

BEEing a Leader *without a title*

LEAD BY EXAMPLE

BEE a leader by **LEADING** a friend to a Key Club meeting. **Influence** others by your attitude by being positive and welcoming! BEE understanding and open to new ideas!

TAKE INITIATIVE

Small steps can add up to something bigger such as advertising for your club. Attracting these members and inviting them to events demonstrates a drive exhibited by many leaders. **Don't wait for someone else to do it. You can take the initiative and just do it!**

MAKE A DIFFERENCE

By attending your local service events, you are making a **BEE-utiful difference in your home, school, and community!**

STRENGTH IN NUMBERS

There are leaders all over the Cali-Nev-Ha district. We all strive to make a difference, whether the impact small or big. Since there are so many CNH Bees working hard, **we are never alone-- someone is always willing to help!**
