A NOTE FROM THE

Hiya CNH Bees! Can you believe we are heading into the second quarter of the term already?!

Welcome to the second issue of the District Newsletter, our first newsletter last month. Hopefully, you are doing well! It's been very hot outside for most of us so make sure to drink plenty of water! Take full advantage of this time while it lasts. Find volunteering opportunities, binge-watch your favorite shows with your friends, or catch up on some sleep! For me, I've gotten over the last year which is great. As most of us are about to open up, please remember how important it is to stay safe!

As we head into this month of July, I hope most of you are attending the Training Conference or will soon! Over the last few years, it's sparked a joy that I never thought I would get. Whether you're in-person, try your best to gain something out of it. It will become YOUR Key Club moment and spark YOUR passion. I'm extremely proud of what you all have accomplished so far. See what you can do for the rest of this term!

Please continue to submit articles and visuals to your division. I started to look at some of your division's work and it was amazing so I'm looking forward to seeing more. I've checked out your division's new website and I'm reading this one! I hope you enjoy the summer fruits! Until then, see you soon!

SPOTLIGHT: CORE VALUE

CARING, CHARACTER-BUILDING, INCLUSIVENESS, LEADERSHIP

CARING

CAR•ING / 'kerING / adjective

DEFINITION: displaying kindness and concern for others

Compassion for others is a cornerstone of the Key Club experience, inspiring action, and service to one's community. In promoting our core value, you are embodying Key Club's famous mission statement, "Caring -- Our Way of Life."

HOW CAN YOU BE CARING?

There's an old saying: "Actions speak louder than words." Lending a hand those

around you can mean a lot so it doesn't matter how you can help. A simple act of kindness can create an endless ripple that comes back to you.

GOVERNOR

Greetings, CNH Bees!

Happy July! I hope last school year treated you well and remember that your academic performance does not define you. Please take your time during summer to relax and take care of yourself; you all did amazing and I am so proud of you for making it through such difficult semesters.

I can't believe that over 2 months have already passed since the beginning of the term, and we have accomplished so much together during this time. Remember, while most clubs are only active during the school year, a Key Club term lasts a whole year usually from one April to the next. I have observed so many clubs holding fundraisers for causes that strongly impact our world and serving the community in unique and innovative ways. I am so proud to be a part of this family and we are so lucky to have leaders like each and every one of you.

As there is still plenty of time before school starts, take advantage of this break and become more involved with Key Club! There are so many in-person and virtual events during summer to attend with your friends and meet new people. Encourage those around you to also join, as just one event could change someone's high school journey forever. Remember that we are all here for your support so please reach out to your club president or Lieutenant Governor if you ever have any questions about the opportunities around you. Although more areas are opening up and most schools will be in-person next year, remember that this pandemic is still not completely over yet! Please continue taking safety precautions in order to protect yourself and those around you.

Thank you for all that you do and please contact me if you have any questions!

Dedicated to Service,

Amy Wang

CNH District Governor
dgov@cnhkeyclub.org

Aloha CNH Bees!

I hope you are all having a safe but super fun summer full of service!! During this time I encourage you to reach out to friends and share about all of the **unBEElievable** opportunities available through Key Club. It is crucial that we increase the number of **DUES PAID** members in our CNH ohana. Additionally, don't forget to support our preferred charities and PTP through fundraisers hosted by our amazing CNH Key Clubs this summer! This term our goal is to raise **\$225,000 for PTP**, although it may seem like a BIG goal, if we all do our part to promote fundraising and support our own club, division, or region's fundraising efforts, we are capable of reaching it!

As we prepare the beginning of a new school year, club rush, and summer recruitment, please be sure to be actively involved in your clubs. Keep an eye out for new resources for treasurers, fundraising and the dues payment process, as our dues payment season will be approaching soon!! This month I challenge you to step outside of your comfort zone and make at least one NEW friend within our Kiwanis Family, whether that be a new member, Circle K member, or a fellow Key Clubber. If you ever have any questions regarding fundraising, dues, or anything Key Club related I would be more than happy to help in any way that I can!

**With love, aloha,
& service,**

TREASURER

What's poppin' CNH!

I hope you are all off to a great and relaxing summer as we ease our way back to in-person! Though the school year may be over, we are just beginning our year of service with our first quarter just coming to an end. As of June 20th, the California-Nevada-Hawaii District has served a **total of 44,868 service hours**, a great start to our District goal of 900,000 service hours! Though we may still be primarily virtual and many of us are in "summer mode", I urge you all not to forget the **importance of service** and **stay active** within your clubs and divisions to serve your communities! I encourage you all to find new and unique ways to serve and develop as leaders as we grow closer and closer to normalcy.

Despite summer being a time for relaxation, it is also a time for **training** and **growth**! If you have not already, I encourage you all to attend your division's **Officer or Key Club Training Conference** or

Aloha, CNH Bees!

It's hard to believe, but this is the last time I will be writing to you as CNH's Int'l Trustee for the 2020-2021 term. It has been an absolute honor to serve alongside you and be a part of your growth and success through the pandemic. With the utmost confidence, I can say that every single member of the CNH District has so much to be proud of. Thank you for such an unforgettable term and for welcoming me into your Ohana! I hope to see all of your smiling faces *virtually* in a few days at our Summer Leadership Conference where we will retire the current Int'l Board, elect the new

the **Key Club** International Summer Leadership Conference! These are all incredible opportunities for you to learn about Key Club as an organization, develop as a leader, and meet new Key Clubbers! Furthermore, this season you can look forward to new resources being released such as a Secretary Manual, MRF Guide, new training presentations, and more! Be sure to keep an open ear, follow our social media, and check the Cyberkey at cnhkeyclub.org to stay updated on everything CNH Key Club! If you ever have any questions, comments, or concerns, always feel free to reach out to me and I'll get back to you in a buzz!

DCON 2022: **GOLDEN** YEAR OF SERVICE

What is DCON?

DCON is an event for attendees from across the CNH District.

DCON is an important part of the Key Club Year! The new District Executive Board is elected, new LTGs are installed, and it's a time for the whole district to come together.

At DCON, you will be able to learn thanks to **workshops** and **speakers**, and have fun and make friends through **activities** and **socials**.

DCON 2022 will be held from **April 1st - 3rd** in **Reno, Nevada!**

It will be at the **Grand Sierra Resort**.

Our theme for this term is a **Golden Year of Service!**

What does the DCON Committee do?

Each year, the DCON committee plans the logistics for District Convention!

They select the DJ, organize the dance and other activities, implement the theme into DCON activities, select the Keynote Speaker, and so much more!

Kiwanis

K-Kids

Young Leaders Helping Others

K-Kids, which stands for Kiwanis Kids, is the youngest branch of the Kiwanis Family! The members of K-Kids are **elementary school students** who serve and learn to become leaders at a young age. Within K-Kids, they have the **Terrific Kids** program, where K-Kids members set goals for themselves and define what "terrific" means to them! The program encourages good behavior and those who reach their goals are recognized for being a Terrific Kid! Another program by K-Kids, is the **Bring Up Grades** program where students are encouraged to maintain good grades. Like in Terrific Kids, the students set goals for themselves! When they reach their goals, they are recognized and celebrated! K-Kids helps kids become the best they can be! To learn more about K-Kids and what they do, go to <https://www.kiwaniskids.org/>

Builders Club

Building Leaders

Builders Club *builds* leaders from middle school! Builders Club is similar to Key Club, but for the **middle school level**. They are the largest service organization for middle school/junior high, and have 45,000 members all across the globe! The first Builders Club was chartered in 1975, and since then they have continued growing and fostering leaders. Their core values are the same as Key Club's, and they focus on building leaders through service and character building. Builders Club is partnered with **UNICEF** and **March of Dimes**, and they work to help these charities and help children in need! Key Club can co-Sponsor Builders Clubs to help them grow into leaders and create a connection between the two branches. As Key Clubbers, we are able to help and guide them as leaders and we can invite them to our service projects! To learn more about Builders Club, go to <https://www.buildersclub.org/>!

CNH | KEY CLUB

CKI[®] Circle K International

Circle K International is a student-led organization for college students who wish to continue or start their journey into the **Kiwanis family**. Circle K International is an option for members who would like to be more **active** in their **college community**. Although the first Circle K club was chartered in 1949, 24 years after Key Club International's first charter date of 1925, they act as a **role model for all the other branches**, including Key Club members by emphasizing the **importance of college** and **continuing serving the community** well into your **adult years**! Along with highlighting the values of higher education, they provide a **club to connect with other college students**, making the transition from high school into college an easier and a more **enjoyable experience** for the Circle K members. To find out more about Circle K International check out their **website** at <https://www.circlek.org/>

"I've made great friendships in my 2 years in the Circle K family, and I've enjoyed every moment!"
- Brian Nifo Central Coast Circle K LTG

KEY CLUB[®]

Key Club International is a student-led organization for high school students who want to make a difference in their high school community. Since Key Club International's first charter date of 1925, they have acted as **pioneers in the K-family** through their **value of inclusivity**. They have allowed **women** in the club since 1977, elected **Craig Melvin, an African-American as president of Key Club International** in 1996, accommodated for other genders by using appropriate pronouns on the district level in 2019, and included other religions by changing the phrase "...my nation and God..." to "...my nation and world..." in the **Key Club Pledge** that same year in 2019. Along with being very inclusive, they provide **networking** and **leadership skills** to **high school students** that resonate with them into adulthood. In order to find out more about Key Club International and the programs they can offer to high school students, check out their **website** at <https://www.keyclub.org/>.

CNH | KIWIN'S

Did you know that the word "**Kiwin**" is derived from "**Anokiwin**"? This translates to "**people, men and women, working together in service.**" One could argue that there has never been a more fitting word to describe the hardworking community of **KIWIN'S** today! In fact, "**KIWIN'S**" is always capitalized to emphasize the large impact of local **KIWIN'S** clubs on their surrounding communities. Founded in 1974, **KIWIN'S** was originally named "**Keyettes**", as **Key Club** was an all-male club at the time! As **Key Club** and **KIWIN'S** have evolved into the **all-inclusive clubs** that we all love, both clubs parallel in their mission **serve their communities with passion and dedication**. There will always be an everlasting bond between **Key Club** and **KIWIN'S**, as exemplified by the close relationship of the two CNH sister districts! Currently, CNH **KIWIN'S** major emphasis is on the "**Live2Learn**" program, which promotes **education** and **building literacy skills** in **5-9 year old youth**. Check out the **KIWIN'S** website at <https://www.kiwins.org/> to learn more about the initiative and **KIWIN'S** as a whole!

Kiwanis

With all of the branches of the K-Family being composed of thousands of kids, **Kiwanis** steps up to the responsibility of looking out for them. "**Serving the Children of the World**", their global community of clubs, members, and partners all dedicate themselves to improve the circumstances of children and stand by them as they **grow to become strong future leaders**. As their focus has always been assisting the young, there are roughly **150,000 projects held yearly** revolving around **fighting hunger, improving opportunities, and many more activities that help with child development**. They prove the statement, "Thousands serving millions" very well, especially when their mission is to help kids around the world as the parental figure of the K-family branches. Kiwanis **originated in 1915** by a group of businessmen in Detroit, Michigan. The name was first called the 'Supreme Lodge Benevolent Order of Brothers', but changed to Kiwanis after the American Indian expression, "Nunc Kee-wanis" meaning, "**We trade**".

To learn more about Kiwanis and what they do, go to <https://www.kiwanis.org>

"Where development has no disability", **Aktion Club** is known to be the **only service club for adults with disabilities** worldwide. With more than **12,000 members and 500 clubs**, they recruit members found in a variety of organizations supporting disabilities with the goal of turning them into leaders. The **beginning of Aktion Club was in 1987**, 62 years after the first Key Club, at Putnam County Florida by George D. "Jake" Swartout. Similar to Key Club, their **four core values are Caring, Leadership, Inclusiveness, and Character Building**. Engagement is extremely important when it comes to the Aktion club, especially when adults with disabilities are becoming more active in their communities. In addition to becoming leaders, they also specialize in identifying behaviors of their members to acknowledge and support them towards engagement. While they take turns in managing different projects to learn how to lead, the **most important thing about them is that everyone is welcome in Aktion club**, and that they make friends that care just as much as they do about creating a better community.

ADVICE FORUM

FOR INCOMING OFFICERS

1. **TAKE INPUT FROM OTHERS!** It's a great way to come up with more creative solutions & improve your skills as a leader.
2. **DELEGATE** if you have a lot on your plate (and offer your support to other officers if you see they're overwhelmed... this helps build your team!)
3. **TAKE ADVANTAGE** of every opportunity you're given through key club
4. **LEARN.** the more you know, the more passionate you become and the more your club can grow.
5. **DON'T BE AFRAID TO ASK QUESTIONS.** Your Lieutenant Governor & Immediate Past officers are always there to help!
6. **HAVE FUN.** Key Club can include some stressful tasks, but one of the biggest rewards comes with the connections you make with your other officers & members!
7. **REACH OUT.** Send an email to a community member, Kiwanis advisor, etc; don't hesitate to ask for support or inquire about service opportunities!

WHAT IS OFFICER TRAINING CONFERENCE?

Officer Training Conference is an annual division-wide event held with various workshops to train newly elected officers about their duties and leadership. However, OTC is open to **ALL** members and is an amazing chance to learn more about Key Club and its various opportunities. Contact your respective President or Lieutenant Governor if you're interested in attending!

WHY SHOULD YOU ATTEND?

"Officer Training Conference provides all members with the opportunity to learn more about and become more involved in Key Club! From learning the basics of Key Club to getting an in-depth look into every officer position, members and officers will be provided with the information that will set them up to have an amazing term. On top of this, members and officers will become acquainted with their peers and Division. From personal experience, Officer Training Conference is a wonderful learning opportunity and an extremely valuable event that you shouldn't miss out on!"

MAY: ELIMINATE

Project Eliminate

Kaiser Key Club | D22H | R18

"Kaiser Key Club came up with several ideas to fit this month's SOSP: general education, infographics, e-lemon-ate, and donations. After thinking of ideas, we decided on due dates which we put on a google slide to be used later in general meetings. Then all of our ideas/events were presented to our members to allow and encourage their participation."

May Park Clean Up

Damien Key Club | D22K | R18

"All of the Board Members decided that we wanted to do an in-person service project due to the immense amounts of online projects we have had throughout the month of April. We decided to do a park clean-up to help out the community. Our Club President, Patricia Foronda, contacted parks around the island to see if it was okay for us to start cleaning. We decided to go to Patsy T. Mink Central Oahu Regional Park. We planned out what to bring to the event---water; gloves; trash bag---and the time we would spend there. Afterward, we advertised the idea to the members through our general meetings and emails."

Pixie Woods Clean-Up

Middle College Key Club | D27N | R16

"The Pixie Woods Clean-Up event was the first in-person service event for Division 27 North. It was actually planned by Stockton Kiwanis, our local Kiwanians. Stockton Kiwanians reached out to D27N LTG Hailey Phan to open this service event up to our entire division. Eventually, D27S, our sister division, also got in on the mix and it became a joint service event with 3 Key Club entities serving together: D27N, D27S, and Stockton Kiwanis. Stockton Kiwanis had a registration form that was open for about a week until all of the allotted 50 spots were filled. Spots were limited in order to enforce COVID-19 precautionary measures. Stockton Kiwanis was able to secure a local park called Pixie Woods to renovate. With the assistance of 50+ Key Clubbers, Stockton Kiwanis and D27N + D27S Key Club collaborated to plant flowers, transport soil, and clean the Pixie Woods park."

spotlight on service program

BEE CLEAN, CNH!

get involved

July's Spotlight on Service Program theme is a reminder to stay environmentally friendly! Key Club members are encouraged to take part in environment related activities, service projects, and fundraisers to help keep our communities clean. This month is the perfect opportunity to give back to our nurturing environment and to make an effort to Bee Clean!

service projects & fundraisers

- Educate members through social media graphics
- Create reusable grocery bags
- Host a tree planting project
- Organize a recycling drive for your community
- Partner with eco-friendly companies
- Reinvent/upcycle materials to sell (ex: flower pot using bottles/cans, T-shirt bags)

Make sure to check out the July Spotlight on Service Program Guide for more information!

CLAIRE'S EAGLE PROJECT

KATARINA POVINEC | D34N, CARLMONT

Claire's Eagle Project was the first in-person event we've had in a little bit over a year! We folded origami flowers in the first session, and constructed the origami graduation leis for Ralston Middle School in the second session. This event was super relaxing and it was very exciting seeing everyone in person while making the leis. They were fairly easy to learn how to make, and once we got into a rhythm, we were able to make 150 leis at the end of the second session. I would definitely recommend this event to anyone that wants to start interacting with others in-person again and making a difference in their community with origami!

FOOD DISTRIBUTION

VICTORIA ROSE LEON | D8, AMERICAN CANYON

Throughout almost an entire year, we have provided our members a chance to earn a few service hours every couple of weeks through the food distribution volunteering event. Every 2-3 weeks, members who have signed up for this service opportunity get the chance to distribute food to families who need it. Many have been able to turn up to the event, even though it is that one rare in-person opportunity for our club!

PIXIE WOODS CLEAN UP

JENNIFER PHAM | D27N, MIDDLE COLLEGE

Our Kiwanis club held a joint event with our sister division, D27S Koi Fish, for our annual Pixie Woods Clean Up. Members were expected to wear face masks while maintaining proper social distancing for our first in-person service event of the term. Volunteers had the first thirty minutes to freshen up with breakfast, provided by the Pixie Woods staff, and familiarize themselves with the amusement park. The Pixie Woods staff would give tasks/jobs to groups of volunteers, which would vary from freshly planting flowers, gardening, raking up soil, and tidying up the amusement park. Volunteers were allowed to take breaks whenever they chose throughout the four-hour service event, as long as they spent the majority of their time cleaning up. Despite the work being a bit laboring, many volunteers would say the event was enjoyable because it was our first in-person service event of the term. At the end of the event, lunch was provided and members were able to bond with one another by hanging out at the park, located next to Pixie Woods.

RAIL PAINTING EVENT

JAIME FARAH | DIVISION 22 HIKINA, KAISER HIGH SCHOOL

On Saturday, May 1, from 1:00 pm to 2:30 pm, Kaiser Key Club members along with members from other clubs throughout the school, met at Kaiser High School to repaint and do touch-ups on the railings. During the hour and a half in-person service time, groups of three or four worked together to paint the railings at certain parts of the school. Each volunteer had a cup of paint and a paintbrush and worked with their group members to repaint the railings they were assigned. At the end of the event, members helped clean up by washing off all of the paintbrushes and setting them out on old newspapers to dry, pouring the excess paint back into the paint bucket, and throwing away the used cups and newspaper.

MEMORIAL DAY PICNIC

JENNY PHAN | D04W, FOUNTAIN VALLEY

For our first in person event since COVID-19, it was really nice to bond and spend time with the members of the club while giving back to our community. I enjoy volunteering at this event because the ambience is always upbeat and positive. This was such a fun event where the volunteers had the opportunity to interact with young kids who played in the game booths and prize booth. It is truly a rewarding experience to see the kids having a good time at this event especially since we are starting to get a taste of "normalcy" from the pandemic. This event went smoothly and was a success, so I can't wait to transition into more in person events in the future.

42 | JULY DIVISION RECOGNITION

Buzz Buzz Bees!

The start of the new school year is right around the corner! Regardless of whether or not your school is planning on returning to in-person school, there is still much to be recognized for. I commend each and every member, officer, and advisor for their dedication to service and fundraising. Continue on being an excellent leader, and I hope to see your name in next month's newsletter issue!
