A Message from the PIE Chair

Greeting California-Nevada-Hawaii Key Clubbers!

Welcome to the 75th Annual District Convention! I hope you will all enjoy District Convention this year, and be able to experience and celebrate the Key Club term with all your friends, but also meet new Key Clubbers across the California-Nevada-Hawaii (CNH) Key Club District!

This weekend will be jam packed with educative workshops, inspiring speakers and dozens of opportunities to create lasting bonds with other members. I still remember my first Convention four years ago and the unforgettable memories made throughout that weekend. Whether this is your first Convention or your last, I encourage you to step out of your comfort zone and seize every opportunity to create lasting moments and push yourself to develop as a leader this weekend.

To those who are Delegates, Congratulations! You have been given the incredible privilege of deciding the 2021-2022 leaders for the CNH District Board. You will be able to vote on behalf of the club you serve to determine who will become the next District Governor, Secretary and Treasurer. Before voting, it is crucial that you read the candidate's campaign material within this booklet, such as the Profile Overview Form and well as their Literature. You can use these materials as reference to formulate questions to ask the candidates either during the Caucus Session or at the Candidates Meet & Greet. Both of these opportunities will serve to aid in deciding who to vote for, so please take advantage of them!

This Candidates Booklet has been created to help prepare to be the best delegate possible. You will find information regarding The Candidate Meet & Greet, Caucus Questions, Caucus Procedures, House of Delegates, and specific duties of each office. Most importantly, you will be able to read all the campaign materials of each one of the candidates.

The Policy, International Business, and Elections Committee hopes that you will find this booklet helpful in making your final decision. If you have any questions, comments or concerns at all, please do not hesitate to contact me!

We thank each and every single one of you for another year of outstanding service and leadership to the CNH Key Club District and hope you have an amazing time at District Convention 2021!

Providing slices of service,

Ilene Thaopraseduth
CNH Key Club Policy, International Business, and Elections Chair

Resolutions

The following resolutions are those to be presented on behalf of the California-Nevada-Hawaii (CNH) District Board to the House of Delegates for approval on Saturday afternoon. The purposes of these resolutions are to acknowledge persons for their performance and to identify programs that are important to the Key Club program.

WHEREAS our CNH Key Club District has completed over 371,694.86 hours of service and raised over \$54646.48 for the Pediatric Trauma Program. Let it be RESOLVED that our Key Club members have made a positive impact in their home, schools, communities, and the world through the vehicle of service.

WHEREAS District News Editor Nancy Duong, District Technology Editor Luis Herrera, District Video Media Editor Austin Nguyen, District Convention Chair Kristen Carpio, Communications & Marketing Chair Britney Sun, Kiwanis Family & Foundation Chair April Nguyen, Member Recognition Chair Antonio Quesada, Member Development & Education Chair Melanie Garcia, Policy, International Business and Elections Chair Ilene Thaopraseuth, and Service Projects Chair Tobi Yao, Strategic Planning Chair Irin Shim have gone above and beyond in their duties to achieve their set directives to further educate, implement, and conduct through their focuses along with their committee members. Let it be RESOLVED that we are grateful for all their efforts and hard work by all attendees.

WHEREAS Key Club District Governor Daniel Min, District Secretary Grace Yim, and District Treasurer Yena Suh have led our District to all time heights in reaching our goals to making a GOLDEN year in service, leadership, fundraising, and education. Let it be RESOLVED that we are grateful for their hard work and their commitment to service.

WHEREAS International Trustee Emma Chang has done an outstanding job of providing support to the CNH District through her service in keeping the District updated with International updates and helping the PIE Committee accomplish their directives in International Business. Let it be RESOLVED we are grateful for her hard work and dedication.

WHEREAS District Administrator Mr. Douglas Gin, Assistant District Administrator Mr. Alan Quon and Mr. Marshall Roberson have spent countless hours to guide the 2020-2021 District Board and Region Advisors in all business and affairs pertaining to CNH; and WHEREAS their guidance has made this convention a huge success. Let it be RESOLVED that we are grateful for their service.

WHEREAS Immediate Past Director of Service and Leadership Program Mr. Bruce Hennings, Director of Service and Leadership Program Mr. Timothy Cuning and the Kiwanis District Office Personnel have served our District tirelessly; and WHEREAS Mr. Cuning and the Kiwanis District Office Personnels have guided the Key Club CNH District, let it be RESOLVED that their dedication has made the 2020-2021 administrative year a great success.

WHEREAS the Region advisors, faculty advisors, and Kiwanis advisors of the CNH District have given countless hours of their time to provide support to guide the members of either the region, divisions, or club to help them grow as servant leaders and serve their home, schools, and communities. Let it be RESOLVED that we are thankful for their efforts.

WHEREAS these individuals and committees responsible for the success, funds raised, charity, and service performed by CNH to our home, schools, and communities. Let it be RESOLVED that the 2020-2021 District Board, known as the "InvinciBEES," ceaseless dedication to service has brought our District to an outstanding year full of new goals reached, growth, and service performed. The entire District Board is proud of the members we serve and that without them we could never have reached our goals and made the CNH District the outstanding District that it is.

Information for Delegates and Members

Candidates' Color Key

Governor: Yellow

Secretary: Purple

Treasurer: Green

International Endorsement: Blue

To help you identify the office that each candidate is running for, the colors on the left have been chosen for each position. Be on the lookout for these colors during the Meet the Candidates and Caucus Session!

Candidate Meet and Greet

Friday | 6:00 - 7:20 PM (PST) | Zoom

As a delegate, you are highly recommended to attend Candidate Meet and Greet. Candidate Meet and Greet is an important part of the election process. Here, you will be able to personally talk to each of the candidates running for the executive positions and international endorsement. Use this time to learn more about their platforms, ask questions, and get to know each of the candidates before casting your ballot during House of Delegates. Remember, an educated delegate is an effective delegate, so use this opportunity to your advantage!

Delegate Registration

Please note that Delegates are required to register by the on-time registration date, March 31st.

If chosen, please do your best to represent the views of your club and most importantly your members when considering candidate selections and bylaw resolutions. (Except for the District officers who are Delegates-At-Large who represented the District, all other delegates represent their respective home clubs)

Election Process | Caucus Session Procedure

What is caucus? Caucus is where each District and International Candidate is given a set period of time to give a brief speech that speaks of their goals and qualifications, and then they answer questions.

Caucus & Moderators: The Policy, International Business, & Elections Chair will serve as the caucus moderator while the District Governor will serve as the assistant caucus moderator. The PIE Committee Mentor will serve as the adult moderator and final authority on decisions regarding the validity of caucus questions.

These moderators will time the candidates and deem which questions are appropriate or not, based upon whether the question is in bad taste or of a harassing nature.

Candidates: All candidates running for District office or International Endorsement will appear in the caucus session and the timer will begin once they start their speech.

Etiquette: Rude behavior will not be tolerated. Persons are not allowed to enter or leave the room while candidates are present.

Election Process | House of Delegates

Procedure: Each club is allowed two delegates, who must be registered by March 31st. The House of Delegates members will listen to the candidates' final statements and answers to questions from each of the current executives and vote by ballot for the candidate of their choice.

Purpose: The House of Delegates provides a forum for the candidates for each office to present their final message to the District delegates, and where delegates vote for each position. This is where the delegates will give their final vote!

After the Governor convenes the House, delegate entry and exit will only be allowed during periods between candidate presentations.

Candidates: If there are more than two candidates for an office or more than four seeking endorsement, then a nominating conference will be conducted. After the nominating conference, two final Executive candidates and up to four endorsement candidates will appear on the final ballot.

Electronic Devices: Please make sure to use one (1) device to attend virtual House of Delegates and access your official electronic ballot. **No other devices should be used during this time period.**

Nomination Conference: If this is necessary, the candidates will be introduced to the Conference and voted on in the following order: Governor, Secretary, Treasurer, and International Endorsement. There will be no speeches or questions. Results will be announced as soon as they are validated so that we can proceed to final voting,

International Endorsement: International rules state "A district shall endorse not more than one candidate for the office of President or Vice-President, and two candidates for the office of Trustee." If there is only one candidate for endorsement, delegates are to choose whether to vote "yes" to endorsing the candidates or voting "no" to not endorsing the candidates.

Up to **four** international endorsement candidates may appear on the final ballot.

Election Results: The results of the ballot voting will be announced on Sunday during Closing session,

Election Process | Caucus Questions & FAQs

What makes you stand out as a candidate for the respective position that you are running for?

I have a personal connection to serving the community which is constantly driven by my passion of giving back to others. I'm a firm believer that it is everyone's responsibility to initiate change when we notice a problem, and I am constantly motivated to improve and take action. Through Key Club, the most invaluable lesson I have learned is the power of empathy. From hesitantly applying to my school club's appointed cabinet as a freshman to running for Lieutenant Governor in the next year, Key Club has immensely impacted my perspective of the world. Being able to serve the community has been my greatest privilege, as nothing compares to the reward of uplifting others. Since I want to input my maximum effort to serve the community by taking on larger roles, I sought leadership positions in order to give back to the organization that has provided me with the opportunity to grow. After serving as a Key Club publicity coordinator, club secretary, division secretary, Lieutenant Governor, and having the experience of treasurer, vice president, and president through past roles in other clubs, I understand the significant duties of every leadership role. I know I can truly serve to satisfy all aspects of CNH to create success. It is my desire to dedicate myself

to making the community a better place, and have reserved Key Club as my largest and main commitment during past terms and for the upcoming term. Through serving as Lieutenant Governor during a pandemic and after being able to successfully adapt to this new environment in very little time, I trust that I possess the ability to lead CNH through a smooth transition, whether next term in in-person, hybrid, or continues to be online. I promise to be versatile and prepare us together to endure any difficulty that we face as a district. I recognize the hardships that come with the environmental factors of the past year, and I have detailed plans with strong foundations and structure to lead CNH on the road to recovery during a post-pandemic term. Thus, I believe my unique experience, understanding, and determination as a leader allows me to stand out as a candidate for District Governor.

What is your most meaningful contribution of service in CNH Key Club? What made it so?

Although I was in the most unexpected situation of a global pandemic after being elected as Lieutenant Governor, I knew that it was my responsibility to adapt and innovate service opportunities from a safe online environment despite the difficulties. I researched ways to allow members to engage in direct service from their homes and realized that anyone can serve no matter the circumstance-- it only requires the will to give back. Through these projects, the most meaningful contribution of service was organizing a project for members to write letters to the Women's & Children's Crisis Shelter during the May Division Council Meeting. I was determined to make this idea happen because I realized that many mothers who are struggling during this pandemic would not be able to spend Mother's Day this May with their children as they usually would. Mothers are the largest contributors to keeping the children and community safe and deserved to be recognized, especially during this time. Together with the Division 30 North leadership team, we created service logs, guides, and videos with instructions about creating the letters and publicized information about the shelter. I witnessed our members realize that putting a smile on someone's face is one of the greatest rewards. All the letters were mailed and received by the shelter by Mother's Day, and a staff member emailed me back showing their gratitude. Being able to see the impact of serving the community and how it directly affects people opened my eyes and motivated me to dedicate myself to giving back. This is why I am running to be your next 2021-2022 District Governor; these countless service opportunities and epiphanies have allowed me to grow so much as a leader and kindle so much compassion as a person. I want to spread the gift of giving back through guiding CNH hand in hand with all of you.

What makes you stand out as a candidate for the respective position that you are running for?

District Governor is a distinguished position that calls for the utmost attention and priority. My dedication and passion are two entities that makes me stand out as a candidate for District Governor. I have had the privilege of serving on the club and district level, placing all my efforts and commitment to serving my community and members to the best of my abilities.

From the beginning of my freshman year, Key Club has placed a hook and reeled me into the CNH Ohana. It has impacted me in so many ways that has helped me grow and develop into a competent leader and effective citizen. The organization has contributed so much to my life such as the people I have met. The passion I have blossomed for Key Club continues to grow every day and serves as the fuel for my desire to contribute creative and new ideas to help members and my community. I have wholeheartedly placed all my energy and efforts into Key Club and making it the best experience for my members so they can experience the joy I have gotten from Key Club. My dedication to Key Club has resulted in my pursuit of service. For example, during Thanksgiving, our division volunteers at a food pantry that packages and distributes food to families. During this particular year, it started pouring and I only had on a measly hoodie and jacket that was not waterproof. However, my determination to serve my community motivated me to continue to work the 4 hour

shift in wet clothes and pouring rain. Key Club is so special in which it gives us so much whether it be irreplaceable memories, friends, service, and life skills. In turn, Key Clubbers give back their time and energy. It is this essence that encourages us, Key Clubbers, to continue despite the strife that the pandemic has brought us. I may not be the most confident person but I grow everyday and if I am elected for District Governor, I will serve the CNH District in which I will place my dedication and passion into making an impact on my home, school, community, and district.

What is your most meaningful contribution of service in CNH Key Club? What made it so?

When I was younger, my life goal was to ensure that whenever I can, I will positively impact the world even if it is making a difference in one person's life. This was a precursor for the service I would contribute as a Key Clubber. Key Club has allowed me to make a difference everyday. The most meaningful contribution to service was hosting the Rose River Project. An artist was creating a memorial for the country to commemorate and grieve our loved ones that have been taken by COVID-19 through roses that each symbolize a life. The pandemic has taken a toll on the country and through this project, the members I serve and I were able to create 1,600 roses with our Kiwanis and counterpart divisions, 35 West and Goldstone KIWIN's. The losses we have faced have been nothing but a number to the general eye, but the Rose River Memorial has allowed us to bring to more attention the value and loss of each statistic on the news, and allowed us to reflect on the rough year. When I was first approached with this project, I immediately jumped on the opportunity to bring this project to my division. With hopes, as the memorial continues to grow, it will become nationally known and acknowledged. Although this project started with the idea from one person, Marcos Lutyen, it has now become so much bigger than that. The memorial is so much bigger and more meaningful than the service hours. The Rose River project has demonstrated to me the power one has within one's ideas and can grow to be an emotional and meaningful project that is making its mark on the community. Like Marcos, I hope to make my mark and impact on the CNH District and continue to serve with meaning.

AMY WANG

FOR DISTRICT GOVERNOR

Greetings, Bees!

My name is Amy Wang and I am so grateful to run in chance of becoming your 2021-2022 CNH District Governor!

The opportunity to be a part of Key Club has been one of the most meaningful experiences in my life, and I wish to **share my passion** with all of you through helping our district grow. My ultimate goal is to **inspire** and **nurture** starting with each **grassroot** to make our district **bloom with service** for the upcoming term. **As BEES, let's work together to cultivate our beautiful home of CNH with care and dedication.**

Build

In order to strengthen the district, I will work to build stable foundations through intensifying committee engagement and ensuring clubs remain active by creating and compiling resources that presidents & LTG's can use to accurately track their statistical growth, and implement District-wide monthly recognition to acknowledge unique service efforts from Key Clubbers.

BLOOMING to BEE serving you,

amy wang

Learn

To help each individual learn more about Key Club, I plan to increase member education by maintaining consistent communication with officers, members, and advisors through multiple rounds of CORE calls and direct interaction by ensuring monthly Executive updates on Instagram, Youtube, etc. to create and promote a culture of transparency.

Optimize

As District Governor, I will guarantee efficiency through optimizing our resources by creating more guides inserted in the CNH G-Suite officers and members can follow to serve to the best of their ability, and increase the role of the Strategic Planning Committee to combat the membership decline and officialize a district wide Key Club 101 Training event for new members.

Offer

Key Club is known for the opportunities it has to offer for each student. We can still heavily increase them through implementing more awards to amplify the core value of leadership, such as a Distinguished Executive Assistant award. I will keep a quarterly webinar schedule for designated topics even during an in-person term and recover inactive & A-COVID status clubs through this plan.

Motivate

Although any goals may seem hard to reach during a pandemic, I firmly believe we can achieve anything together through motivation. I will restructure the Membership Recruitment Campaign by setting recommended quotas for club membership, activities, meetings, etc. and begin its launch from the beginning of the term to redirect CNH on an upwards trend.

CNH District Goals

- ★ 1 Million Service Hours
- ★ 35,000 Dues-Paid Members
- ★ Increase funds raised for each Preferred Charity by 10%
- ★ Implement a Webinar Schedule
- ★ Structure Membership Recruitment Campaign for individual Division and Club levels
- ★ Monthly District-wide Recognition
- ★ 2 Rounds of District Board Core Calls & at least 1 round of Region Core Calls
- ★ Publish monthly Committee & Executive Updates/Q&A's through social media

30 NORTH Achievements

- ★ 100% On-Time Dues-Paid Division
- ★ R3 & R8 Candidate Training Conference Chair
- ★ Fundraised over \$3000 for PTP
- ★ Over DOUBLED service hours from previous term
- ★ EXCEEDED Dues-Paid Membership Goal by over 15%

UNANIMOUSLY ENDORSED BY DIVISION 30 NORTH

HILARY WONG

DISTRICT GOVERNOR CANDIDATE

Hello CNH Bees!

My name is Hilary Wong and I hope to serve as the next Cali-Nev-Ha District Governor! This term has been historical. For the first time, Key Club has gone virtual and adapted efficiently.

The first thing that comes to your mind when you hear "Zoom" is the virtual platform but this word also defined by the enhancement and focus in camera work. For the 2021-2022 term, Zoom depicts the focus and strengthening of the CNH District.

Zooming with zeal,

Z
O
O
M

EAL. Everyone has experienced burnout before and felt lost about what service project to do next in a virtual setting. I will use my zeal for service and Key Club to motivate you and your clubs with resources to find and host meaningful service projects and fundraisers.

PORTUNITIES. Key Club has so much to offer and in order to ensure members maximize their experience, I will work with the District Editors and committees to create content such as Instagram reels and YouTube videos with Key Club opportunities.

PEN ARMS. Clubs with the proper training will build strong divisions and contribute to the overall success of the CNH District. I will work with Lieutenant Governors to support and provide resources to train and help with various Key Club entities.

EMBERS. Members are the building blocks of Key Club and their dues are essential to the functions of Key Club. In order to emphasize membership, I will add a membership tab on the CNH Cyberkey and produce engaging promotional material.

CNH DISTRICT GOALS

- 34,000 Members
- 800,000 Service Hours
- \$250,000 for PTP
- Make 6 club visitations every month
- Feature innovative club service events monthly

COVID-19 RECOVERY

- Resources to help clubs transition to in-person functions when allowed.
 - Transitional Stage
 - Emphasis on Fall Rally preparation
 - Hosting In-person events safely

What makes you stand out as a candidate for the respective position that you are running for?

My unmatched passion and experience, not only in relevant positions, such as Secretary, Division Secretary, NHS Secretary, and Yearbook Editor, but also in growing clubs and organizations, makes me stand out as a candidate for District Secretary. Starting with a club of only a few underclassmen in the previous term, we started from close to nothing and, as Vice President, I worked hard to help grow our club to around 40 members, more than doubling paid membership and more than tripling service hours despite the pandemic when CNH experienced a drastic deficit. In the environmental organization I founded, we have grown to 14 chapters, including 2 international chapters, since

the beginning of the school year. Founding Project Planet A, I have really learned a lot about leading an organization on a large scale. I believe that I can apply what I have learned in my club and organization to further growth in membership, service hours, and overall engagement throughout CNH. Being involved in the community and doing Key Club work is no where close to just a task for me. It is an absolute passion that I pour my heart into. Throughout the term, I will always take initiative to achieve our goals and show, through my hard work and diligence, that I was the correct decision for District Secretary.

What is your most meaningful contribution of service in CNH Key Club? What made it so?

The most meaningful contribution of service that I have made in CNH Key Club is Operation: Inform and Teach, which was a Division 4 West service event that I planned in which we gave online presentations to elementary schoolers on climate change. Many people reported that this was their favorite event of the year because, with an online term, this was the most unique event and it really felt engaging. It was especially exciting to see the results. Ms. Russel, a 4th grade teacher whose class we presented to, even sent an email following it that said, "Wow! I was so impressed with your presentation about Climate Change. It was a perfect introduction to a very real and urgent world problem. It is so exciting to see young people taking the lead and addressing the destruction we are causing to our planet. The students have already asked if we can learn more and do a project, they even stayed after school for a discussion." Especially during this online term when it is hard for many members to feel engaged and rewarded by Key Club, this response was truly rewarding as I was able to see people being directly benefited by my Key Club commitment. I am proud to have influenced elementary schoolers to start getting involved in an issue that I am very passionate about. Youth are becoming more involved in the world and I am grateful to be a part of it.

What makes you stand out as a candidate for the respective position that you are running for?

Joining Key Club my freshman year, I had no idea what kind of journey it would take me through. I had just transferred from another area, so my main purpose of joining was to meet new people. Attending all weekly club meetings, I slowly began to immerse myself in Key Club, and more so after attending larger divisional and regional events.

With all this learning, however, I was soon met with an obstacle. There was a specific question that had been asked at a majority of events, and it was "What was your Key Club moment?"

When I was asked this question, I could not think of an answer. At the time, this was a bit frustrating, because it felt as if everyone had experienced their Key Club moment already, except for me. However, thinking back now, as cliché as it may sound, my Key Club moment has been all of my journey.

From the moment I signed up at club rush, to the moment when I decided to apply for Communications Chair, to the times spent organizing events and serving at events with fellow members, to the time I became the Secretary of my club, to the moment I submitted

my application for Executive Assistant after weeks of contemplation, and finally, when I decided to run for District Secretary, I cannot think of a time that hadn't benefitted my growth; even the more challenging times had led to brighter moments, where I found myself growing more and more passionate. Though I do not have the experience of serving as a Lieutenant Governor, I believe that my skills and experiences serving as Secretary and Executive Assistant can provide more than enough guidance, and perhaps even a different perspective. A Key Club moment symbolizes the time when one realizes the true amount of passion and love they have for service and the organization as a whole. With my experience through these years, sincerely learning and improving both from events but also from the Ohana of CNH, I know that I can lead a term as bright as the future of service in our hands.

What is your most meaningful contribution of service in CNH Key Club? What made it so?

My most meaningful contribution of service in CNH was the first service event I attended in Key Club, which was volunteering at a local elementary school's Fall Harvest Festival. This was during my freshman year, and still earlier on in the term. I had heard that this was both a popular and fun event to volunteer at, so I signed up without hesitation. While I was a little nervous because it was my first event, these worries became completely insignificant as soon as I entered the site.

Through this event, I connected with other members and volunteers. Even though the night started relatively solitary, it was impossible not to bond with others. Working closely for all of the evening, it was easy to see the welcoming community Key Club offered. At the end of the night, seeing so many lit-up faces, volunteers and children alike, I felt incredibly proud and honored to know that I had contributed to this joy. Looking back, I believe that this was the defining moment when I committed myself, emotionally, to service.

What makes you stand out as a candidate for the respective position that you are running for?

District Secretary is a crucial role that facilitates effective communication and monitors growth from club levels and beyond, with member interests as the top priority. Known for enthusiasm during Key Club events and eagerness to introduce new projects, my passion for service and member engagement prepares me to always go above and

beyond my position while inspiring others to do the same. Serving as Secretary and Division Service Coordinator this term, I built solid foundations for secretarial duties, MRF, club administrations, and division-level event planning. As a Secretary, my diligence in offering personalized feedback paid off when 15 members from my club qualified for recognition in the end. If elected, I'll expand upon this to help Secretaries and essentially all members across the district mindfully achieve more during their term with knowledge, support, and love. Moreover, I'll maintain a core call system to assess club needs, thereby creating a feedback loop to help everyone strive for the better.

What is your most meaningful contribution of service in CNH Key Club? What made it so?

My most meaningful contribution to CNH Key Club will definitely be my dedication to service and leadership! As a club secretary this term, I constantly shared service ideas with the project directors, offered support for the ones who were hosting their first-ever event in Key Club, and provided detailed form instructions for board members who are having trouble with filling out club documents. Moreover, I worked with my club president to expand on the pre-existing raffle system to encourage member engagement throughout the term. This dedication is very meaningful because it helps me understand things from different perspectives while also motivating myself and others to perform above and beyond our positions, amplifying the positive impacts of service contribution to CNH Key.

What makes you stand out as a candidate for the respective position that you are running for?

I believe my ability to understand and connect with all levels of Key Club on a personal level is what sets me apart from the other candidates running for the position of District Secretary. Since my first experience with Key Club nearly 6 years ago, I have dived headfirst into this organization devoting my full efforts to Key Club. Through this journey, I have come to realize that the most valuable asset of Key Club is not the structure, events, nor even service hours or funds raised: it is the people. In these past 6 years, I have gotten to learn about each and every level of Key Club and how to personally connect with every member of our organization. From serving in positions such as Vice President, Executive Assistant Secretary, Communications and Marketing Committee

Secretary, and Lieutenant Governor I have had the opportunity to develop as a leader and gain the experience and knowledge needed to serve members at the club, division, and district level. For example, as Division 42 East Lieutenant Governor, I found significant success in communication with officers as I was able to use not only my skills as a leader but my ability to understand others' situations from both a logistical and personal perspective. As District Secretary, I would bring my unique experience and knowledge of all levels of Key Club to provide a perspective that does not just take into account the desires of those at the district level but that of every single member within the CNH District. My focus as District Secretary would be to serve our most important asset: YOU.

What is your most meaningful contribution of service in CNH Key Club? What made it so?

Since as far back as anyone can remember, my home club, Newbury Park, has served at weekly Feeding the Needy events at a local church. Throughout the years, I regularly attended these events serving food and setting up chairs for the few dozen people that would come every week. However, one night Feeding the Needy stands out in my mind. It was my Freshmen year, a normal Saturday like any other, and I was on serving duty. As I forked salads on everyone's plates I started a conversation with one of the attendees. He was a homeless man who had recognized the Kiwanis logo on my shirt. After talking with him he revealed that decades ago, he served as District Governor for the Minnesota-Dakotas District. I was stunned. This unsuspecting stranger turned out to have more in common with me than I had ever thought. Through this experience, I was able to realize the power service has to connect people. This man that I would have just taken for another homeless citizen in need of help was in fact another leader from across the nation that I was able to connect with through Key Club. From that day, I truly understood the importance of service and the importance of Key Club. I have taken every opportunity I could to create more relationships like I had made with this man. This experience allowed me to commit to Key Club's ability to create leaders, unite strangers, and change lives ultimately leading me to be here today, running for District Secretary. All it took was a plateful of salad and a bit of kindness.

What makes you stand out as a candidate for the respective position that you are running for?

Since joining Key Club, I have held an unparalleled passion and dedication for this organization. I have taken full advantage of every single opportunity presented to me, and I don't plan to stop anytime soon. Although I served as Lieutenant Governor at a younger age, this experience has allowed me to quickly develop leadership skills and foster my potential. Whether it be hosting individual core calls with all my officers, providing additional training, or creating officer guides, I have always nurtured my members into becoming the best versions of themselves. I can assure you that I will not hesitate to bring the same energy to all members of CNH! Being a part of this organization has truly pushed me to go beyond my limits, and has shown me opportunity for growth in the District. During just this term, I have served on the Club, Division, Region, District, and even International level, which has provided me with a unique point of view and approach to our District's most pressing matters. Furthermore, I have hosted events with various divisions within CNH and even outside of CNH, which has granted me a fresh perspective and understanding of the differences between Key Clubs. Additionally, I have had a great deal of experience in

growing my previously weak division. Just two terms ago, we had no Lieutenant Governor, and I am glad to say we have made great strides of progress since then. I have worked to increase MRP recipients, encourage a Distinguished club, charter a Builders club, and promote leadership opportunities. I believe that there is a similar potential within the smaller clubs and divisions of CNH. With my unique point of view, enthusiasm for this organization, and past experience, I believe I will be able to bring CNH to new heights as District Secretary!

What is your most meaningful contribution of service in CNH Key Club? What made it so?

It was November 3rd, 2019, and I vividly remember walking right outside my house at six in the morning to greet the cold autumn air. Despite the yawning and tired faces around me, I remained enthusiastic and thrilled about what was to come. My home club's annual Two Cities marathon service project had begun. After passing out our matching volunteer shirts and grabbing a delicious donut, we began lugging the large jugs of water to the foldable tables nearby. Waddling in my layers of clothing, I began pouring some water into the small disposable cups. The warm sun began to peer through the trees, and suddenly, the runners had arrived. We yelled a few encouraging Key Club chants in hopes of inspiring the participants to continue on strong! The most meaningful part of this event was the community created amongst our own Key Club and with the runners at the event. Seeing all their smiling faces, their enthusiasm, and their perseverance made all the stress of the morning worth it. I was surprised to see a few family friends, past teachers, and even some kids running at the event! Their energy of determination and diligence truly motivated the volunteers at the event. Even as they were running out of breath, some runners stopped to say a quick "Thank You!". An overwhelming sense of warmth filled my body, as I felt care, kindness, and compassion all around me. Even though passing out waters was a small thing to do, I believe that the smallest acts of kindness have the biggest impact. This was one of the many Key Club events that made me realize how important service is to our community. After a long five hours, the volunteers sighed with relief. Later on, however, I felt a small lingering sadness over the conclusion of the event. Now more than ever, I miss the upbeat music, the passion of our members, and the unity we bonded over. This event truly made me feel the comfort of a family, of an Ohana, within our club.

What makes you stand out as a candidate for the respective position that you are running for?

I believe what makes me stand out as a candidate is my ability to improvise, adapt, and overcome. In both my terms as an officer, I was not formally trained. During my Secretary term, I was the first Secretary in 2 years. Therefore, I was not given much instruction other than "do the Monthly Report Form and take meeting notes." This pattern continued with my term as President when I was told to "just manage the club." However, despite my lack of formal training, I was able to work around my circumstances, later establishing a foundation to benefit my successor to prevent the same predicament. I worked tirelessly to ensure that I left a foundation that my successor could build upon throughout their term. During my Secretary term, I started accurately documenting the details needed for the Monthly Report Form and maintained practices of digital record-keeping. Throughout my presidency, I encouraged organized administrative practices like task emails and increased the Annual Achievement Report score of my club. In the end, I

was able to achieve the honour of Division Distinguished Secretary, establishing the foundation for my club to be on the road for Distinguished Club. As a District Leader, I believe that is highly important for one to possess the ability to problem-solve when an entire District of Key Clubbers relies on you for guidance. Despite my lack of formal training, I was able to innovatively bring sustainable change to both my officer positions, bringing solutions to make each respective position more efficient and personable. Therefore, as District Secretary, I will make it my absolute duty to commit the same amount of dedication and more to creatively think of ways to better the Secretary position FOR the members of CNH. Even if the odds are stacked against me, I am able to problem-solve my way to success.

What is your most meaningful contribution of service in CNH Key Club? What made it so?

Service is the backbone of Key Club. Throughout my years in this organization, I have participated in a multitude of service events. However, my most meaningful contribution to service was the Nurse Day Cards Service event. This event was held during the initial stages of the pandemic intended to boost the morale of the medical staff at the Vintage Faire Nursing and Rehabilitation Center through personal cards and letters. In addition to creating my own cards for service, I helped facilitate this event by organizing the cards made by Key Clubbers and sending them to the facility. In the end, I printed and delivered 210 cards for the staff to distribute. This particular event stood out to me as I continued to receive updates from the facility regarding the effect of the letters on the medical staff. I saw the immediate impact of Key Club's kindness and thoughtfulness on the morale of these individuals during these rough times. Up until recently, the nurses and doctors continued to send their appreciation my way through Thank-You cards and emails. I saw their spirits being lifted when they sent a card full of signatures from the staff, stating how the cards that were posted on the wall helped them proceed through the day knowing that someone was looking out for them. It is moments like this that truly highlight my love for Key Club and what the organization stands for. Seeing the day-to-day impact on morale that kindness can have, allowed me to realize that Key Club is not only a high school extracurricular activity but a community builder as well. This event especially exemplified the motto, "Caring—Our Way of Life." Despite the restrictions imposed by the pandemic, events like the Nurse Day Cards helped bring together the community, showing that service can shine even in the darkest of times.

S

Strategy

Developing a **strategic plan** is an important factor in achieving success. If elected, I will work with the District Board and the Strategic Planning Committee to instigate new ideas catered to improving weaknesses and reinforcing our strengths in the long term.

H

Highlight

As much as I love our district, I believe that even the best should strive to **be better**.

While membership has been one of our greatest struggles, I firmly believe that we can reach our goals and beyond. Let's work together to meet higher milestones!

I

Inspire

Through my Key Club journey, I have gotten the pleasure of meeting many incredible people who led me into the Key Club community.

It is with their care and guidance that I have come this far. Without their help, I would not be the person I am today. If elected as District Secretary, I will **prioritize** inspiring the District, through both good and lesser times.

N

Navigate

This past term has been a new experience for everyone; it presented **different challenges** as well as some **unexpected benefits**.

I like to think of this as a reminder that things don't always go as planned, which is why I will **continuously** make efforts to navigate in the best direction.

E

Exemplary

At its core, Key Club is a **service organization**.

I know that we are more than capable of reaching our goals in service hours.

Let's serve our community to the best of our abilities, and set an example for up and coming Key Clubbers!

Jialin Jiang | District Secretary Candidate

Hello Busy Bees!

My name is Jialin Jiang, and I'm beyond honored to run for the District Secretary position to serve YOU for the 2021-2022 term!

Key Club has always been an inclusive and welcoming family for me, in which I surround myself with **love and compassions for service**. Even with the pandemic, I'm determined to create a supportive and interactive environment where everyone can thrive. Together, we can **RISE through the challenges** and fly into the fantastic 2021 with Love and Service!

Serving with Love,
Jialin Jiang

Ready

Mindful conversations are crucial to connect servant leaders in a **supportive network**. Divisions are encouraged to **organize club information** through core calls and other important club documents.

Inclusive

The most direct way to build meaningful Key Club memories is through inclusive leadership. In club levels, committees (fundraising, outreach, graphic design) should be set up to **open up leadership opportunities for general members** to promote engagement.

Service

Service is the heart of our club. As District Secretary, I'll help each club host **3+ service projects monthly** and **1+ Kiwanis bonding quarterly**. On district level, I'll also strive for **1 Kiwanis event** and/or **1 district training/bonding quarterly** by active collaboration with the distinct service and Kiwanis outreach committees.

Engagement

To help members pace through their Key Club journey, I'll release a **monthly capstone** for members while encouraging proactive publicizing of events within divisions.

2021-2022 Goals

- ☐ 600,000+ service hours
- ☐ 30,000 + dues paid members
- ☐ 5% increase on MRF, articles, and newsletter on-time submissions

- ☐ Expand district resource drive and guarantee transparency & accessibility.
- ☐ Standardize Member induction training (with explanations of club AAR & MRP) and encourage secretaries to release transparent MRP for club members.

- ☐ Create a Big Little system for clubs within each division to facilitate bondings and administrative discussions.
- ☐ Create a discord chat for secretaries & potentially other officers across the district. Host trainings, bondings and work-sessions to promote community building.

Shanelle Relucio

FOR DISTRICT SECRETARY

hello cnh!

My name is Shanelle Relucio and I'm elated to be running so that I have a chance at becoming **YOUR** next District Secretary! I am *insanely* passionate about Key Club and there's no doubt that I will continue service *no matter what*. This organization has given me the most amazing opportunities; whether it be meeting people across the country, helping my community, or serving amazing individuals like **YOU**. After being graced with so many influential experiences, I want to give back to our members by opening the door of opportunities for them! I'm excited to see what the future holds for both you and me. Hopefully, I will be **ON MY WAY** to assisting CNH through education, networking, and assistance!

**ON MY WAY TO
SERVING YOU,**

Shanelle Relucio

qualifications

- **2020-21 Division 05 North Lieutenant Governor**
 - x2 Service Hours & PTP Funds
 - 100% On-Time Division Submissions
- **2020-21 Service Projects Committee Secretary**
- **2020-21 Builders Club Committee Chair**
 - Chartered Builders Club
- **2020-21 International Programs & Partners Committee Member Representative**
- **2020-21 Region 11/12 RTC & CTC Chair**
- **2019-20 Division News Editor**
- **2019-20 International Public Relations Committee Member Representative**

my goals + plans

- Create newBEE packages for all officers and members
- Host 2 Secretary Workshops
- Host 2 Secretary Webinars
- Create Secretary Training Packages for LTGs
- 900,000 Service Hours
- 55 Divisions to 100% On-Time Division Submissions
- Open optional Region Secretary Core Calls during the Summer
- Increase social media content
- Quarterly Open Forum DB Calls
- Focus strategies to assist and support smaller clubs and divisions

CNH, I HEARD YOU'RE IN A CRISIS, I'M

NE CALL AWAY. If secretaries are unfamiliar with the MRF, it is impossible to get accurate reporting. As your District Secretary I will ensure that both officers and members feel comfortable in contacting me and are given the proper resources to do so. I plan to incorporate several opportunities for Secretaries and LTGs to ask questions & learn about AAR, MRP, and the MRF. Not only will these resources improve reporting accuracy, but it will also assist in connecting the District and Club level!

AKE YOUR MARK! To reach our goal of 900,000 service hours, I plan to heavily promote MRP, SOSOP, and other District Initiatives through education, social media, and recognition. Increasing social media content will not only better connect us to our members, but it will also act as an educational resource and archive for future terms to look back on!

ORK IN PROGRESS. In order for officers to leave a legacy, they are in need of preparation and training which can oftentimes be difficult if a club doesn't have the necessary support systems. I will create efficient resources so that regardless of what state any club is in, they will always have the blueprints for success! I will aim strategies towards smaller clubs in hopes of fulfilling their potential growth.

adrienne sabobo

for DISTRICT SECRETARY

hello cnh!

My name is Adrienne Sabobo and I am **unBEE**lievably honoured to be running as YOUR next CNH District Secretary for the 2021-2022 term. In the three amazing years I have been in Key Club, I have learned so much in terms of leadership and personality. To be honest, Key Club has shaped my life in so many ways that I would not be the same person without it.

This organization has allowed me to become a more confident and friendly person while bettering my skills in organization, documentation, and delegation. With all that Key Club has done for me, I find it my duty to spread its scope and allow all members of the CNH District to forge their own meaningful paths.

Yet despite this, I know that Key Club is not without fault. That is why by being your District Secretary, I will make it my duty to better the circumstances of **ALL** members of CNH—to become the pillar and guide that YOU need.

Like all things, this change cannot occur with a snap of the fingers. Only with **TIME** can we achieve great things **TOGETHER**.

With you in service and **BEE**-yond,

Adrienne Sabobo

TRANSPARENCY - One of the issues in our District is a general lack of awareness from the Members and Officers. Therefore, I will ensure to promote **TRANSPARENCY** of District activities through frequent email, Remind, and social media updates. Also, how can you trust me as a leader if you do not know what I am doing? Therefore, I will ensure to include the Lieutenant Governors (LTGs) in my plans to maintain a well-informed District.

INTEGRITY - Honesty is the best policy! I find that one of the most important qualities of leadership is **INTEGRITY**. Throughout my term, I will ensure to keep to this value by being a role model you can rely on IN and OUT of Key Club. I will keep true to the expectations expected of me in both a professional and friendly setting, showing that you can trust me as a leader and as a friend.

MENTORING - I will be a **MENTOR** to the Lieutenant Governors and Secretaries of CNH. I have learned a great deal of knowledge these last three years and I wish to share this knowledge through specific guides and webinars. To combat the general lack of education in the District, I plan to ensure that the Secretaries and LTGs are informed on not only Monthly Report Form (MRF), but other nuanced aspects of administration as well. This includes organization, detailed record-keeping, email creating, and professionalism.

EVERYONE - My focus will be on **EVERYONE**, both the large and small divisions. **NO-ONE** will be left behind. Each division has different needs, but I will ensure to cater to these specific challenges through **personalized** core calls and question forms. We are only as strong as our weakest link. Therefore, I will make certain that **ALL** aspects of CNH are the best version that they could be. I believe that we can only achieve this **TOGETHER**.

my plans

Promoting practice of **service hour** and **Member Recognition Program (MRP)** transparency within the divisions through public forums/trackers

Hosting TWO Secretary Training Webinars that include **Monthly Report Form (MRF)**, **meeting minutes creation**, **attendance documentation**, and **email training**

Implementing an **MRF Question Form** that is open to MRF and DMRF questions ANY TIME

Creating **Secretary Guides** and **Resources** on **MRF filling**, **meeting minutes**, and **MRP documenting**

Hosting **Core Calls** with LTGs and Division Secretaries concerning SPECIFIC MRF training and questions

Why are you running for this particular office and how can you strengthen and influence the CNH District?

A good treasurer understands money. A great treasurer understands the people behind the money. Money can be a force for great good - if managed properly. My passion for finance sparked when I was working at a startup company, Oppti. There, I learned directly from the CEO about critical business decisions with major financial repercussions. Subsequently, I enrolled in college business and economics courses. I then applied this new knowledge while working as a sales representative for a custom apparel supplier. Through this connection, I was able to help clubs and divisions across CNH save over \$1,200. For any non-profit, less spending translates directly into more funds being available for great causes. I experienced firsthand how good financial practices benefit ALL those involved. I put this business education into action with Key Club, achieving a 15% increase in funds raised for our preferred charities.

I am primed and ready with ideas to move us forward in a financially savvy way. Let's ignite a fresh passion for fundraising and service. It's time for a new season. A time to SPRING forward!

What was the most meaningful experience of service that you have experienced in Key Club? What made it so?

One hundred elementary school kids, happily giggling with me: THAT was my Key Club moment. That afternoon, I was exhausted after back-to-back APUSH, Calc, and Bio tests. The last thing I wanted to do was spend more time on Zoom. But that quickly changed. Our club had reached out to three local elementary schools to connect with first-grade students. We realized how difficult virtual learning must be for such young kids without social connection. Such is the beauty of Key Club. Gaining a perspective into the lives of others while better appreciating what you have. While reading Dr. Seuss in the silliest voice I could muster, the kids laughed and genuinely had a good time. We played games, and I taught them how to say "onomatopoeia". They taught me the latest elementary school jokes: an all-around good time. I learned from them and they learned from me. Whether you are serving the homeless, your neighborhood, or even your local elementary school, perspective changes everything!

Why are you running for this particular office and how can you strengthen and influence the CNH District?

The position of District Treasurer means that you must be a resource to all members of CNH. The state of Hawaii is known for being the "melting pot of the pacific" because of our diverse culture. Serving the Opihis of Division 22 Makai I have had the opportunity to work alongside members of all backgrounds from the islands of Maui, Kauai, and Hawaii (the Big Island). This has enabled me to to work with all people in order to strengthen communication, which is KEY to ensuring that all members are able to serve their homes, schools and communities through Key Club by becoming dues paid. Not only is Makai diverse but we are also the only division

separated by water, therefore I have had to become proficient at communicating so that I could assist struggling clubs. Which I feel has prepared me to help clubs who are struggling to pay dues, even though we may be miles away. Coming from Hawaii I hope to bring new ideas and perspectives to CNH. I believe that my ability to be inclusive and communicate effectively differentiates me from other candidates. I am confident that my experience in serving Division 22 Makai has prepared me to take on the challenges and responsibilities of the CNH District Treasurer.

What was the most meaningful experience of service that you have experienced in Key Club? What made it so?

Since my freshman year, it was a dream of mine to become a lieutenant governor of Division 22 Makai. The day I was elected was certainly a dream come true and from that moment on I was determined to help strengthen each club leaving the division better than it was before. I feel that my most meaningful contribution of service in CNH Key Club was the time I spent as a Lieutenant Governor. I have learned that you don't always have to do a large act of service to make a difference, even small projects and contributions can have large effects. Although my contribution was small in the sense that I only assisted the clubs of Makai, I feel that I was able to maximize my impact by putting my best effort into the clubs I served, which in turn contributed to the well being of the district as we supported the goals created by the district executives. As an LTG I assisted the clubs in Makai to all become distinguished or diamond distinguished and 100% dues paid. Throughout the term I also helped to charter a new club and supported clubs in fundraising for preferred charities and PTP. I believe that my experience serving the clubs of Makai has prepared me to serve the entire district and help CNH BLOOM to find great success!

AKASH GEORGE

FOR DISTRICT TREASURER

HELLO CNH

My name is **Akash George** and I am truly humbled to have this opportunity to run for District Treasurer!

Spring embodies a **sprouting of new life** after a period of repressed activity. It is now CNH's time to spring up after a long winter. Luscious gardens bloom when a **variety** of plants and animals grow together to form a **harmonious ecosystem** - just like Key Club. By removing barriers between the club, division, and district levels, bees all across CNH can cross-pollinate with new ideas and shared best practices - **further entwining our Ohana**.

CNH, we have a fresh, exciting opportunity here. If we act now, move together, and serve others with this new energy, our district will **vivaciously SPRING forward**.

GOALS

- \$300K for preferred charities
- 1.0M Service Hours
- 40K Members (Post COVID Social Surge)
- Host 2 District-Wide Fundraisers
- 20 New/Reactivated Clubs
- 450 on-time dues paid clubs

THE NEW

- Create a District Fundraising Committee with Lieutenant Governors and Treasurers
- Start a DTreas Instagram to highlight CNH fundraising achievements and impact
- Incentivize bi-monthly donation to Preferred Charities via inter-division competition
- Decrease administrative expenses so more funds are spent directly on service

S

SUCCESSION The future of CNH hinges on our intentional **succession planning and training** of tomorrow's leaders. I will **foster** leadership growth not only in our officer roles but also by inspiring **underclassmen** to whom we can leave our **legacy**.

P

POLLINATE Like a BEE **pollinating** flowers, I will ensure **each member, club, and division** has the resources they need to flourish! Spreading pollen from flower to flower, with **new ideas** that can sprout into fresh blooming fields of service.

R

REJUVENATE After **months of anticipation**, bees across the district are more excited than ever to see their hive alive and **in action!** I will **rejuvenate** district membership by harnessing this excitement for **social in-person service**.

I

INCLUSIVE Every bee in our garden deserves the opportunity to **unlock their passion** for service and leadership. I will **expand opportunities** for underprivileged members to buzz throughout our **Inclusive hive**.

N

NAMASTE Namaste, I bow to you with palms touching, fingers pointing upwards, and hands held **close to my heart**. I will lead CNH with **humility** and a **servant attitude**.

G

GROUNDHOG A **groundhog** emerges from its burrow, ready for spring after its hibernation; likewise, I will lead CNH in a **new direction** springing forward, out of our recent year-long winter. CNH, here's to a **new season**.

UNANIMOUSLY ENDORSED BY DIVISION 35 EAST

Maya Oishi

for CNH District Treasurer

aloha cnh bees!

My name is Maya Oishi and I would be honored to serve you as your next CNH District Treasurer. I was born and raised in the small town of Hilo, Hawaii where I have been able to grow up in the Kiwanis Family and develop a passion serving my home, school, and community. I currently serve Division 22 Makai as the Lieutenant Governor. Being that Makai is the only division separated by water I have learned how to help clubs to flourish despite the distance. If elected I will be committed to helping CNH BLOOM!

Being a member of Key Club is **BEYOND** serving others. It is creating friendships and a support system and as District Treasurer, I will go above and **BEYOND** to support all members of CNH!

District officers should **LEAD** by example. As District Treasurer I will embody the Four Core Values of leadership, character building, caring and inclusiveness as we bloom to find success.

OHANA means family but more importantly a sense of belonging. As District Treasurer I will assist all clubs to pay their dues so all members become a part of our CNH **OHANA**.

As District Treasurer, I hope to **OPTIMIZE** the role of club treasurers by providing resources and assistance, in order to simplify fundraising and the dues payment process.

In order to **MAXIMIZE** Key Club's impact, we must have an understanding of our preferred charities and PTP. I will assist clubs in **MAXIMIZING** donations to help charities bloom.

goals

1. CNH will be 100% dues paid by December 1, 2021
2. All clubs of CNH will increase membership by 20% by December 1, 2021
3. All clubs will donate an average of \$20 per member to preferred charities and PTP by January 31, 2022

qualifications

- Assisted all clubs of Division 22 Makai in achieving distinguished or diamond distinguished club awards.
- Chartered Keaau High School
- 100% Dues Paid
- Donated to YES! Campaign, Kiwanis Family House, PTP, UNICEF, March of Dimes, and Project Eliminate
- 2nd highest service hour total within CNH
 - Average of 51.5 hours per member

Why are you running for this particular office and how can you strengthen and influence the CNH District?

I joined the Key Club family two years ago in my Sophomore Year, and I was determined to get more involved in the club that gave me a home. I took a giant leap and was appointed as Division News Editor for this past term. By working closely with my Lt. Governor, it has opened up my eyes both as an officer and as a member. Throughout the term, I wanted to go above and beyond to develop my skillset and become more involved. Soon enough, I was appointed as a Global Outreach Member Representative for a Key Club International Committee. My experiences both as being a general member and as an officer provide a fresh, unique perspective, which can help better develop Key Club International for its members. This organization is member-based, and with my experiences, I am able to cater to members from every aspect of Key Club. Furthermore, Being a News Editor

allowed me to see what members liked and disliked and highlighted how important digestible and easy-to-read information is. If members are engaged and educated, it creates more student leaders to be more involved and bring this organization to new heights. Being part of the Diversity and Equity Sub Committee has made me examine this unique perspective alongside international officers. They all work diligently to make sure the member experience is enjoyable and inclusive, and I have been inspired to do the same. Because I am currently working on the Diversity and Equity Committee, if elected, I would continue the IP trustees' work. I have witnessed the processes that trustees go through to get items approved; therefore, I will be more accustomed to the environment.

What was the most meaningful experience of service that you have experienced in Key Club? What made it so?

One of my most meaningful service contributions in CNH Key Club would have to be the Las Vegas Kiwanis 4 the Kids Golf Tournament. It was my very first service event, and I arrived just on time at 6 AM. The event was a total of 8 hours, during the peak of the late summer sun. That day was the first time I had met our club's sponsoring Kiwanis, and they were extremely kind, as they made sure we weren't dehydrated. Following their announcement of the money raised 4 the Kids and the conclusion of the tournament, I returned to the main building with the individuals I had just met that day. All the Key Clubbers were caring and even extended a helping hand towards the other members present and me. They all embodied the core values (leadership, character building, caring, and inclusiveness), and I knew instantly this was where I belonged. From that day on, I attended "virtually" every meeting and every event possible. The Kiwanis Golf Tournament was the most meaningful service contribution in CNH Key Club because it was one of the driving forces that pushed me to do all the other service projects following that. It soon became my goal to see others find the same love for service in Key Club and to see more and more members have their service moments. It is still something I strive to see out of every member today.

Why are you running for this particular office and how can you strengthen and influence the CNH District?

I believe that passion overcomes all obstacles or struggles that you face, and I always apply this to Key Club. When I had doubts running for an officer position, I relied on my passion to seek leadership skills and guide our Key Club members to success. When I faced struggles to complete my task as an Executive Assistant on the Division Leadership Team, I thought of the clubs and its members that relied on my role to see their club move in the right direction. When I concerned about my skills and knowledge as Vice President for my home club, I decided to grow in the aspect of helping club members when they felt lost and encouraging all members to participate in service events. Seeing others thrive in the club would mean that I was doing my job right. My passion to serve in Key Club for others through volunteering and creating better communities has taught me important lessons and changing mistakes to growth.

What was the most meaningful experience of service that you have experienced in Key Club? What made it so?

Throughout my years in Key Club, I came to learn that service projects stand as the foundation of our organization as a whole. Through a service project is how members are able to gain volunteer experience and join friendly communities that can help them thrive. My greatest contribution has been through my ideas of service projects and continuously working to implement them in monthly events for my home club. Whether this be a typical card making event or even a community cleanup event, I have shared my great interest and effort to instill more service events for our Key Club members. It brings them joy and greater passion to volunteer and be more involved in their local communities. As Vice President of my home club, I realize that while working with the other club officers, countless service projects have been completed. I hope to continue spreading the importance and light of meaningful contributions, such as service projects, to all clubs, districts, and regions of Key Club.

Why are you running for this particular office and how can you strengthen and influence the CNH District?

My Key Club journey started at my school's Freshman Remix, a club fair for all organizations and sports teams to recruit eager freshmen. I even had the normal CNH Key Club initiation as I walked onto the quad: being bombarded by enthusiastic Key Clubbers in tutus and pom poms. However, I didn't expect to learn so much about the intricacies and expansive influence that Key Club, and Kiwanis in general, had on global community service. Despite proactively serving on two officer boards, I continually motivated myself to explore beyond my comfort zone. This flexibility allowed me to support my fellow officers and Kiwanis Family members. I wanted to communicate the adversities and successes of my fellow club members at a higher level, providing different perspectives on maintaining club function in these trying times. During the past Summer Leadership Conference, my out-of-the-world experience came to me at former astronaut and Key Club International President Bill Nelson's Key Club leadership interview.

Senator Nelson spoke on my key core value: humility.

As I continually demonstrate my humility through actions and words, I seek to inspire this quality in other dedicated Key Clubbers. The inherent beauty of maintaining humility is listening to one another with hopes of contributing a meaningful course of action. Where others see obstacles, I see training hurdles to overcome as a community. Where others see decline, I see potential to recognize our faults and develop our Key Club moments to help serve our world. If selected by my fellow Key Clubbers to serve as International Trustee, I promise to encourage our service, fundraising, and leadership potential to the highest that it will ever BEE.

What was the most meaningful experience of service that you have experienced in Key Club? What made it so?

I saw our current situation as an excellent method to alleviate some burden from essential workers risking their lives. Using my platform as Vice President, I spearheaded community donation drives and fundraisers that adhered to strict social distancing guidelines. I encouraged volunteers and neighbors alike to pick up necessary materials and individually create personal protective equipment (PPE), which they returned at our collection days. Through collaborations with multiple charitable organizations, I successfully organized and donated several thousand face shields to the LAC+USC Medical Centers and fundraised over \$1000 for St. Jude Medical Center.

Last summer, our Kiwanian who kept meeting minutes did not attend our virtual meeting. I notified administration of their absence and although I was devastated to hear of their hospitalization for COVID-19, I remained undaunted in my pursuits to safely contribute to our community. The following week we received overwhelming support from community and city council members. Now, our dearest Kiwanian has recovered to see our contributions to our community, just as we promised. Among my division's plethora of impactful service projects, my Key Club moment comes from my absolute honor to recognize our dedicated frontline healthcare workers. With the integral lessons that CNH Key Club has provided me through my fulfilling journey with fellow servant leaders, my words cannot express my gratitude for the Ohana that has taught me to better serve my home, school, and community.

LOVE OUR MEMBERS

Members play a huge role in Key Club International. By making it a goal to **LOVE OUR MEMBERS** by providing easy and digestible information, it makes sure that no member is left out of the loop.

U

UNITED DISTRICT

The pandemic taught us the importance of calls and meetings! Besides the required meetings with District Boards, formal and informal meetings ensures that there is a strong bond forming to a **UNITED** foundation. This includes creating action plans to help districts combat their concerns.

N

NEW MATERIALS

As we continue to expand globally, Key Club has to adapt to its demographic! Increasing our online presence and reach goes hand in hand with fresh **NEW** marketing **MATERIALS**. This can also help Districts/Divisions/Clubs with member recruitment.

A

ACCESSIBILITY

Key club is all for diversity and inclusion! Provide all members ability to thrive in any environment. Making sure members have equal **ACCESS** to the materials like translations on materials (International Policy, Websites, Newsletters, ect.) and Key Club videos/media.

R

REACH

There are Key Clubs all around the world, and by **REACHING** out, we may be able to establish more clubs, and have more representation. Continuing the Truly International campaign and Global Ambassadors will help in doing so. This includes creating more engaging campaigns, guides and workshops to help both traditional and non-traditional clubs.

WHAT'S POPPIN' CNH?

My name is Aliya Ali, and I am honored for the opportunity to ask for CNH's endorsement to run for International Trustee.

When I joined Key Club my sophomore year, Key Club instantly became the place I called home. I want to do more for the place that has severed me so well. Through out my years as both a member and an officer, Key Club has encouraged me to become a better leader. As an International Trustee, I will encourage members and officers alike to **SHOOT FOR THE MOON**.

As a trustee, I can help push Key Club to **NEW** heights and adapt to every situation. I will make communication with Districts and members a priority, and reach out to every member to make their voices heard. The love and passion I have for this organization reaches from the **MOON** and back.

Yours in Friendship and Service,

Aliya

BYLAW AMENDMENTS

The California–Nevada–Hawaii District Board presents the following Bylaw Amendments to be voted on during House of Delegates at the 75th District Convention

Edit: Article IX: CONVENTIONS

Section 5. Each accredited delegate shall be entitled to vote on each question submitted in any convention. There shall be no voting by proxy.

Section 6. In the absence of the Governor from any convention of the district, the Board of Trustees shall designate a member of the District Board, with the exception of the District Administrator, to act as an executive officer.

Section 7. A quorum at any convention of the district shall be comprised of the official delegates present and representing not less than one-third (1/3) of the total number of clubs within the district. **In any year in which no district convention is held, the California-Nevada-Hawaii District Board of Trustees shall elect a qualified member of a club to serve for one year or until their successor is duly elected.**

Justification: This change is in accordance with Key Club International Bylaws. It also officially states that the District Board will be the voting delegates for the incoming District Governor, Secretary, and Treasurer.

Article XI: REVENUE

Section 1. Each member club shall pay to the district for each and every member the sum of **~~\$4.50~~ \$6.00** per annum as district dues. These dues shall accrue on October 1 and shall be remitted to the California-Nevada-Hawaii Key Club District Office by the individual club not later than December 1 of each year.

Section 2. The amount of district dues shall be determined by the District Board of Trustees, with approval of the district Key Club Administrator, and subject to approval at the next district convention. In no case shall the total district dues exceed the maximum amount paid for each member in International dues.

Section 3. Assessments in excess of the annual dues may be made only upon a two-thirds (2/3) vote of all delegates attending an annual convention.

Justification: The CNH District Board proposes this dues increase due to the deteriorating financial situation of the CNH Key Club District, which could possibly lead to insolvency. A couple of significant factors for this deterioration has been the ongoing decline in membership as well as the rising cost of inflation.

THANK YOU FOR READING!

The future of CNH is in your hands.

A Kiwanis Family Member.
