MESSAGE FROM THE EDITOR

GREETINGS, CNH BEES!

ST. WONDERFUL. TIME. OF. THE. YEAR!!! Without a doubt, in my books, this is the best time of the year. What's not to love? There's hot chocolate, music, lights, cozy fires, and so much more!!

Wow! We have accomplished so much as a district and it wouldn't have been possible without **- the members!** Over the last few months, I've heard great stories about the events held. From both Fall Rally North and South, we were able to raise funds for the **Victim's Trauma Program!** Continue to keep up the fantastic work and hope to see you at the As Candidate Training Conference and Conclave season is here, I wish you luck in running for Lieutenant Governor!

seniors who have submitted your applications for either the CSU or UC applications. It's a long time but you did it — actually, **we DID it!** A couple of days ago, my family and I went to the empty parking lot eating Chinese take-out. This was a result of our waiting for our college applications. We would go to the nearby Starbucks and wait. I hope your journey was not as stressful but I know what happens sometimes.

GOVERNOR

Greetings CNH!

I hope you all had a wonderful autumn season and are excited for the winter holidays! As the streets start lighting up with decorations, **make sure to get into the holiday spirit** and spend some time with your friends and family.

Despite the festivities, December is quite a stressful time for most high school students as it also marks the beginning of final exams. As times get stressful, remember to **prioritize your health above everything** and your best effort is all that matters! We are still in a challenging time so be proud of all the hard work you have put in this year so far.

I'm so grateful for the opportunity to have met everyone at each of your respective Fall Rallies! It was great to be back in person again, especially for our first official district event of the term. During December, your local regions will be holding their Lieutenant Governor **Candidate Training Conference**. Please reach out to your Lieutenant Governor immediately if you are interested in running for this position! Serving as a LTG on the CNH District Board is a **one in a lifetime experience** and I highly encourage you to run if you are having any doubts!

As always, please do not hesitate to reach out to me at any time if you have questions. Have a wonderful December, bees!

Dedicated to service,

AMY WANG
District Governor
dgov@cnhkeyclub.org

SECRETARY

What's Poppin CNH!

Brrr! It's getting chilly (as cold as it will get in Cali-Nev-Ha)! I hope you are all having a joyful start to the holiday season. First off, I'd like to thank all of the members who came out to our first Fall Rally in 2 years! Seeing your smiling faces let me know personally that the **passion for Key Club** is undying even through these crazy times.

Though there is only a month left of the year, there's still so much left for you all in Key Club. If you have any interest in overseeing the clubs in your division, planning division-wide events, serving on a **district board**, I encourage you to check out what it takes to be Lieutenant Governor at Candidate Training Conference! Each region has their own CTC so make sure you **contact your Lieutenant Governor** for more information.

As the weather gets colder and the days get shorter, remember to not lose your passion for service! The holidays are a **time for service and compassion** so I encourage you all to go out and serve your communities. With only 4 months left of the term, let's make our impact count!

As always, if you have any questions, comments, or concerns don't hesitate to reach out to me at my email below. Thank you happy holidays, CNH!

Buzzin' with service,

CARTER KAWAGUCHI
District Secretary

TREASURER

Aloha CNH!

Happy holidays!! I hope you all had a great Thanksgiving weekend and are ready for the best time of the year (in my opinion)! The Christmas lights, trees, and music are my **favorite part of the holiday season**. This year I hope you are all able to spend time with family and friends this holiday season.

I am so grateful for the opportunity to attend Fall Rally South this year. It was truly an experience that I will **never forget**. Thank you CNH!

For those of you who are reading this letter on December 1st, today is the **early bird and on-time dues payment** deadline. If your dues have not been received by the international office you are now considered a delinquent club. But this does not mean that you cannot pay your dues. Please continue to send your dues in so that your **delinquent status is changed**. Please feel free to contact me if you have any questions.

As we approach the end of the year, LTGs will begin hosting their CTCs. For those of you who are interested in running to be your division's next Lieutenant Governor, you must attend **Candidate Training Conference**. If you are unsure about running, I encourage you to attend!!

The holiday season is a time of giving, so I hope you **continue to give back to your homes, schools, and communities**. We are so proud of the impacts that you have made and continue to make. Mahalo CNH!!

With love, aloha, and service,

MAYA OISHI

INT'L TRUSTEE

Hi CNH!

Happy December! Thanksgiving just passed, but I wanted to say how grateful I am to serve as your Trustee and work with the **amazing leaders of CNH** every day.

You know what December means...it's time for **Key Club International's Global Engagement Rally on Saturday, December 4th, at 2pm EST**. Make sure to attend this Zoom event and represent your clubs as we celebrate service around the world and highlight our incredible leaders and partners. Tune in for a keynote speech from **Cynthia Yue**, the UN Youth Observer! There are plenty of workshops to attend such as global opportunities, an International Governors Panel, programs overview, and more!

As you start thinking about **running for higher office**, my door is always open to discuss International positions and the structure of Key Club International. Speaking of, make sure to attend the **CNH Elections Webinar on Saturday, December 18th** (more info to come).

Lastly, I want to emphasize that if you're feeling overwhelmed, don't be afraid to take a break. Remember that Key Club is here for you, and you can find **mental health resources** through our partner Erika's Lighthouse. Remember to spend time with friends and family this **holiday season**.

I hope to see you all soon, and thank you for being the best student leaders ever. Go Bees <3

Signing off,

BEST CHRISTMAS GIFT RECEIVED?

VICTOR NGUYEN, NEWS EDITOR

My best Christmas gift was a video that my friends created for me, filled with messages and pictures of past memories. I thought it was really thoughtful and sweet!

CARTER KAWAGUCHI, SECRETARY

The best gift I received was my first SLR camera. Getting that first camera enabled me to pursue a new interest and grow my skills creatively.

SHANELLE RELUCIO, MDE CHAIR

The best Christmas gift I've ever received was super sentimental scrapbook of me and my friends. I'm a total sucker for gifts with a meaning behind it, so it was really heartwarming to receive one!

AIMEE HAN, PIE CHAIR

When I was younger was a Crayola Color Cube. I used to really like art so my parents got me a box full of different art supplies such as color pencils, paint, crayons, etc. I always used them when it came to drawing, coloring, or painting. To this day, I still use some of the supplies.

JENNIFER CHEUNG, SP CHAIR

My best Christmas gift was when I was 7 and received a Nintendo DS. I remember playing on my cousin's DS during a Christmas party, and I was ecstatic when I got my own.

KIWANIS ONE DAY experience

What project did your club participate in for Kiwanis One Day?

For Kiwanis One Day, we participated in a card making event. Members were able to create cards for their faculty or kiwanis advisors. It would be held during the regions RTC which made the event even bigger as more people were able to participate in the service event and overall just bond with people from other divisions while making their cards.

What was memorable about your experience?

What made it really memorable was the "getting to know people" vibe. What made it even better was the creativity and effort everyone put into their cards. On the plus side, some even make origamis for their advisors!

What event or project do you recommend other clubs in CNH do for next year's Kiwanis One Day?

I would say make a video perhaps. A video where different people from different divisions and regions share their thoughts, experience, or even thanks to people, something like a thank you video. I think it would be really cool seeing all the people in the video sharing their experience on the day!

- **Nijad Makoon | Gahr | Division 13 North**
| Vice President & D13N Tech Editor | Grade 12

What project did your club participate in for Kiwanis One Day?

Region 1.5 (also called Division 100) participated in the Miracle Mile Quarters service/fundraising event for Kiwanis One Day! The Miracle Mile Quarters event is a special event; it is such an important fundraiser we hold annually to raise funds and support the Rady Children's Hospital. However, we do it with the help of quarters! Kiwanis provided us with quarters to encourage producing artwork with fellow Key Club members, but we also encouraged all members to bring additional quarters to help raise further funds. With the pandemic last year, we were unable to participate in our annual Miracle Mile Quarters event. I believe this is such a big reason of why we had so many members so excited to finally unite and work on meaningful service together.

What was memorable about your experience?

We hosted our Kiwanis One Day event a couple of days before Halloween, so we encouraged members to dress up. I believe pairing your event with a holiday theme, if you are able to do so, makes the event even more memorable! Regardless of what you choose to do, if you are performing a service you are passionate about with your friends, it will be a memorable event. Your participation in Kiwanis One Day helps your local community SO MUCH, so be sure to reach out to your Key Club friends to join the special event.

What event or project do you recommend other clubs in CNH do for next year's Kiwanis One Day?

Being able to meet my fellow Key Club members & Kiwanis advisors IN PERSON was such an amazing experience to be able to partake in! Everyone was so passionate about their artwork, not only to win but to be reunited with their friends. I was able to get to better know the members.

- **Liza Matthews | Steele Canyon | D31 Lt. Governor | Grade 11**

KIWANIS ONE DAY *experience*

What project did your club participate in for Kiwanis One Day?

The event division 11 participated in for Kiwanis One Day 2021 was the "Miracle Mile Quarters" event! The purpose of MMQ is to raise funds to support Rady Children's Hospital San Diego! Kiwanis clubs all over San Diego participated. They donated funds which allowed us key clubbers to participate in the event by using that money in converted into quarters (and plastic quarters due to shortage) to create quarter art! We had member volunteers also walk around the venue with a donation box in hopes to earn the support of local mall goers for Rady Children's. There were also tents set up around the event to promote Kiwanis and key club, and also had a little station for kids to play with!

What was memorable about your experience?

The most memorable thing about my experience was seeing my members work with others to create quarter art in support of the fundraiser. Everyone was having fun trying to come up with a unique design to win the competition. Some designs included a tiger, an among us character, dolphins at Disney, a lion, and the cover of "The Nightmare Before Christmas." Members got extremely creative using quarters to design on the red carpet. And it warmed my heart to see everyone enjoying the event.

What event or project do you recommend other clubs in CNH do for next year's Kiwanis One Day?

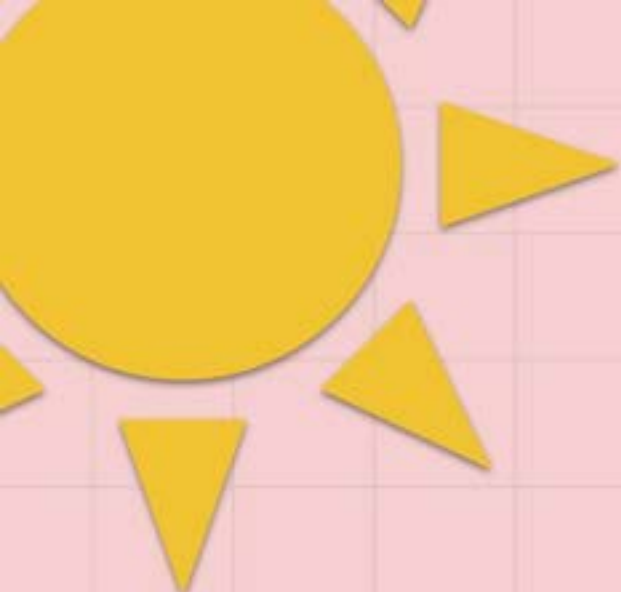

For Kiwanis One Day 2022, I recommend each club find out what their sponsoring Kiwanis is surrounded by and does best. Whether it be a beach event with a cleanup and barbecue after, or a park event with a cleanup and grill out, or even a recycling fundraiser and having more games incorporated into the event! There's so many other different ideas out there, just make sure to research what is possible! Reach out to them before Kiwanis One Day to plan an event with them, trust me, planning ahead with less time crunch makes the event much more fun! Have fun at your next Kiwanis One Day!

SANDY NININGER & MEMBER OF THE YEAR

MEMBER OF THE YEAR

The Member-of-the-Year Contest is a **District** contest that is judged on the **DIVISION** level, which means that each division is eligible to have **ONE** Member-of-the-Year. This contest is designed for a member to showcase their dedication to Key Club and its value all in one membership term. Aside from the baseline categories that all **E-Portfolios** are judged on, the Member-of-the-Year Contest is also based upon **SIX** other categories:

- Commitment to Service
- Commitment to the Core Values of key Club
- Active Membership
- Kiwanis Family
- Personal Contributions
- Inspirational Qualities

SANDY NININGER

The Sandy Nininger Contest is a District Contest that is also **recognized on the International level**. This is a contest reserved for members who have truly **gone above and beyond** in their duties as a Key Club member. They also must have demonstrated all four core values throughout the duration of their Key Club Membership.

Aside from the fact that Member-of-the-Year is judged on a Division level, the two of these contests contain **little to no differences** in terms of rubric. The Sandy Nininger Contest requires the same **six additional categories** as seen in the MOTY Contest, but is judged on a larger level.

important INFORMATION

Create an **e-portfolio** that showcases commitment to key club and its values during one term. All submissions must include the following **in addition to** the Cover Page, Nomination Form, Dividers, Letter(s) of Recommendation, and Proof of Attendance.

- Commitment to Service
- Commitment to the Core Values of key Club
- Active Membership
- Kiwanis Family
- Personal Contributions
- Inspirational Qualities

For Member-of-the-Year Submissions

Make sure to contact YOUR Division's Lt. Governor for the submission deadline.

HOW TO RUN FOR *LIEUTENANT GOVERNOR*

Running for Lieutenant Governor requires many prerequisites. This step-by-step guide will instruct you on the steps that are necessary to run for this highly coveted position. Read on for more information regarding the steps and Conclave procedure!

#1 **ATTEND CTC (Recommended)**

To inform yourself of the duties of a Lieutenant Governor and receive personal input from LTGs themselves. (cnhkeyclub.org > Events > Training Conference > Candidate Training Conference).

#2 **Complete the INTENT TO RUN Registration Form**

cnhkeyclub.org > Resources > District Officers > Running for District or International.

The information submitted is used for proper planning for elections in the new term

#3 **Complete the SERVICE AGREEMENT Forms**

The official paperworks will all the required signatures needs to be submitted to the CNH District office and received at least **one week prior** to the division or region conclave.

CONCLAVE PROCEDURE

Conclave is set up by your current Lieutenant Governor and usually takes place between January through February. **More than half of the dues-paid clubs must be in attendance in order for the election to be valid.**

1. Prior to conclave, those running for the position of Lieutenant Governor **must submit all forms one week prior to conclave** and must have already set up a meeting with the Region Advisor. Those who are not running for a position do not need to prepare for it beforehand.
2. The seating is up to the Lieutenant Governor - they may choose to be seated according to club, by delegates/non-delegates, etc. Delegates are two people from a dues-paid club who may vote.
3. The host(s) is/are the current Lieutenant Governor(s) (Except in the case when the current Lieutenant Governor is seeking a second term, then the Region Advisor would host conclave). They will inform members of election procedures and rules of caucus in the beginning of the conclave session.
4. The introduction of candidates is to happen before any speeches/the caucus session. Any literatures have been distributed at this time.
5. During caucus, candidates will have a set amount of time for their speech followed by a set amount of time for a session of questions asked by the members. The Lieutenant Governor hosting the conclave session will give the times of each.
6. During caucus, anyone is allowed to ask questions but the Lieutenant Governor and other moderators will determine whether or not the question is appropriate. If deemed inappropriate, the candidate will not be given the chance to answer it.
7. During the caucus session, if there is more than one person running, **all other candidates who are not speaking will have to exit the room.** The candidates will enter and exit as told to do so by the current Lieutenant Governor.
8. If there are more than two candidates, a nominating conference will take place to narrow the candidates to the top two.
9. Voting will now take place between the two candidates. The delegates **may vote for only one candidate. However, if they feel neither one of them is capable and competent enough to fill the spot of Lieutenant Governor, they may choose "no confidence."** If more than half of the delegates choose that option, a Lieutenant Governor may be appointed if no one is deemed suitable.
10. Results will be announced at the end of conclave, after the votes are counted, but they will not begin their term until they are officially installed during District Convention.

spotlight on service program providing basic needs

background

December is the perfect time to provide your home, school, and community with basic needs! Whether it would be holding a coat or toy drive, making cards, creating no-sew blankets, organizing an Angel Tree, gift wrapping, assembling care packages, partnering with organizations, or holding a bake sale, you can make a difference in someone's life this holiday season! Let's ensure that all people have the proper necessities to live, and remember to be kind and caring!

A friendly reminder to submit your club's SOSP project by the fifth of every month by 6:00PM PST for a chance to be featured in the District Newsletter!

harding elementary school chalk walk

El Cerrito | R9 | D2N

"The idea first sparked in my head when I realized I could use messages from UNICEF (such as spreading safety awareness) and combine them with our local Elementary School chalk walk. Chalk Walks are one of our ongoing service projects, so I took this as an opportunity to expand on the types of projects we do! I contacted the schools principal via email asking her if it was okay if Key Club could host a service project on their campus, and after a few days I got an "okay" from her. With more back and forward emails to plan the logistics, we settled on a date and time. I created a graphic to post on Instagram and promoted it during general meetings. Unfortunately, due to the rain we had to postpone our original date to the following week. This project was a good way to work and build a relationship with our local elementary school. They have even invited us back to do this project again another time."

treats for troops

Silver Creek | R17 | D12S

Two weeks before the set date of the event, I provided this event idea to my club's service coordinators. A few days later, we scheduled a meeting date to discuss date, time location, instructions, required forms, guidelines, preparation, and publication. We planned the event for October 27 from 2-5 PM at our school's Raider Hall. At the event, we decided for the members to decorate white paper bags, make cards/crafts for the bag, and add candy. During the event, we had the tables face each other so that members could interact with other members from Key Club as well as UNICEF. Throughout the event, the service coordinators and I walked around and made sure that everyone had something to do and that they were having a great time! During the event, we were playing our "SafeKey" playlists and took song requests from our members. At the end of the event, we had over 75 participants show up and created 50 Halloween-themed goody bags for our service men and women. Throughout the event, we made sure that our members knew where our contributions were going and to share positive messages to those receiving these treats. Finally, Key Club and UNICEF worked together to send off the goody bags, so that the organization, Soldiers Angels, would receive the goods in time. The mission of Soldiers' Angels is to provide aid, comfort, and resources to the military, veterans, and their families. Once collected, we will ship the filled goody bags to Soldiers' Angels. They will deliver the collected candy to deployed service members and veterans who will hopefully love the sweet treats and reminders of home.

trick or treat for UNICEF posters

Bellflower | R8 | D13N

This year, Bellflower Key Club participated in Trick-or-Treat for UNICEF once again. We helped raise funds for relief efforts in Haiti as they recover from a deadly earthquake and the COVID-19 pandemic. To begin, we set up our virtual platform to raise funds for Trick-or-Treat for UNICEF! In addition, since we are back on campus this school year, we found old Trick-or-Treat orange boxes to collect spare change on campus as well. To further promote our Trick-or-Treat for UNICEF project on campus, we held an Key Club 101 informational training session, where we taught our members about Trick-or-Treat for UNICEF before making informational posters to post around campus and collect more donations for the cause! This project allowed our club to further our relationship with ASB, as ASB helped support this event by providing us with posters and other materials to craft our posters. In addition, we were able to teach our members about UNICEF, which was a great idea to host before the service project itself.

December: 2nd Half Growth

We are now well into the second half of the term, and many of you might be wondering how you can continue to grow. It is important to note that you can continue to grow club membership as you are able to pay additional dues for new members after you initially pay on time.

KIWANIS

One of the most under-utilized parts of Key Club is KIWANIS. We cannot stress enough the importance of getting in contact with your supporting local KIWANIS club. Whether you are a member, club officer, or DLT member, you should know who your KIWANIS advisor is and be in frequent contact with them. They are some of the best help when it comes to growing your club well into the term. Reach out to them, as they are sure to have unique event opportunities, outreach ideas, and other strategies to help your club grow. KIWANIS Clubs are deeply involved in the community, and building contact with them is crucial to extending your Key Club's visibility in the community, thereby allowing you to grow membership. If you do not know who your KIWANIS advisor is, be sure to contact your LTG so that you can begin talking to your advisor and inevitably growing your club.

on growth

Other Clubs

Inter-club events are another great way to network outside the Key Club circle and attract new members. Contact your friends on ASB, Kiwins, NHS, CSF, and any other club you can think of. Set up joint events with those clubs, as this will both provide unique events to your current members and the opportunity to attract new members.

'Tis the Season

One of the best ways to attract new members and grow your club is to provide unique and intriguing events. If you have not already done so, be sure to always check our Spotlight on Service Program for monthly ideas on unique service opportunities. Beyond this, it is crucial to think of how your events fit into the year. This time of year is especially important, as, with the holidays and winter festivities, there are many opportunities for unique social events. From ice skating socials to holiday donation drives for troops abroad, there are many opportunities for club leaders and DLT members to hold unique events that could, in turn, lead to potentially expanding membership.

introducing

cnh member survey

We are proud to introduce the CNH Member Survey. This is a form we hope all members will fill out this term with the help of division and club officers. Its intent is for us to gain a better understanding of who makes up our mighty district, what you all like about Key Club, and what you all feel could be improved. This form is also anonymous to promote truthful responses.

We cannot stress how important it is to fill out this form! Without filling it out you are removing your voice from deciding the future of the CNH District. This is because we want and need to hear your opinions so that we can better improve the club for this term and future terms. The form only takes minutes to fill out but its impact will last for years so do not forget to fill it out!

MEMBER SURVEY

strategic planning committee

DLT → Your LTGs have been sent this form along with instructions, so it is your job to help them promote it to the division. Make sure it is well promoted to both your home club and the division on all media channels and at meetings/DCMs.

PRESIDENTS/VPS/SECRETARIES/TREASURERS/EDITORS → The CNH Member Survey Form has been sent to your email reflector groups. It is your job to get 100% of your club's paid members to fill it out. The easiest way to do this is to integrate it with the dues payment process as an entry form for Key Club. Also, do not forget to fill it out yourself.

MEMBERS → Ask yourself, "have I filled out the form?" If the answer is no, check the CNH or your divisions/clubs' social media platforms to access the form. If you cannot find it reach out to the email below to be sent the form. It is your responsibility as a Key Club member to fill out this form so do not miss out!

SCARY-A-FAIRE

LORELEI VIERNES, ETIWANDA, DIVISION 15 NORTH

On Saturday, October 30th, Key Clubbers from Upland, Alta Loma, and Etiwanda all came together at Downtown Historic Upland to volunteer at various booths around the area! The Downtown Upland shops held a Halloween Scary-a-Faire filled with games, costumes, and many booths for younger kids and their families to get candy and make fun Halloween memories. When I first got there at the second shift of the day, so many of our booth were so occupied with so many of our club volunteers already! I was really happy to see how eager our members were to serve and help. Some were passing out candy, some helped run game booths, while others took small breaks to get the chance to explore Downtown Upland! It was especially exciting to see so many of our members dress up in their Halloween costumes. After the main event was over, the remaining club members helped clean up the Kiwanis booth and other game booths so Upland could reopen the streets. After quickly cleaning up, many members were waiting for their rides and ended up just meeting the new members from different schools. All in all, I'm so glad I got to go to the Scary-A-Faire, and it was definitely a great way to end another great month of Key Club service!

SCARY-
A-FAIRE

COLOR-A-SMILE **REZA NAUMAN, THE** **MEADOWS, DIVISION 28 WEST**

During the event, we colored pictures for Halloween to be sent to senior citizens through an organization. This impacts the community by brightening the days of those who see the pictures. We would like to spread smiles and love to our community. It was very fun! I had a blast coloring the drawings.

SAGE CREEK SOCKTOBER **NADIA RAZZAQ, DIVISION 37 WEST**

On October 30th, Sage Creek Key Club held a packing party, for this month's service project, "Socktober!" During the month of October, Key Clubbers collected new socks to donate to our drive boxes, placed in classrooms around the school. Participants of this service project also made kind and positive cards to send out with the socks, including sweet messages. We hope that these cards will give the recipients, which include the

homeless or less fortunate who will be needing socks, inspiration, and optimism in their lives. After collecting 160 socks, we held our packing party to prepare to donate the socks. At the event, we made more cards to go with the socks, and tied them to the socks along with some lollipops! We hope that the recipients of the socks will enjoy them.

HALLOWEEN CANDY GRAMS

HALLOWEEN CANDY GRAMS GABRIELLA PASAMI, MARE ISLAND TECH, DIVISION 8

MIT Key Club advertised and sold Halloween Candy Grams. We had members volunteer to help us advertise flyers around the school and help sell during our lunch. Through this event, a few members managed to complete their paid dues requirements. We distributed the candy grams on October 28. This money went towards our club and PTP; we raised \$740 for the club and we donated \$137 to PTP. As we surpassed our goal for the money raised for our club, this fundraiser turned out to be a huge success!!

ROSE BOWL HALF MARATHON FRANCES LAM, EL MONTE, DIVISION 35 WEST

The Rose Bowl Half Marathon is hosted by The McCourt Foundation. The Rose Bowl Half Marathon is 13.1 miles and an amazing achievement. Runners began outside the Rose Bowl but would finish inside the Rose Bowl. The half marathon was held on Sunday, September 26th and volunteers were at the event from 5:30 a.m. to 10:30 a.m. There were approximately 20 volunteers for this event. Volunteers were placed on Water Station 5 where they helped set up tables and passed out cups of water to the runners. Volunteers were able to help runners on the journey to the finish line and cheer them on.

FOLSOM BLUE MARATHON TUAN HOANG, CORDOVA HIGH, DIVISION 44 SOUTH

Cordova Key Club attended the Folsom Blue Marathon event. Cordova Key club volunteered with the Cordova cross country team as the team had asked us for assistance, the advisor was the head coach Gruver. Similar to the marathon that we did earlier this month, we cheered and encouraged the runners. This time, we had an additional task of handing out water and gatorade to the runners. The volunteers met at 7am and stayed until 11:15am. The volunteers were also split up into two different stations where we will be doing our tasks.

PURPLE TREE PROJECT

**CARLY MIYAMOTO, PEARL CITY,
DIVISION 22 KOMOHANA**

A few Key Club members helped out Pearl City High School's alumni and Purple Tree Committee with planting five purple crepe myrtle trees on campus. The trees were planted in honor of Pearl City High School's 50th anniversary with each tree representing a decade of graduates. Members assisted with digging holes, planting the young trees, and watering the gators. With many of us helping out, it made the work easy and fast! It was a great experience and opportunity for us to connect with alumni of our school! We can't wait to watch the trees take root here and flourish!

IN SERVICE OF VIDA BEA GUARIN, COVINA, DIVISION 35 EAST

The past month has been insanely busy for our Covina Ellies as we have volunteered at 5 different service events!!! My personal favorite has been the Interclub event we held with 2 other clubs on the Covina campus (Interact Club and Active Minds) which turned out to be a huge success. The joint event was called "In Service of VIDA" where we held a pet blanket and dog toy making event that we would then collect at the end of the event in order to donate to our chosen local animal shelter VIDA Rescue. It was conveniently held on campus after a Saturday school which I think helped us have many members come since they didn't have to go very far from their homes in order to attend (especially since most of our members don't drive). In fact so many members came throughout the event that we got to a point that we had no more open seats and desks for everyone to be able to work at! No worries though as many members didn't mind working on the floor. The event ran for a total of 2 hours where members were able to have a laugh and de-stress while doing a little arts and craft project for a good cause. As Covina's editor during the event I was in charge of

capturing the moments from this event and it was truly a sight to see : "Looking back at the photos taken from this event it brings up all the happy stories and laughs I heard from all the members in which many people interacted with one another and had a great time meeting new people!" While I am a senior this year and unfortunately won't be around to participate in the event next year I'm sure that all future Key Clubbers will enjoy the event and partnership formed between Interact and Active Minds for many years to come!

Happy Holidays, CNH Bees!

It's the **most wonderful time of the year** for all things Key Club! Thank YOU all for working and serving so diligently! You have been recognized for all of things you do, whether that be **big or small**. It still makes an effort towards making an impact towards our homes, schools, and community! Keep up the amazing work and I hope to recognize you again soon!
