How Your YES! Donation Helps Children -

Youth: Ensures all District student leaders can attend District board meetings and leadership development training by covering the costs of their housing, transportation, and food.

Education: Provides scholarships to our Circle K, Key Club and KIWIN'S members, fulfilling their quest for a higher education and making the dream of college a reality.

Support: Awards grants to Kiwanis family clubs for new projects that make a difference in children's lives and their communities. These include our PTP grant program, as well as our club and disaster relief grant programs.
