EDITOR'S MESSAGE

WHAT'S BUZZIN' CNH BEES!

to welcome **YOU** to the first ever issue of **The Bumble Times**. My name is Joanne Do and I will be serving you as your District News Editor for the 2022-2023 term! I'm an uprising senior at San Francisco High School and from the mightiest division located in the Bay Area, I typically find me scrolling through my endless page of spotify playlists (just to repeat) or buying Thai tea to cater my slightly unhealthy addiction. I love being Little Witch in the Woods!

You know what that means... School is out and Summer is finally here! Summer is almost ended yet. If so, the finish line is almost here. I know you can finish off the summer by **stay hydrated** during these times especially because the weather is hot here. I hope you all are finally able to do the activities you want since my favorite things to do during my Summer break are playing games, drawing, and spending time with the most inconvenient times.

With many **buzzes & bumbles**,

I cannot wait to see all of you continue to serve throughout the summer. Stay safe when serving and feel free to ask questions, comments, or reach out to me anytime. I promise

GOVERNOR DIANE

WHAT'S POPPIN CNH!

Wishing you the best of results through the end of the school year, and a BEEyond exciting start to the 2022-2023 CNH District Key Club term! My name is Diane Dao, and I serve as the District Governor of CNH! I am currently enjoying the last four weeks of school as a junior at Fountain Valley High School, a part of the blazin' dragons of Division 04 West. On campus I serve as the Associated Student Body Vice President, along with the head of Student Culture. If I'm not off doing Key Club work, you'll probably find me on FaceTime with my friends, watching a political thriller, or finding cute viewpoint spots in my home Region 3.

Time is flying by, and we are already almost in the last month of Quarter 1! For this term, the District Executives are looking at 35k to be our magic number of members! With membership growth up into the positives for the first time in years, I'm confident that we will be able to attain these numbers throughout CNH with the help of our fellow District Board members, officers, and the general members that make Key Club so special. While I might be a little scary to approach, remember that I'm only one direct message or email away - and that I will always be willing to help you out!

As we venture through this term together, I'm more than confident that we'll succeed - and I'm lucky to serve this District with my whole heart. Summer is coming, and with that remember to stay serving beyond any SKY, and make time for yourself and your friends! Until next time CNH!

SERVING beyond any **SKY**,

Diane **Diane Dao**
District Governor 2022-2023

SECRETARY ASHLEY

What's UP CNH?

I hope you are feeling **OH so good** and are enjoying a wonderful start to the term. My name is Ashley Park, and I will proudly be serving you as your District Secretary for the 2022-2023 term! I am currently basking in my last weeks of being a junior at Orange County School of the Arts, and I come to you all from the Division 4 East splashing goldfishes! At my school, I am a part of the Creative Writing Conservatory and our literary magazine, Inkblot Lit Mag! When I'm not writing away, you can find me with glazed eyes staring at a movie or tending to one of my many plants.

For my club secretaries and editors, as well as my Division News Editors, I hope that you have all become well acquainted with your submissions for every month. Please aim to get all of your submissions in on a **timely manner** every single month in order to achieve the wonderful accomplishment of **100% on-time submissions**. Your submissions play a **valuable** role in helping us gain insight into the "growth and glow" areas of our district- as well as highlighting the **amazing work** your club and divisions accomplish every month. Thus, be sure, especially with the Monthly Report Form, that you are recording your data as **accurately as possible**.

That said, I am ecstatic to join you all on this journey through the clouds. While last term may have had its own obstacles- they have provided important lessons for us. Since it seems that our district has finally broken through the digital world, let's soak up all of the valuable, in-person human experiences and moments that this term provides. If you have any questions through this, please don't be afraid to reach out- I'm always free to help. It's going to be an OUTSTANDING term CNH!

SERVING to CLOUD 9,

Ashley Ashley Park
District Secretary 2022-2023

TREASURER MARCUS

BUZZ BUZZ CNH!

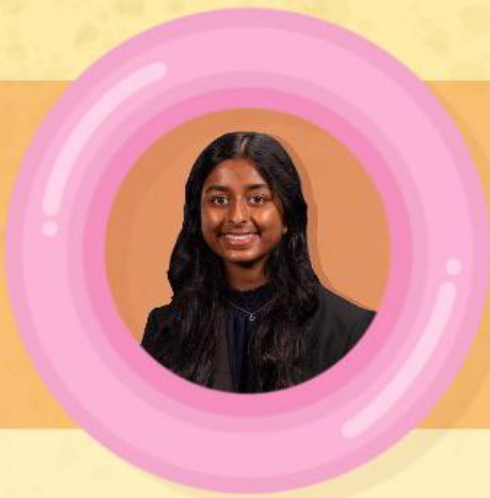

I hope you have all **BEE**n doing well! My name is Marcus Fang and I am ecstatic and humbled to serve you all as your District Treasurer for the 2022 to 2023 term! I am a rising senior at Diamond Bar High School and I am a loud and proud Elephant from Division 35 East. On campus I am a part of my high school swim team and I am the Class of 2023 Vice President. I love watching movies, listening to music, and going to the beach to watch the sunset in my free time.

As we enter the third month of our term I wanted to highlight our **PTP/YES Initiative Fundraising goal!** This year my fellow executives and I are aiming to raise over **\$225,000** for the Pediatric Trauma Program and the YES Initiative. This may seem like a daunting number but I **BEE**lieve in you CNH! Together I am certain we can make this dream become a reality. This term I also want to be there for you! Never hesitate to reach out to me if you have any questions regarding **ANYTHING!** Whether it be Key Club related or just simply about life, I will **ALWAYS** make sure to answer you and give the best advice I can. So don't be a stranger!

I am super excited for what is to come in this new chapter of CNH's story! I am certain you will all blow expectations out of the water and I can't wait to see what you all accomplish this term! With the start of summer, it is the perfect time to go out and serve your community! I encourage you to participate in as many service projects and fundraisers as possible during the next few months and make new friends as well! Have fun CNH and stay safe! <3

MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

SPRING VALLEY EARTH DAY

DeniseLeia Miranda | Division 31, Monte Vista

Our club had a booth at Spring Valley Earth Day at Lamar County Park. There were tons of cool activities available like tree planting and crafts. Our club specifically had a booth that was dedicated to painting a pot and propagating a succulent. We had them paint their pot first, and then when they were done we'd put soil and a succulent leaf in it, and set the pot to dry. They could pick up their pot whenever they wanted, as long as they told a member that they wanted to. This allowed for the pots to have time to dry, so they wouldn't be carrying a wet pot around. Once they let us know they wanted to pick it up we would bag the pot for them along with a care card that was written by the members of our club. It was a great opportunity to not only connect with the community more but to also promote Key Club. We met tons of new people like kids who attended local middle schools like STEAM Academy, who expressed their interest in Key Club. A few members and I even got to talk to some of the band members who were playing live music, we got to talk about our interests in psychology and what we wanted to do in the future. Overall, the event was really fun and there was good turnout, both people and members wise. We got some downtime to even participate in the other activities like decorating our own tote bags. It was also a good learning opportunity as we had to work together to plan and gather supplies for the booth. It also gave us the opportunity to learn how to work and communicate with other organizations.

ARTICLES VISUALS &

ETIWANDA COLOR WAR

Sharon Lance | Division 15N, Etiwanda

On April 16th, Etiwanda had our very own color war! This event was both a color war and Olympics between each grade level. We first checked in those who signed up and we had a great turnout! We started the day off by playing Poncho, a game where you dance against another group and whoever can't come up with a new dance move is out. For our first game, we played Musical Chairs and the sophomores won. Shortly after, we played Capture the Flag and it was between Juniors versus Seniors and Freshman versus Sophomores and the sophomores also won this game. For our very last game, we had a Balloon Relay Race where each grade had to partner up with someone and pop the balloon first to win.

The sophomores won the Olympics and we had a color war afterwards. Everyone received colored powder and from there on, everyone had loads of colors on them. I was a leader for the juniors and it was lots of fun to see two whole months worth of planning to finally happen. Thank you to everyone who went to our color war and I hope you had tons of fun and made some new memories.

EMERALD NECKLACE TREE PLANTING

Samantha Loi | Division 10 South, Rosemead High School

On April 10, 2022, Rosemead Key Clubbers participated in a tree planting service in collaboration with Emerald Necklace. This organization is dedicated to the beautification and plant preservation of parks and public spaces. This particular service lasted from 9:00 AM to 12:00 PM. Upon joining the service, members were briefed on how to execute the planting process and how to handle the gardening tools correctly.

Throughout the service, members were tasked with planting shrubbery and small trees around the Jeff Seymour Family Center. After shoveling small holes in the dirt and seeding the plants, members watered and placed wood chips around the plant mounds to ensure their future growth. Once the service finished, members were given snacks and water as they proceeded to take a group picture.

Thank you ♥

VOLUNTEERING WITH SENIOR RESIDENTS

Shanelle Relucio | Division 5 North, Clovis North High School

On Sunday, April 10th, Clovis North Key Club hosted an event with BellaCare, a home for senior residents. As it was a week before Easter, we helped to entertain the seniors with hat decorating and making Easter baskets! I had lots of fun meeting the residents as they each had an interesting story to tell. I learned about their hobbies, their relatives, and their past experiences, all while brightening their day. I came to realize how sweet and humorous the residents are. This was a super fun project and we're looking forward to planning even more events with them in the future!

CONGRATULATIONS, BEES!

Listed below are the clubs, members, officers, faculty advisors, and Kiwanis advisors who went above and beyond! Thank you for serving within your schools and communities, bees. Keep up the amazing work and we hope to see you on this list next month!
