

What is Key Leader?

Key Leader is a weekend experiential leadership program for today's young leaders. This life-changing event focuses on service leadership as the first, most meaningful leadership-development experience. A Key Leader will learn the most important lesson of leadership—it comes from helping others succeed. Any youth from ages 14 to 18 can attend Key Leader.

How Does Key Leader Impact Youth?

It helps participants in developing important social and emotional skills, which allow them to understand self and develop meaningful connections with others. It enables young people to initiate friendships, resolve relationship conflicts respectfully, and make ethical and safe choices.
