A Message From The Editor

What's Poppin' CNH Bees!

Welcome to the season of **autumn** as well as the fourth school year went well for you all as most of us are trying to all participate in as many activities as possible and many that's in Key Club or not!

September is here and it's the **most important time** of the virtual term, is vital to this organization. There are many more members, so take the time and fully utilize them as seen in the picture. I had the joy and pleasure of reading "How can I join?" and "How can I join?" Seeing all the excitement can be YOU! You have the chance to open a door of opportunity.

Seniors!! Don't forget that college applications deadlines are coming! The next few months will be busy — whether it's school, rallies, and football games for school! **Create a schedule** for your time!

Please enjoy this **red velvet-themed** newsletter with a nod to the theme of my home Region Training Conference. I hope to see you on October 2 at Camp Jones Gulch.

TEAMWORK

From the Governor:

Hello, CNH Bees!

Welcome to the month of September! I hope you have all been enjoying the beginning of the school year and transitioning smoothly from summer.

With the opening of schools, remember that this year's Club Rush will be the most important one to decide the future of our California-Nevada-Hawaii Key Club district. As we come out of the previous virtual year, take advantage of this time by using your maximum efforts to convince the students in your school to join Key Club! Every part of our communities took a huge hit last year, and **YOU** have the power to **rebuild and heal** everything we have lost due to the pandemic.

With the start of the fall season, take the opportunity to attend your Region Training Conference (RTC) in these following 2 months! Most areas WILL be conducting RTC in person this term so make sure to finally meet your fellow Key Clubbers, make new friends, and learn about leadership and service.

Personally, it has been so nice to partially return in person for most activities and talk to live people. Use this time to get members excited about service again, as events such as Fall Rally and District Convention for the 2021-2022 are currently set to be in-person! I can't wait to see and hear your divisions answer the question "How do you feel?" in these coming months.

However, the pandemic is still not completely over so make sure to take the necessary precautions and encourage your friends to get vaccinated! The safer our communities are, the more likely we can return to normalcy and experience a completely non-virtual year together. Thank you so much for your time and dedication for service, and keep up the amazing work bees!

Dedicated to Service,

A handwritten signature in black ink that reads "Amy Wang". The signature is written in a cursive, flowing style.

Amy Wang

CNH District Governor
dgov@cnhkeyclub.org

From the Secretary:

Hello, CNH!

Welcome to Fall 2021 and, for many of you, welcome to your first in-person back to school in over a year and a half! Besides the return of pumpkin spice at Starbucks and the extreme 50 degree cold in much of CNH, September brings about one of the most important times for Key Club! This fall season is the **busiest** and **most crucial time** for Key Club. For many of you, your first meetings, club rush, member inductions, and so much more will be held in the month of September! These steps are some of the most important in setting your club up for a year of service and success. This is the time to recruit new members for your club. This is the time to jump back into service. This is the time to **put your all into Key Club.**

The fall season also accompanies an array of events at all levels of Key Club. On the local level, look forward to the Region Training Conference and the beginning of in-person DCMs and Spirit Sessions. With that, Fall Rally is also fast approaching! Make sure that you are getting spirited and raising your funds for PTP!

For secretaries and any interested in the position, look forward to the new **Secretary Manual** which is currently seeking approval! The manual will be an in-depth guide to the duties and responsibilities of the position and instructions and advice on all secretary topics ranging from AAR, the MRF, member recognition, and much more! Keep an eye on your email inbox and the CNH Cyberkey for the Manual when it's released!

As always, if you ever have any questions, comments, or concerns, reach out to me at dsec@cnhkeyclub.org! Stay serving and stay safe!

Serving Alongside You,

Carter Kawaguchi
CNH District Secretary
dsec@cnhkeyclub.org

Hello, CNH Bees!

Happy fall! I hope your transition back to school has been full of great memories and friends. As we welcome new members into our clubs and get excited for Fall Rally, be sure to keep the core values of Key Club in mind.

Dues season is 2 months away!! Please be sure to start collecting dues EARLY to ensure that CNH is 100% dues paid by **December 1st**. For those clubs that were inactive in the past year or deemed A-COVID status please work with your Lieutenant Governor to pay your dues this season. If you have any questions regarding the dues payment process please feel free to reach out to me!

The fall is such a busy time for CNH, as we also have Fall Rally quickly approaching. I am so excited to meet many of you there. As we prepare, please be sure to not only promote the event, but **educate others of the goals** and purpose of fundraising for the **Pediatric Trauma Program**.

CNH, you are **unBEEliveable!** Keep serving with passion and love. Never hesitate to contact me as I LOVE talking to you all. Stay safe bees!!

With love, **aloha**, and service,

Maya Oishi
CNH District Treasurer
dtreas@cnhkeyclub.org

Treasurer

Maya Oishi

Sana Yooseph

Trustee

Hi, CNH Bees!

I'm so excited to be your International Trustee! I'm a rising senior from the Florida District; I actually used to live in San Diego, so I was really happy to get the CNH District because it already feels like home. I hope you are all doing well as we return to school. Now is the perfect time to reach out to your clubs and encourage them to map out their service and meetings for the year!

In terms of what you can expect from me as your Trustee, I will always be someone you can count on for advice, support, and in connecting with Key Clubbers from other districts. We have a wonderful "Sistrict" (Sister-districts) this year, which includes partnering with the Illinois-Eastern Iowa and Carolinas Districts of Key Club International. I'm thrilled to introduce our Sistrict name... the Cal-ill-inas!

To help connect Key Club members from across the Districts, I will be holding open calls each month, called Trustee Office Hours! This takes place on the first Wednesday of every month, so our **first call will be held on September 1st at 8:00pm EST (5:00pm PT). Zoom ID: 976 2645 0107, Password: keyclub.** More information about Trustee Office Hours and international updates will be sent in my monthly newsletter "Sana's Salutations", typically sent in the first week of the month. Also, please follow our **Sistrict Instagram page @calillinas** for service spotlights, special takeovers, and more!

Thank you for your dedicated service to your homes, schools, and communities, and I am so proud to represent the amazing CNH District. Please don't hesitate to reach out if you have any questions or would like to introduce yourself :)

Sincerely,

Sana Yooseph
International Trustee
sana.yooseph@keyclub.org

KEY CLUB CHARITIES

Key Club International (KCI) has 3 preferred charities:
Children's Miracle Network, UNICEF, and March of Dimes! Additionally, the Cal-Nev-Ha Kiwanis Foundation has established the **Pediatric Trauma Program** in 1994.

CHILDREN'S MIRACLE NETWORK

All CMN contributors directly benefit hospitals, helping to purchase up-to-date equipment, train staff, conduct life-saving research, implement outreach programs, and provide healthcare for children whose parents can't afford to pay.

UNICEF

UNICEF is one of the most recognizable children's organizations across the world. Not only do they commit and work with Key Club International, but also with many other non-governmental organizations to help children around the globe.

MARCH OF DIMES

March of Dimes is a non-profit that works to improve the health of mothers and babies. Key Club members are helping by raising money annually for the March of Dimes Youth Program to help prevent prematurity.

PEDIATRIC TRAUMA PROGRAM (PTP)

Established by the CNH Kiwanis Foundation, the Pediatric Trauma Program is dedicated towards reducing the number of children who are killed or hurt by trauma.

Funds raised from FRN/FRS are allocated towards PTP!

COMMITTEE SUBMISSIONS *and editors!*

brought to you by the CHH
District Board!

IMPORTANCE OF MEMBERSHIP

Why is membership so important?

Members are the basic foundation of Key Club

Key Club is only able to function and exist with them. It is the dedication of the members that allows us to successfully give back to our communities and fundraise for the preferred charities.

This is why effective membership recruitment is so important! If new members do not join, Key Club itself would fall apart. We would not be able to raise awareness about Pediatric Trauma or eliminate maternal neonatal tetanus.

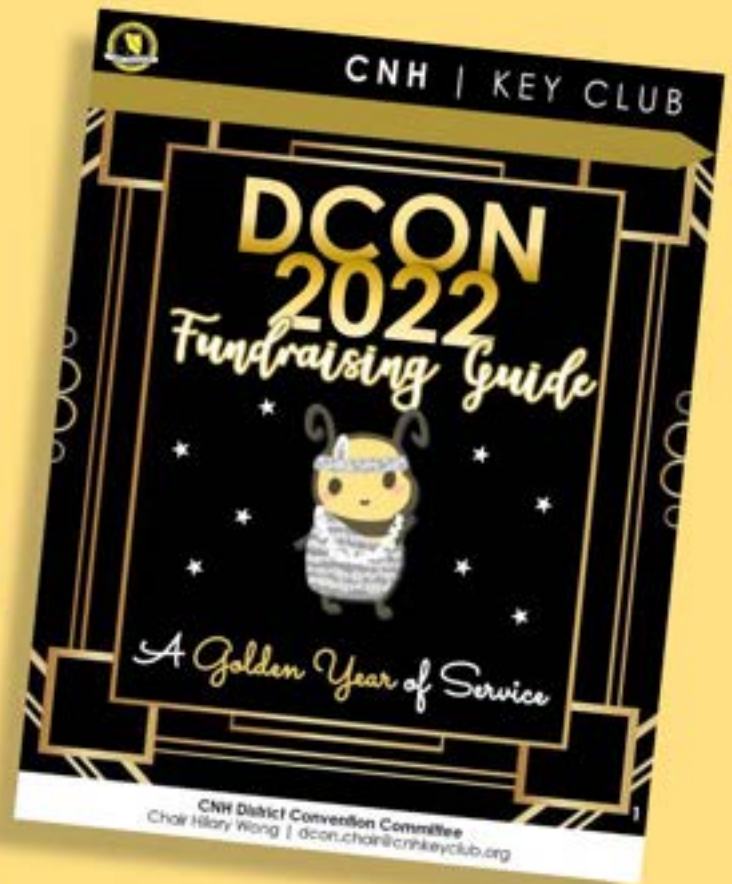

When members pay dues, the dues will be sent to the district and international. Once it is sent to the district the district will use the money to

- determine dcon & fall rally south/north costs
- how much money will the Itgs receive to help their divisions
- how much members receive for scholarships

Without members Key Club wouldn't even exist!

KEY TO COLLEGE

WHAT IS KEY TO COLLEGE?

Key To College is a program hosted by **Circle K International** for high school students that have the desire to **pursue higher education**. Through this program, high school students have the opportunity to gain **insight** about **college life** and strategies on how to be successful. Key Clubbers can get tips, advice, and support through the program.

WHY YOU SHOULD ATTEND: THE BENEFITS

- ★ Expand your knowledge about higher education
- ★ Workshops with valuable information
- ★ Expect genuine answers from panelists
- ★ Getting a head start on the college admissions process
- ★ Get more involved with another branch of the Kiwanis Family: Circle K!

FINDING LOCAL CLUBS

Key to College can be hosted anytime throughout the year. **Event logistics** may depend on your **local Circle K clubs**, so make sure that you are communicating with your Lt. Governor for any **information** and **updates** on Key to College. You may also reach out to your local Circle K clubs for more **guidance** on setting up the event. Find your local Circle K on the **CNH Kiwanis Family Map** on the [Cyberkey>Resources>CNH Kiwanis Family](#).

"CSULB's Key to College was a very well planned event! I learned a lot about the culture of Cal State Long Beach's campus life and the many classes that they offer. Listening in to actual students helped educate me on how their pre-college life went and how they are at the moment as well as where they're planning on heading to. There were many different workshops such as college essays, campus life, and Circle K itself. I was able to make many college friends and get rid of the 'intimidating-ness' that they had." - **Division 13 South Lieutenant Governor, Maryland Heng**

Key Leader

Key Leader was a super fun and unforgettable experience! There's a ton of engaging workshops and leadership activities that got everyone out of their comfort zone. You also get to meet tons of other Key Clubbers from around the area and a lot about your leadership style.

- Emma Chang 2020-2021 International Trustee

Key Leader is a leadership camp for high schoolers and graduating 8th graders. This event is not exclusive to Key Club so invite your friends! The program aims to inspire students to achieve their personal best through service leadership. The program focuses on 6 principles.

#MyKey

I joined Key Club because growing up through my brother and I thought it was Key Club was the high school version of new skills and make new bonds

- Division 44 N

I personally joined Key Club because I had been exposed to its meaning of Great Oak High School key club in the last few years. Not only did I want a club that serves the community, but I wanted to be included in the club involved in my community whether it was through girl scouts, assistens, Key Club is different because it allows me to introduce myself to people about Key Club is that you are exposed to new opportunities and you whether it's through region picnic

- Division 37 North, Great Oak Tre

I first heard about Key Club through one of my friends ended up going to the meeting. After attending a few stay in the club. I had always wanted to be more involved wanted to contribute to our wonderful organization imagined. I also became a better public speaker and memories that I will cherish forever. Through the various and I am so glad th

- Division 24/29

ClubStory

I always heard about all the amazing things Key Club does and it was really interesting. I first joined Builders Club and learned that it was so I just knew I would love it. Key Club allowed me to learn and grow with people I would not even imagined to meet.

North Lieutenant Governor, Amy Vo

As both of my older brothers have been presidents of Key Club, I want to carry on the family tradition of being apart of this close knit family that Key Club is. I have always been involved in a national charity league. However, I learned that Key Club is in districts all around the world. One great thing about Key Club is that you have the chance to meet countless new people from all over the world or DCM's.

Chair, Lauren Lee

It was a friend who invited me to a meeting. I wanted to see what the club entailed so I attended a few events, and seeing how welcoming everyone was, I knew that I would love it. After seeing the amazing benefits and people part of Key Club, I decided to join. Key Club allowed me to better my community in ways I couldn't have imagined and improved my social skills. Additionally, I made many new friends and participated in various service events, DCMs, social and more, my passion continued to grow and that is why I decided to stay in the organization.

Chair, Pioneer Valley, Isabella Gutierrez

SINGLE SERVICE

contest

What is Single Service?

Single Service is an International contest centered around service projects for your community.

Clubs shall compete with other clubs of similar size within four membership categories:

- Bronze: 35 members or less
- Silver: 36 to 60 members
- Gold: 61 to 85 members
- Platinum: 86 members or more

How do you apply?

To Apply:

Create an E-Portfolio highlighting a club service project, planned, organized, and produced by a Key Club. Projects acceptable for this award may include both hands-on service projects and fundraising efforts!

- Make sure to include GRAPHIC STANDARDS
- Have all the information required which can be found under cnhkeyclub.org/contests > Service > Single Service
- Email your submission to cnh.kccontests@gmail.com

MAJOR EMPHASIS

c o n t e s t

What is the KCI Major Emphasis?

"In 1946... [Key Club International] was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis:

Children: Their Future, Our Focus. "

- www.keyclub.org

How do you apply?

The Major Emphasis Contest is an International Contest with the focus on "Children: Their Future, Our Focus."

To Apply:

Create an E-Portfolio highlighting a club service project, planned, organized, and produced by a Key Club with a focus relevant to the KCI Major Emphasis. Projects should include partnerships with Kiwanis and/or other organizations. Projects acceptable for this award may include both hands-on service projects and fundraising efforts!

- Make sure to follow GRAPHIC STANDARDS
- Have all the information required which can be found under cnhkeyclub.org/contests > Service > Major Emphasis
- Email your submission to cnh.kccontests@gmail.com

Why should you apply to these contests?

If your club is planning a large-scale service project, it is a great way to be recognized for your time and efforts! Many clubs meet the requirements unknowingly, and are capable of applying for these contests but unknowingly let the opportunity go to waste.

Contest Tips & Tricks

- Feel free to be as creative as you want in your submission!
- Make sure to include all sections and carefully follow instructions outlined in the contest rubric
- Work together with your board/club to find the best ways to describe your event
- Take many photos/screenshots and be ready to provide extensive documentation regarding the planning and execution of your project

FOR MORE INFORMATION VIEW THE CONTEST RUBRIC AT

- Finish preparing Year-in-Review (Traditional) submissions
- Finalize/prepare Non-Digital Club Poster submissions

MONTHLY

- Add KC photos to google photos/drive
- Document every KC event onto a spreadsheet/calendar
- Screenshot/document and save all forms of communication

Slice of PIE: SafeKey for the School Year

What is SafeKey?

SafeKey - a CNH term for maintaining professional and appropriate behaviour at Key Club functions, social media, and beyond. SafeKey applies to your language and actions, both online and offline. SafeKey means that we do not act in a discourteous manner to those around us.

Why is it important to be SafeKey online and offline?

It is important to keep SafeKey for the safety of yourself and others. While being online, we need to be SafeKey to keep ourselves safe, especially from cyberbullying. While offline, being SafeKey helps us keep appropriate in social settings. It is important to always remember to be SafeKey so we can keep Key Club a positive place to be in. Whether it be online or offline, it is important to keep everyone safe.

How should SafeKey be promoted in your clubs?

Tips:

- Highly encourage your clubs to only use social media for promotional purposes.
- Set examples by being SafeKey with your own social media platforms.
- Send out reminders throughout the year or hold an informational event about being SafeKey.

July spotlight on service program

BEE CLEAN, CNH!

recycling drive

Woodcreek | R16 | D44W

"The Recycling drive event was an interclub between D44W's Roseville and Woodcreek Key Club. It was in coordination with the July Spotlight on Service focus- Bee Clean, CNH. We worked with Roseville key club in discussing items related to potential locations, dates, times and other details. The event itself was split up into 2 sections- sign making and sign-waving. Members were able to sign up to volunteer at both the poster making and sign-waving events through a google form. Firstly, the sign-making took place on July 26th at Royer Park from 10-1 PM. At this time members created posters/signs that were used to advertise the drive. Next on July 28th, 29th, and 30th we had shifts of 10-12 pm, 12-2 pm, and 2-3 pm on all 3 days where members were able to sign-wave to help gain publicity for the event, while other volunteers assisted at the drop-off/collection table. The sign-waving and the recyclable drop took place at Woodcreek High School. At the drop off we accepted: CRV beverage containers, clean aluminum cans, plastic bottles, and clear + colored plastic containers. We brought trash bags, gloves and boxes to sort through and organize recyclables. We then dropped off recyclables at Nortech Waste Recycling Center (3033 Fiddymont Road, Roseville, CA) in exchange for funds. In total we fundraised about \$201.66 and all money collected from recyclables were donated to PTP."

Chair Jennifer Cheung | sp.chair@cnhkeyclub.org

albany bulb park cleanup

Albany | R9 | D2N

For this month, Albany Key Club focused more on keeping the local parks clean. We originally planned three park clean ups but due to the sudden change in location, we had to cancel the first one. However for our second park clean up, we cleaned around a local beach area. The Albany Bulb clean up was an interclub event with El Cerrito. The event had two portions; clean up and pizza fundraiser. It was quite a big event so we started planning at the end of June. On the day of the event, the clean up portion started at 4 pm and we picked up trash along the bulb for an hour and thirty minutes. We provided trash bags.

Safety and COVID-19 guidelines were followed at all times and of course, a COVID-19 liability form was required. The last clean up of the month was at our Kiwanis Little Park in El Cerrito. Our Kiwanis wanted to join the event and so we made the location and time of the event the same as our Kiwanis planned. Our Kiwanis provided trash bags and tools such as rakes. The event happened for an hour. This project was successful. We had so much fun cleaning up parks and it made us feel really happy when random people appreciate us for doing that. With this event, members were happy to spend their weekend out and it was a great chance to get fresh air while doing service. Members did a really good job picking up trash and everyone worked hard.

spotlight on service program

pediatric trauma program

background

This month's spotlight is on the Pediatric Trauma Program or PTP, which is one of the California-Nevada-Hawaii District's preferred charities. Pediatric Trauma is currently the leading cause of death and injury among children ages fourteen and under. The Pediatric Trauma Program works to prevent pediatric trauma by providing educational materials, safety equipment, and training for doctors, nurses, and first responders.

where do your donations go?

All contributions to the Pediatric Trauma Program will make a difference! By donating, you will allow hospitals to expand community outreach programs and afford PTP safety items. Your efforts will also help provide grants to other Kiwanis and SLP clubs, enabling them to help and reach more communities.

A friendly reminder to submit your club's SOSP project by the fifth of every month by 6:00PM PST for a chance to be featured in the District Newsletter! Submissions to the September SOSP will also count for the SERVetember Initiative bucket list!

Find SOSP Guides on the

September: Club Rush

School is in full swing for many, if not all, clubs across CNH, and it is time we focus on the most important event when it comes to growth: club rush!! This is the one event that will simultaneously make or break a club, it is where all growth goals are put to the test, and where effective planning can have great payoffs.

Officers

As the face of the club, officers have an opportunity to present Key Club to individuals who have never heard of the club. So how do you turn misconceptions of key-making into eager soon-to-be members? First, you have to have what we like to call pizzazz! Wear all the eye-catching spirit gear you can, talk loudly and confidently, and smile. Key Club is a welcoming and inclusive place, so it is your responsibility to ensure that you display those values. Prepare your elevator speech that you will give to interested students before the rush, that way, you already know how to engage members. Be sure to know your audience, as every student is different, and the same lengthy speech might not work for everyone. So be prepared to think on the fly and tailor your message to those that are interested. Besides preparing what to say, you should also prepare what to bring, from posters to spirit sticks, to even candy, bring whatever you think will help your booth stand out to observing students.

on growth

Effective Planning

Okay, so you have prepared officers, some lofty goals, and a whole lot of Key Club spirit, what else could you possibly do to make your club rush a success? A LOT. In the lead-up to your club rush, you need to do whatever you can to ensure your club is visited during the club rush. Contacting your ASB, morning announcement personnel, and even asking teachers to promote your club before the club rush are all excellent ways to spread the word that the most amazing club will be featured at your club rush. If you can select the location of your booth at club rush, be sure to choose the place that will receive the most foot traffic, and that will not be overshadowed by other nearby clubs. Finally, on the day of the club rush, think of engaging ways to make your club stand out. Maybe play music, games, spirit cheers, raffles, etc., anything that you do beyond just collecting interested member's information will turn a list of names and contacts into an engaged and excited membership body.

Goals

A wise man once said going into a club rush without goals is like going in blind, or maybe that was just the STP committee. Either way, we cannot stress enough the importance of setting goals for how many members you want to sign up for your club and how many of such you hope to retain. This is crucial to a successful club rush and will hopefully give your club something to celebrate once you surpass your goals.

D07S PICNIC CRANE MAKING

KAYLA HA, COSUMNES OAKS HIGH SCHOOL

On July 26th, Division 7 South hosted their first hybrid event of the year, the July DCM and Picnic. The event started with the hybrid DCM where club presidents and the Lieutenant Governor gave updates to attendees both in person and through Zoom. During this time, the 2021-2022 Division Leadership Team was introduced. After the DCM concluded, those that joined the DCM via Zoom left the meeting and those in-person began to prepare for the division picnic! The picnic had various activities for attendees to do such as painting tote bags, playing board games, a water balloon fight, pieing the DLT, playing volleyball, folding paper cranes, and eating pizza! The event was very fun to attend and it was amazing to see Key Clubbers in person again!

ORIGAMI BOOKMARK MAKING

D35E | ROSLYN NAVA, IPOLY HIGH SCHOOL

During July, Ipoly Keyclub held a five day long service event. This event took place from July 19th to July 25 and involved creating origami bookmarks. It was easy to participate in and was quite fun. We believe that our members truly enjoyed this event because it was limitless. The only rules were that the bookmarks must be created within the time frame in order for your service to count towards service hours. Our members had an enjoyable time creating bookmarks of their favorite animals or even favorite cartoons. When we asked our Event Outreach Coordinator, Jessica Pasaribu, about her thoughts on the event she expressed, "I thought it was really fun because I'm crafty so I like folding and decorating them!" These bookmarks will be donated to the 'School on Wheels Massachusetts' organization. This organization helps students who struggle with homelessness. The bookmarks created help encourage students to improve their literacy through reading. The organization was so enthusiastic about our contribution that they even asked our club to send photos and videos of our members creating these bookmarks. I believe it is fair to say that this almost week-long service event was a success!

BEACH

DIVISION 26 NORTH

Cleaning is not only beneficial for the environment, but it's also a great way to spend time with friends. From 1pm to 4pm, both Pittsburg and Mt. Diablo Key Clubs participated in a beach cleanup. A total of ten participants came to the beach to help.

Although the ocean beach may have been a bit messy, placing blankets on the sand along with towels, we were able to clean what we could at the beach. We went to all parts of the beach, including the dunes. I was joined by a fellow Key Clubber while we all worked together to clean the beach. While we were on the beach, we were greeted with a warm welcome and with a great amount of trash to pick up. We went down to the beach and settled on a spot to work together to clean as well as bond. I was joined by my partner as we cleaned. My partner and I went to the sidewalk. While cleaning, we met up with other Key Clubbers. Our work was completed. This service event was very successful. If you have beaches, I'd definitely consider doing this.

RECYCLING FUNDRAISER

DIVISION 30 NORTH | TRACY TRAN, LA HABRA HIGH SCHOOL

As school was quickly approaching, La Habra Key Club held their final summer event. They hosted their second annual recycling fundraiser competition with Sonora High School. Both clubs dropped off from 9 am- 1 pm in front of La Habra Performing Arts Center. After the recyclables were moved to Good Earth Recycling Center; transport was provided by the Ray F. Team. Members loaded the truck and made their way to the center where they organized. Community service hours were offered to those who came and helped categorize the trash. It was a successful fundraiser, with La Habra raising \$197.86 and Sonora raising \$125.52. The funds were donated toward the Pediatric Trauma Program to fund medical training and purchasing equipment for life threatening injuries in children under 14. Along with that, it was a great day for the community.

BEACH CLEAN UP EVENT

9TH | JUSTIN CECILIO, PITTSBURG HIGH SCHOOL

The environment, but with the right people, it is just as fun. On August 1st, from around Mt. Diablo Key Club decided to host a conjoined service event in San Francisco. There, together to clean Ocean Beach, gathering up to about 9 full bags of trash.

Even though the beach had already been cleaned, there was still plenty of trash to pick up. As both clubs settled in, along with the bags brought, it was not long until participants began to walk around and pick up trash. With more hours passing, more and more bags were getting filled with trash from the beach and the outskirts and sidewalk. I had a great time at the service event as I was able to meet and work with other people. We all worked together to clean up Ocean Beach in San Francisco. When we all arrived at the beach, there was a nice breeze along with the warm sun. The beach had a handful of people along with us to help pick up. After meeting up with Mt. Diablo and greeting one another, we made our way down the beach. Both clubs got into a few groups of two or three people as a way to work together. I found this idea fairly beneficial for both ways because I truly had a great time with my partner and I cleaned the left and middle side of the beach as well as the outskirts and sidewalk. We were very happy to help with the many participants as well as many people on the beach, thanking us for our service. It was very fun as it was successful, and as much as I'm not the biggest fan of cleaning up, I would love to do this again.

PITTSBURG HIGH SCHOOL

On August 9th, they... Members from both... picked their recyclables... were collected, they... Hernandez Real Estate... organized the containers... them. Overall, this was... The proceeds will go... specialized medical... will help in expanding... outreach programs.

Congratulations, CNH Bees!

Fall is here, and our calendars are jam-packed with school, work, volunteer events, and so much more! You have set aside some time to contribute to the Key Club organization, regardless of how busy you are. You've been recognized for going above and above in your service to your homes, schools, and communities! I congratulate you on all of your outstanding achievements and wish you the best!

Please continue to keep up this amazing work!

Rachael Zheng

40 | SEPTEMBER DISTRICT CALENDAR

UPCOMING DIVISION COUNCIL MEETINGS:

Each month, a division holds a council meeting! Attend your Division Council Meeting, aka DCM, to hear club reports and updates, division updates as well as upcoming events! You can also learn more about district initiatives such as the SOSP, contests, due dates, and etc.

Other than that, you can also meet members outside of your home club and participate in joint service projects and or fundraisers! Sometimes, there may even be collaborations with other divisions! **Save the date & find your respective DCM logistics below!** Contact your LTG for more information!
