MESSAGE FROM YOUR EDITOR

HAPPY MARCH, CNH BEES!

It's officially our last month of the term! It just gets closer and closer, and soon I and all the seniors have to say goodbye. To be honest, I go back and forth by feeling excited to graduate but sad to leave. But right now, I'm EXCITED!

Election season is here and many of you have been announced as the new officers for the 2022-2023 term. And if you're one of them, especially the newly elected LTGs, CONGRATULATIONS! I really am excited to see how you can make your clubs, division, and the CNH District a thousand times better! If you're still waiting, then good luck! If you didn't get the answer you were looking for, please don't stop here! There is always another path to pivot to.

As we head towards the end of the term and approach DCON, don't forget that Key Club is still a service organization so service never sleeps! Continue to put in the efforts to serve

your homes, schools, and communities. End off your term with a positive impact. If you're an underclassman, use this time to find the motivation to start the next term with a bang.

For all the seniors: I know that college applications season was a stressful time but as we head into March, it can be even more daunting with decision letters coming out. Regardless of the results, you are meant to do amazing things in the world. I hope that you all get into the college of your dreams and be inspirational to those around you!

Please enjoy this green and Spring-themed newsletter, with some pages with donuts, dedicated to the CNH Kiwanis Family & Foundation Committee! I hope to see you ALL very soon at District Convention 2022!

What's Poppin, CNH Bees!

Welcome to the month of March! As we move into the last month of the term, I hope your days are filled with lots of luck <3

I can't believe that District Convention is only a few weeks away and this is my last Governor's Welcome in the district newsletter. This term has truly been one of a kind and I am so grateful to have had this opportunity to spend this special time with each and every one of you. The dedication you all have shown to your communities and schools is something to always be proud of.

Before the next term begins, take some time to reflect on your year. How have you grown from last March to now? What have you accomplished with your club and division? Where did you make your favorite Key Club experience?

I hope this term has been filled with lifelong memories and bonds for you all as it has been for me. From meeting new friends to gaining new leadership skills, this has been one of the most meaningful years of my life and I thank all of you making this term amazing. Let's finish off strong together and make that final push to accomplish all of our goals!

Dedication to service,

AMY WANG

dgov@cnhkeyclub.org

FROM THE TREASURER

Aloha, CNH Bees!

Happy spring! I hope you are all getting excited for DCON as it is only 1 month away. With that in mind, please remember that you must pay dues to attend! If your club has yet to pay, please pay **as soon as possible**.

The term is NOT OVER YET! So I hope you are all continuing to fundraise for PTP, the YES! Initiative, and our preferred charities. If your club has raised any funds for PTP please do not forget to submit them to the district as soon as possible because they will **NOT** count towards our district goal if they are sent after convention. You also still have time to recruit new members as it is never too late to join our hive! During this time of the year, start focusing on recruiting underclassmen and incoming freshmen. If you have already paid by the On-time or Early-Bird dues deadline your payment status will **NOT** change if you are paying for more members later.

I look forward to seeing you all at DCON 2022! If you have any questions please feel free to contact me and I will be more than happy to help!

With love, aloha, & service,

MAYA OISHI

FROM THE SECRETARY

What's Buzzin, CNH Bees!

With the end of the term swiftly approaching, now is the time to prepare to SPRING into the 2022-2023 term! As we wrap up the term in preparation for the next, I have added up the most recent division data and evaluated member recognition for all of the divisions in CNH. While I

cannot disclose information about these awards yet, just know that I for one was amazed by the incredible clubs and divisions within our district.

In regards to our most recent district goal updates, as of the January MRF submission, the California-Nevada-Hawaii District has served 316,100 hours. We are unfortunately below our 900,000 hour goal, however, keep in mind that many club and divisions have yet to report some of the service that they have completed. If you are in one of these clubs or divisions be sure to report your hours ASAP!

As always, if you have any questions, comments, or concerns, I am always available to be contacted at dsec@cnhkeyclub.org. I look forward to seeing you all at the event of the term: DCON! Thank you all for a Golden Year of Service!

Serving alongside you,

CARTER KAWAGUCHI

FROM THE TRUSTEE

What's Buzzin, CNH!

I am excited to meet you all at DCON next month! It is incredible to see your hard work come to fruition, and I am very proud of CNH for exceeding so many goals.

In early February, the International Board met in Washington D.C. for our Winter Board meeting! We met with Congressional reps, toured the ICON location and filmed promos, voted on our next UNICEF initiative, and finally got to meet everyone in person.

Guys...the ICON location is the best I've ever experienced. DC is filled with so much art, excitement, and history; it perfectly encapsulates our theme of Monumental Service. Will you be attending ICON from July 6-10? Talk to your advisors now, and make plans to go to DC for incredible workshops, a celebrity speaker, sightseeing, and electing our new I-Board!

Many partnership updates are coming soon, including a surprise campaign with Thirst Project in April for Earth Day (top secret). As you consider running for higher office, my door is always open to discuss the structure of Key Club, what we do on the International level, and how to run! Stop by my office hours: Wednesday, March 30th at 5pm PST over Zoom! (Meeting ID: 976 2645 0107 PW: keyclub).

Sincerely,

SANA YOOSEPH

Thank you for being the most dedicated student leaders...

MAJOR EMPHASIS

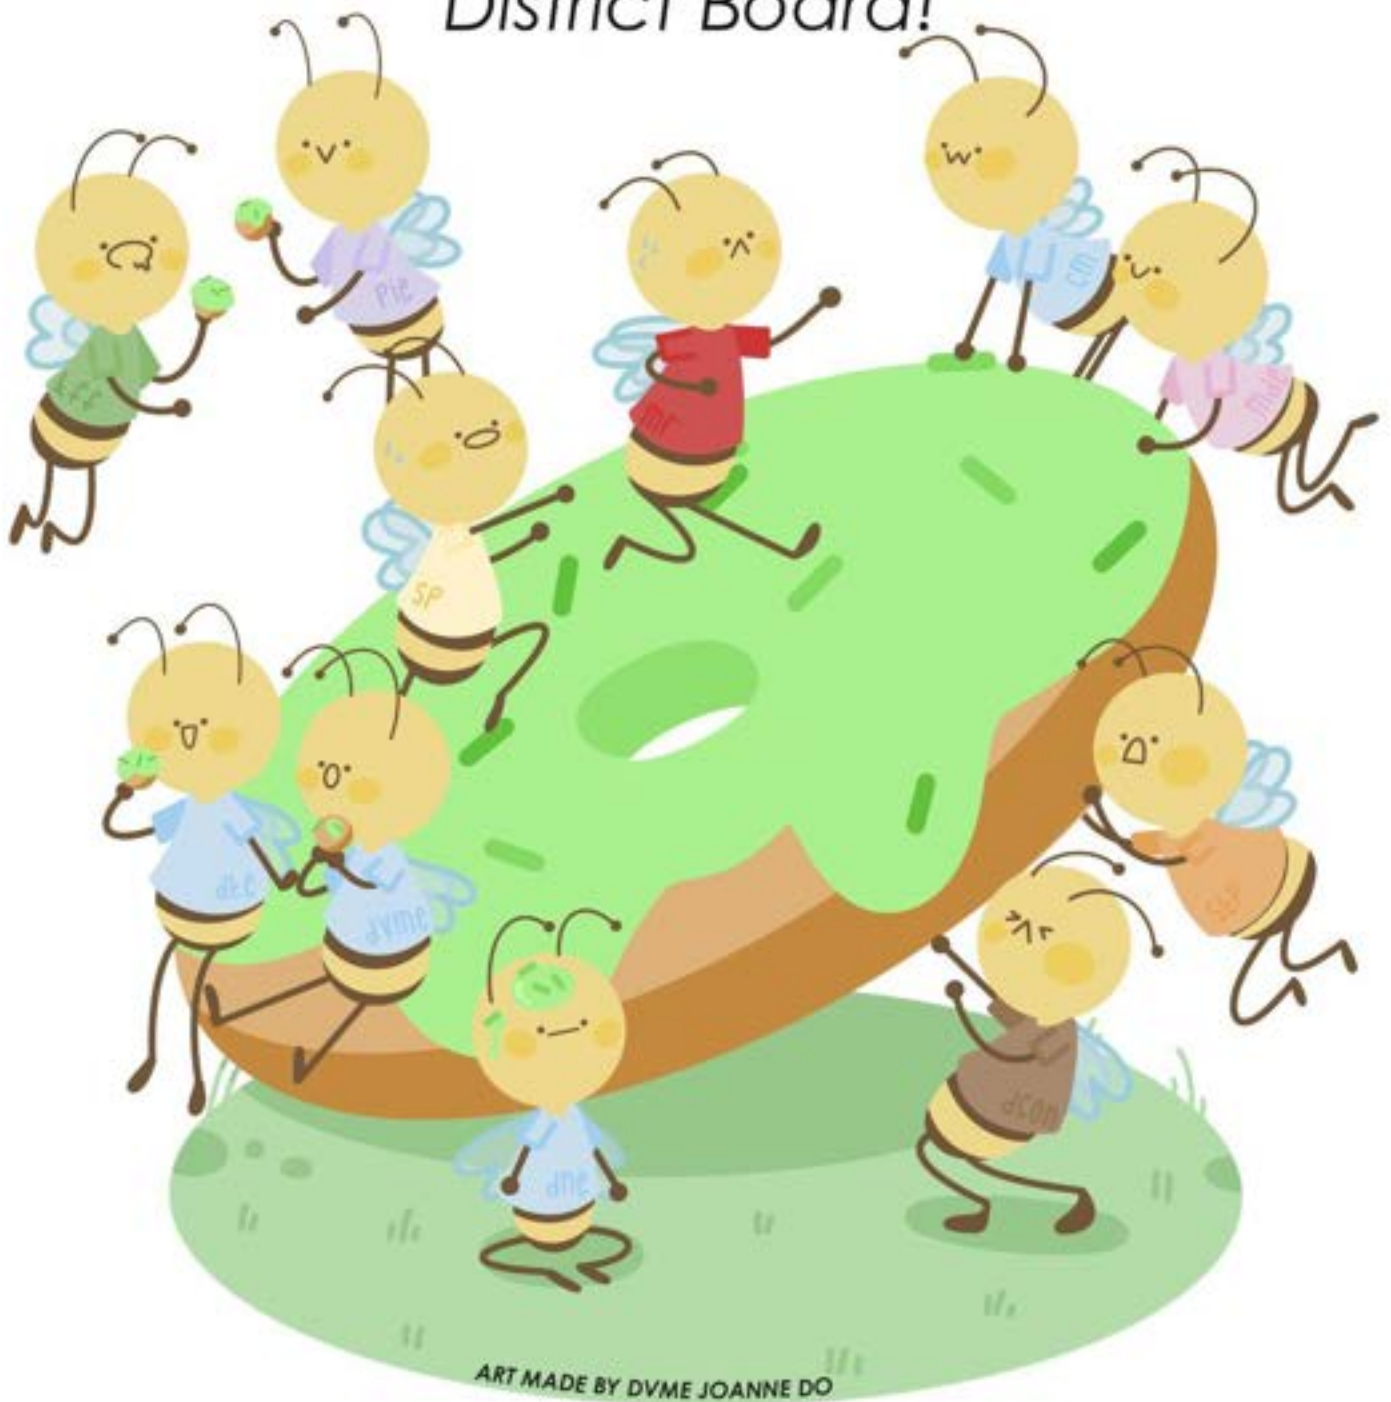

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

1

registration

ABOUT

It's important that **you**, the advisor, are properly educated on the DCON registration process so that everything goes smoothly. Members should not be registering themselves– the club board should be responsible for registering everyone for DCON, including advisors and chaperones.

.....

FACULTY ADVISORS

Encourage the club to make a **interest form** and distribute it on club social media. This helps you get an idea of how many Key Clubbers you need to prepare for DCON. Additionally, know where to access important resources (see **RESOURCES** section) to provide to your members.

When it's time for Registration, encourage your club to make a **committed registration form**, requesting all essential information. Make sure the club decides if they want to collect payment in **installments** or all at once, as well as if funds will be collected through a club account (at school or at an external bank).

.....

KIWANIS ADVISORS

If the Faculty Advisor is new, help them and the club board through the registration process.

role of advisors

2

hotel & transportation

ABOUT

Get your transportation figured out months ahead to reduce unnecessary stress.

Book your hotel as early as possible using the DCON registration link. Remember, hotel reservations are first come, first serve. Adults must handle hotel and registration money, not students.

Note: Except for a parent sharing a room with their own child, no adult should share a room with students. In this case, the family pays the entire hotel room fee.

When transporting, use the "Rule of 3s" with at least three people in the vehicle at all times.

Ensure parents know where students are going and when they'll be home again. Provide them with important materials such as your travel itinerary (rest stops, estimated times of arrival/departure, airport), who their chaperone is, the DCON schedule, etc. Make sure members and their parents know the travel plans, including what time you're meeting to depart and what time you're returning.

FACULTY ADVISORS

Help members arrange groups of four to room. Create a Google Form/survey students for their preferences so that they can have the most enjoyable DCON experience. (cont.)

hotel & transportation

FACULTY ADVISORS

However, if you feel uncertain about specific individuals rooming together, don't do it! Prioritize safety, even if it means separating and upsetting friends. With the Kiwanis Advisor, help the club book hotel rooms and secure transportation. Remind them to remember to book rooms for advisors and chaperones.

KIWANIS ADVISORS

With the Faculty Advisor, help the club book hotel rooms and secure transportation. Help them find the best deals on charter buses, plane tickets, and so on. When it comes to managing finances, booking hotels, and other experiences they are unfamiliar with, the members value your guidance most!

role of advisors

3

money collection

ABOUT

Budgeting- Each club is advised to set up a realistic budget, including income and expenses throughout the year. The Kiwanis and Faculty Advisor should offer support in answering the question: **How much does each member need to contribute?**

.....

FACULTY ADVISORS

Letting the club's know they must account and divide the chaperones' costs, explaining that they are giving up the weekend for THEM, the members.

.....

KIWANIS ADVISORS

If you are offering financial support, **set deadlines for the clubs to report numbers** (how many attendees, how many members they are asking you to financially aid, etc.) to you early.

role of advisors

4

sponsoring

ABOUT

One of the ways Kiwanis clubs can provide support to Key Clubs is financially supporting members to attend DCON by covering transportation, registration, and/or lodging. Key Club members are encouraged to follow the **Rule of Thirds**: $\frac{1}{3}$ of expenses paid by the **club treasury**, $\frac{1}{3}$ of expenses paid by the **member**, and $\frac{1}{3}$ of expenses paid by the **sponsoring Kiwanis club**.

.....

FACULTY ADVISORS

Help clubs access their club treasury. Decide how much you want to allot to supporting members. If funds are limited, decide how you will divide up the money. Do you want to offer equal support to all attendees or do you want to prioritize financial support for those who need it most?

.....

KIWANIS ADVISORS

Decide if you will give the club an allotted amount to divide amongst members attending DCON. Do you want to offer equal support to all attendees or do you want to prioritize financial support for those who need it most?

role of advisors

5

fundraising

ABOUT

Fundraising is not only essential to helping alleviate costs for a major event, but it teaches your club many valuable skills such as teamwork, detailed planning, and financial independence. Remember: Adults must handle hotel, transportation, and registration money. Therefore, you will need to guide the fundraising planning process! By clicking below, you can access the following guides found on the **CNH Cyberkey**:

[FAQ GUIDE](#)

[FUNDRAISING GUIDE](#)

FACULTY ADVISORS

Advise the club board to set up a **timeline of dates and locations** they want to have fundraisers at. Create SMART goals for each fundraiser and keep track of your progress as you near DCON.

KIWANIS ADVISORS

It is imperative that members get to know their sponsoring Kiwanis club. YOU are their number one backbone and with your help, they are able to have fun at events like DCON! If you notice the club rejecting members due to financial difficulties, offer help according to the **RULE OF THIRDS**. If they reach out to you and you decline assistance, that's okay! (They shouldn't be too financially dependent on you—remind them that fundraising is key for DCON.)

background check information

WHY DO I NEED A BACKGROUND CHECK ?

Leadership Program and adults chaperoning youth leadership programs are required to have a criminal background check conducted and verified by Kiwanis International per Kiwanis Policy B.16., Procedure 197. By offering a standard, comprehensive background check for all Kiwanis advisors through Kiwanis International, we can be confident that all Kiwanis clubs are protecting those we serve — and protecting all Kiwanis members.

All chaperones (club members and non-members) taking part in a single day off-school premises or overnight SLP sponsored event must have a clear background check.

NOTE: ANY member may receive a background check through Kiwanis International if the club requires its members to do so. Clubs are strongly encouraged to ensure confidential background checks for all adults who will work directly with youth outside the school and/or who may not have undergone a background check. Contact your club to find out more about its requirements and procedures.

WHO NEEDS A BACKGROUND CHECK ?

all non-kiwanians needing a background check:

Email backgroundchecks@kiwanis.org to request a link.

faculty advisors

Faculty advisors will be required to have an approved background check through the Kiwanis vendor for overnight stays (such as DCON) and SLP sponsored events off school premises. They will be required to take our chaperone training via Praesidium Inc. and annually review our Youth Protection Policies.

background check information

WHO? NEEDS A BACKGROUND CHECK

chaperones

Kiwanis International requires clear criminal history background checks conducted by its provider for all adults working with youth at all Kiwanis (club members and non-members) participating in any single day off-school premises or overnight SLP sponsored event (such as DCON) must have a clear background check.

kiwanis slp advisors

Whoever is reported as a designated Kiwanis advisor to any sponsored Service Leadership Program (SLP) club. Kiwanis International SLPs are K-Kids, Builders Club, Key Club, Circle K International and Aktion Club.

Using the Secretary Dashboard of the Kiwanis Online Reporting system, a Kiwanis club secretary needs to identify who serves as the Kiwanis advisor for each Service Leadership Program the club sponsors. Once a background check is completed, it will be reflected on the Kiwanis dashboard. Clubs may also report Kiwanis advisors to Member Services at memberservices@kiwanis.org.

There is no more important responsibility than the safety and well-being of those we serve — from the children in youth programs to adults with disabilities. Required background checks help ensure that Kiwanians meet the highest standards by identifying past behavior that may disqualify a person from working closely with those we serve. Background checks are an important step in making sure our members and those we serve are protected.

background check information

WHAT IS THE COST OF A BACKGROUND CHECK ?

The cost is US\$25 for advisors in the United States and the Caribbean (see instructions below for members outside the U.S. and the Caribbean).

The cost of the background check can be paid by the individual, club or district.

You will need credit card information (Visa, MasterCard or Discover) to submit at the end of the process. Members also can send checks or process the payment by phone with Safe Hiring Solutions by calling customer service at 1-888-215-8296 (U.S. and International). If a club wants to pay for a member's background check, it has the option to set up an account with Safe Hiring Solutions to be billed directly for its members. To set up an account, complete: www.safehiringsolutions.com/kiwanis-account-application

NOTE: This is for clubs that wish to be billed for member reports. Clubs who want members to pay for their own background checks should refer their members to the Kiwanis Connect portal. Members can then initiate their own reports [here](#).

how to get a background check

WHAT ARE THE REQUIREMENTS?

Kiwanis advisors must obtain a criminal history background check that is processed through Kiwanis International. Kiwanis International's provider is Safe Hiring Solutions. (See instructions below for members outside the United States and the Caribbean.)

BACKGROUND CHECK PROCESS FOR KIWANIS

Background checks are processed by a member-specific link. This link is connected to your personal Kiwanis membership ID and should be used only by you. Do not share with others for their use. To obtain a member-specific link, the member must do one of the following:

Log into the member portal and initiate the background check process under "**Backgrounds Check**". Contact the club secretary for a member-specific email link sent from the secretary dashboard. Contact Kiwanis International at backgroundchecks@kiwanis.org for a member-specific email link.

HOW LONG ARE BACKGROUND CHECKS RESULTS VALID?

Background checks are valid for two years. As the expiration date approaches, you will receive an email prompting you to do one of the following to obtain a web link for a background check: Use the member portal, **Kiwanis Connect** (www.kiwanis.org/reporting) or request a link from your club secretary.

Erika's Lighthouse®

Erika's Lighthouse was founded on the idea of promoting inclusive school cultures around mental health. Schools are the place where children and adolescents spend most of their day; therefore, it is imperative that schools provide full and well-rounded mental health education for their students.

If schools are able to incorporate teen empowerment efforts, family engagement programs and staff development along with the classroom education, the potential impact on the school community would be positive and inclusive.

MARCH OF DIMES

background

The mission of the March of Dimes is to improve the health of babies by preventing birth defects, premature birth and infant mortality. Due to the efforts of the March of Dimes, the rate of premature birth has recently declined to about 9.6 percent! With the organization's efforts, thousands of babies have been saved from premature birth.

Because of March of Dimes, health care costs were able to be reduced, saving the nation billions of dollars. Despite this progress, about 380,000 babies continue to be born prematurely every year. YOU can make a change in these babies' lives by taking action through fundraisers and educating the community about these issues.

sock decorating

Bellflower | R08 | D13N

"Bellflower Key Club wanted to give back to our local Children's Hospital in Los Angeles this new year by decorating socks for hospitalized kids! We bought new, plain white socks of all sizes for children, got together after school, and began decorating the socks! Members made all kinds of cute and inspiring designs on the socks to cheer up the children who will be receiving the socks! This event was such a great way to give back to children hospitals in the month of January. While we weren't able to have as much participation as we are used to, it was still great to see our members come out and decorate socks for children!"

Yerba Buena and Andrew Hill | R17 | D12S

"This project was a collaboration with Andrew Hill Key Club. We planned this event with the intention of reaching our goal of brightening up the childrens' day. We planned a date, a park location that was convenient for both schools, and split the funds for the bracelet materials to create these cute and beautiful bracelets for the kids! This project benefited both clubs positively because it helped create a stronger bond with members from each club. We were able to have fun while creating these cute bracelets to give to the children in the Samaritan Medical Care Center, a center that is actively working with the Children's Miracle Network Program! With this project, especially with the increase of Omicron cases, we surprisingly got a great amount of members from both clubs to attend, and we have created over 30+ bracelets (also small beaded rings for fun!) in total. An aspect that the service project can be improved upon is publicity. By advertising this event before hand and promoting this more to both clubs, we believe that we will be able to get even more members to attend, while still being safe with the circumstances we are in! "To begin, our officers got together and did some research on an event that would lead to high participation and minimal covid safety guidelines obstacles. After some discussion, we decided to create cards for hospitalized kids. Then, we made digital flyers, which were posted on Instagram as well as on Schoology. We let the members know of the event ahead of time, and to attend our meeting with lots of spirit & willingness to make as many cards as we could. Officers and members brought stickers, cards, markers,...etc. basically all the decorative materials we needed for this event. We gathered on the 27th in class and got to work on making the cards. Members were also given the option to make more cards and bring them in the following week. Last but not least, our president gathered all the finished cards in order to mail them out to the organization. This project definitely impacted our club by bringing us closer together. Not only was it a service event, but it was also a form of bonding for our club. We had fun making cards and sharing ideas on what we can include on said cards. The event was a success, and we made more cards than we expected. In addition, a lot of the members also surpassed the amount of maximum hours that could be earned. When non club members saw us making these cards, they even wanted to contribute and make some of their own as well. As for aspects that can be improved, we believe that making the event last for a longer period of time would lead to even more cards!"

introducing

cnh member survey

We are proud to introduce the CNH Member Survey. This is a form we hope all members will fill out this term with the help of division and club officers. Its intent is for us to gain a better understanding of who makes up our mighty district, what you all like about Key Club, and what you all feel could be improved. This form is also anonymous to promote truthful responses.

We cannot stress how important it is to fill out this form! Without filling it out you are removing your voice from deciding the future of the CNH District. This is because we want and need to hear your opinions so that we can better improve the club for this term and future terms. The form only takes minutes to fill out but its impact will last for years so do not forget to fill it out!

MEMBER SURVEY

strategic planning committee

DLT → Your LTGs have been sent this form along with instructions, so it is your job to help them promote it to the division. Make sure it is well promoted to both your home club and the division on all media channels and at meetings/DCMs.

PRESIDENTS/VPS/SECRETARIES/TREASURERS/EDITORS → The CNH Member Survey Form has been sent to your email reflector groups. It is your job to get 100% of your club's paid members to fill it out. The easiest way to do this is to integrate it with the dues payment process as an entry form for Key Club. Also, do not forget to fill it out yourself.

MEMBERS → Ask yourself, "have I filled out the form?" If the answer is no, check the CNH or your divisions/clubs' social media platforms to access the form. If you cannot find it reach out to the email below to be sent the form. It is your responsibility as a Key Club member to fill out this form so do not miss out!

Interclub **COLLABORATION**

**DIVISION 07 SOUTH
ELK GROVE, AYSHA SHAIKH**

This January, Elk Grove Key Club had their very first interclub of the year! With Florin Key Club, we painted rocks to exchange with one another and donate to the Kiwanis Family House! This event was so much more fun than expected, and members from both clubs were able to create new bonds and paint some adorable rocks! I painted 6 rocks, and donated half of them, while giving the others to new friends. Florin's Kiwanis Advisor and Faculty Advisor had also joined us at this event and had a blast. Elk Grove is looking forward to more interclubs and memories to make this year!

Whittier Christian **CLUB RUSH**

**DIVISION 30 NORTH,
WHITTIER CHRISTIAN, JOSEPH SONG**

The past few weeks saw the Whittier Christian Key Club shift focus to expanding and advertising among the younger school population. Specifically, club members set their sights on the school club rush event on January 26. Before the lunch break, the club set it its own advertising booth, hoping to attract younger students. Members monitoring the booth would promote the club among the large mass of students and keep track of sign-ups. Those tactics succeeded, for the club amassed a respectable amount of interest from the younger school population. As the Whittier Christian key club starts to engage in more projects, we hope to see the faces of these new volunteers. As the current leaders of the club graduate, we are also optimistic that these faces will become the new representatives of the Key Club spirit.

WRITE FOR RIGHTS

DIVISION 15 NORTH, ISABELLE PINTO

On January 14th, about 15 Osos members walked all the way down to Kenyon Park to participate in a new event called Write for Rights. This event basically has people write letters to people in power over prisoners of conscience: people who have been jailed even though they have done nothing criminal. We walked, talked, picked up boba, and of course wrote. By the end of the meeting, we had over 25 letters, and more would come in later as people wrote them at home. Write for Rights is hosted by Amnesty International, an organization dedicated to stopping human rights abuses across the globe. The W4R campaign is annual, and ongoing! Look up Amnesty International's Write for Rights campaign to participate.

Happy March, CNH!

The following are the students, advisors, and clubs who've showed **exemplary** dedication to service for their homes, schools, and communities. Thank you for continuous dedication bees, I know that you don't hear this enough, but I **genuinely appreciate** each and every one of you for your unwavering dedication to Key Club.
