MESSAGE FROM YOUR EDITOR

HAPPY NEW YEAR, CNH BEES!

It's been an amazing year and looking towards this new year, I hope everyone has great fortune and success through everything you do. Regardless of what has happened in the past year, this is your opportunity to do better and to remember that life **only** moves forward. *Here's some food for thought: If you improve your daily routine by 1%, you will improve your life by 38x. On the other hand, if you worsen your daily routine by 1%, you will lose 97% of your value each year.* This can be applied to anything, mentally and physically.

Welcome to the **eighth** issue of the District Newsletter! Time has been flying by quickly as we are nearing the end of our term. With the election seasons of Conclave, DOCTC, and District Convention approaching, I would like to wish those who are running a peaceful and successful election. Whether you are running for a club position, Lt. Governor, or even a district position, you have the chance to make a positive change in the organization. Just remember to BEE positive regardless of the results. **Rejection is only redirection** so whatever happens, make the best of it!

With the new year here, it also means **District and International Contests deadlines** are approaching, so don't procrastinate and wait 'til the last minute to start on your e-portfolios! Whether you are applying for a Division-judged contest or a Distinguished award for the district, it is **highly recommended that you start early**, possibly right now! Start

letters of recommendation and gathering pictures! Just remember, for a majority of the contests, it's about following the rubric, not about the number of applicants. Good luck and if you have any questions, make sure to ask me or our **Member Recognition Chair, Rachael Zheng**: mr.chair@cnhkeyclub.org!

As we enter 2022, make sure to remember all that you have accomplished in the past and the growth you have gained as a person. This year is filled with a bright future of new opportunities and memories!

While moving forward, remember that we still have a lot of work to do in spreading the impact of community service. Make sure to pay your dues if you have not already and encourage your friends to join Key Club! We only have a few months left of this term, so let's make sure to make the best of it and achieve our goals. This year is crucial for the future of our district, so please help us grow our beehive and recruit more members from

your schools!

In the current state of our world, we need to be cautious and take safety precautions to avoid the spread of COVID-19. Unfortunately, the pandemic is still ongoing, so please be careful and protect your friends and families.

As usual, please do not hesitate to reach out to me if you ever have any questions, comments, or concerns! It is an honor to spend the past year with you, and I look forward to accomplishing together by the end of the year. What's Poppin', CNH!

Happy "Auld Lang Syne" Time! Congratulations on making it through a challenging yet amazing year. Despite still struggling with a pandemic, I have personally been able to see the growth that CNH has experienced over the past year. From the return of in-person DCMs and training conferences to the thousands of screaming members at Fall Rally, the now ever growing CNH Key Club family has never failed to impress me.

Going along with the past month's holiday spirit, I hope you all take the time to reflect on your accomplishments in the past year and thank those who have helped get you to where you are. To start off, I would like to thank every member, officer, district board member, and advisor that has brought CNH back and buzzin' with life. I encourage you to reach out

to your faculty and Kiwanis advisors in particular for our organization could not function without them.

Though we still have reached so many goals and accomplished so many feats, we still have 3 months left to make the best of our term. Particularly, I hope that you will continue to help CNH reach our goal of 900,000 service hours by discovering new ways to serve your community and ensuring accurate recording of all of the hard work that each and every member does in your club's MRF.

As always, if you have any questions, comments, or concerns, I am always available to be contacted at dsec@cnhkeyclub.org. Thank you again for an amazing year and I look forward to seeing what CNH has left in store for 2022!

Happy New Year CNH!

This 2022, I am grateful and excited to serve as your Trustee and work with the amazing leaders of CNH every day.

December was busy but successful! Key Club's Global Engagement Rally was informative, engaging, and attended by hundreds of members from across the world. Don't worry if you missed it... all the workshop recordings are available on the Key Club International Youtube channel, definitely check it out!

Have you been viewing the Key Club International website (keyclub.org)? It is a great resource for affordable service ideas, officer training, Kiwanis relations guides, and helpful articles on everything from leadership to wellness tips.

As you begin to think about running for

higher office, my door is always open to discuss the structure of Key Club, what we do on the international level, and how to run! You can stop by at my office hours on **Wednesday, January 5th at 8pm EST (5pm PT) over Zoom (Meeting ID: 976 2645 0107 Passcode: keyclub)**.

Lastly, I want to emphasize that if you're feeling overwhelmed, don't be afraid to take a break. Remember that Key Club is here for you, and you can find **mental health resources** through our partner Erika's Lighthouse (see keyclub.org for more). Remember to spend time with friends and family.

I hope to see you all soon and thank you for being the most dedicated student leaders. Go Bees <3

core value spotlight INCLUSIVENESS

IN•CLU•SIVE•NESS /in'kloosivnes/ noun

DEFINITION: the quality of including many different types of people and treating them all fairly and equally

Embrace the beautiful differences you share with your peers and **welcome** people of all backgrounds and ethnicities to join in serving your home, school, and community. In Key Club, we can spread this passion of service **together as one.**

HOW CAN YOU BE INCLUSIVE?

1. LEAVE YOUR ASSUMPTIONS AT THE DOOR.

It's easy to make assumptions about others, but these often lead to misunderstandings and biases. The next time you find yourself creating assumptions in your head like "they're too popular to talk to me" or "they're too busy," **stop yourself!** Approach the person and talk to them! A little confidence and a positive is all you need!

2. TALKING TO THOSE WHO ARE ALONE.

See that person sitting alone on their phone? **Go talk to them!** It starts with a simple greeting and you can make a new friend along the way. Ask them about their interests and hobbies and chances are that you'll have something in common. If someone joins your group and talks to you, include them in your conversation! It may be a little awkward at first, but it's definitely worth it

3. ASK THE RIGHT QUESTIONS!

Evaluate what situation or setting you're in and use that to spark a conversation! If you are at a DCM, you could ask "Do you usually attend DCM's?" or "What school are you from?" If you're at a service event, you could ask "What time did you wake up to be here?" Don't think that it's weird to ask these questions. **Put yourself in their shoes** — would you think it's weird or think it's a mature move to approach a person

4. ASK EVERYONE FOR THEIR INPUT!

Let's be honest, meetings can get boring with the same people talking and others remaining silent the whole time. Ask the people who's not talking for their input and ideas. They could potentially bring a refreshing idea that no one thought of yet. You could also rotate who runs the meetings. Give other officers **the chance to express** their creativity and enhance their leadership skills in a productive setting!

what are **GRAPHIC STANDARDS?**

The main part of Key Club's branding is the Graphic Standards. Graphic Standards is a set of guidelines created by the California-Nevada-Hawaii Communications & Marketing Committee that aims to maintain consistency in social media content produced by the entirety of CNH. It is a major component to Key Club branding and must be enforced throughout its publications. It is important to follow graphic standards as it encourages professionalism, raises brand awareness, and ultimately allows content to be identified with CNH.

What was your Key Club moment?

I don't believe in having only one Key Club moment because it was an accumulation of events that made me fall in love with this organization. It was a combination of people I met and connections I made during service events, and big division & district events that showed me the passion Key Clubbers have for serving their community resonated with me. Key Club was an eye opening experience in my freshman year because I had never felt such a strong sense of belonging. It was so exciting to know that people were passionate and dedicated about the same things.

Why did you join Key Club?

My biggest inspiration and reason I joined Key Club was my sister. At first, she had just dragged me to a Division Council Meeting, which I knew nothing about as an incoming Freshman, but that experience alone changed my perception of Key Club. During her term as Lieutenant Governor, I personally witnessed the growth that she experienced not only as a leader, but as a person. If not for her, I would have never even known about Key Club and I would have missed out on so many amazing memories and opportunities!

How has Key Club impacted your life?

I 100% believe that I would not be the same person I am today without Key Club. Not only have I learned useful skills like public speaking and using spreadsheets, but I've also gained resilience, patience, and the best friends I could have ever asked for. I have never met a group of high schoolers more dedicated, passionate, and innovative than the people I have met through Key Club. Every time I interact with Key Clubbers I am inspired to become a better person and a better leader.

Chair Victoria Nguyen | kff.chair@cnhkeyclub.org

.Why did you join Key Club?

I first heard about Key Club in middle school. My best friend's older sister heard about my desire to volunteer and introduced a volunteer club called Key Club. So, during freshman registration day, I immediately joined the club and paid my dues, expecting to only volunteer. And much to my surprise later on, Key Club became to be more than that.

.How has Key Club impacted your life?

Key Club has been a pivotal experience in my high school life. I always reminisce and try to imagine what these past four years would have been like without this organization and the answer is always....

Everything.

.What was your Key Club moment?

I'd have to say that my Key Club moment, although pretty cliché, was when I first went to Fall Rally my freshman year. I had always heard of how big our district was, and how spirited we all were, but this was the first time when I really saw everything come together. This event showed me that Key Club is more than just a service club, we're also an Ohana, a family. Everyone I had met there was insanely sweet, which only made my experience so much better!

International Candidate Training Conference

What is International Candidate Training Conference?

International Candidate Training Conference is an online teleconference that prepares individuals interested in running for an international position at International Convention, ICON, 2022.

At International Candidate Training Conference, the rules and requirements set for candidates that are running are taught!

Why is Attendance Important?

Remember....

Attendance is **MANDATORY** for any candidate interested in running for an international position at International Conference 2022!

INTERNATIONAL CONVENTION ELECTIONS

International elections will take place at the Key Club International Convention location of that year. You must be endorsed by your District or you may choose to run during general session at International Convention. You must be in attendance at International Convention to run for your position. If chosen for International Endorsement, you must fill out all election forms and have them submitted by the date indicated on the forms.

All members arrive at International Convention. To be a delegate, you must be in attendance at International Convention. Delegates have a separate form that must be filled out turned in at registration.

During the District Caucus, sister districts will evaluate the qualifications of each candidate. All candidate's votes post-caucus narrow down the amount that move on to Nominating Conference. All members are required to attend. You must sit with your respective districts.

The moderator will call in the candidate to the room. They will have a set time limit to read both their speeches and answer any questions asked. Candidates must not be touched and asked to do anything deemed inappropriate. There will only be one candidate in each room at a time.

After all candidates have presented, all members will vote for their top seven to eleven candidates to move onto the next round. Any ballot that does not have at least seven chosen candidates will be disregarded. After District Caucus is the Nominating Conference. Everyone will gather into the selected meeting place. The current International President will announce the results.

President and Vice President will have been narrowed down to the top two people each and International Trustees will be narrowed down to the top thirteen. Meet the Candidates will occur next. This is in a general session setting where the President/Vice Presidents and trustees answer questions from the "fish bowl" of questions.

Final voting takes place at House of Delegates. All delegates will hear the final speeches of every candidate and vote for each respective position via electronics. The winners of International Trustee will be announced by the International President at the Closing Session.

Bellflower | R08 | D13N

"To celebrate our local Bellflower Kiwanis Club, who have actively supported and contributed to the success of our club, Bellflower Key Club came together to create heartfelt cards and letters! Members had the opportunity to express their creativity as they drew designs and gave their thanks to the Bellflower Kiwanis. Members were eager to show their gratitude for our Bellflower Kiwanis Club as we celebrated the season of gratitude after returning from a Thanksgiving break. Altogether, members made 30 cards that we were able to drop off to local Kiwanians and brighten their days with. Many of our members do not realize or see all of the hard work that Bellflower Kiwanis does behind the scenes to support our club on campus, such as by providing us with service opportunities or helping to fund any projects we participate in. By hosting Letters to Kiwanis, we were able to explain to our members the countless hours Bellflower Kiwanis members put in outside of their already busy schedules to make sure our club is successful."

Woodcreek | R16 | D44W

"The Builders Club Sandwich Making event was an Interclub between Woodcreek Key Club and Buljan Middle School's Builders Club. In proposing the event, our Club Advisor Ted Smith suggested making PB&J sandwiches for the Gathering Inn, an agency that serves and hosts about 200 homeless people every day in Placer County. We then decided to coordinate with the local Buljan Middle School Builders Club and Roseville Kiwanis to finance and also host the event to celebrate Kiwanis One Day. After receiving approval for the event, we purchased the materials needed: Ziploc bags, gloves, plastic knives, table cloths, peanut butter, jelly, and bread. To promote the event to our members, we invited Buljan's Kiwanis Advisor Frank Chapman to be a guest speaker at one of our meetings, and pushed it out through various social media. At the event, we had members from both clubs partner up with each other, and participate in various tasks. These included putting jelly/peanut butter on the sandwiches, bagging them, etc.! After the service we played an icebreaker- Red Light, Green Light to engage with the Builders Club members. Once the event was over, our advisor drove the sandwiches to drop off at the Gathering Inn."

We wanted to show our appreciation for our Kiwanis family while bonding with each other. We focused on our Kiwanis family, as well as gratitude and giving during the month of November. We were able to collect canned food for News 2 Share your Christmas, and collect clothing donations for the Good Shepherd Clothes Closet. "

January: Combatting the Winter Blues

- As we now enter the 4th and final quarter of the term, you might be faced with decreasing participation and turnout. Not to fear! Spotlight on growth is here to provide you all with the necessary tips and tricks necessary to take your club to the finish line of this term.

Socials

'Tis the season! Okay not quite, as the holiday season winds down many of us are faced with a chilly and possibly lonely winter. This is where Key Club comes in. Utilize the unique season to facilitate fun social events with your members. Ice skating social, movie social, sock making social, whatever you can think of to take advantage of the chilly season works! Keep in mind the heightened worries about new COVID strains, so ensure that your events take all necessary precautions and are accessible by all members. Even if you are hosting service events, be sure to include social aspects to your events as this is the perfect season and time of year for your members to connect and make last-minute friendships.

on growth

DCON is Coming!

Keep in mind that the largest and arguably most exciting key club event of the year is coming, DCON 2022. It is never too early to start advertising this special event to your members. This is also a great way to maintain that Key Club hype as members are much more inclined to remain involved in a club if they know that a large and exciting event is upcoming.

cnh member survey

We are proud to introduce the CNH Member Survey. This is a form we hope all members will fill out this term with the help of division and club officers. Its intent is for us to gain a better understanding of who makes up our mighty district, what you all like about Key Club, and what you all feel could be improved. This form is also anonymous to promote truthful responses.

We cannot stress how important it is to fill out this form! Without filling it out you are removing your voice from deciding the future of the CNH District. This is because we want and need to hear your opinions so that we can better improve the club for this term and future terms. The form only takes minutes to fill out but its impact will last for years so do not forget to fill it out!

MEMBER SURVEY

strategic planning committee

DLT → Your LTGs have been sent this form along with instructions, so it is your job to help them promote it to the division. Make sure it is well promoted to both your home club and the division on all media channels and at meetings/DCMs.

PRESIDENTS/VPS/SECRETARIES/TREASURERS/EDITORS → The CNH Member Survey Form has been sent to your email reflector groups. It is your job to get 100% of your club's paid members to fill it out. The easiest way to do this is to integrate it with the dues payment process as an entry form for Key Club. Also, do not forget to fill it out yourself.

MEMBERS → Ask yourself, "have I filled out the form?" If the answer is no, check the CNH or your divisions/clubs' social media platforms to access the form. If you cannot find it reach out to the email below to be sent the form. It is your responsibility as a Key Club member to fill out this form so do not miss out!

THANK YOU CARDS SYDNEY PHU, KEARNY KEY CLUB, DIVISION 21

This month our key club hosted a Thank You Card Service Event. In honor of thanksgiving we wanted to give our members the opportunity to express their thankfulness. With a thankful heart our members created multiple cards for their loved ones. This was such a simple yet great act of service for this month. This service event helped our members demonstrate their gratitude for the community members around us. This was just a small act of service that was meaningful, as it made others happy. In total our members were allowed to gain 1 hour of service for a week, if they made thank you cards. Overall, this event proved to be very successful and simple.

of the students gathered to enjoy activities and lunch. We held an ornament fundraiser, where students could design and decorate their own ornament. They started from a clear glass ornament and could add paint or glitter in any way they wanted. We provided brushes and everything else that might be needed.

NATHAN NGUYEN, CENTENNIAL KEY CLUB, DIVISION 15 SOUTH

For Centennial's winter festival, Key Club held charity service events where members could help make posters that would be presented at Key Club's booth. Lots of students came to help make the posters and they collectively spent a total of 16 hours working on the posters.

On Friday of the first week of this month, our school had a Winterfest fundraiser event for clubs across campus. Clubs were selling a variety of snacks, food, candy, treats, and drinks. Some clubs had donuts, chips, noodles, cotton candy, and homemade brownies. While fundraising, to warm up and keep everyone's day cozy at the Winterfest during this cold winter season, our Key Club was selling cups of hot chocolate! A cup of hot chocolate went for three dollars, while adding some delicious toppings like whipped cream, sprinkles, and marshmallows adds a dollar more.

WINTER FEST

The money is first converted to tickets to use, which is done by the ASB building at the main quad. As a little and exciting bonus and surprise for our faculty advisor, when a cup of hot chocolate with toppings is sold, the buyer's name will be entered in a raffle to win a chance to pie the face of Mr. Lavasani, in our next Key Club general meeting!

The Safeway Feed the Need event was a blast! Volunteers stood by the entrance of Safeways and handed out flyers to shoppers. These flyers asked shoppers to donate \$10 to help (Second Harvest Food Bank) purchase food packages for those in need. Many who came to Safeway were extremely excited about donating and providing a Thanksgiving meal for others. I loved how the event related to the current holiday season. I would definitely recommend this event for anyone who wants to meet and interact with other key clubbers or help a Thanksgiving meal get to one more family.

THANK YOU NOTES

KALLIE MATSUURA-CHANG, PEARL CITY KEY CLUB, DIVISION 22K

On Monday, November 22nd and Tuesday, November 24th, Pearl City Key Club came together for a small project to celebrate Thanksgiving. With bags of carefully crafted origami hearts, Pearl City key clubbers got to work. There were no restrictions on who these hearts were to be given to. Family members, friends, teachers, you name it someone had written a message to show their appreciation. It was really wonderful seeing our members so excited to express their gratitude to those who have had an impact on their lives.

HAAHAIONE CAMPUS PAINTING

TRISTA SASAKI, KAISER KEY CLUB, DIVISION 22 HIKINA

Many of us at Kaiser High School went to Hahaione Elementary school so we wanted to give back to them and help them out. Hahaione Elementary has yellow lines along their sidewalks and benches painted yellow and blue. Overtime the paint has faded leaving the colors not as bright and radiant as wanted. We have done previous projects where we repaint or paint various parts of a school so we felt this project would be great for us. Kaiser Key Club decided to help out with this issue and bring our members to help them with their repainting.

On the Friday afternoon of 11/19 Kaiser Key Club took around 15 members to go from 4-6 pm to Hahaione Elementary to help repaint their sidewalks and benches. Our members were very excited to paint and many were happy to go back to their old elementary school to help out. We finished all the benches we planned to do and painted a lot of the sidewalks. We did not finish all the sidewalks so we plan to continue this project and already have planned for two more days in January. We hope to fully repaint the whole school.

Happy New Year, CNH Bees!

I hope you all had a **wonderful holiday season** filled with love and joy. As we enter the fourth quarter, please **do not forget** to start preparing your e-portfolios to apply for our **contests!** Remember, all of the district judged contests are due on **February 5th, 2022 at 11:59PM PST/HST**. Late submissions will *not* be accepted. Happy holidays, CNH!
