and we were mostly dry when participating. Through the cold winds and sprays of water, I had fun hanging out with my Key Club, and selling coffee and facepaint services to fundraise even more! Playing in the rain, and talking inside the tents, it was a very good experience. Unfortunately, I had to leave during event to attend my aunt's graduation and I missed the Luminaria Ceremony, the most important event. An academy at Monterey Trail High School provides paper bags and fills them with fake candles, creating a beautiful display for the ones surviving, survived, or failed their fight against cancer. Next year, I will be sure not to miss the ceremony, and raise more for cancer.

# LIQUID RUN

## LEXI SITHYDETH | DIVISION 30 SOUTH

MUDA MUDA MUDA! It was very relaxing to volunteer next to the open waters of Newport Beach! I found tranquility in watching the waters move by the breezes. This event was outside, and the weather was perfect for being out! It was not too hot, or too cold. The main task of this event was to help with taking down the inflatable obstacle course. They were very big, so it took a while to tear everything down. Volunteers had to sweep the sand off of the floatables and also suck out the air out of the floatables. I did not expect this whole process to take around 2-3 hours. There were other small side tasks to do as well, which were to hang dry belts and sort the life jackets by their sizes. After deflating the obstacle

courses and packing them, they were still pretty heavy and most were around 200 lbs. If you have scoliosis like me, then be careful at the event to not overexert yourself by carrying heavy items, or else your back will hurt a lot!! At this event, there were also two lovely dogs who were very friendly! It almost felt like I was at the beach at this event because of all the sand and the body of water. The event coordinators were very kind in buying pizzas for all the volunteers! It was very delicious. As I said before, this event had a relaxing atmosphere, and I would recommend you go with sunscreen since you will be under the sun for the majority of the time!
