# HAPPY NEW YEAR!

I'm glad to see you starting your year off with the **EIGHTH** issue of The Bumble Times! With that said, there is so much in store for us in 2023... From elections season starting, to DCON marking the end of the 2022 - 2023 term in just another **110 days**. To anyone who's planning to run for a position for the upcoming 2023 - 2024 term, I wish you the best of luck! My biggest advice for you is: don't be afraid to be yourself.

With District Convention coming up soon, that also means that **contest deadlines** are around the corner. BEE sure to join the respective Google Classroom(s) through the Google Form **HERE**, if you are planning to apply to a District judged contest. Another slice of advice from me: **start your e-portfolios ASAP!** Do not rush your application, make sure you treat your e-portfolio as a developing document.

Finish reading this 2023 *themed* edition of the District newsletter to receive a wonderful year. **100% guaranteed ;)** Hope you enjoy!

# WHAT'S POPPIN' CALI-NEV-HA!

As you're reading this, welcome to the New Year! Whether your holiday celebrations have concluded, or are ongoing, I hope your winter break was full of **relaxation** and **rejuvenation** for the new year. It's going on my New Year's resolutions to get more service hours in, I hope that's going to be on yours as well. We are close to the LAST QUARTER of the term, which means that in just a couple weeks, your Division will be hosting annual Conclaves, where the next Lieutenant Governors will be elected. Even more than that, **FOUR** months until **DCON 2023**, located in **Ontario, California!**

A couple reminders in the time being: Member Recognition, and awards deadlines are coming up soon. If you haven't started your portfolios or checked in with your secretary about the Member Recognition Program, I encourage you to do so ASAP! We want as many members of the California-Nevada-Hawai'i District to be recognized as possible.

Dues-season is now long passed, but in order to reach our membership goal for the 2022-2023 term, remember that you can pay dues at any time, and that new members are welcome to join the CNH District at any time!

I would like to take this time to thank the wonderful District Board members, officers, and general members of the CNH District for all the work that we have done heading into the New Year! Cali-Nev-Ha would not be the same without you. If you have comments, questions, or concerns, don't hesitate to contact me at [dgov@cnhkeyclub.org](mailto:dgov@cnhkeyclub.org)!

**SERVING** beyond any SKY,

# What's UP CNH?

Welcome to 2023!

It has been an honor to have been able to personally see the growth that CNH has experienced over the past year. I've had a tremendous amount of fun watching you all flourish at Fall Rally North and South, as well as at some of your Region Training Conferences.

With that, I hope you all take the time to reflect on your accomplishments in the past year, and thank those who have helped get you to where you are, from your fellow members, officers, Lieutenant Governor and Division Leadership Team members, and even any District Officers that may have helped you.

Though we still have reached so many goals and accomplished so many feats, we still have a few months left to make the best of our term. Particularly, I hope that you will continue to help CNH reach our goal of 850,000 service hours by discovering new ways to serve your community and ensuring accurate recording of all of the hard work that each and every member does in your club's MRF.

Now for our goals update! As of December 10th, CNH has served **213,788 total service hours**. This puts us at **25.15%** of our goal of **850,000 service hours**.

With that, once again, thank you for all of the hard work and dedication throughout the term- it does not go unnoticed! If you have any questions feel free to reach out to me at [dsec@cnhkeyclub.org](mailto:dsec@cnhkeyclub.org). Cheers CNH!

# BUZZ BUZZ CNH BEES!

Happy New Year! I hope you all had a wonderful Holiday season and got to spend a lot of time with your friends, family, and loved ones! There are only **FOUR** more months until the end of our term and I cannot wait to see you all at [District Convention 2023 this upcoming April!](#)

Thank you so much to all of the hardworking officers who have ensured a majority of our clubs are now dues-paid! If your club has not submitted their dues still, they are considered a delinquent club. Work with your officer boards to ensure that your dues are submitted by [February](#) so that this status can be revoked and you can qualify for scholarships, awards, and more once again!

A huge thank you to all of the members who supported [PTP and the Yes Initiative](#) by participating in our [District-Wide Panda Express Fundraiser](#) last month! I hope you enjoyed watching my fellow executives and I in our mukbang!

Make sure to continue attending events starting with [Conclave!](#) Your division hosts an annual conclave to elect the next Lieutenant Governor. Make sure to reach out to your respective Lt. Governor and find out what date your Conclave is on! Go and find out who will be leading your division in the future!

To end, thank you so much for your dedication to serving our community! You have made the world a better place last year and I know that in 2023 you will leave an even greater impact! Until next time CNH!

## What's Buzzin', Bad Bees?!!

My name is **Alyssa Kline** (she/her), and I proudly serve as your CNH Kiwanis Family and Foundation Chair! At school, I'm involved in show choir, History Club, and student advocacy, but of course, I dedicate most of my time to Key Club! Community service, the Kiwanis Family, and my home school club (Mayfair shoutout!) hold a special place in my heart <3

I'm an INFJ-Hufflepuff-kdrama-binger and a proud half-Taiwanese! I'm also an outgoing introvert who's always eager to make new friends, so don't be afraid to reach out. # POSITION INSIGHTS

As KFF Chair, I lead a committee of 10 LTGs in order to **strengthen Kiwanis relations throughout California, Nevada, and Hawaii**. The Kiwanis Family is integral in making everything we do as Key Clubbers possible, and it is my responsibility to ensure that we receive the support and resources we need and provide such support to the other 5 Kiwanis branches. This could include something as simple as **communicating with my counterparts** from other branches and **organizing joint events**— such as the KIWIN'S x Key Club pen pal program— to **organizing the Kiwanis Expo at DCON**.

I also promote **Key Leader** camps, create resources for chartering a KFamily club, maintain a calendar and map of the entire CNH Kiwanis Family, and promote District-wide fundraisers like Miracle Treat Day.

Two of my other main focuses include **educating members on Key Club's preferred charities and on Kiwanis scholarships and grants**. This year, the KFF Committee has created a series of resources to guide you through the scholarship and grant application process, so feel free to check those out on the CNH CyberKey! Also on the CyberKey are **several guides** educating you on ways to strengthen your Kiwanis Relations, which is important in receiving end of the year recognition. If you ever have any questions while going through these resources, feel free to reach out!

## MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

CONCLAVE

## WHAT IS CONCLAVE?

A division meeting in which a Lieutenant Governor (LTG) is elected to serve the division as a district & international liaison for one term. Here, candidates are chosen to be their division's LTG elect by conclave delegates upon the completion of their candidate speeches and caucus session. This event takes place in January-February. A region may choose to organize multiple conclaves at one location, so be sure to reach out to your club president or current Lieutenant Governor for more information regarding your division's conclave!

## HOW DO I PARTICIPATE?

Depending on your club, you may have the opportunity to be a delegate at your conclave, where in which you will be responsible for listening to LTG candidates' speeches, asking them questions about their candidacy during caucus, and voting on who should be your division's next Lieutenant Governor! Make sure to attend your division's conclave to witness the special moment your 2022-23 Lieutenant Governor is elected!

## HOW DO I BECOME A CANDIDATE?

Those interested in becoming a candidate should have attended their region's respective Candidate Training Conference (CTC). If you would like more information about the LTG election and candidacy process, please reach out to your division's current Lieutenant Governor and Region Advisor. *\*NOTE\*: Depending on your division and the date of your conclave, you may not be allowed to run if you have not attended CTC.*

# CONCLAVE 2023!

*hear from your district board members...*

"Conclave undoubtedly changed the trajectory of my life as it opened a door of opportunities and allowed me to meet amazing people through the process. Running was probably one of the most scariest things I've ever done, but I continue to carry the lessons I've learned to this day: I learned that having humility does not equate to beating yourself up for your mistakes or believing that you are not capable, it means that you understand that you are not always the best, and that you have to put in the effort to win, regardless of how many "advantages" or "disadvantages" you encounter. So to all of the LTG candidates out there, I am wishing you the best of luck, and remember to place trust within yourself!"

**D04N LTG Lina Tran**

"What's buzzing, CNH? I'm Jamie Lynn Phan and I serve Division 27 North as their Lieutenant Governor. I attended Conclave for the three years. During my freshman year, I was appointed as a delegate for my home club; it was a very memorable leadership experience in my Key Club journey! As a member representing the vote of my home club, I earnestly listened to the wonderful speeches and caucuses of different candidates. It was an exciting feeling, being present in such a vital moment of the term for our sister Divisions, 27 North and South. Little did I know, I would one day be one of the LTG candidates passionately determined to lead my Division. In all the times I have attended Conclave, including the year I was a candidate myself, I felt very inspired by the vision of candidates. You should attend this term's Conclave and be present at such an uplifting event. Your input to your club delegates is very important as it ensures your opinions are being properly represented in electing the next Lieutenant Governor. Your Division's future counts on you."

# SPOTLIGHT ON SERVICE PROGRAM

## NOVEMBER:

### KIWANIS FAMILY

**Carlmont | 34N | R17**

**“Annual  
Safeway  
Nourishing  
Neighbors Food  
Drive”**

This project had great turnout from both volunteers and Kiwanis advisors. Our attendees were able to interact with D34 Kiwanis and learn about their roles in Key Club while raising money to support our local food banks. To improve this project in the future, we could start advertising the event earlier in the month to completely fill all of the volunteer slots available. Nevertheless, our volunteers that attended were still able to make an impact in the community while also meeting new people.

## “Cards for Kiwanis”

**This project allowed our club to take time and reflect on who we are grateful for. I think the project was successful as we were able to bond with each other and talk while making the cards. During the holidays, it's important to think of loved ones and realize the blessings we have. I think this project captures the spirit of the holidays. We could improve this project by completing it indoors in warmer temperatures and offering it to the whole club.**

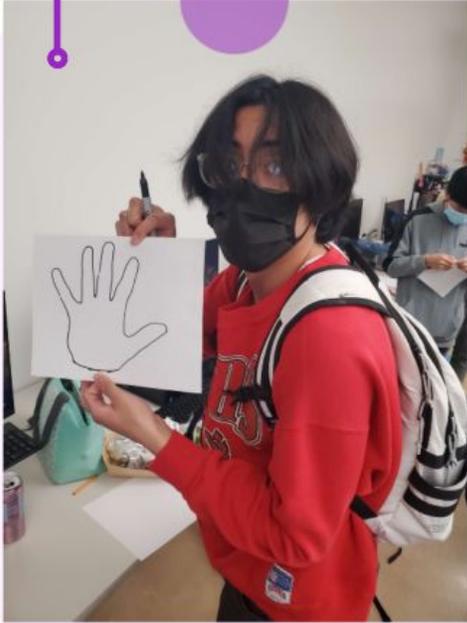

**During our board bonding, officers made Thanksgiving and Holiday cards for Kiwanians to show our gratitude and appreciation for those around us. We offered lots of card paper and various colored utensils for decorating the cards, ensuring that they would be festive and colorful.**

# ARTICLES & VISUALS

# TURKEY HANDS

**Renee Ng | Division 2  
North, El Cerrito High  
School**

After our last weekly meeting before Thanksgiving break, we made hand turkeys for the El Cerrito Public Library! Tons of new members from a

variety of grades came out to draw funky turkeys with colorful messages, and we are so excited to get to know them as the term goes on. Members traced their hands in fun colors, then decorated the turkey with festive feathers, hats, faces, and more! It was a sweet way to end the week, and we're looking forward to more after meeting services.

# TURKEY TROT

**Edin Le | Division 12  
South, Yerba Buena High  
School**

This was my first year at turkey trot and I helped with the hydration station! Meeting up with my friends so early in the morning was really surreal but it was fun to just enjoy each other's company while helping others. Doing the labor was also a lot easier when so many of the runners were so nice. I think my favorite part was getting this turkey keychain from a guy dressed up in a turkey costume. During this event, there were multiple volunteering "booths"! I was a part of the "Hydration Stations" which was where I assisted in the set-up of the hydration tables and passed out water to runners. My favorite part was helping pass out water to the runners. In fact, I really enjoyed working with a friend of mine to encourage and support the runners. The time I spent helping out was pretty worth-while and I had fun in the process!

## Vibieda | Division 46 North, High School

is a Kiwanis sponsored two day camp Jones Gulch that gathers a plethora of Key Clubbers and aspiring to learn more about service and building connections for a community. On Friday, everybody showing up, and nervous faces melted away to know each other with introductions and delicious dinner. We stayed in the heated Eghron-Heart bunk beds and got ready for the packed schedule for the next day. We came and we got to learn more about the importance of communication and different types. Perhaps one of my favorite memories from this trip was the rope trails! Lasting two days, Key Leaders went through intensive training exercises like navigating a rope trail, fitting ourselves into tight logs, and using a wood board to learn the importance of teamwork and morale. To celebrate our newfound friendships, we ate, drank, and took pictures! The dreaded moment arrived when we reluctantly packed up and reflected on our fun memories and connections we made throughout the trip. To this day, I remember the lessons learned and friendships I made at Key Leader. How change is achieved through taking small steps, how effective communication can boost team efficiency, and how an experience can only be as fun as you make it to be. I thank everyone for making my Key Leader as memorable as it was. I am a Kiwanian like Ateh Monica to help people through compassion. It's sad I'm only able to go my senior year but if you and your underclassmen reading this I heavily encourage you to go! You won't regret it.

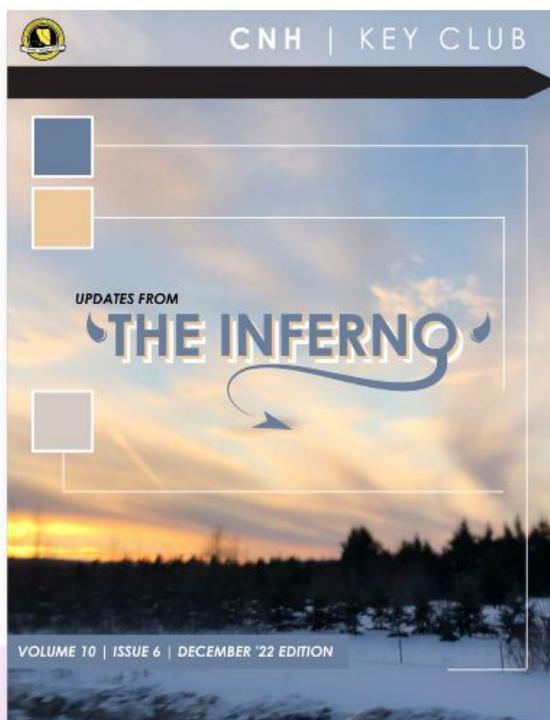

## Esai Sedano | Division 7 North, C.K. McClatchy High School

Key Leaders was a multi day event C.K. McClatchy is so proudly able to say was able to have 3 members attend. Not only was this an opportunity for our president and lieutenant governor to learn some extremely valuable leadership experience and knowledge but it was also a way for them to have a good time with other key clubbers and none key clubbers alike. Bonding with people from all over the place and even none key clubbers that were present at the event, our members were able to grow together with a group of students who want to achieve the same goals as each other. Whether it was simply partnering up during our lectures or being in groups at a rope course the teamwork skills we all developed at Key Leaders proved to be so much more beneficial than we all expected.
