# MESSAGE FROM YOUR EDITOR

## HAPPY FEBRUARY, CNH BEES!

Can you believe we are already about 10 months into the term? Time is really flying by and it's the great work that makes these experiences all worth it! It's been one month into 2022 and so much has already happened, and there's more to come. Let's take this time to continue to reach our goals for the new year.

To all the seniors: Although college apps season may be over, you're not done quite yet! Do not forget to fill out and apply for financial aid and scholarship opportunities!! You don't want to miss out on a chance for FREE money regardless of the school you go to. As you read, the KFF Committee has provided more information regarding the CNH Foundation Scholarship and the Kiwanis Children's Fund Scholarship. Get started right now and don't miss out!

To all the new Lt. Governor-Elects: Congratulations on being elected as the 2022-2023 Lt. Governor for the division you serve! You have so much potential ahead of you, and although it may sound stressful and overwhelming, the division you serve has trusted YOU in leading them! There will be IP's, advisors, officers,

and other people who will be there to help you along the way so don't be afraid to ask for help. BEE the best version of yourself and create your own REMARKABLE legacy.

To everyone: the registration deadline for DCON 2022 is fast approaching. Don't wait and miss out on this extraordinary opportunity to attend District Convention! More information can be found below or later in the newsletter. BEE sure to contact your club president or Lt. Governor for more information on how to attend!

Please enjoy this pink and Valentines-themed newsletter, with some pages with eggs, dedicated to the CNH Member Development & Education Committee! I hope to see you ALL very soon at District Convention 2022!

## *What's Up, CNH Bees!*

Welcome to the month of February! I don't know about you, but I am most DEFINITELY free on February 14...to recruit some new members! I hope you all had a great first month of this new year and are more than ready to enter your second. There are less than 2 months left of the term, so let's make the most together out of the time we have left!

As of January 27, we currently have 27,907 dues-paid members in the CNH District. With a goal of 35,000 members, each club must approximately recruit 10 more members before the end of March in order to reach that number. Although it may seem like a large amount, there is more than enough time for member recruitment and we could easily exceed our goal! Make sure to promote our upcoming in-person District Convention to new members, where students can meet thousands of Key Clubbers across California, Nevada, and Hawaii along with attending educational workshops, winning awards, dancing at

Governor's Ball, listening to influential speakers, and much more. At DCON, you also have the opportunity to participate in the election for next year's executive board! Watch the District Governor, Secretary, and Treasurer candidates present their visions and ask them questions about their plans. On-time registration closes on February 11, so register soon with your clubs if you have not already to meet the district in Reno, Nevada!

As always, remember to take care of yourselves and stay safe! Prioritize your well-being and end off the term and school year strong. Please do not hesitate to contact me if you have any questions, comments, or concerns; we are always here to support you. Happy Lunar New Year and Valentine's day bees, and I hope you all have a great rest of your month!

*Dedicated to service,*

**AMY WANG**

# FROM THE SECRETARY

## *What's Buzzin CNH!*

I think I feel some love in the air. I think it's from all the service our district has been completing! Oh, I guess it's also Valentine's Days soon. Anyways, happy February CNH! I hope you are all had a great first month of 2022 and are getting prepared for the DCON and the 2022-2023 term! With less than 2 months left of the term, there is so much left to accomplish and experience! Whether it be running for that officer position, making that archived service project idea a reality, or attending your first in-person DCON, there is still so much opportunity left in the little time we have.

On the topic of love and passion in the air, I hope that you are all continuing to serve your communities! As of January 28th, we currently have served 267,824 logged service hours. Though this is still quite far from our goal of 900,000 hours, it would be a disservice to not only your community but to your development as a leader

if you stopped serving now! Go out and find new ways service projects, host joint events, and log any late hours with your secretary. No matter how many hours we serve, we can only go up from here. So don't lose your love for service and keep making caring your way of life.

With end-of-the-year events like DCON and District Officer Training Conference quickly approaching, I look forward to meeting members from around the district to see the service that you have completed in your communities. As always, if you have any questions, comments, or concerns, I am always available to be contacted at [dsec@cnhkeyclub.org](mailto:dsec@cnhkeyclub.org). Thank you!

*Serving alongside you.*

# FROM THE TREASURER

**Aloha, CNH Bees!**

There are so many things to LOVE about Key Club, but I definitely LOVE our CNH members the most!! I hope February is a month full of love and service for you all. As we near the end of the term, please continue your efforts in serving your home, schools, and communities as well as in fundraising for our preferred charities, PTP, and YES! Initiative. I hope that you take advantage of all the opportunities offered to you in this new year. Whether it be running for office, attending DCON, or applying for scholarships!

Currently, we have raised \$107,633 for PTP which means we have reached 41% of our PTP goal. With a few months left in the term, please continue to work towards our goal of \$250,000. If each member in CNH donates \$6 more we will meet our goal for the 2021-2022 term.

As of right now, we have 27,907 members and 592/753 clubs paid.

Please remember to be a member in good standing you must pay dues. For those of you interested in running for District Office, you MUST have your dues paid, so please pay your dues if you have not!

Thank you for your continued efforts in service, fundraising, and paying dues! I am so grateful to be a part of such a wonderful district. I know I speak for all of the execs when I say that you inspire us! I can't wait to see you all at DCON 2022 where we can celebrate your accomplishments this term! Please feel free to contact me with any questions, comments, or concerns!

*With love, aloha, & service,*

## What's Buzzin' CNH!

Happy February! I am so grateful to serve as your Trustee and work with the amazing leaders of CNH every day :)

January was a productive month! On the International level, we finalized our partnership with Schoolhouse, a branch of Khan Academy. Stay tuned for resources & promotional content to advertise this opportunity to your clubs. Next in the Programs & Partners Committee, we are welcoming Collegewise as an official partner, and we intend to roll out a series of College 101 workshops at the International Convention! Speaking of ICON, make sure to register now and join us in DC from July 6-11, 2022. I hope to see you there!

Have you been viewing the Key Club International website ([keyclub.org](http://keyclub.org))? It is a great resource for affordable service ideas, officer training, Kiwanis relations guides, and helpful articles on everything from leadership to wellness tips.

As you begin to think about running for

higher office, my door is always open to discuss the structure of Key Club, what we do on the International level, and how to run! You can stop by my office hours **on Wednesday, February 23rd at 8pm EST (5pm PT) over Zoom (Meeting ID: 976 2645 0107 Passcode: keyclub).**

Lastly, I want to emphasize that if you're feeling overwhelmed, don't be afraid to take a break. Remember that Key Club is here for you, and you can find **mental health resources** through our partner Erika's Lighthouse (see [keyclub.org](http://keyclub.org) for more). Remember to spend time with friends and family.

The I-Board is meeting this week in Washington D.C. for our February Board Meeting! Let me know if you have any questions or concerns you would like me to bring up. Thank you for being the most dedicated student leaders. Go Bees <3

## MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

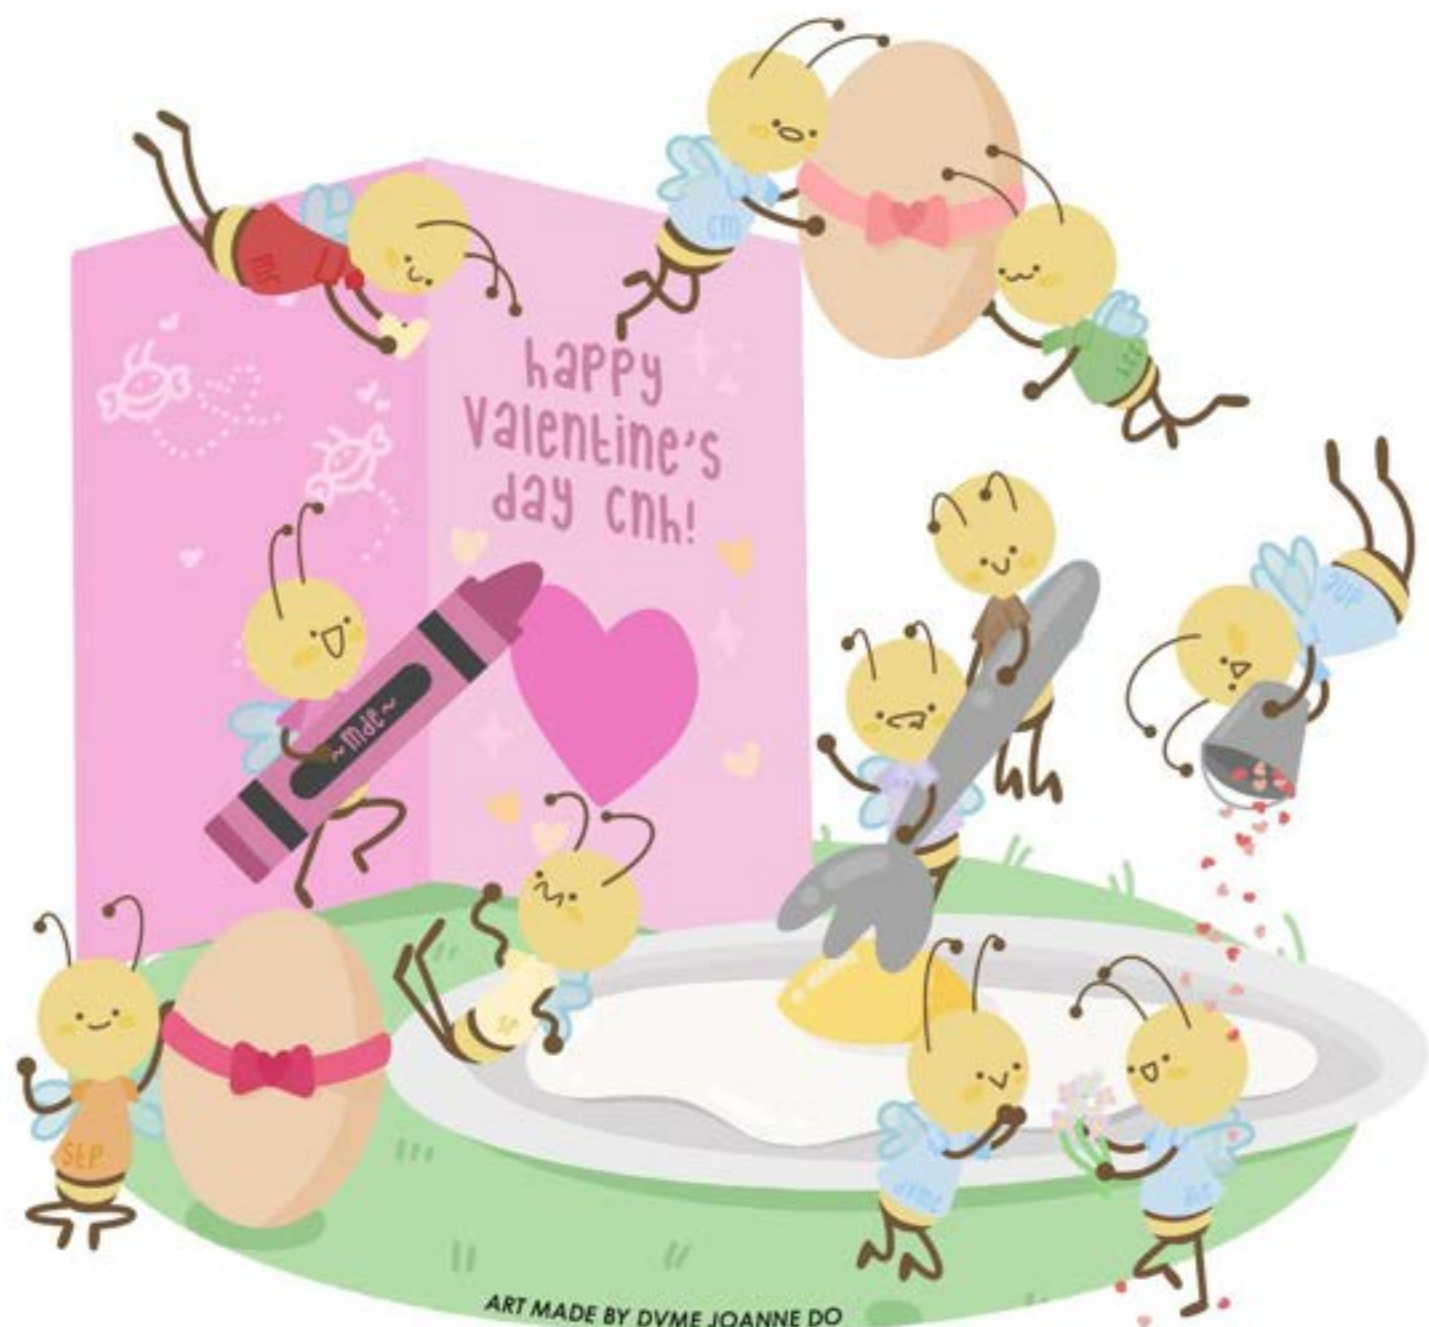

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

# GRAPHIC STANDARDS

---

Though you know about Graphic Standards' logos, fonts, & colors, it is also important to learn how to implement them in your websites, e-portfolios, videos, Powerpoints, & on social media!

It is a major component to Key Club branding and must be enforced throughout its publications. It is important to follow graphic standards as it encourages professionalism, raises brand awareness, and ultimately allows content to be identified with CNH.

# WEBSITE STANDARDS

Having a club/division website can be a great resource for your members! This gives them an opportunity to explore more about your club/division, as well as find resources quickly!

If you do not already have a website, it's highly recommended that you create one! If you do, please follow the standards provided. We hope to see you ALL apply for the Distinguished Club or Division Website contest!

## *— for elections —*

Dear Busy Bees,

If you are running for a Key Club position or thinking about running for a position, congrats! This first step takes so much courage and is a big feat on its own, so BEE proud of yourself! Not many people choose and volunteer for the big responsibility that comes with being a servant leader. This is what makes YOU so amazing. Know that if you don't win or do end up serving in the respective position, you're starting a new journey. This journey will help you learn more about yourself and open doors that you never would have if you never took that leap of courage. Regardless of where your elections take you, Key Club has so many opportunities and you WILL find the best fit for you! Be confident in yourself and fake it until you become it. Take care and good luck with all your future endeavors! <3

Sincerely,  
Hilary Wong  
**CNH DCON CHAIR**

You have your own strengths and don't be afraid to be proud of them! You are going to make a difference!

Joshua Perez  
**D12W LT. GOVERNOR**

Running for office can be exciting or scary but do not forget what you are running for. It doesn't matter how old you are, how much experience you have, as long as you have passion that is more than enough to make you confident in your election. Passion will always overcome fear and anxiety that you hold before everything happens. So don't forget where you started and always strive forward and show others how passionate you are in your speech in front of your club. All of us started scared but the one way u can truly reach something is having a burning passion and not being afraid to take risks. I wish u the best of luck!

# ADVICE

## *— for elections —*

Having a leadership position in Key Club is such a rewarding experience, but like someone once said, with great power comes great responsibility! Be sure to communicate with the people you're working with and consider the community you are working for. You can never go wrong with being honest!

At the end of the day, remember that you are the best person that you can be! Don't be afraid to be vulnerable and reveal your raw passion for service and Key Club. Talk about your dreams and goals for Key Club and in Key Club! Open up about how Key Club has changed your life! Key Club is all about connecting with the people around you as you work together to leave the world better than you found it.

At the end of the day, no matter what happens, realize that you are still making a difference in your community- which is what matters the most! There are so many other opportunities out there laying in wait for you, you just have to get there. So why not do what you love along the way by giving back to the people you love and care for?  
You've got this!

Ashley Park  
**D04E LT. GOVERNOR**

# ADVICE

*— for elections —*

Hey, you! First of all, I applaud you for taking the initiative to run for a position—taking that first step is one of the hardest parts! Now, have faith in yourself! One of the most effective ways to capture your members' attention is to have confidence. If you are presenting a speech, stand tall, back straight, face forward, make eye contact, and speak slowly and clearly; your goal is to reach each and every one of your members, even those at the back of the room. When crafting your speech, be sure to include clear, concise, and specific goals. Rather than simply stating a general goal, explain HOW you will reach it! In addition, convey your qualities as a leader through briefly explaining personal experiences or actions; actions speak for themselves! And lastly, no matter what happens, know that a simple title does not define your worth as a leader—you'll have exponential opportunities to grow and flourish! Good luck! <3

## CLUB ELECTIONS PROCEDURE

**NOTE: procedures may vary depending on the clubs adopted bylaws.** Club elections should take no earlier than two months and no later than one month prior to District Convention. This will allot for sufficient time for elects to register for District Convention.

1. On the day of elections, the club advisor as well as a quorum, or minimum of 50% of paid dues members, should be present. Before the elections take place, the host, the club president, unless he or she is running for a position, will introduce the candidates of each club office. The host will then explain the rules to the members.
2. Literatures, if produced, will be distributed.
3. Each candidate will give a speech within a set time limit. All the other candidates running for that same office must remain outside of the room until it is his or her turn.
4. Immediately following the speech, the members can ask questions to the candidate for a given amount of time. The host will regulate the questions and ask questions to the candidates if there are none from the members.
5. During this time, the members and club officers should be taking notes on the information presented by the candidates to better assist them when voting.
6. When the time for caucusing is up, the candidate is sent out of the room and the next candidate for the same office will enter.
7. The same procedure will continue until all candidates for that office have had a chance to speak and answer questions. Then, the procedure repeats until all candidates of all offices have spoken and answered questions.
8. Once speeches are completed, the dues-paid members are given ballots to vote. Members may vote no more or less than one candidate per office. If this occurs, the ballot will not count. There should be no discussion during this time.
9. After all the ballots have been collected, the club officers and club advisor will count the votes for each candidate. The club president's ballot will be counted unless there is a tie.
10. In the case that there are more than two candidates for a particular office, a club will hold a Nominating Conference to narrow the candidates down to the best candidates. Those who have passed this conference may give a shorter speech or answer more questions. The club will then proceed to an additional voting with the same rules as before.
11. Club officers should either notify the candidates of the results before or during an upcoming meeting.

## HOW TO RUN FOR DISTRICT OFFICE

Running for District Office is a big deal. Available positions are: District Governor, District Secretary, and District Treasurer. If you are interested in running for any of the listed positions, contact your Lieutenant Governor and Region Advisor. **Only those who attend District Office Training Conference may run for District Office.**

- ❑ Register and attend District Office Candidate Training Conference. DOCTC attendance is **MANDATORY** for interested candidates.
  - a. Register online
  - b. Attend District Office Candidate's Training Conference. Make sure you are constantly checking the CyberKey for dates under Resources > District Officers > Running for District or International Office
  - c. A confirmation email will be sent out on behalf of administration in late December to early January to confirm your attendance and travel plans. Constantly check your email so you can confirm as your DOCTC assignment will be in this email. Complete this assignment prior to attending the event.
- ❑ Complete the "Intent to Run" online registration process ([cnhkeyclub.org](http://cnhkeyclub.org) > Resources > District Officers > Running for District or International Office).
  - a. Please note that this registration is different from CTC. Registering for DOCTC does not mean you are filing your intent to run. DOCTC is so you can learn more about the position, rather than declaring candidacy.
- ❑ Complete the District Office Service Agreement Forms ([cnhkeyclub.org](http://cnhkeyclub.org) > Resources > District Officers > Running for District or International Office).
  - a. Must be signed by: Candidate, Parent/Guardian, Kiwanis Advisor, Faculty Advisor, School Principal, and Region Advisor
  - b. There are dates on the CyberKey and the forms. Forms must be received by SLP Director Timothy Cuning both electronically and physically.
- ❑ Complete the CNH Candidate Basic Profile Response form ([cnhkeyclub.org](http://cnhkeyclub.org) > Resources > District Officers > Running for District or International Office).
  - a. Candidate's Profile includes the following: elected and appointed positions, awards and honors, and responses to given questions.
- ❑ Complete and submit your personalized literature to [pie.chair@cnhkeyclub.org](mailto:pie.chair@cnhkeyclub.org) on the date given on the CyberKey.
- ❑ **You must be physically present at elections held at District Convention in order to run.** Register as an attendee with your home club. District Office candidates do not receive discounts.
- ❑ Prepare your speech. Make sure to include your goals, qualifications, etc.
- ❑ Prepare for the caucus session immediately following your speech at elections. You can practice with the sample questions provided at District Office Candidate Training Conference manual. You can also use the duties of the office you are seeking as a guide.

# KIWANIS FOUNDATION

## **background**

The Kiwanis Foundation, now called the Cal-Nev-Ha Children's Fund, works to build a better future for children through providing scholarships, leadership training, grant funding, and education and training through the Pediatric Trauma Program. During the month of February, the Service Projects Committee would like to encourage clubs to support Children's Fund initiatives!

## **submission process**

Don't forget to submit your club's SOSP project by the 5th of every month by 6:00PM Pacific Standard Time for a chance to be featured in the district newsletter and on the CNH Instagram!

Find SOSP Guides on the CNH Cyberkey > Projects > Spotlight on Service Program

## ***scholarships and leadership training***

The Cal-Nev-Ha Children's Fund contributed more than \$1.5 million in support of its Student Leadership Programs over the last decade. If you are a current senior, consider applying for the Kiwanis Cal-Nev-Ha Foundation Scholarship! The application is due on February 18, 2022. If you are interested in becoming a student leader, develop your skills at Key Leader, a weekend-long leadership program where you will obtain tools and techniques to become an effective leader. During COVID, the same Key Leader experience can be completed online by searching for "Virtual Key Leader".

## ***grant funding***

The Cal-Nev-Ha Children's Fund offers an array of grant programs to members of the Kiwanis Cal-Nev-Ha Family to enhance and further their efforts to build a better future for our children. The grant program finances projects for disaster assistance, PTP, and special needs communities possible by providing start-up funds.

## ***pediatric trauma program***

The Pediatric Trauma Program, one of the preferred charities of the Cal-Nev-Ha Key Club District, aims to provide education and training in areas of pediatric trauma and injury prevention. By providing community outreach and materials, providing grants to partner hospitals, and holding projects to address pediatric trauma, the program aims to reduce the number of children who are killed or injured by trauma. YOUR donations to PTP are spent as grants to partner hospitals, grants to Kiwanis and SLP clubs, and PTP safety items.

## **socks and sanitation drive**

Willow Glen | R17 | D12S

"This was a Socks and Sanitation Drive, where students would also work to make care packages over the course of 4 days. This entire event centered around community support during the winter season. Upon doing a Community Assessment with different organizations and communities in San Jose, we discovered that the winter season is especially difficult for the low income and unhoused community in San Jose. We also made sure to ask them directly what they would find to be most helpful during the winter. Warm clothing but especially socks, and sanitation supplies such as pads, hand sanitizer, tampons, and period cups were all supplies that many low income and unhoused people don't have consistent access to, so we wanted to help support them. We then worked with Feed the Block for distributing these care packages once made. Each care package contained 5 tampons, 5 pads, 2 pairs of socks, miscellaneous clothing, a supportive card; the bag itself was also decorated with encouraging messages and pretty drawings. Ultimately, if it makes someone feel happy, we wanted to help make that possible. By the end of the event we raised \$125 dollars, which went into getting more supplies and made 300 care packages!!"

## holiday food bank

El Camino | R17 | D34N

"With some research from our service committee, we were able to come across this event within our area. This project greatly impacted our club as it was a service event that we have never done before. This made many of our members want to come back and participate in unique service events like this. I would say that this project was very successful since we had high attendance and everyone who went had a good time, which was expressed in their active submissions in their articles and visuals. Additionally, our members were rewarded by receiving their own share of the food after the drive-through was over. Overall, this was a fun event and we will be definitely planning more things like this in the future."

## caroling for cans

Homestead | R17 | D34S

"This event is an annual division-wide tradition. We first got the event approved by our school's ASB and received attendance confirmation from our faculty and Kiwanis advisors, who would be chaperoning the event. We also needed to place bags in front of the houses in our neighborhood so that community members could put cans inside their given bags and leave them outside for us to collect. We incorporated a service event into our club meeting where members drew 100 flyers advertising our canned food drive. The week prior to the event, officers stapled each flyer onto a bag and distributed each package around our neighborhood. During the actual event, Key Clubbers walked along 3 different routes and caroled to houses while collecting their donations. In the end, we collected over 200 canned foods that will be donated to the Community Services Agency of Mountain View & Los Altos in order to support local families struggling with food insecurity during the holiday season."

# operation christmas

Gretchen Whitney | R03 | D30S

Operation Christmas is an annual drive that Whitney High School holds to support the Salvation Army. They take in 8 families to provide clothing, canned foods, gifts, and monetary donations. Our Vice President is in charge of planning the event, so she gave the cabinet members their duties, communicated with the Kiwanis family and planned out the logistics of the event. The cabinet members were put in charge of homerooms to go around and give speeches to collect monetary and canned food donations. After the 2 week canned food and donation drive, the cabinet members and homeroom representatives used the money to buy extra clothing items and gifts that these families requested. When the families were taken in by the Salvation Army and Whitney Key Club, they were unable to receive help from any other organizations, meaning that we impacted them greatly with the generous contributions from our school!

## February: Preparing for the Next Term

- It's the final countdown, no seriously! With just two months in the term to go, it is crucial that all members begin to prepare for the next term so that all the progress this term is not left behind.
- This will allow for next term to be one filled with even greater success as it builds off of this term.

## Officers

February is the perfect time for officers to make preparations for next term. It is so important that you all document everything that you have done and discovered this year, from ways you carry out your role, and other dos and don'ts of your job. This is essential as it is your job this month to transfer all you have learned to the next term's officers. This is where most clubs fail when it comes to growth, as the most important part of growing is ensuring that each term is an improvement over the other. Thus, we cannot stress enough the importance of you participating in training conferences and mentor calls with those that will be fulfilling your current positions so that you can train them to be even better versions of yourself. The goal with all of this is starting the next term off running, and this starts with club officers.

# on growth

## Members

As the term nears its end, members too can make proper preparations for the next term. If you are a senior, be sure to join in on events that you have always wanted to be a part of. If you are an underclassman, set goals for the next term, these should include your service hour goals and even plans for positions you hope to run for in the future. These are crucial steps to take in these last few months of the term.

## Need Personal Assistance?

The STP committee is here to help. If you are a division or club leader in need of more personalized aid on how to effectively expand and grow your club or division do not be afraid to reach out. Just use the email listed below. We cannot wait to receive your emails, as no question is too small to be asked so please do not be shy!

# introducing

## cnh member survey

We are proud to introduce the CNH Member Survey. This is a form we hope all members will fill out this term with the help of division and club officers. Its intent is for us to gain a better understanding of who makes up our mighty district, what you all like about Key Club, and what you all feel could be improved. This form is also anonymous to promote truthful responses.

We cannot stress how important it is to fill out this form! Without filling it out you are removing your voice from deciding the future of the CNH District. This is because we want and need to hear your opinions so that we can better improve the club for this term and future terms. The form only takes minutes to fill out but its impact will last for years so do not forget to fill it out!

# MEMBER SURVEY

*strategic planning committee*

**DLT →** Your LTGs have been sent this form along with instructions, so it is your job to help them promote it to the division. Make sure it is well promoted to both your home club and the division on all media channels and at meetings/DCMs.

**PRESIDENTS/VPS/SECRETARIES/TREASURERS/EDITORS →** The CNH Member Survey Form has been sent to your email reflector groups. It is your job to get 100% of your club's paid members to fill it out. The easiest way to do this is to integrate it with the dues payment process as an entry form for Key Club. Also, do not forget to fill it out yourself.

**MEMBERS →** Ask yourself, "have I filled out the form?" If the answer is no, check the CNH or your divisions/clubs' social media platforms to access the form. If you cannot find it reach out to the email below to be sent the form. It is your responsibility as a Key Club member to fill out this form so do not miss out!

## **ROSE FLOAT DECORATING** **DIVISION 35 EAST, COVINA, BEA GUARIN**

Over the past month Covina key clubbers were active participants in the division's s and events. In particular, we had a very strong showing from our members across Decorating work days. The Rose Parade is such a symbolic tradition especially here in California where it originates from that it feels extra special for us to have a small hand. Tammy Li, whose family has a tradition of collectively watching the parade on TV who was itching with anticipation as she watched along the entire broadcast waiting and floats she recognized our club members were working on. This sentiment was most d with everyone who had volunteered as it signified that the hours they poured into c flowers were worth it as it amounted into something so beautiful. The conversatio memories created by our members alongside one another and other members i division during the many hours spent working together will be told for years to come ending for an otherwise very interesting year, but nonetheless a year that leaves us and hopeful for a better 2022! We'll see you again in a year, Rose Floats.

MISSION BEACH  
CLEANUP, DIVISION 37  
SOUTH, JILLIAN ESTEBAN

For the Mission Beach Clean up, we walked around the beach and bay picking up trash. The view was amazing when we were picking up trash. We could stare out into the ocean while the breeze was blowing through our faces. I would crawl and reach really far into tight places to get the trash that was stuck. I also collected some questionable but interesting pieces of trash. I learned that a lot of people who go to the beach do not clean up after themselves. I had a lot of fun, and some of my friends did it with me.

ROSE PARADE,  
DIVISION 19 SOUTH,  
NADIA BIDARIAN

RUHS created holiday cards for hospitalized children. These cards were mainly Christmas or Hanukkah-themed, but also featured New Year's cards, Valentine's Day cards, and more. As President, I mailed out over 39 colorful, handmade cards to children with chronic illnesses.

RUHS also had 19 members decorate Rose Parade floats for LA's amazing annual Rose Parade, which celebrates the new year. In addition, one member spent two hours restoring a local park, Wilderness Park, which is a recurring project of ours. This park was once burned in a fire, so it's important that at least a few members every month join forces with a local environmental group to restore the land.

TAMURA HARVEST  
FESTVIAL, DIVISION 04  
WEST, JARED NGUYEN

For the first service event of the year, the Tamura Harvest Festival was a smashing success! We had an OVER TURNOUT of members and the event coordinators did not know what to do with so many volunteers! No worries though, they manage to give the over 50+ member turnout a responsibility to do. The event itself went smoothly and everyone had a great time making memories and benefiting the community. Whether it was helping out with trunk-or-treat decorations, handing out pizza, or running game booths; everyone had a part in making the over 1,500+ community turnout at this event the most successful event that the school had ever hosted.
